## ARTICLE V. CERTIFICATES OF STOCK

Section 5.01 Form. The shares of stock of the Corporation shall be represented by certificates; *provided that*, the Board of Directors may provide by resolution that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. If shares are represented by certificates, the certificates shall be in such form as required by applicable law and as determined by the Board of Directors. Each certificate shall certify the number of shares owned by such holder in the Corporation and shall be signed by, or in the name of

the Corporation by two authorized officers of the Corporation including, but not limited to, the Chair of the Board (if an officer), the President, a Vice President, the Chief Financial Officer, the Treasurer, the Secretary and an Assistant Secretary of the Corporation. Any or all signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed, or whose facsimile signature or signatures have been used on, any such certificate or certificates shall cease to be such officer, transfer agent or registrar of the Corporation whether because of death, resignation or otherwise before such certificate or certificates have been issued by the Corporation, such certificate or certificates may nevertheless be issued as though the person or persons who signed such certificate or certificates or whose facsimile signature or signatures have been used thereon had not ceased to be such officer, transfer agent or registrar of the Corporation at the date of issue. All certificates for shares shall be consecutively numbered or otherwise identified. The Board of Directors may appoint a bank or trust company organized under the laws of the United States or any state thereof to act as its transfer agent or registrar, or both in connection with the transfer of any class or series of securities of the Corporation. The Corporation, or its designated transfer agent or other agent, shall keep a book or set of books to be known as the stock transfer books of the Corporation, containing the name of each holder of record, together with such holder's address and the number and class or series of shares held by such holder and the date of issue. When shares are represented by certificates, the Corporation shall issue and deliver to each holder to whom such shares have been issued or transferred, certificates representing the shares owned by such holder, and shares of stock of the Corporation shall only be transferred on the books of the Corporation by the holder of record thereof or by such holder's attorney duly authorized in writing, upon surrender to the Corporation or its designated transfer agent or other agent of the certificate or certificates for such shares endorsed by the appropriate person or persons, with such evidence of the authenticity of such endorsement, transfer, authorization and other matters as the Corporation may reasonably require, and accompanied by all necessary stock transfer stamps. In that event, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate or certificates and record the transaction on its books. When shares are not represented by certificates, shares of stock of the Corporation shall only be transferred on the books of the Corporation by the holder of record thereof or by such holder's attorney duly authorized in writing, with such evidence of the authenticity of such transfer, authorization and other matters as the Corporation may reasonably require, and accompanied by all necessary stock transfer stamps, and within a reasonable time after the issuance or transfer of such shares, the Corporation shall, if required by applicable law, send the holder to whom such shares have been issued or transferred a written statement of the information required by applicable law. Unless otherwise provided by applicable law, the Certificate of Incorporation, Bylaws or any other instrument, the rights and obligations of the holders of uncertificated stock and the rights and obligations of the holders of certificates representing stock of the same class and series shall be identical.

Section 5.02 Lost Certificates. The Corporation may issue or direct a new certificate or certificates or uncertificated shares to be issued in place of any certificate or certificates previously issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the owner of the lost, stolen or destroyed certificate. When authorizing such issue of a new certificate or certificates or uncertificated shares, the Corporation may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or his or her legal representative, to give the Corporation a bond in such sum as it may direct, sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

Section 5.03 Registered Stockholders. The Corporation shall be entitled to recognize the exclusive right of a person registered on its records as the owner of shares of stock to receive dividends, to vote, to receive notifications and otherwise to exercise all the rights and powers of an owner, except as otherwise required by applicable law. The Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares of stock on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by applicable law.

If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 6.09 Inconsistent Provisions. In the event that any provision (or part thereof) of these Bylaws is or becomes inconsistent with any provision of the Certificate of Incorporation, the DGCL, any other applicable law or the Stockholders' Agreement, the provision (or part thereof) of these Bylaws shall be construed and deemed to have been revised to conform to the applicable provision of the Certificate of Incorporation, the DGCL, other applicable law or the Stockholders' Agreement, as the case may be, the applicable provisions of which shall be deemed incorporated herein by reference so as to eliminate any such inconsistency.

### ARTICLE VII. INDEMNIFICATION

Section 7.01 Right to Indemnification and Advancement. Each person who was or is made a party or is threatened to be made a party to or is otherwise involved (including involvement, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, excise taxes or penalties under the Employee Retirement Income Security Act of 1974, as amended from time to time ("ERISA") and any other penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith and such indemnification shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators; *provided, however*, that, except as provided in this Section 7.02 with respect to proceedings to enforce rights to indemnification and advance of expenses (as defined below), the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized in the specific case by the Board of Directors of the Corporation. In addition to the right to indemnification conferred herein, an indemnitee shall also have the right, to the fullest extent not prohibited by law, to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition (an "advance of expenses"); *provided, however*, that if and to the extent that the DGCL requires, an advance of expenses shall be made only upon delivery to the Corporation of an undertaking (an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this Section 7.01 or otherwise. The Corporation may also, by action of its Board of Directors, provide indemnification and advancement to employees and agents of the Corporation. Any reference to an officer of the Corporation in this Article VII shall be deemed to refer exclusively to the Chair of the Board of Directors, Chief Executive Officer, President, Secretary and Treasurer of the Corporation appointed pursuant to Article IV, and to any Vice President, Assistant Secretary, Assistant Treasurer or other officer of the Corporation appointed by the Board of Directors pursuant to Article IV of these By-laws, and any reference to an officer of any other enterprise shall be deemed to refer exclusively to an officer appointed by the board of directors or equivalent governing body of such other entity pursuant to the certificate of incorporation and bylaws or equivalent organizational documents of such other enterprise. The fact that any person who is or was an employee of the Corporation or an employee of any other enterprise has been given or has used the title of "Vice President" or any other title that could be construed to suggest or imply that such person is or may be an officer of the Corporation or of such other enterprise shall not result in such person being constituted as, or being deemed to be, an officer of the Corporation or of such other enterprise for purposes of this Article VII unless such person's appointment to such office was approved by the board of directors pursuant to Article VII.

Section 7.02 Procedure for Indemnification. Any claim for indemnification or advance of expenses by an indemnitee under this Section 7.02 shall be made promptly, and in any event within forty-five (45) days (or, in the case of an advance of expenses, twenty (20) days; *provided* that the director or officer has delivered the undertaking contemplated by Section 7.01 if required), upon the written request of the indemnitee. If the Corporation denies a written request for indemnification or advance of expenses, in whole or in part, or if payment in full pursuant to such request is not made within forty-five (45) days (or, in the case of an advance of expenses, twenty (20) days; *provided* that the indemnitee has delivered the undertaking contemplated by Section 7.01 if required), the right to indemnification or advances as granted by this Article VII shall be enforceable by the indemnitee in any court of competent jurisdiction. Such person's costs and expenses incurred in connection with successfully establishing his or her right to indemnification, in whole or in part, in any such action shall also be indemnified by the Corporation to the fullest extent permitted by applicable law. It shall be a defense to any such action (other than an action brought to enforce a claim for the advance of expenses where the undertaking required pursuant to Section 7.01, if any, has been tendered to the Corporation) that the claimant has not met the applicable standard of conduct which make it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of proof shall be on the Corporation to the fullest extent permitted by law. Neither the failure of the Corporation (including its Board of Directors, a committee thereof, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 7.03 Insurance. The Corporation may purchase and maintain insurance on its own behalf and on behalf of any person who is or was or has agreed to become a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, partner, member, trustee, administrator, employee or agent of another corporation, partnership, joint venture, limited liability company, trust or other enterprise against any expense, liability or loss asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against such expenses, liability or loss under the DGCL.

Section 7.04 Service for Subsidiaries. Any person serving as a director, officer, partner, member, trustee, administrator, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, at least 50% of whose equity interests are owned by the Corporation (a "subsidiary" for purposes of this Article VII) shall be conclusively presumed to be serving in such capacity at the request of the Corporation.

Section 7.05 Reliance. Persons who after the date of the adoption of this provision become or remain directors or officers of the Corporation or who, while a director or officer of the Corporation, become or remain a director, officer, employee or agent of a subsidiary, shall be conclusively presumed to have relied on the rights to indemnity, advance of expenses and other rights contained in this Article VII in entering into or continuing such service. To the fullest extent permitted by law, the rights to indemnification and to the advance of expenses conferred in this Article VII shall apply to claims made against an indemnitee arising out of acts or omissions which occurred or occur both prior and subsequent to the adoption hereof. Any amendment, alteration or repeal of this Article VII that adversely affects any right of an indemnitee or its successors shall be prospective only and shall not limit, eliminate, or impair any such right with respect to any proceeding involving any occurrence or alleged occurrence of any action or omission to act that took place prior to such amendment or repeal.

Section 7.06 Non-Exclusivity of Rights; Continuation of Rights of Indemnification. The rights to indemnification and to the advancement and payment of expenses conferred in this Article VII shall not be exclusive of any other right which any person may have or hereafter acquire under the Certificate of Incorporation or under any statute, by-law, agreement, vote of stockholders or disinterested directors or

## [Table of Contents](#)

otherwise. Notwithstanding the existence of any of the foregoing rights, the Corporation (a) is the indemnitor of first resort (i.e., the Corporation's obligations to any indemnitee under these Bylaws are primary and any duplicative, overlapping or corresponding obligations of any other party are secondary), (b) shall be required to make all advances of expenses and other payments required under this Article VII, and shall be fully liable therefor, without regard to any rights any indemnitee may have against any affiliate or associate of such indemnitee and (c) irrevocably waives, relinquishes and releases all affiliates and associates of such indemnitee for contribution, subrogation or any other recovery of any kind in respect thereof. All rights to indemnification under this Article VII shall be deemed to be a contract between the Corporation and each person who is an indemnitee under this Article VII at any time while this Article VII is in effect. Any repeal or modification of this Article VII or repeal or modification of relevant provisions of the DGCL or any other applicable laws shall not in any way diminish any rights to indemnification and advancement of expenses of such director or officer or the obligations of the Corporation arising hereunder with respect to any proceeding arising out of, or relating to, any actions, transactions or facts occurring prior to the final adoption of such repeal or modification.

Section 7.07 Merger or Consolidation. For purposes of this Article VII, references to the "Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this Article VII with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.

Section 7.08 Savings Clause. To the fullest extent permitted by law, if this Article VII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and advance expenses to each person entitled to indemnification under Section 7.01 as to all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, ERISA excise taxes and penalties and any other penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person and for which indemnification and advancement of expenses is available to such person pursuant to this Article VII to the fullest extent permitted by any applicable portion of this Article VII that shall not have been invalidated.

## ARTICLE VIII. AMENDMENTS

These Bylaws may be amended, altered, changed or repealed or new Bylaws adopted only in accordance with Section 10.01 of the Certificate of Incorporation.

In the event the size of the Board is increased in accordance with applicable law and the Company’s organizational documents, the Topco Equityholders shall have the right to designate a number of directors of the Board which give the Topco Equityholders the same percentage of total directors on the Board as permitted to be designated pursuant to this Section 3(a), rounded up to the next whole number.

(b) Sunset on Designees. From the date of this Agreement until the Topco Sunset Date, the Company shall, and the Voting Parties shall take all Necessary Action to, include the Topco Designees in the slate of nominees recommended by the Board for election as directors at each applicable annual or special meeting of the stockholders of the Company, including at every adjournment or postponement thereof, at which directors are to be elected. From the date of this Agreement until the Horizon Sunset Date, the Company shall, and the Voting Parties shall take all Necessary Action to, include the Horizon Designees in the slate of nominees recommended by the Board for election as directors at each applicable annual or special meeting of the stockholders of the Company, including at every adjournment or postponement thereof, at which directors are to be elected. Once the Topco Equityholders and Horizon Equityholders, as applicable, lose the right to nominate a director in accordance with Section 3(a) above, the selection of such director shall be conducted in accordance with applicable law and with the Charter, Bylaws and the other corporate governance documents of the Company.

(c) Resignation; Removal; Vacancies.

(i) Any Topco Designee or Horizon Designee may resign at any time upon written notice to the Board.

(ii) (A) The Topco Equityholders shall have the exclusive right to remove one or more of the Topco Designees from the Board, and the Company and the Voting Parties shall take all Necessary Action to cause the removal of any such Topco Designee(s) at the written request of the Topco Equityholders and (B) the Topco Equityholders shall have the exclusive right, in accordance with Section 3(a), to designate directors for election to the Board to fill any vacancies created by reason of death, removal or resignation of the Topco Designees, and the Company and the Voting Parties shall take all Necessary Action to cause any such vacancies to be filled by replacement Topco Designees as promptly as reasonably practicable.

(iii) (A) The Horizon Equityholders shall have the exclusive right to remove the Horizon Designee from the Board, and the Company and the Voting Parties shall take all Necessary Action to cause the removal the Horizon Designee at the written request of the Horizon Equityholders and (B) the Horizon Equityholders shall have the exclusive right, in accordance with Section 3(a), to designate a director for election to the Board to fill any vacancy created by reason of death, removal or resignation of the Horizon Designee, and the Company and the Voting Parties shall take all Necessary Action to cause any such vacancy to be filled by a replacement Horizon Designee as promptly as reasonably practicable.

