Hi Ryan, Addison,

I am proud to share that today, we have entered into an important transaction with Horizon Acquisition Corporation that will result in Vivid Seats becoming a public company. Please see the press release [here](#) for additional information about this important development.

This is the next major step for our company, which we expect will allow us to accelerate our growth and support our continued leadership position in the secondary ticketing marketplace serving the concert, sports, and theater markets. I want to assure you that our focus, our day-to-day operations and, most importantly, our partnership with you, will remain steadfast. While today's announcement is certainly a watershed moment, we remain completely focused on our business, and we know the critical role you play in it.

I would also like to advise that, given this news, there may be a heightened level of interest in, and scrutiny of, Vivid Seats that can be used to form an opinion on our future performance. We ask that you please refrain from discussing the nature of our relationship or any financial terms or other proprietary information with outside parties.

We appreciate your partnership and continued cooperation – and look forward to sharing updates as appropriate during this process. Please contact me with any questions.

Alexia