(d) Committees. Until the Topco Sunset Date, the Topco Equityholders shall have the right to designate a number of members of each committee of the Board equal to the nearest whole number greater than the product obtained by multiplying (a) the percentage of the total voting power of the then outstanding Common Stock then Beneficially Owned by the Topco Equityholders and (b) the number of positions, including any vacancies, on the applicable committee, provided that any such designee shall be eligible to serve on the

applicable committee under applicable law or listing standards of the NYSE, including any applicable independence requirements (subject in each case to any applicable exceptions, including those for newly public companies and for “controlled companies,” and any applicable phase-in periods). Until the Horizon Sunset Date, Horizon shall have the right to appoint one (1) member of each committee of the Board, provided that any such designee shall be eligible to serve on the applicable committee under applicable law or listing standards of the NYSE, including any applicable independence requirements (subject in each case to any applicable exceptions, including those for newly public companies and for “controlled companies,” and any applicable phase-in periods). Any additional members shall be determined by the Board. Nominees designated to serve on a Board committee shall have the right to remain on such committee until the next election of directors, regardless of any decrease in the percentage of the total voting power of the then outstanding Common Stock then Beneficially Owned by the Topco Equityholders following such designation. Unless the Topco Equityholders notify the Company prior to the time the Board takes action to change the composition of a Board committee, and to the extent the Topco Equityholders have the right to nominate a Board committee member in accordance with this [Section 3\(d\)](#) at the time the Board takes action to change the composition of any such Board committee, any director currently designated by the Topco Equityholders to serve on a committee shall be presumed to be re-designated for such committee.

(e) [Board Observer](#). In addition to the nomination rights set forth in [Section 3\(a\)](#) above, (i) until the Topco Sunset Date, Topco Equityholders shall have the right, but not the obligation, to designate a person (a “[Non-Voting Observer](#)”), and (ii) until the Horizon Sunset Date, Horizon shall have the right, but not the obligation, to designate a Non-Voting Observer, in each case, to attend meetings of the Board (including any meetings of any committees thereof) or any board of directors or similar governing body of any subsidiary of the Company (a “[Subsidiary Board](#)”) in a non-voting observer capacity. Any such Non-Voting Observer shall be permitted to attend all meetings of the Board or such Subsidiary Board. The Topco Equityholders and Horizon shall each have the right to remove and replace its Non-Voting Observer at any time and from time to time. The Company shall furnish to any Non-Voting Observer (i) notices of Board or Subsidiary Board meetings no later than, and using the same form of communication as, notice of Board or Subsidiary Board meetings are furnished to directors and (ii) copies of any materials prepared for meetings of the Board or Subsidiary Board that are furnished to the directors no later than the time such materials are furnished to the directors. Any such Non-Voting Observers shall be required to execute or otherwise become subject to any codes of conduct or confidentiality agreements of the Company or such subsidiary generally applicable to directors of the Company or such subsidiary. Notwithstanding the foregoing, the Company (or such subsidiary) reserves the right to withhold any information and to exclude the Non-Voting Observers from receiving any materials and/or attending any meeting or portion thereof if access to such information or attendance at such meeting would reasonably be expected to adversely affect the attorney-client privilege between the Company (or such subsidiary) and its counsel.

(f) [Voting](#). Each of the Company and the Voting Parties agree not to take, directly or indirectly, any actions (including removing directors in a manner inconsistent with this Agreement) that would knowingly frustrate, obstruct or otherwise affect the provisions of this Agreement and the intention of the parties hereto with respect to the composition of the Board as herein stated. Each Voting Party, to the extent not prohibited by the Charter, shall vote all Voting Shares held by such Voting Party in such manner as may be necessary to elect and/or maintain in office as members of the Board those individuals designated in accordance with this [Section 3](#) and to otherwise effect the intent of the provisions of this Agreement. Each Voting Party further agrees until the Topco Sunset Date and Horizon Sunset Date, as applicable, (i) to take all Necessary Action reasonably available within their power, including casting all votes to which such Voting Party is entitled in respect of its Voting Shares, whether at any annual or special meeting, by written consent or otherwise, so as to vote its Voting Shares on all matters submitted to the stockholders of the Company in accordance with the recommendation of the Board and (ii) not to grant, or enter into a binding agreement with respect to, any proxy to any Person in respect of such party’s Common Stock that would prohibit such party from casting such votes in accordance with clause (i).

4. Controlled Company.

(a) The Voting Parties agree and acknowledge that by virtue of the Topco Equityholders' voting power of more than fifty percent (50%) of the total voting power of the shares of capital stock of the Company outstanding as of the date hereof, the Company will, as of the date hereof, qualify as a "controlled company" within the meaning of Section 303A of the NYSE Listed Company Manual.

(b) From and after the date hereof, the Company agrees and acknowledges that, unless otherwise agreed by the Topco Equityholders, it shall elect, to the extent permitted under the NYSE Listed Company Manual, to be treated as a "controlled company" within the meaning of Section 303A of the NYSE Listed Company Manual.

5. Representations and Warranties of each Voting Party. Each Voting Party on its own behalf hereby represents and warrants to the Company and the other Voting Party, severally and not jointly, with respect to such Voting Party and such Voting Party's ownership of his, her or its Voting Shares set forth on Annex A, as of the date of this Agreement, as follows:

(a) Organization; Authority. Such Voting Party (i) is duly incorporated or organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization and (ii) has all requisite power and authority to enter into this Agreement and to perform its obligations hereunder. This Agreement has been duly authorized, executed and delivered by Voting Party. This Agreement constitutes a valid and binding obligation of Voting Party enforceable in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(b) No Consent. Except as provided in this Agreement and for filing requirements under applicable securities laws, no consent, approval or authorization of, or designation, declaration or filing with, any Governmental Authority or other Person on the part of Voting Party is required in connection with the execution, delivery and performance of this Agreement, except where the failure to obtain such consents, approvals, authorizations or to make such designations, declarations or filings would not materially interfere with a Voting Party's ability to perform its obligations pursuant to this Agreement.

(c) No Conflicts; Litigation. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor compliance with the terms hereof, will (A) conflict with or violate any provision of the organizational documents of Voting Party or (B) violate, conflict with or result in a breach of, or constitute a default (with or without notice or lapse of time or both) under any provision of, any trust agreement, loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, instrument, permit, concession, franchise, license, judgment, order, notice, decree, statute, law, ordinance, rule or regulation applicable to Voting Party or to Voting Party's property or assets, except, in the case of clause (B), that would not reasonably be expected to impair, individually or in the aggregate, Voting Party's ability to fulfill its obligations under this Agreement. As of the date of this Agreement, there is no Action pending or, to the knowledge of such Voting Party, threatened, against such Voting Party or any of Voting Party's Affiliates or any of their respective assets or properties that would materially interfere with such Voting Party's ability to perform its obligations pursuant to this Agreement or that would reasonably be expected to prevent, enjoin, alter or delay any of the transactions contemplated by this Agreement.

(d) Ownership of Shares. Voting Party Beneficially Owns its Voting Shares free and clear of all Liens, other than restrictions under applicable securities laws or this Agreement. Except pursuant to this Agreement, the Transaction Agreement, the A&R LLCA and the Registration Rights Agreement, there are no options, warrants or other rights, agreements, arrangements or commitments of any character to which Voting Party is a party relating to the pledge, acquisition, disposition, Transfer or voting of Voting Shares and there are

no voting trusts or voting agreements with respect to the Voting Shares. Voting Party does not Beneficially Own (i) any shares of capital stock of the Company other than the Voting Shares set forth on Annex A and (ii) any options, warrants or other rights to acquire any additional shares of capital stock of the Company or any security exercisable for or convertible into shares of capital stock of the Company, other than as set forth on Annex A.

### 6. Covenants of the Company.

(a) The Company shall: (i) take any and all action reasonably necessary to effect the provisions of this Agreement and the intention of the parties with respect to the terms of this Agreement and (ii) not take any action that would reasonably be expected to adversely frustrate, obstruct or otherwise affect the rights of the Voting Parties under this Agreement without the prior written consent of the Voting Parties.

(b) The Company shall (i) purchase and maintain in effect at all times directors' and officers' liability insurance in an amount and pursuant to terms determined by the Board to be reasonable and customary, (ii) for so long as any Topco Designee or Horizon Designee nominated pursuant to this Agreement serves as a director on the Board, maintain such coverage with respect to such Topco Designee and Horizon Designee, and (iii) cause the Charter and Bylaws to at all times provide for the indemnification, exculpation and advancement of expenses of all directors of the Company to the fullest extent permitted under applicable law; provided, that upon removal or resignation of any Topco Designee or Horizon Designee for any reason, the Company shall take all actions reasonably necessary to extend such directors' and officers' liability insurance coverage for a period of not less than six (6) years from any such event in respect of any act or omission occurring at or prior to such event.

(c) The Company shall pay all reasonable out-of-pocket expenses incurred by the Topco Designees and Horizon Designee in connection with the performance of his or her duties as a director and in connection with his or her attendance at any meeting of the Board. The Company shall enter into customary indemnification agreements with each Topco Designee, Horizon Designee and officer of the Company from time to time. The Company shall pay all reasonable out-of-pocket expenses incurred by the Non-Voting Observers in connection with the performance of his or her duties in connection with his or her attendance at any meeting of the Board.

### 7. Lock-up.

(a) Subject to Sections 7(b) and except as otherwise determined by the Board, each of the Topco Equityholders and the Horizon Equityholders agree that they shall not Transfer any of their Lock-Up Shares during the Lock-up Period (the "Lock-up"); provided that, (i) 50% of their respective Lock-up Shares shall be released on the date that is six (6) months following the Closing and (ii) the remaining Lock-up Shares shall be released on any date, at least six (6) months following the Closing, on which (A) the price per Lock-up Share exceeds \$15.00 per share for twenty (20) trading days within a consecutive thirty (30) day trading period and (B) the average daily trading volume exceeds one (1) million shares of Common Stock during such consecutive thirty (30) trading day period. Any waiver of the restrictions set forth in this Section 7(a) shall require the approval of a majority of the directors of the Board; provided, however, (i) any waiver of the restrictions in this Section 7(a) in respect of Lock-up Shares held by any of the Topco Equityholders shall require the approval of a majority of the members of the Board who are not Topco Designees and (ii) any waiver of the restrictions in this Section 7(a) in respect of Lock-up Shares held by any of the Horizon Equityholders shall require the approval of a majority of the members of the Board excluding the Horizon Designee.

(b) Notwithstanding the provisions set forth in Section 7(a), each of the Topco Equityholders, the Horizon Equityholders and any of their respective Permitted Transferees shall be permitted to Transfer their Lock-up Shares during the Lock-up Period (i) to (A) the Company's officers or directors, (B) any affiliates or family members of the Company's officers or directors or (C) with respect to any Topco Equityholder and its Permitted Transferees, any direct or indirect partners, members or equity holders of the Topco Equityholders, any Affiliates of the Topco Equityholders or any related investment funds or vehicles controlled or managed by such persons or their respective Affiliates or, with respect to any Horizon Equityholder and its Permitted Transferees,

any direct or indirect partners, members or equity holders of the Horizon Equityholders, any Affiliates of the Horizon Equityholders or any related investment funds or vehicles controlled or managed by such persons or their respective Affiliates; (ii) in the case of an individual, by gift to a member of the individual's immediate family or to a trust, the beneficiary of which is a member of the individual's immediate family or an affiliate of such person; (iii) by gift to a charitable organization; (iv) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual; (v) in the case of an individual, pursuant to a qualified domestic relations order, (vi) in connection with any *bona fide* mortgage, encumbrance or pledge to a financial institution in connection with any *bona fide* loan or debt transaction or enforcement thereunder; (vii) to the Company (provided that any Transfers to the Company are *pro rata* as between the Topco Equityholders and the Horizon Equityholders, except as otherwise approved by the Board (including at least one Topco Designee and one Horizon Designee)); or (viii) in connection with a liquidation, merger, stock exchange, reorganization, tender offer approved by the Board or a duly authorized committee thereof or other similar transaction which results in all of the Company's stockholders having the right to exchange their shares of Common Stock for cash, securities or other property subsequent to the Closing Date (each such transferee in clauses (i) – (vii) collectively, a "Permitted Transferee"); provided, however, that in the case of clauses (i) through (v) these Permitted Transferees must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions in this Section 7.

(c) Notwithstanding anything contained herein to the contrary, the Lock-up Period shall expire, and each Topco Equityholder, Horizon Equityholder and its respective Permitted Transferees, shall be entitled to Transfer all of its Lock-up Shares, immediately upon the date on which the Company completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of Common Stock of the Company for cash, securities or other property.

8. Confidentiality. The Company acknowledges that the Topco Designees and Horizon Designees may, including through one-on-one conversations, communicate confidential information obtained in each of their respective capacities as a director of the Company (other than information whose provision would reasonably be expected to pose a conflict of interest) to the officers, employees, external counsel or other third-party advisors (collectively, "Representatives") of the Topco Equityholders and the Horizon Equityholders with a duty to keep such information confidential, in each case, in accordance with and subject to this Section 8. The Topco Equityholders and the Horizon Equityholders will, and will cause their respective Affiliates and direct their respective Representatives who actually receive Confidential Information to, except as otherwise required by applicable law, keep confidential any information (including oral, written and electronic information) concerning the Company, its subsidiaries or its Affiliates that may be furnished to any Topco Equityholder, Horizon Equityholder or their respective Representatives by or on behalf of the Company or any of its Representatives pursuant to this Section 8 ("Confidential Information"); provided, that Confidential Information will not include information that (a) was or becomes available to the public other than as a result of a breach of any confidentiality obligation in this Agreement, (b) was or becomes available to the Topco Equityholders, the Horizon Equityholders or their respective Representatives from a source other than the Company or its Representatives or (c) was independently developed by the Topco Equityholders, the Horizon Equityholders or their respective representatives without reference to, incorporation of, or other use of any Confidential Information.

11. Specific Enforcement. It is agreed and understood that monetary damages would not adequately compensate an injured party for the breach of this Agreement by any party hereto and, accordingly, that this Agreement shall be specifically enforceable, in addition to any other remedy to which such injured party is entitled at law or in equity, and that any breach of this Agreement shall be the proper subject of a temporary or permanent injunction or restraining order. Further, each party hereto waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach or an award of specific performance is not an appropriate remedy for any reason at law or equity and agrees that a party's rights would be materially and adversely affected if the obligations of the other parties under this Agreement were not carried out in accordance with the terms and conditions hereof. Each party further agrees that no party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtain any remedy referred to in this Section 11, and each party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

12. Termination. 13. Amendments and Waivers. Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Company and the Voting Parties. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

14. Stock Splits, Stock Dividends, etc. In the event of any stock split, stock dividend, recapitalization, reorganization or the like, any securities issued with respect to Voting Shares held by Voting Parties shall become Voting Shares for purposes of this Agreement. During the term of this Agreement, all dividends and distributions payable in cash with respect to the Voting Shares shall be paid, as applicable, to each of the undersigned Voting Parties and all dividends and distributions payable in Common Stock or other equity or securities convertible into equity with respect to the Voting Shares shall be paid, as applicable, to each of the undersigned Voting Parties, but all dividends and distributions payable in Common Stock or other equity or securities convertible into equity shall become Voting Shares for purposes of this Agreement.

(e) Any transfer or assignment made other than as provided in this Section 15 shall be null and void.

(f) Notwithstanding anything herein to the contrary, for purposes of determining the number of shares of capital stock of the Company held by the Voting Parties, the aggregate number of shares so held by the Voting Parties shall include any shares of capital stock of the Company transferred or assigned to a Permitted Transferee in accordance with the provisions of this Section 15; provided, that any such Permitted Transferee has executed a written agreement agreeing to be bound by the terms and provisions of this Agreement as contemplated by Section 15(d) above, including agreeing to vote or cause to be voted the Voting Shares Beneficially Owned by such Permitted Transferee as required of a Voting Party hereunder.

(v) The term “documents” includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.

(vi) The term “or” shall not be exclusive and shall instead mean “and/or.”

(c) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including;” the words “to” and “until” each mean “to but excluding;” and the word “through” means “to and including.”

(d) Unless otherwise expressly provided herein, (a) references to organization documents (including the LLC Agreement), agreements (including this Agreement) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted hereby; and (b) references to any law (including the Code and the Treasury Regulations) shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law.

**ARTICLE II.  
DETERMINATION OF REALIZED TAX BENEFIT**

**Section 2.1 Basis Adjustments; LLC 754 Election; Revaluation.**

(a) Basis Adjustments. The Parties acknowledge and agree to treat (A) to the fullest extent permitted by law each Direct Exchange as giving rise to Basis Adjustments and (B) to the fullest extent permitted by law each Redemption using cash or Class A Common Stock contributed to the LLC by the Corporation as a direct purchase of Units by the Corporation from the applicable Exchange TRA Holder pursuant to Section 707(a)(2)(B) of the Code as giving rise to Basis Adjustments. For the avoidance of doubt, payments made under this Agreement shall not be treated as resulting in a Basis Adjustment to the extent such payments are treated as Imputed Interest.

(b) Section 754 Election. The Corporation shall ensure that, on and after the date hereof and continuing throughout the term of this Agreement, the LLC and each other member of the LLC Group that is treated as a partnership for U.S. federal income tax purposes (and for which the Corporation controls the preparation of the relevant Tax Return and elections made on such Tax Return) will have in effect an election under Section 754 of the Code (and under any similar provisions of applicable U.S. state or local law) for each Taxable Year, in each case, to the extent that such election would result in an adjustment to the Corporation's share of the tax basis of the assets owned by the LLC Group as of the date of the relevant Exchange.

(c) Revaluation. Pursuant to, and in accordance with, Section 1.704-1 of the Treasury Regulations, for U.S. federal income tax purposes (and any corresponding U.S. state or local tax purposes), the LLC shall revalue its property to fair market value as of the time of the Business Combination. The Parties hereto acknowledge and agree that such revaluation may result in subsequent Section 704(c) Items.

**Section 2.2 Blocker Corporation Attribute Schedule**. At least thirty (30) days prior to any Reorganization Transaction, the relevant Blocker Corporation shall deliver to the Corporation and the TRA Holder Representative a schedule (a "Blocker Corporation Attribute Schedule") of (a) the Blocker Attributes of the Blocker Corporation as of the closing date of the Business Combination and (b) any current or anticipated applicable limitations on the use of the Blocker Attributes for tax purposes (including under Section 382 of the Code). Any Blocker Corporation Attribute Schedule so delivered will become final and binding on the Parties pursuant to the procedures set forth in Section 2.5(a) and may be amended by the Parties pursuant to the procedures set forth in Section 2.5(b).

**Section 2.3 Basis Schedules**. Within ninety (90) days after the filing of the U.S. federal income Tax Return of the Corporation for each relevant Taxable Year, the Corporation shall deliver to the TRA Holder Representative a schedule developed in consultation with the Advisory Firm (the "Basis Schedule") that shows, in reasonable detail as necessary in order to understand the calculations performed under this Agreement: (a) the Basis Adjustments with respect to the Reference Assets as a result of the relevant Exchanges effected in such Taxable Year, (b) the period (or periods) over which each Basis Adjustment is amortizable and/or depreciable, (c) the Non-Adjusted Tax Basis with respect to the Reference Assets described in clause (a) as of each relevant Exchange, (d) the Common Basis that remains (if any) and may give rise to payments pursuant to the terms of this Agreement, and (e) the period (or periods) over which the Common Basis is amortizable and/or depreciable. The Basis Schedule will become final and binding on the Parties pursuant to the procedures set forth in Section 2.5(a) and may be amended by the Parties pursuant to the procedures set forth in Section 2.5(b).

**Section 2.4 Tax Benefit Schedules**.

(a) Tax Benefit Schedule. Within ninety (90) days after the filing of the U.S. federal income Tax Return of the Corporation for any Taxable Year in which there is a Realized Tax Benefit or Realized Tax Detriment, the Corporation shall provide to the TRA Holder Representative a schedule developed in consultation with the

Advisory Firm showing, in reasonable detail, the calculation of the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year (a “Tax Benefit Schedule”). The Tax Benefit Schedule will become final and binding on the Parties pursuant to the procedures set forth in Section 2.5(a), and may be amended by the Parties pursuant to the procedures set forth in Section 2.5(b).

(b) Applicable Principles. Subject to the provisions of this Agreement, the Realized Tax Benefit or Realized Tax Detriment for each Taxable Year is intended to measure the decrease or increase in the Actual Tax Liability for such Taxable Year attributable to the Basis Adjustments, Common Basis (limited, in the case of Subsequently Acquired Assets, to the Common Basis Addback Amount for such Taxable Year), Blocker Attributes, Section 704(c) Items, and Imputed Interest, as determined using a “with and without” methodology described in Section 2.5(a). To the extent any portion of a Realized Tax Benefit could be attributed to both Common Basis and a Section 704(c) Item, the Realized Tax Benefit shall be attributed to Common Basis. Carryovers, carryforwards, or carrybacks, of any tax item attributable to any Basis Adjustment, Common Basis, Blocker Attributes, Section 704(c) Items, or Imputed Interest or any other tax item in respect thereof shall be considered to be subject to the rules of the Code and the Treasury Regulations or the appropriate provisions of U.S. state or local tax law, as applicable, governing the use, limitation, and expiration of carryovers, carryforwards, carrybacks, or other tax items of the relevant type. If a carryover or carryback of any tax item includes a portion that is attributable to any Basis Adjustments, Common Basis, Blocker Attributes, Section 704(c) Items, or Imputed Interest (a “TRA Portion”) and another portion that is not (a “Non-TRA Portion”), such portions shall be considered to be used in accordance with the “with and without” methodology so that: (i) the amount of any Non-TRA Portion is deemed utilized first, followed by the amount of any TRA Portion (calculated by taking into account the provisions of Section 3.3(a) to the extent applicable); and (ii) in the case of a carryback of a Non-TRA Portion, such carryback shall not affect the original “with and without” calculation made in the prior Taxable Year. The Parties agree to treat (i) all Tax Benefit Payments (other than Imputed Interest) solely to the extent attributable to an Exchange and to the extent permitted by applicable law (A) as subsequent upward purchase price adjustments that give rise to further Basis Adjustments in respect of an applicable Exchange and (B) have the effect of creating additional Basis Adjustments arising in the Taxable Year in which the applicable Tax Benefit Payment is made and (ii) as a result, to the extent permitted by applicable law, any additional Basis Adjustments arising from such a Tax Benefit Payment shall be treated as giving rise to a Basis Adjustment in the Taxable Year in which the Tax Benefit Payment is made on an iterative basis continuing until any incremental Basis Adjustment is immaterial as reasonably determined by the TRA Holder Representative and the Corporation in good faith and in consultation with the Advisory Firm.

Section 2.5 Procedures; Amendments.

(a) Procedures. Each time the Corporation delivers an applicable Schedule to the TRA Holder Representative, under this Agreement, including any Amended Schedule delivered pursuant to Section 2.5(b), but excluding any Early Termination Schedule or amended Early Termination Schedule delivered pursuant to the procedures set forth in Section 4.2, the Corporation shall also: (x) deliver supporting schedules and work papers from an Advisory Firm and any additional materials reasonably requested by the TRA Holder Representative that are reasonably necessary in order to understand the calculations that were relevant for purposes of preparing the Schedule; and (y) allow the TRA Holder Representative and its advisors to have reasonable access to the appropriate representatives, as reasonably requested by the TRA Holder Representative, at the Corporation and the applicable Advisory Firm in connection with its review of such Schedule. Without limiting the generality of the preceding sentence, the Corporation shall ensure that any Tax Benefit Schedule that is delivered to the TRA Holder Representative, along with any supporting schedules and work papers, provides a reasonably detailed presentation of the calculation of the Actual Tax Liability (the “with” calculation) and the Hypothetical Tax Liability (the “without” calculation), and identifies any material assumptions or operating procedures or principles that were used for purposes of such calculations. An applicable Schedule shall become final and binding on the Parties thirty (30) days from the date on which the TRA Holder Representative first receives the applicable Schedule unless:

(i) the TRA Holder Representative within thirty (30) days after receiving the applicable Schedule provides the Corporation with written notice of a material objection to such Schedule that is made in good faith and that sets forth in reasonable detail the TRA Holder Representative’s material objection (an “Objection Notice”) or

(ii) the TRA Holder Representative provides a written waiver of its right to deliver an Objection Notice within the time period described in clause (i) above, in which case such Schedule becomes binding on the date the waiver from the TRA Representative is received by the Corporation.

In the event that the TRA Holder Representative timely delivers an Objection Notice pursuant to clause (i) above, and if the Corporation and the TRA Holder Representative, for any reason, are unable to successfully resolve the issues raised in the Objection Notice through good faith discussions within thirty (30) days after receipt by the Corporation of the Objection Notice, the Corporation and the TRA Holder Representative shall employ the reconciliation procedures as described in Section 7.9 of this Agreement (the “Reconciliation Procedures”).

(b) Amended Schedule. The applicable Schedule for any Taxable Year may be amended from time to time by the Corporation: (i) in connection with a Determination affecting such Schedule; (ii) to correct inaccuracies in the Schedule identified as a result of the receipt of additional factual information relating to a Taxable Year after the date the Schedule was originally provided to the TRA Holder Representative; (iii) to comply with an Expert’s determination under the Reconciliation Procedures applicable to this Agreement; (iv) to reflect a change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other tax item to such Taxable Year; (v) to reflect a change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to an amended Tax Return filed for such Taxable Year; or (vi) to adjust a Basis Schedule to take into account any Tax Benefit Payments made pursuant to this Agreement (any such Schedule, an “Amended Schedule”). The Corporation shall provide any Amended Schedule to the TRA Holder Representative within thirty (30) calendar days of the occurrence of an event referred to in clauses (i) through (vi) of the preceding sentence, and any such Amended Schedule shall be subject to the procedures set forth in Section 2.05(a).

**ARTICLE III.  
TAX BENEFIT PAYMENTS**

Section 3.1 Timing and Amount of Tax Benefit Payments.

## Table of Contents

(a) Timing and Amount of Payments to TRA Holders and Blocker TRA Holders. Except as provided in Section 3.4, and subject to Sections 3.2, 3.3 and 3.6, within ten (10) Business Days following the date on which each Tax Benefit Schedule becomes final in accordance with Section 2.5(a) of this Agreement, (i) the Corporation shall pay to each TRA Holder the Tax Benefit Payment as determined pursuant to Section 3.1(b) multiplied by the applicable TRA Holder Sharing Percentage, and (ii) if a Blocker Corporation has completed a Reorganization Transaction, the Corporation shall pay to each Blocker TRA Holder party to such Reorganization Transaction the Tax Benefit Payment as determined pursuant to Section 3.1(b) multiplied by the applicable Blocker TRA Holder Sharing Percentage; *provided*, that if any TRA Holder Sharing Percentage would otherwise be allocated to the Corporation as a result of a Reorganization Transaction, such percentage shall be deemed to be zero upon the occurrence of such Reorganization Transaction and the TRA Holder Representative shall revise such TRA Holder Sharing Percentage accordingly. Each such Tax Benefit Payment shall be made by wire transfer of immediately available funds to the bank account previously designated by such TRA Holder or as otherwise agreed by the Corporation and such TRA Holder. For the avoidance of doubt, (i) no Tax Benefit Payment shall be required to be made in respect of estimated tax payments, including, without limitation, estimated U.S. federal income tax payments, and (ii) without limiting the Corporation's ability to make offsets against Tax Benefit Payments with respect to a particular TRA Holder to the extent permitted by Section 3.5, the TRA Holders shall not be required under any circumstances to return any portion of any Tax Benefit Payment previously paid by the Corporation to the TRA Holders (including any portion of any Estimated Tax Benefit Payment or any Early Termination Payment). Notwithstanding anything to the contrary, in no event will the aggregate of the portions of the Tax Benefit Payment that are payable to the TRA Holders pursuant to this Section 3.1(a) exceed 100% of the Tax Benefit Payment.

(b) Amount of Payments. For purposes of this Agreement, a "Tax Benefit Payment" means an amount, not less than zero, equal to the sum of: (i) the Net Tax Benefit (including Imputed Interest, if any, calculated in respect of such amount); and (ii) the Actual Interest Amount and any Default Rate Interest with respect to the Net Tax Benefit described in (i).

(i) Net Tax Benefit. The "Net Tax Benefit" for a Taxable Year equals the amount of the excess, if any, of (x) 85% of the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year over (y) the aggregate amount of all Tax Benefit Payments previously made under this Section 3.1. For the avoidance of doubt, without limiting the Corporation's ability to make offsets against Tax Benefit Payments to the extent permitted by Section 3.5, if the Cumulative Net Realized Tax Benefit as of the end of any Taxable Year is less than the aggregate amount of all Tax Benefit Payments previously made, no TRA Holder shall be required to return any portion of any Tax Benefit Payment previously made by the Corporation to such TRA Holder.

(ii) Cumulative Net Realized Tax Benefit. The "Cumulative Net Realized Tax Benefit" for a Taxable Year equals the cumulative amount of Realized Tax Benefits for all Taxable Years of the Corporation, up to and including such Taxable Year, net of the cumulative amount of Realized Tax Detriments for the same periods. The Realized Tax Benefit and Realized Tax Detriment for each Taxable Year shall be determined based on the most recent Tax Benefit Schedule or Amended Schedule, if any, in existence at the time of such determination. The computation of the Cumulative Net Realized Tax Benefit shall be adjusted to reflect any applicable Determination with respect to any Realized Tax Benefits and/or Realized Tax Detriments.

(iii) Realized Tax Benefit. The "Realized Tax Benefit" for a Taxable Year equals the excess, if any, of (a) the Hypothetical Tax Liability over (b) the Actual Tax Liability for such Taxable Year. If all or a portion of the Actual Tax Liability for the Taxable Year arises as a result of an audit by a Taxing Authority of any Taxable Year, such liability shall not be included in determining the Realized Tax Benefit unless and until there has been a Determination.

(iv) Realized Tax Detriment. The "Realized Tax Detriment" for a Taxable Year equals the excess, if any, of (a) the Actual Tax Liability over (b) the Hypothetical Tax Liability for such Taxable Year. If all or a portion of the Actual Tax Liability for the Taxable Year arises as a result of an audit by a Taxing Authority

of any Taxable Year, such liability shall not be included in determining the Realized Tax Detriment unless and until there has been a Determination.

(v) Imputed Interest. The Parties acknowledge that the principles of Sections 1272, 1274, or 483 of the Code, as applicable, and the principles of any similar provision of U.S. state and local tax law, may, as applicable, apply to cause a portion of any payments by the Corporation to a TRA Holder under this Agreement to be treated as imputed interest ("Imputed Interest"). For the avoidance of doubt, the deduction for the amount of Imputed Interest, if any, as determined with respect to any payments made by the Corporation to a TRA Holder shall be excluded in determining the Hypothetical Tax Liability for purposes of calculating Realized Tax Benefits and Realized Tax Detriments pursuant to this Agreement.

(vi) Actual Interest Amount. Subject to Section 3.4, the "Actual Interest Amount" calculated in respect of the Net Tax Benefit for a Taxable Year, will equal an amount equal to interest calculated at the Agreed Rate from the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for such Taxable Year until the date on which the Corporation makes a timely Tax Benefit Payment to the TRA Holder on or before the Final Payment Date as determined pursuant to Section 3.1(a).

(vii) Default Rate Interest. In accordance with Section 5.2, in the event that the Corporation does not make timely payment of all or any portion of a Tax Benefit Payment to a TRA Holder on or before the Final Payment Date as determined pursuant to Section 3.1(a), the amount of any "Default Rate Interest" calculated and payable in accordance with Section 5.2 in respect of the Tax Benefit Payment (including previously accrued Imputed Interest and Actual Interest Amounts) for a Taxable Year will equal interest calculated at the Default Rate from the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a) until the date on which the Corporation makes such Tax Benefit Payment to such TRA Holder.

(viii) The Corporation and the TRA Holders hereby acknowledge and agree that, as of the date of this Agreement and as of the date of any future Exchange that may be subject to this Agreement, the aggregate value of the Tax Benefit Payments cannot be reasonably ascertained for U.S. federal income or other applicable tax purposes. Notwithstanding anything to the contrary in this Agreement, with respect to each Exchange by any TRA Holder, if such TRA Holder notifies the Corporation in writing of a stated maximum selling price (within the meaning of Treasury Regulation 15A.453-1(c)(2)) to be applied with respect to such Exchange, the amount of the initial consideration received in connection with such Exchange and the aggregate Tax Benefit Payments to such TRA Holder in respect of such Exchange (other than amounts accounted for as interest under the Code) shall not exceed such stated maximum selling price.

(c) Interest. The provisions of Section 3.1(b) and Section 5.2 in respect of Default Rate Interest are intended to operate so that interest will effectively accrue (or in the case of Imputed Interest be treated as accruing solely for U.S. federal income or applicable state or local income tax purposes) in respect of the Net Tax Benefit (or Tax Benefit Payment in respect of any Actual Interest Amount or Default Rate Interest) for any Taxable Year as follows:

(i) first, solely for U.S. federal income or applicable state or local income tax purposes, at the applicable rate used to determine the amount of Imputed Interest under the Code (from the relevant Exchange Date or Reorganization Transaction Date until the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for such Taxable Year and, if required under applicable law, through the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a));

(ii) second, at the Agreed Rate (from the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for such Taxable Year until the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a)); and

(iii) third, in accordance with Section 5.2, at the Default Rate (from the Final Payment Date for a Tax Benefit Payment as determined pursuant to Section 3.1(a) until the date on which the Corporation makes the relevant Tax Benefit Payment to the applicable TRA Holder).

## Table of Contents

Section 3.2 No Duplicative Payments. It is intended that the provisions of this Agreement will not result in the duplicative payment of any amount (including interest) that may be required under this Agreement and the provisions of this Agreement shall be consistently interpreted and applied in accordance with that intent.

Section 3.3 Late Payments. If for any reason the Corporation is not able to timely and fully satisfy its payment obligations under this Agreement in respect of a particular Taxable Year, then Default Rate Interest will begin to accrue pursuant to Section 5.2 (and, for the avoidance of doubt, shall continue to accrue pursuant to Section 5.2 until the Tax Benefit Payments have been made in full without regard to the provisions of this Section 3.3) and the Corporation and other Parties agree that (i) the Corporation shall pay the Tax Benefit Payments due in respect of such Taxable Year to each TRA Holder pro rata in proportion to the amount of such Tax Benefit Payments, without favoring one obligation over the other, and (ii) no Tax Benefit Payment shall be made in respect of any Taxable Year until all Tax Benefit Payments to all TRA Holders in respect of all prior Taxable Years have been made in full.

Section 3.4 Optional Estimated Tax Benefit Payment Procedure. As long as the Corporation is current in respect of its payment obligations owed to each TRA Holder pursuant to this Agreement and there are no delinquent Tax Benefit Payments (including interest thereon) outstanding in respect of prior Taxable Years for any TRA Holder, the Corporation may, at any time on or after the due date (without extensions) for filing the U.S. federal income Tax Return of the Corporation for a Taxable Year and at the Corporation's option, in its sole discretion, make one or more estimated payments to the TRA Holders in respect of any anticipated amounts to be owed with respect to a Taxable Year to the TRA Holders pursuant to Section 3.1 of this Agreement (any such estimated payment referred to as an "Estimated Tax Benefit Payment"); *provided* that any Estimated Tax Benefit Payment made to a TRA Holder pursuant to this Section 3.4 is matched by a proportionately equal Estimated Tax Benefit Payment to all other TRA Holders then entitled to a Tax Benefit Payment. Any Estimated Tax Benefit Payment made under this Section 3.4 shall be paid by the Corporation to the TRA Holders and applied against the final amount of any Tax Benefit Payment to be made pursuant to Section 3.1. The payment of an Estimated Tax Benefit Payment by the Corporation to the TRA Holders pursuant to this Section 3.4 shall also terminate the obligation of the Corporation to make payment of any Actual Interest Amount that might have otherwise accrued with respect to the proportionate amount of the Tax Benefit Payment that is being paid in advance of the applicable Tax Benefit Schedule being finalized pursuant to Section 2.5. Upon the making of any Estimated Tax Benefit Payment pursuant to this Section 3.4, the amount of such Estimated Tax Benefit Payment shall first be applied to any estimated Actual Interest Amount, and then applied to the remaining residual amount of the Tax Benefit Payment to be made pursuant to Section 3.1. In determining the final amount of any Tax Benefit Payment to be made pursuant to Section 3.1, and for purposes of finalizing the Tax Benefit Schedule pursuant to Section 2.5, the amount of any Estimated Tax Benefit Payments that may have been made with respect to the Taxable Year shall be increased if the finally determined Tax Benefit Payment for a Taxable Year exceeds the Estimated Tax Benefit Payments made for such Taxable Year, with such increase being paid by the Corporation to the TRA Holders along with an appropriate Actual Interest Amount (and any Default Rate Interest) in respect of the amount of such increase (a "True-Up"). If the Estimated Tax Benefit Payment to a TRA Holder for a Taxable Year exceeds the finally determined Tax Benefit Payment to the TRA Holder for such Taxable Year, such excess shall be applied to reduce the amount of any subsequent future Tax Benefit Payments (including Estimated Tax Benefit Payments, if any) to be paid by the Corporation to such TRA Holder. As of the date on which any Estimated Tax Benefit Payments are made, and as of the date on which any True-Up is made, all such payments shall be made in the same manner and subject to the same terms and conditions as otherwise contemplated by Section 3.1 and all other applicable terms of this Agreement. For the avoidance of doubt, as is the case with Tax Benefit Payments made by the Corporation to the TRA Holders pursuant to Section 3.1, the Parties intend to treat the amount of any Estimated Tax Benefit Payments made pursuant to this Section 3.4 that are attributable to an Exchange in part as subsequent upward purchase price adjustments that give rise to Basis Adjustments in the Taxable Year of payment to the extent permitted by applicable law and as of the date on which such payments are made (exclusive of any amounts treated as Imputed Interest); *provided* that any additional Basis Adjustments arising from an Estimated Tax Benefit Payment will be determined on an iterative

basis continuing until any incremental Basis Adjustment is immaterial as determined by the TRA Holder Representative and the Corporation in good faith and in consultation with the Advisory Firm.

Section 3.5 Overpayments. To the extent the Corporation makes any Tax Benefit Payment to a TRA Holder in respect of a particular Taxable Year in an amount in excess of the amount of such payment that should have been made to such TRA Holder in respect of such Taxable Year (taking into account this Article III) under the terms of this Agreement, then such excess shall be applied to reduce the amount of any subsequent future Tax Benefit Payments (including Estimated Tax Benefit Payments, if any) to be paid by the Corporation to such TRA Holder and such TRA Holder shall not receive any further Tax Benefit Payments (including Estimated Tax Benefit Payments, if any) until such TRA Holder has foregone an amount of Tax Benefit Payments equal to such excess. The amount of any excess Tax Benefit Payment shall be deemed to have been paid by the Corporation to the relevant TRA Holders on the original due date for the filing of the subsequent Tax Return to which the excess Tax Benefit Payment relates for purposes of determining the Actual Interest Amount to which such relevant TRA Holders shall be entitled. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, the TRA Holders shall not be required, under any circumstances, to return any portion of any Tax Benefit Payment previously paid by the Corporation to the TRA Holders (including any portion of any Estimated Tax Benefit Payment or any Early Termination Payment).

Section 3.6 Threshold Exchange. Notwithstanding anything to the contrary herein, any and all Tax Benefit Payments that would otherwise be made pursuant to this Agreement to a TRA Holder shall be held by the Corporation for the benefit of such TRA Holder until such time as such TRA Holder has exchanged Units in one or more Exchanges equal to 5% of the Units held by such TRA Holder determined prior to the Business Combination (such Units, the “Threshold Exchange Units”). Promptly following the time such TRA Holder has exchanged, in the aggregate, a number of Units equal to or exceeding the Threshold Exchange Units for such TRA Holder, such withheld amount shall be paid by the Corporation to such TRA Holder as a Tax Benefit Payment as provided in Section 3.1(a).

#### **ARTICLE IV. TERMINATION**

##### **Section 4.1 Early Termination of Agreement; Breach of Agreement.**

(a) Corporation’s Early Termination Right. With the approval of a majority of the independent directors serving on its Board of Directors, the Corporation may completely terminate this Agreement, as and to the extent provided herein, with respect to all amounts payable to the TRA Holders pursuant to this Agreement by paying to the TRA Holders the Early Termination Payments; *provided* that Early Termination Payments may be made pursuant to this Section 4.1(a) only if made to all TRA Holders that are entitled to such a payment, and *provided further*, that the Corporation may withdraw any notice to execute its termination rights under this Section 4.1(a) prior to the time at which any Early Termination Payment has been paid. Upon the Corporation’s payment of the Early Termination Payments, the Corporation shall not have any further payment obligations under this Agreement, other than with respect to any: (i) prior Tax Benefit Payments that are due and payable under this Agreement but that still remain unpaid as of the date of the Early Termination Notice and that remain unpaid as of the payment of the Early Termination Payments (which Tax Benefit Payments shall not be included in the Early Termination Payments); and (ii) current Tax Benefit Payments due for the Taxable Year ending on or including the date of the Early Termination Notice (except to the extent that the amount described in clause (ii) is included in the calculation of the Early Termination Payments or is included in clause (i)) that remain unpaid as of the payment of the Early Termination Payments. If an Exchange or Reorganization Transaction subsequently occurs with respect to Units (including Units held by Blocker Corporations) for which the Corporation has exercised its termination rights under this Section 4.1(a) and paid all amounts owed in connection with the exercise of such rights, the Corporation shall have no obligations under this Agreement with respect to such Exchange or Reorganization Transaction.

(b) Acceleration Upon Change of Control. In the event of a Change of Control, all obligations hereunder shall be accelerated and such obligations shall be calculated pursuant to this Article IV as if an Early Termination Notice had been delivered on the closing date of the Change of Control and utilizing the Valuation Assumptions by substituting the phrase “the closing date of a Change of Control” in each place where the phrase “Early Termination Effective Date” appears. Such obligations shall include, without duplication, but shall not be limited to, (i) the Early Termination Payments calculated as if an Early Termination Notice had been delivered on the closing date of the Change of Control, (ii) any Tax Benefit Payments agreed to by the Corporation and the TRA Holders as due and payable but unpaid as of the Early Termination Notice (which Tax Benefit Payments shall not be included in the Early Termination Payments) and that remain unpaid as of the payment of the Early Termination Payments, and (iii) any Tax Benefit Payments due for any Taxable Year ending prior to, with or including the closing date of a Change of Control unpaid as of the Early Termination Notice (except to the extent that any amounts described in clause (iii) are included in the Early Termination Payments or are included in clause (ii)) and that remain unpaid as of the payment of the Early Termination Payments. For the avoidance of doubt, Sections 4.2 and 4.3 shall apply to a Change of Control, *mutadis mutandis*.

(c) Acceleration Upon Material Breach of Agreement. In the event that the Corporation materially breaches any of its material obligations under this Agreement, whether as a result of failure to make any payment when due (subject to the remaining provisions of this Section 4.1(c)), failure to honor any other material obligation required hereunder, or by operation of law as a result of the rejection of this Agreement in a case commenced under Title 11 of the United States Code (11 U.S.C. § 101 et seq.) (the “Bankruptcy Code”) or otherwise (“Material Breach”), then all obligations of the Corporation hereunder shall be accelerated and become immediately due and payable and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such notice of acceleration (or, in the case of any proceeding under the Bankruptcy Code or other insolvency statute, on the date of such breach) and shall include, but not be limited to: (i) the Early Termination Payments calculated as if an Early Termination Notice had been delivered on the date of such acceleration; (ii) any prior Tax Benefit Payments that are due and payable under this Agreement but that still remain unpaid as of the date of such acceleration (which Tax Benefit Payments shall not be included in the Early Termination Payments) and that remain unpaid as of the payment of the Early Termination Payments; and (iii) any current Tax Benefit Payments due for the Taxable Year ending with or including the date of such acceleration (except to the extent included in the Early Termination Payments or in clause (ii)) and that remain unpaid as of the payment of the Early Termination Payments. Notwithstanding the foregoing, in the event that the Corporation breaches this Agreement and such breach is not a Material Breach, the TRA Holder Representative and each TRA Holder shall still be entitled to enforce all of its rights otherwise available under this Agreement, excluding, for the avoidance of doubt, seeking or otherwise obtaining an acceleration of amounts payable under this Agreement pursuant to this Section 4.1(c). For purposes of this Section 4.1(c), and subject to the following sentence, the Parties agree that the failure to make any payment due pursuant to this Agreement within three (3) months of the relevant Final Payment Date shall be deemed to be a Material Breach, and that it will not be considered to be a Material Breach to make a payment due pursuant to this Agreement within three (3) months of the relevant Final Payment Date. Notwithstanding anything in this Agreement to the contrary, it shall not be a Material Breach if the Corporation fails to make any Tax Benefit Payment within three (3) months of the relevant Final Payment Date to the extent that the Corporation has insufficient funds or cannot make such payment as a result of obligations imposed in connection with the Senior Obligations or under applicable law, and cannot obtain sufficient funds to make such payments by taking commercially reasonable actions or would become insolvent as a result of making such payment; provided that the interest provisions of Section 5.2 shall apply to such late payment (unless the Corporation does not have sufficient funds to make such payment as a result of limitations imposed by any Senior Obligations, in which case Section 5.2 shall apply, but the Default Rate shall be replaced by the Agreed Rate); and further provided that such payment obligation shall nonetheless accrue for the benefit of the TRA Holders and the Corporation shall make such payment at the first opportunity that it has sufficient funds and is otherwise able to make such payment. For the avoidance of doubt, a Reconciliation Dispute (including any delay in payment as a result thereof) will not constitute a Material Breach of this Agreement.

Section 4.2 Early Termination Notice. If the Corporation chooses to exercise its right of early termination under Section 4.1 above, the Corporation shall deliver to the TRA Holder Representative a notice of the Corporation's decision to exercise such right (an "Early Termination Notice"). Upon delivery of the Early Termination Notice or the occurrence of an event described in Sections 4.1(b) or 4.1(c), the Corporation shall deliver a schedule developed in consultation with the Advisory Firm (the "Early Termination Schedule") showing in reasonable detail the calculation of the Early Termination Payment. The Corporation shall also (x) deliver to the TRA Holder Representative supporting schedules and work papers from an Advisory Firm, and any additional materials reasonably requested by the TRA Holder Representative that are reasonably necessary in order to understand the calculations that were relevant for purposes of preparing the Early Termination Schedule; and (y) allow the TRA Holder Representative and its advisors to have reasonable access to the appropriate representatives at the Corporation and the applicable Advisory Firm as determined by the Corporation or as reasonably requested by the TRA Holder Representative in connection with a review of such Early Termination Schedule. The Early Termination Schedule shall become final and binding on each Party thirty (30) days from the first date on which the TRA Holder Representative received such Early Termination Schedule unless:

(i) the TRA Holder Representative within thirty (30) days after receiving the Early Termination Schedule, provides the Corporation with written notice of a material objection to such Early Termination Schedule made in good faith and setting forth in reasonable detail the TRA Holder Representative's material objection (a "Termination Objection Notice"); or

(ii) the TRA Holder Representative provides a written waiver of such right of a Termination Objection Notice within the period described in clause (i) above, in which case such Early Termination Schedule becomes binding on the date the waiver from the TRA Holder Representative is received by the Corporation.

In the event that the TRA Holder Representative timely delivers a Termination Objection Notice pursuant to clause (i) above, and if the Parties, for any reason, are unable to successfully resolve the issues raised in the Termination Objection Notice within thirty (30) days after receipt by the Corporation of the Termination Objection Notice, the Corporation and the TRA Holder Representative shall employ the Reconciliation Procedures. The date on which the Early Termination Schedule becomes final in accordance with this Section 4.2 shall be the "Early Termination Reference Date."

#### Section 4.3 Payment Upon Early Termination.

(a) Timing of Payment. Within ten (10) Business Days after the Early Termination Reference Date, the Corporation shall pay to each TRA Holder an amount equal to the Early Termination Payment for such TRA Holder. Such Early Termination Payment shall be made by the Corporation by wire transfer of immediately available funds to a bank account or accounts designated by such TRA Holder or as otherwise agreed by the Corporation and such TRA Holder.

(b) Amount of Payment. The "Early Termination Payment" payable to a TRA Holder pursuant to Section 4.3(a) shall equal the present value, discounted at the Early Termination Rate as determined as of the Early Termination Reference Date, of all Tax Benefit Payments that would be required to be paid (and which have not yet been paid prior to the Early Termination Effective Date) by the Corporation to such TRA Holder, whether payable with respect to Units that were Exchanged prior to the Early Termination Effective Date or on or after the Early Termination Effective Date (including Units held by Blocker Corporations that have not consummated a Reorganization Transaction, in which case, the relevant Blocker Corporation shall be treated as having Exchanged its Units in the manner set forth in the Valuation Assumptions and shall be treated as an Exchange TRA Holder (and not a Blocker TRA Holder) with respect to such Units), beginning from the Early Termination Effective Date and using the Valuation Assumptions. The computation of the Early Termination Payment shall be subject to the Reconciliation Procedures.

**ARTICLE V.  
SUBORDINATION AND LATE PAYMENTS**

Section 5.1 Subordination. Notwithstanding any other provision of this Agreement to the contrary, any Tax Benefit Payments or Early Termination Payments required to be made by the Corporation to the TRA Holders under this Agreement shall rank subordinate and junior in right of payment to any principal, interest, or other amounts due and payable in respect of any obligations owed in respect of secured or unsecured indebtedness for borrowed money of the Corporation and its Subsidiaries ("Senior Obligations") and shall rank *pari passu* in right of payment with all current or future unsecured obligations of the Corporation that are not Senior Obligations. To the extent that any payment under this Agreement is not permitted to be made at the time payment is due as a result of this Section 5.1 and the terms of the agreements governing Senior Obligations, such payment obligation nevertheless shall accrue for the benefit of the TRA Holders and the Corporation shall make any such payments at the first opportunity that such payments are permitted to be made in accordance with the terms of the Senior Obligations. The Corporation and the LLC shall not, and shall cause their Subsidiaries to not, without the prior written consent of the TRA Holder Representative, enter into or amend the terms of any financing agreement or Senior Obligations if the terms of such agreement or amendment would further restrict (beyond the restrictions applicable in financing agreements as of the date of this Agreement) the Corporation's ability to make payments owed under the terms of this Agreement (including as a result of any restriction on the ability of the Corporation's Subsidiaries to make distributions or other payments to the Corporation to fund amounts payable under this Agreement).

Section 5.2 Late Payments by the Corporation. Except as otherwise provided in this Agreement, the amount of all or any portion of any Tax Benefit Payment or Early Termination Payment not made to the TRA Holders when due under the terms of this Agreement shall be payable together with any interest thereon, computed at the Default Rate and commencing from the Final Payment Date on which such Tax Benefit Payment or Early Termination Payment was first due and payable to the date of actual payment of such Tax Benefit Payment or Early Termination Payment; *provided* that if any Tax Benefit Payment or Early Termination Payment is not made to the TRA Holders when due under the terms of this Agreement as a result of Section 5.1 and the terms of the agreements governing Senior Obligations, any such interest shall be computed at the Agreed Rate and not the Default Rate.

**ARTICLE VI.  
TAX MATTERS; CONSISTENCY; COOPERATION**

Section 6.1 Participation in the Corporation's Tax Matters. Except as otherwise provided herein or the LLC Agreement, the Corporation shall have full responsibility for, and sole discretion over, all tax matters concerning the Corporation and its Subsidiaries including without limitation the preparation, filing or amending of any Tax Return and defending, contesting or settling any audit, contest, or other proceeding pertaining to taxes; *provided, however*, that the Corporation shall not settle or fail to contest any issue pertaining to Covered Taxes that is reasonably expected to adversely affect the TRA Holders' rights and obligations under this Agreement without the consent of the TRA Holder Representative, such consent not to be unreasonably withheld, conditioned, or delayed. The Corporation shall notify the TRA Holder Representative of, and keep it reasonably informed with respect to, any tax audit or other tax contest of the Corporation the outcome of which is reasonably expected to affect the Tax Benefit Payments payable to any TRA Holder under this Agreement and the TRA Holder Representative shall have the right to (i) discuss with the Corporation, and provide input and comment to the Corporation regarding, any portion of any such tax audit or other tax contest and (ii) participate in, at the TRA Holder Representative's expense, any such portion of any such tax audit or other tax contest, in each case, to the extent it reasonably relates to issues the resolution of which would reasonably be expected to affect the Tax Benefit Payments payable to any TRA Holder under this Agreement. To the extent there is a conflict between this Agreement and either the Transaction Agreement or the LLC Agreement relating to tax matters concerning Covered Taxes and the Corporation, including preparation, filing or amending of any Tax Return and

defending, contesting or settling any issue pertaining to taxes, this Agreement shall control solely with respect to the matters governed by this Agreement.

Section 6.2 Consistency. Except as otherwise required by applicable law, all calculations and determinations made hereunder, including, without limitation, any Basis Adjustments, the determination of any deductions arising from Common Basis or Section 704(c) Items, the Schedules or the determination of any Realized Tax Benefits or Realized Tax Detriments, shall be made in accordance with the elections, methodologies or positions taken by the Corporation and the LLC on their respective Tax Returns. Each TRA Holder shall prepare its Tax Returns in a manner that is consistent with the terms of this Agreement and any related calculations or determinations that are made hereunder, including, without limitation, the Schedules provided under this Agreement, unless otherwise required by applicable law. In the event that an Advisory Firm or Expert is used and is replaced with another Advisory Firm or Expert, such replacement Advisory Firm or Expert shall perform its services under this Agreement using procedures and methodologies consistent with the previous Advisory Firm or Expert, unless otherwise required by applicable law or unless the Corporation and the TRA Holder Representative agree to the use of other procedures and methodologies.

Section 6.3 Cooperation. The TRA Holder Representative and each TRA Holder, on the one hand, and the Corporation, on the other hand, shall (i) furnish to the other in a timely manner such information, documents and other materials as the other may reasonably request for purposes of making, reviewing, or approving any determination or computation necessary or appropriate under or with respect to this Agreement, preparing any Tax Return, or contesting or defending any audit, examination, controversy, or other proceeding with any Taxing Authority, (ii) make itself available to the other and its representatives to provide explanations of documents and materials and such other information as may be reasonably requested in connection with any of the matters described in clause (i) above, and (iii) reasonably cooperate in connection with any such matter. Subject to Section 6.1, the Corporation shall provide assistance as reasonably requested by any TRA Holder or the TRA Holder Representative on behalf of any TRA Holder in connection with such TRA Holder's tax or financial reporting and/or the consummation of any assignment or transfer of any of its rights and/or obligations under this Agreement, including without limitation, providing any information or executing any documentation. The requesting Party shall reimburse the other Party for any reasonable and documented out-of-pocket costs and expenses incurred by such other Party pursuant to this Section 6.3.

Any Party may change its address, fax number or e-mail address by giving each of the other Parties written notice thereof in the manner set forth above.

Section 7.2 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 7.3 Entire Agreement; No Third Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. This Agreement shall be binding upon and inure solely to the benefit of each Party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 7.4 Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of Delaware, without regard to the conflicts of laws principles thereof that would mandate the application of the laws of another jurisdiction.

Section 7.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 7.6 Assignments; Amendments; Successors; No Waiver.

(a) Assignment. Each TRA Holder may assign, sell, pledge, or otherwise alienate or transfer any TRA Right without the consent of the Corporation, to any Person; *provided*, such Person executes and delivers a Joinder agreeing to succeed to the applicable TRA Rights and to become a Party and TRA Holder for all purposes of this Agreement (the "Joinder Requirement"). The TRA Holder Representative shall update the TRA Holder Sharing Percentages and Blocker TRA Holder Sharing Percentages, as applicable, to reflect any such transfer accordingly. For the avoidance of doubt, if a TRA Holder transfers Units in accordance with the terms of the LLC Agreement but does not assign to the transferee of such Units its rights under this Agreement with respect to such transferred Units, such TRA Holder shall continue to be entitled to receive the Tax Benefit Payments arising in respect of a subsequent Exchange of such Units (and any such transferred Units shall be separately identified, so as to facilitate the determination of Tax Benefit Payments hereunder). The Corporation may not assign any of its rights or obligations under this Agreement to any Person (other than any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation) without the prior written consent of each of the TRA Holders (and any purported assignment without such consent shall be null and void).

(b) Amendments. No provision of this Agreement may be amended unless such amendment is approved in writing by (i) the Corporation, (ii) the TRA Holder Representative, and (iii) TRA Holders who would be entitled

## Table of Contents

to receive at least fifty (50) percent of the Early Termination Payments payable to all TRA Holders in the event the Corporation exercised its rights pursuant to Section 4.1(a) as of the later of the most recent Exchange Date or the most recent Reorganization Transaction, in which case such amendment shall be permitted. Notwithstanding the foregoing, no such amendment shall be effective if such amendment would have a disproportionate adverse impact on the payments certain TRA Holders will or may receive under this Agreement unless all such disproportionately impacted TRA Holders consent in writing to such amendment (such consent not to be unreasonably withheld, conditioned or delayed). No provision of this Agreement may be waived unless such waiver is in writing and signed by the Party against whom the waiver is to be effective.

(c) Successors. Except as provided in Section 7.6(a), all of the terms and provisions of this Agreement shall be binding upon, and shall inure to the benefit of and be enforceable by, the Parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives. The Corporation shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation, by written agreement, expressly to (i) assume and agree to perform this Agreement, in the same manner and to the same extent that the Corporation would be required to perform if no such succession had taken place and (ii) become a Party to this Agreement.

(d) Waiver. No failure by any Party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement, or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition.

Section 7.7 Titles and Subtitles. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

### Section 7.8 Resolution of Disputes.

(a) Except for Reconciliation Disputes subject to Section 7.9, any and all disputes which cannot be settled amicably after good-faith negotiation, including any ancillary claims of any Party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance, or non-performance of this Agreement (including the validity, scope, and enforceability of this arbitration provision) (each a “Dispute”) shall be finally resolved by arbitration in accordance with the International Institute for Conflict Prevention and Resolution Rules for Administered Arbitration (the “Rules”) by three arbitrators, of which the Corporation shall appoint one arbitrator and the TRA Holder Representative shall appoint one arbitrator in accordance with the “screened” appointment procedure provided in Rule 5.4. The arbitration shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1 et seq., and judgment upon the award rendered by the arbitrators may be entered by any court having jurisdiction thereof. The place of the arbitration shall be [New York, New York].

(b) Notwithstanding the provisions of paragraph (a), any Party may bring an action or special proceeding in any court of competent jurisdiction for the purpose of compelling another Party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each Party (i) expressly consents to the application of paragraph (c) of this Section 7.8 to any such action or proceeding, and (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate. For the avoidance of doubt, this Section 7.8 shall not apply to Reconciliation Disputes to be settled in accordance with the procedures set forth in Section 7.9.

(c) Each Party irrevocably consents to service of process by means of notice in the manner provided for in Section 7.1. Nothing in this Agreement shall affect the right of any Party to serve process in any other manner permitted by law.

(d) **WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY**

HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

(e) In the event the parties are unable to agree whether a dispute between them is a Reconciliation Dispute subject to the dispute resolution procedure set forth in Section 7.9 or a Dispute subject to the dispute resolution procedure set forth in this Section 7.8, such disagreement shall be decided and resolved in accordance with the procedure set forth in this Section 7.8.

Section 7.9 Reconciliation. In the event that the Corporation and the TRA Holder Representative (or any applicable TRA Holder) are unable to resolve a disagreement with respect to a Schedule prepared in accordance with the procedures set forth in Section 2.5, or with respect to an Early Termination Schedule prepared in accordance with the procedures set forth in Section 4.2, within the relevant time period designated in this Agreement (a “Reconciliation Dispute”), the Reconciliation Dispute shall be submitted for determination to a nationally recognized expert (the “Expert”) in the particular area of disagreement mutually acceptable to the disputing Parties. The Expert shall be a partner or principal in a nationally recognized accounting firm, and unless the Corporation and the TRA Holder Representative (or any applicable TRA Holder) agree otherwise, the Expert shall not, and the firm that employs the Expert shall not, have any material relationship with the Corporation, the TRA Holder Representative (or any applicable TRA Holder), or other actual or potential conflict of interest. If the disputing Parties are unable to agree on an Expert within fifteen (15) days of receipt by the respondent(s) of written notice of a Reconciliation Dispute, the selection of an Expert shall be treated as a Dispute subject to Section 7.8 and an arbitration panel shall pick an Expert from a nationally recognized accounting firm that does not have any material relationship with the Corporation, the TRA Holder Representative (or any applicable TRA Holder), or other actual or potential conflict of interest. The Expert shall resolve any disputed matter relating to any Schedule or an amendment thereto or the Early Termination Schedule or an amendment thereto within thirty (30) days and shall resolve any matter relating to a Tax Benefit Schedule or an amendment thereto within fifteen (15) days or as soon thereafter as is reasonably practicable, in each case after the matter has been submitted to the Expert for resolution. Notwithstanding the preceding sentence, if the matter is not resolved before any payment that is the subject of a disagreement would be due (in the absence of such disagreement) or any Tax Return reflecting the subject of a disagreement is due, the undisputed amount shall be paid on the date prescribed by this Agreement and such Tax Return may be filed as prepared by the Corporation, subject to adjustment or amendment upon resolution. The costs and expenses relating to the engagement of such Expert or amending any Tax Return shall be borne by the Corporation except as provided in the next sentence. The Corporation and the applicable TRA Holder(s) shall bear their own costs and expenses of such proceeding, unless (i) the Expert adopts the TRA Holder Representative or applicable TRA Holder(s)’s position, in which case the Corporation shall reimburse the TRA Holder Representative or applicable TRA Holder(s) for any reasonable and documented out-of-pocket costs and expenses in such proceeding (including for the avoidance of doubt any costs and expenses incurred by the TRA Holder Representative or any applicable TRA Holder(s) relating to the engagement of the Expert or amending any applicable Tax Return), or (ii) the Expert adopts the Corporation’s position, in which case the applicable TRA Holder(s) (or the TRA Holder Representative on behalf of such TRA Holder(s)) shall reimburse the Corporation for any reasonable and documented out-of-pocket costs and expenses in such proceeding (including for the avoidance of doubt costs and expenses incurred by the Corporation relating to the engagement of the Expert or amending any applicable Tax Return). The Corporation may withhold payments under this Agreement to collect amounts due under the preceding sentence. The Expert shall finally determine any Reconciliation Dispute and the determinations of the Expert pursuant to this Section 7.9 shall be binding on the Corporation, the TRA Holder Representative and the TRA Holders and may be entered and enforced in any court having competent jurisdiction.

Section 7.10 Withholding. The Corporation, the LLC, and their respective affiliates, shall be entitled to deduct and withhold from any payment that is payable to any TRA Holder (or other applicable person) pursuant to this Agreement any taxes or other amounts as the Corporation is required to deduct and withhold with respect to the making of any such payment under the Code or any provision of U.S. state, local or foreign tax law. Any

such deducted or withheld taxes or other amounts, to the extent paid over to the appropriate Taxing Authority or other governmental entity shall be treated for all purposes of this Agreement as having been paid to the relevant TRA Holder (or any other person) in respect of which such deduction or withholding was made. Each TRA Holder or other recipient of any payments hereunder shall provide the Corporation, the LLC, or other applicable withholding agent with any applicable tax forms, including IRS Form W-9 or the appropriate series of IRS Form W-8, as applicable, or any other information or certifications reasonably requested by the Corporation in connection with determining whether any such deductions and withholdings are required under the Code or any provision of U.S. state, local or foreign tax law.

Section 7.11 Admission of the Corporation into a Consolidated Group; Transfers of Corporate Assets.

(a) If the Corporation is or becomes a member of an affiliated or consolidated group of corporations that files a consolidated income Tax Return pursuant to Section 1501 or other applicable Sections of the Code governing affiliated or consolidated groups, or any corresponding provisions of U.S. state or local tax law, then: (i) the provisions of this Agreement shall be applied with respect to the group as a whole; and (ii) Tax Benefit Payments, Early Termination Payments, and other applicable items hereunder shall be computed with reference to the consolidated Covered Taxes of the group as a whole.

(b) If the Corporation, its successor in interest or any member of a group described in Section 7.11(a) or any member of the LLC Group transfers one or more Reference Assets to a corporation (or a Person classified as a corporation for U.S. federal income tax purposes) with which such entity does not file a consolidated Tax Return pursuant to Section 1501 of the Code, such entity, for purposes of calculating the amount of any Tax Benefit Payment or Early Termination Payment due hereunder, shall be treated as having disposed of such Reference Asset in a fully taxable transaction on the date of such transfer. The consideration deemed to be received by such entity shall be equal to the fair market value of the transferred Reference Asset as determined by a valuation expert mutually agreed upon by the Corporation and the TRA Holder Representative plus, without duplication, (i) the amount of debt to which any such Reference Assets is subject, in the case of a transfer of an encumbered Reference Asset or (ii) the amount of debt allocated to any such Reference Asset, in the case of a transfer of a partnership interest. For purposes of this Section 7.11, a transfer of a partnership interest shall be treated as a transfer of the transferring partner's share of each of the assets and liabilities of that partnership. Notwithstanding anything to the contrary set forth herein, if the Corporation or any other entity that is obligated to make a Tax Benefit Payment or Early Termination Payment hereunder transfers its assets pursuant to a transaction that qualifies as a "reorganization" (within the meaning of Section 368(a) of the Code) in which such entity does not survive or pursuant to any other transaction to which Section 381(a) of the Code applies, the transfer will not cause such entity to be treated as having transferred any assets to a corporation (or a Person classified as a corporation for U.S. income tax purposes) pursuant to this Section 7.11(b).

Section 7.12 Change in Law. Notwithstanding anything herein to the contrary, if, as a result of or, in connection with an actual or proposed change in law, a TRA Holder reasonably believes that the existence of this Agreement could cause adverse tax consequences to such TRA Holder or any direct or indirect owner of such TRA Holder, then at the written election of such TRA Holder in its sole discretion (in an instrument signed by such TRA Holder and delivered to the Corporation and the TRA Holder Representative) and to the extent specified therein by such TRA Holder, this Agreement either (i) shall cease to have further effect and shall not apply to such TRA Holder after a date specified by such TRA Holder or (ii) may be amended by the Parties in a manner reasonably determined by such TRA Holder, *provided* that such amendment shall not result in a material adverse impact to the Corporation's rights and obligations under this Agreement, including an increase in or acceleration of any payments owed by the Corporation under this Agreement at any time as compared to the amounts and times of payments that would have been due in the absence of such amendment.

Section 7.13 Interest Rate Limitation. Notwithstanding anything to the contrary contained herein, the interest paid or agreed to be paid hereunder with respect to amounts due to any TRA Holder hereunder shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If any

## Table of Contents

TRA Holder shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the Tax Benefit Payment, Estimated Tax Benefit Payment or Early Termination Payment, as applicable (but in each case exclusive of any component thereof comprising interest) or, if it exceeds such unpaid non-interest amount, refunded to the Corporation. In determining whether the interest contracted for, charged, or received by any TRA Holder exceeds the Maximum Rate, such TRA Holder may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the payment obligations owed by the Corporation to such TRA Holder hereunder. Notwithstanding the foregoing, it is the intention of the Parties to conform strictly to any applicable usury laws.

Section 7.14 Independent Nature of Rights and Obligations. The rights and obligations of each TRA Holder hereunder are several and not joint with the rights and obligations of any other Person. A TRA Holder shall not be responsible in any way for the performance of the obligations of any other Person hereunder, nor shall a TRA Holder have the right to enforce the rights or obligations of any other Person hereunder (other than the Corporation). Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any TRA Holder pursuant hereto or thereto, shall be deemed to constitute the TRA Holders acting as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the TRA Holders are in any way acting in concert or as a group with respect to such rights or obligations or the transactions contemplated hereby, and the Corporation acknowledges that the TRA Holders are not acting in concert or as a group and will not assert any such claim with respect to such rights or obligations or the transactions contemplated hereby.

Section 7.15 LLC Agreement. This Agreement shall be treated as part of the LLC Agreement as described in Section 761(c) of the Code and Sections 1.704-1(b)(2)(ii)(h) and 1.761-1(c) of the Treasury Regulations.

Section 7.16 TRA Holder Representative. By executing this Agreement, each of the TRA Holders shall be deemed to have irrevocably constituted and appointed GTCR Management XI, LLC (in the capacity described in this Section 7.16 and each successor as provided below, the “TRA Holder Representative”) as its agent and attorney in fact with full power of substitution to act from and after the date hereof and to do any and all things and execute any and all documents on behalf of such TRA Holders which may be necessary, convenient or appropriate to facilitate any matters under this Agreement, including but not limited to, and unless otherwise provided by this Agreement: (i) execution of the documents and certificates required pursuant to this Agreement; (ii) receipt and forwarding of notices and communications pursuant to this Agreement; (iii) administration of the provisions of this Agreement; (iv) giving or agreeing to, on behalf of such TRA Holders, any and all consents, waivers, amendments or modifications deemed by the TRA Holder Representative, in its sole and absolute discretion, to be necessary or appropriate under this Agreement and the execution or delivery of any documents that may be necessary or appropriate in connection therewith; (v) taking actions the TRA Holder Representative is expressly authorized to take pursuant to the other provisions of this Agreement; (vi) negotiating and compromising, on behalf of such TRA Holders, any dispute that may arise under, and exercising or refraining from exercising any remedies available under, this Agreement or any other agreement contemplated hereby and executing, on behalf of such TRA Holders, any settlement agreement, release or other document with respect to such dispute or remedy; and (vii) engaging attorneys, accountants, agents or consultants on behalf of such TRA Holders in connection with this Agreement or any other agreement contemplated hereby and paying any fees related thereto. If the TRA Holder Representative is unwilling to so serve, then the person then-serving as the TRA Holder Representative shall be entitled to appoint its successor which such successor shall be subject to the approval of a majority of the TRA Holders. To the fullest extent permitted by law, none of the TRA Holder Representative, any of its Affiliates, or any of the TRA Holder Representative’s or Affiliate’s directors, officers, employees or other agents (each a “Covered Person”) shall be liable, responsible or accountable in damages or otherwise to any TRA Holder, the LLC, or the Corporation for damages arising from any action taken or omitted to be taken by the TRA Holder Representative or any other Person with respect to the LLC or the Corporation, except in the case of any action or omission which constitutes, with respect to such Person, willful misconduct or

fraud. Each of the Covered Persons may consult with legal counsel, accountants, and other experts selected by it, and any act or omission suffered or taken by it on behalf of the LLC or the Corporation or in furtherance of the interests of the LLC or the Corporation in good faith in reliance upon and in accordance with the advice of such counsel, accountants, or other experts shall create a presumption of the good faith and due care of such Covered Person with respect to such act or omission. Each of the Covered Persons may rely in good faith upon, and shall have no liability to the LLC, the Corporation or the TRA Holders for acting or refraining from acting upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties. For the avoidance of doubt, notwithstanding the foregoing, if a provision of this Agreement provides a right or entitlement of any kind to a TRA Holder, this Section 7.16 shall not override the TRA Holder's ability to exercise or enforce such right or enjoy such entitlement.

Section 7.17 Non-Effect of Other Tax Receivable Agreements. If the Corporation enters into any other agreement after the date hereof that obligates the Corporation to make payments to another party in exchange for tax benefits conferred upon the Corporation, the LLC, or any of their respective Subsidiaries, unless otherwise agreed by the TRA Holder Representative, such tax benefits and such payments shall be ignored for all purposes of this Agreement (including for purposes of calculating the Hypothetical Tax Liability and the Actual Tax Liability hereunder).

**VIVID SEATS INC.  
2021 INCENTIVE AWARD PLAN**

**ARTICLE I.  
PURPOSE**

The Plan's purpose is to enhance the Company's ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the Company by providing these individuals with equity ownership opportunities. Capitalized terms used in the Plan are defined in Article **XI**.

**ARTICLE II.  
ELIGIBILITY**

Service Providers are eligible to be granted Awards under the Plan, subject to the limitations described herein.

**ARTICLE III.  
ADMINISTRATION AND DELEGATION**

3.1 Administration. The Plan is administered by the Administrator. The Administrator has authority to determine which Service Providers receive Awards, grant Awards and set Award terms and conditions, subject to the conditions and limitations in the Plan. The Administrator also has the authority to take all actions and make all determinations under the Plan, to interpret the Plan and Award Agreements and to adopt, amend and repeal Plan administrative rules, guidelines and practices as it deems advisable. The Administrator may correct defects and ambiguities, supply omissions and reconcile inconsistencies in the Plan or any Award as it deems necessary or appropriate to administer the Plan and any Awards. The Administrator's determinations under the Plan are in its sole discretion and will be final and binding on all persons having or claiming any interest in the Plan or any Award. The Administrator may institute and determine the terms and conditions of an Exchange Program.

3.2 Appointment of Committees. To the extent Applicable Laws permit, the Board may delegate any or all of its powers under the Plan to one or more Committees or officers of the Company or any of its Subsidiaries. The Board may abolish any Committee or re-vest in itself any previously delegated authority at any time.

**ARTICLE IV.  
STOCK AVAILABLE FOR AWARDS**

4.1 Number of Shares. Subject to adjustment under Article **VII** and the terms of this Article **IV**, Awards may be made under the Plan covering up to the Overall Share Limit. Shares issued under the Plan may consist of authorized but unissued Shares, Shares purchased on the open market or treasury Shares.

4.2 Share Recycling. If all or any part of an Award expires, lapses or is terminated, exchanged for cash, surrendered to an Exchange Program, repurchased, canceled without having been fully exercised or forfeited, in any case, in a manner that results in the Company acquiring Shares at a price not greater than the price (as adjusted to reflect any Equity Restructuring) paid by the Participant for such Shares or not issuing any Shares covered by the Award, the unused Shares covered by the Award will, as applicable, become or again be available

for Award grants under the Plan, provided, that, the Shares underlying the Non-Qualified Stock Options granted in connection with the Effective Date Option Awards shall not become or again be available for Awards under the Plan. Further, Shares delivered (either by actual delivery or attestation) to the Company by a Participant to satisfy the applicable exercise or purchase price of an Award and/or to satisfy any applicable tax withholding obligation (including Shares retained by the Company from the Award being exercised or purchased and/or creating the tax obligation) will, as applicable, become or again be available for Award grants under the Plan. The payment of Dividend Equivalents in cash in conjunction with any outstanding Awards shall not count against the Overall Share Limit.

4.3 Incentive Stock Option Limitations. Notwithstanding anything to the contrary herein, no more than [●]<sup>1</sup> Shares may be issued pursuant to the exercise of Incentive Stock Options.

4.4 Substitute Awards. In connection with an entity's merger or consolidation with the Company or the Company's acquisition of an entity's property or stock, the Administrator may grant Awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate in accordance with Applicable Laws. Substitute Awards may be granted on such terms as the Administrator deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the Overall Share Limit (nor shall Shares subject to a Substitute Award be added to the Shares available for Awards under the Plan as provided above), except that Shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of Shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan (and Shares subject to such Awards shall not be added to the Shares available for Awards under the Plan as provided above); provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

4.5 Non-Employee Director Compensation. Notwithstanding any provision to the contrary in the Plan, the Administrator may establish compensation for non-employee Directors from time to time, subject to the limitations in the Plan. The Administrator will from time to time determine the terms, conditions and amounts of all such non-employee Director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, provided that the sum of any cash compensation, or other compensation, and the value (determined as of the grant date in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or any successor thereto) of Awards granted to a non-employee Director as compensation for services as a non-employee Director during any fiscal year of the Company may not exceed \$[ ], increased to \$[ ] of a non-employee Director's initial service as a non-employee Director. The Administrator may make exceptions to these limits for individual non-employee Directors in extraordinary circumstances, as the Administrator may determine in its discretion, provided that the non-employee Director receiving such additional compensation may not participate in the decision to award such compensation or in other contemporaneous compensation decisions involving non-employee Directors.

---

<sup>1</sup> To be equal to initial Overall Share Limit set forth in Section 11.28(i) less the two million shares subject to the Effective Date Option Awards.

**ARTICLE V.  
STOCK OPTIONS AND STOCK APPRECIATION RIGHTS**

5.1 General. The Administrator may grant Options or Stock Appreciation Rights to Service Providers subject to the limitations in the Plan, including any limitations in the Plan that apply to Incentive Stock Options. The Administrator will determine the number of Shares covered by each Option and Stock Appreciation Right, the exercise price of each Option and Stock Appreciation Right and the conditions and limitations applicable to the exercise of each Option and Stock Appreciation Right. A Stock Appreciation Right will entitle the Participant (or other person entitled to exercise the Stock Appreciation Right) to receive from the Company upon exercise of the exercisable portion of the Stock Appreciation Right an amount determined by multiplying the excess, if any, of the Fair Market Value of one Share on the date of exercise over the exercise price per Share of the Stock Appreciation Right by the number of Shares with respect to which the Stock Appreciation Right is exercised, subject to any limitations of the Plan or that the Administrator may impose and payable in cash, Shares valued at such Fair Market Value or a combination of the two as the Administrator may determine or provide in the Award Agreement.

5.2 Exercise Price. The Administrator will establish each Option's and Stock Appreciation Right's exercise price and specify the exercise price in the Award Agreement. Unless otherwise determined by the Administrator, the exercise price will not be less than 100% of the Fair Market Value on the grant date of the Option or Stock Appreciation Right.

5.3 Duration. Each Option or Stock Appreciation Right will be exercisable at such times and as specified in the Award Agreement, provided that, unless otherwise determined by the Administrator in accordance with Applicable Laws, the term of an Option or Stock Appreciation Right will not exceed ten years. Notwithstanding the foregoing, if the Participant, prior to the end of the term of an Option or Stock Appreciation Right, violates the non-competition, non-solicitation, confidentiality or other similar restrictive covenant provisions of any employment contract, confidentiality and nondisclosure agreement or other agreement between the Participant and the Company or any of its Subsidiaries, the right of the Participant and the Participant's transferees to exercise any Option or Stock Appreciation Right issued to the Participant shall terminate immediately upon such violation unless the Company otherwise determines.

5.4 Exercise. Options and Stock Appreciation Rights may be exercised by delivering to the Company a written notice of exercise, in a form the Administrator approves (which may be electronic), signed by the person authorized to exercise the Option or Stock Appreciation Right, together with, as applicable, payment in full (i) as specified in Section 5.5 for the number of Shares for which the Award is exercised and (ii) as specified in Section 9.5 for any applicable taxes. Unless the Administrator otherwise determines, an Option or Stock Appreciation Right may not be exercised for a fraction of a Share.

5.5 Payment Upon Exercise. Subject to Section 10.8, any Company insider trading policy (including blackout periods) and Applicable Laws, the exercise price of an Option must be paid by:

(a) cash, wire transfer of immediately available funds or by check payable to the order of the Company, provided that the Company may limit the use of one of the foregoing payment forms if one or more of the payment forms below is permitted;

(b) if there is a public market for Shares at the time of exercise, unless the Company otherwise determines, (A) delivery (including telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to pay the exercise price, or (B) the Participant's delivery to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to pay the exercise price; provided that such amount is paid to the Company at such time as may be required by the Administrator;

- (c) to the extent permitted by the Administrator, delivery (either by actual delivery or attestation) of Shares owned by the Participant valued at their Fair Market Value;
- (d) to the extent permitted by the Administrator, surrendering Shares then issuable upon the Option's exercise valued at their Fair Market Value on the exercise date;
- (e) to the extent permitted by the Administrator, delivery of any other property that the Administrator determines is good and valuable consideration; or
- (f) to the extent permitted by the Company, any combination of the above payment forms approved by the Administrator.

## **ARTICLE VI. RESTRICTED STOCK; RESTRICTED STOCK UNITS**

6.1 General. The Administrator may grant Restricted Stock, or the right to purchase Restricted Stock, to any Service Provider, subject to the Company's right to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant (or to require forfeiture of such shares) if conditions the Administrator specifies in the Award Agreement are not satisfied before the end of the applicable restriction period or periods that the Administrator establishes for such Award. In addition, the Administrator may grant to Service Providers Restricted Stock Units, which may be subject to vesting and forfeiture conditions during the applicable restriction period or periods, as set forth in an Award Agreement. The Administrator will determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan.

### 6.2 Restricted Stock.

(a) Dividends. Participants holding shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such Shares, unless the Administrator provides otherwise in the Award Agreement. In addition, unless the Administrator provides otherwise, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid.

(b) Stock Certificates. The Company may require that the Participant deposit in escrow with the Company (or its designee) any stock certificates issued in respect of shares of Restricted Stock, together with a stock power endorsed in blank.

(c) Section 83(b) Election. If a Participant makes an election under Section 83(b) of the Code to be taxed with respect to the Restricted Stock as of the date of transfer of the Restricted Stock rather than as of the date or dates upon which such Participant would otherwise be taxable under Section 83(a) of the Code, such Participant shall be required to deliver a copy of such election to the Company promptly after filing such election with the Internal Revenue Service along with proof of the timely filing thereof.

### 6.3 Restricted Stock Units.

(a) Settlement. The Administrator may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant's election, in a manner intended to comply with Section 409A.

(b) Stockholder Rights. A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until the Shares are delivered in settlement of the Restricted Stock Unit.

(c) Dividend Equivalents. If the Administrator provides, a grant of Restricted Stock Units may provide a Participant with the right to receive Dividend Equivalents. Dividend Equivalents may be paid currently or credited to an account for the Participant, settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the Dividend Equivalents are granted and subject to other terms and conditions as set forth in the Award Agreement.

## **ARTICLE VII. OTHER STOCK OR CASH BASED AWARDS**

7.1 Other Stock or Cash Based Awards may be granted to Participants, including Awards entitling Participants to receive Shares to be delivered in the future and including annual or other periodic or long-term cash bonus awards (whether based on specified Performance Criteria or otherwise), in each case subject to any conditions and limitations in the Plan. Such Other Stock or Cash Based Awards will also be available as a payment form in the settlement of other Awards, as standalone payments and as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock or Cash Based Awards may be paid in Shares, cash or other property, as the Administrator determines. Subject to the provisions of the Plan, the Administrator will determine the terms and conditions of each Other Stock or Cash Based Award, including any purchase price, performance goal (which may be based on the Performance Criteria), transfer restrictions, and vesting conditions, which will be set forth in the applicable Award Agreement.

## **ARTICLE VIII. ADJUSTMENTS FOR CHANGES IN COMMON STOCK AND CERTAIN OTHER EVENTS**

8.1 Equity Restructuring. In connection with any Equity Restructuring, notwithstanding anything to the contrary in this Article VII, the Administrator will equitably adjust each outstanding Award as it deems appropriate to reflect the Equity Restructuring, which may include adjusting the number and type of securities subject to each outstanding Award and/or the Award's exercise price or grant price (if applicable), granting new Awards to Participants, and making a cash payment to Participants. The adjustments provided under this Section 8.1 will be nondiscretionary and final and binding on the affected Participant and the Company; provided that the Administrator will determine whether an adjustment is equitable.

8.2 Corporate Transactions. In the event of any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), reorganization, merger, consolidation, combination, amalgamation, repurchase, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Common Stock or other securities of the Company, Change in Control, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, other similar corporate transaction or event, other unusual or nonrecurring transaction or event affecting the Company or its financial statements or any change in any Applicable Laws or accounting principles, the Administrator, on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event (except that action to give effect to a change in Applicable Law or accounting principles may be made within a reasonable period of time after such change) and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to (x) prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Award granted or issued under the Plan, (y) to facilitate such transaction or event or (z) give effect to such changes in Applicable Laws or accounting principles:

(a) To provide for the cancellation of any such Award in exchange for either an amount of cash or other property with a value equal to the amount that could have been obtained upon the exercise or settlement of

the vested portion of such Award or realization of the Participant's rights under the vested portion of such Award, as applicable; provided that, if the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant's rights, in any case, is equal to or less than zero, then the Award may be terminated without payment;

(b) To provide that such Award shall vest and, to the extent applicable, be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the provisions of such Award;

(c) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and/or applicable exercise or purchase price, in all cases, as determined by the Administrator;

(d) To make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards and/or with respect to which Awards may be granted under the Plan (including, but not limited to, adjustments of the limitations in Article IV hereof on the maximum number and kind of shares which may be issued) and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards;

(e) To replace such Award with other rights or property selected by the Administrator; and/or

(f) To provide that the Award will terminate and cannot vest, be exercised or become payable after the applicable event.

8.3 Administrative Stand Still. In the event of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other extraordinary transaction or change affecting the Shares or the share price of Common Stock, including any Equity Restructuring or any securities offering or other similar transaction, for administrative convenience, the Administrator may refuse to permit the exercise of any Award for up to sixty days before or after such transaction.

8.4 General. Except as expressly provided in the Plan or the Administrator's action under the Plan, no Participant will have any rights due to any subdivision or consolidation of Shares of any class, dividend payment, increase or decrease in the number of Shares of any class or dissolution, liquidation, merger, or consolidation of the Company or other corporation. Except as expressly provided with respect to an Equity Restructuring under Section 8.1 above or the Administrator's action under the Plan, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, will affect, and no adjustment will be made regarding, the number of Shares subject to an Award or the Award's grant or exercise price. The existence of the Plan, any Award Agreements and the Awards granted hereunder will not affect or restrict in any way the Company's right or power to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger, consolidation dissolution or liquidation of the Company or sale of Company assets or (iii) any sale or issuance of securities, including securities with rights superior to those of the Shares or securities convertible into or exchangeable for Shares. The Administrator may treat Participants and Awards (or portions thereof) differently under this Article VIII.

## **ARTICLE IX. GENERAL PROVISIONS APPLICABLE TO AWARDS**

9.1 Transferability. Except as the Administrator may determine or provide in an Award Agreement or otherwise for Awards other than Incentive Stock Options, Awards may not be sold, assigned, transferred, pledged or otherwise encumbered, either voluntarily or by operation of law, except by will or the laws of descent and

distribution, or, subject to the Administrator's consent, pursuant to a domestic relations order, and, during the life of the Participant, will be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, will include references to a Participant's authorized transferee that the Administrator specifically approves.

9.2 Documentation. Each Award will be evidenced in an Award Agreement, which may be written or electronic, as the Administrator determines. Each Award may contain terms and conditions in addition to those set forth in the Plan.

9.3 Discretion. Except as the Plan otherwise provides, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award to a Participant need not be identical, and the Administrator need not treat Participants or Awards (or portions thereof) uniformly.

9.4 Termination of Service; Change in Status. The Administrator will determine, in its sole discretion, the effect of all matters and questions relating to any Termination of Service, including, without limitation, whether a Termination of Service has occurred, whether a Termination of Service resulted from a discharge for Cause and all questions of whether a particular leave of absence constitutes a Termination of Service or any other change or purported change in a Participant's Service Provider status affects an Award and the extent to which, and the period during which, the Participant, the Participant's legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award, if applicable.

9.5 Withholding. Each Participant must pay the Company, or make provision satisfactory to the Administrator for payment of, any taxes required by law to be withheld in connection with such Participant's Awards by the date of the event creating the tax liability. The Company may deduct an amount sufficient to satisfy such tax obligations based on the applicable statutory withholding rates (or such other rate as may be determined by the Company after considering any accounting consequences or costs) from any payment of any kind otherwise due to a Participant. Subject to Section 10.8 and any Company insider trading policy (including blackout periods), Participants may satisfy such tax obligations (i) in cash, by wire transfer of immediately available funds, by check made payable to the order of the Company, provided that the Company may limit the use of one of the foregoing payment forms if one or more of the payment forms below is permitted, (ii) to the extent permitted by the Administrator, in whole or in part by delivery of Shares, including Shares retained from the Award creating the tax obligation, valued at their Fair Market Value, (iii) if there is a public market for Shares at the time the tax obligations are satisfied, unless the Company otherwise determines, (A) delivery (including telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to satisfy the tax obligations, or (B) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to satisfy the tax withholding; provided that such amount is paid to the Company at such time as may be required by the Administrator, or (iv) to the extent permitted by the Company, any combination of the foregoing payment forms approved by the Administrator. If any tax withholding obligation will be satisfied under clause (ii) of the immediately preceding sentence by the Company's retention of Shares from the Award creating the tax obligation and there is a public market for Shares at the time the tax obligation is satisfied, the Company may elect to instruct any brokerage firm determined acceptable to the Company for such purpose to sell on the applicable Participant's behalf some or all of the Shares retained and to remit the proceeds of the sale to the Company or its designee, and each Participant's acceptance of an Award under the Plan will constitute the Participant's authorization to the Company and instruction and authorization to such brokerage firm to complete the transactions described in this sentence.

9.6 Amendment of Award; Repricing. The Administrator may amend, modify or terminate any outstanding Award, including by substituting another Award of the same or a different type, changing the exercise or settlement date, and converting an Incentive Stock Option to a Non-Qualified Stock Option. The Participant's consent to such action will be required unless (i) the action, taking into account any related action,

does not materially and adversely affect the Participant's rights under the Award, or (ii) the change is permitted under Article VIII or pursuant to Section 10.6.

9.7 Conditions on Delivery of Stock. The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Company's satisfaction, (ii) as determined by the Company, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws and stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Administrator deems necessary or appropriate to satisfy any Applicable Laws. The Company's inability to obtain authority from any regulatory body having jurisdiction, which the Administrator determines is necessary to the lawful issuance and sale of any securities, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.

9.8 Acceleration. The Administrator may at any time provide that any Award will become immediately vested and fully or partially exercisable, free of some or all restrictions or conditions, or otherwise fully or partially realizable.

9.9 Additional Terms of Incentive Stock Options. The Administrator may grant Incentive Stock Options only to employees of the Company, any of its present or future parent or subsidiary corporations, as defined in Sections 424(e) or (f) of the Code, respectively, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code. If an Incentive Stock Option is granted to a Greater Than 10% Stockholder, the exercise price will not be less than 110% of the Fair Market Value on the Option's grant date, and the term of the Option will not exceed five years. All Incentive Stock Options will be subject to and construed consistently with Section 422 of the Code. By accepting an Incentive Stock Option, the Participant agrees if requested by the Company to give prompt notice to the Company of dispositions or other transfers (other than in connection with a Change in Control) of Shares acquired under the Option made within (i) two years from the grant date of the Option or (ii) one year after the transfer of such Shares to the Participant, specifying the date of the disposition or other transfer and the amount the Participant realized, in cash, other property, assumption of indebtedness or other consideration, in such disposition or other transfer. Neither the Company nor the Administrator will be liable to a Participant, or any other party, if an Incentive Stock Option fails or ceases to qualify as an "incentive stock option" under Section 422 of the Code. Any Incentive Stock Option or portion thereof that fails to qualify as an "incentive stock option" under Section 422 of the Code for any reason, including becoming exercisable with respect to Shares having a fair market value exceeding the \$100,000 limitation under Treasury Regulation Section 1.422-4, will be a Non-Qualified Stock Option.

## **ARTICLE X. MISCELLANEOUS**

10.1 No Right to Employment or Other Status. No person will have any claim or right to be granted an Award, and the grant of an Award will not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan or any Award, except as expressly provided in an Award Agreement.

10.2 No Rights as Stockholder; Certificates. Subject to the Award Agreement, no Participant or Designated Beneficiary will have any rights as a stockholder with respect to any Shares to be distributed under an Award until becoming the record holder of such Shares. Notwithstanding any other provision of the Plan, unless the Administrator otherwise determines or Applicable Laws require, the Company will not be required to deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares may be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

The Company may place legends on stock certificates issued under the Plan that the Administrator deems necessary or appropriate to comply with Applicable Laws.

10.3 Effective Date and Term of Plan. The Plan will become effective on the Effective Date and, unless earlier terminated by the Board, will remain in effect until the earlier of (i) the earliest date as of which all Awards granted under the Plan have been satisfied in full or terminated and no Shares approved for issuance under the Plan remain available to be granted under new Awards or (ii) the tenth anniversary of [ ]<sup>2</sup>, but Awards previously granted may extend beyond that date in accordance with the Plan. If the Plan is not approved by the Company's stockholders, the Plan will not become effective and no Awards will be granted under the Plan.

10.4 Amendment of Plan. The Administrator may amend, suspend or terminate the Plan at any time; provided that no amendment, other than an increase to the Overall Share Limit, may materially and adversely affect any Award outstanding at the time of such amendment without the affected Participant's consent. No Awards may be granted under the Plan during any suspension period or after Plan termination. Awards outstanding at the time of any Plan suspension or termination will continue to be governed by the Plan and the Award Agreement, as in effect before such suspension or termination. The Board will obtain stockholder approval of any Plan amendment to the extent necessary to comply with Applicable Laws.

10.5 Provisions for Foreign Participants. The Administrator may modify Awards granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

### 10.6 Section 409A.

(a) General. The Company intends that all Awards be structured to comply with, or be exempt from, Section 409A, such that no adverse tax consequences, interest, or penalties under Section 409A apply. Notwithstanding anything in the Plan or any Award Agreement to the contrary, the Administrator may, without a Participant's consent, amend this Plan or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and retroactive actions) as are necessary or appropriate to preserve the intended tax treatment of Awards, including any such actions intended to (A) exempt this Plan or any Award from Section 409A, or (B) comply with Section 409A, including regulations, guidance, compliance programs and other interpretative authority that may be issued after an Award's grant date. The Company makes no representations or warranties as to an Award's tax treatment under Section 409A or otherwise. The Company will have no obligation under this Section 10.6 or otherwise to avoid the taxes, penalties or interest under Section 409A with respect to any Award and will have no liability to any Participant or any other person if any Award, compensation or other benefits under the Plan are determined to constitute noncompliant "nonqualified deferred compensation" subject to taxes, penalties or interest under Section 409A.

(b) Separation from Service. If an Award constitutes "nonqualified deferred compensation" under Section 409A, any payment or settlement of such Award upon a termination of a Participant's Service Provider relationship will, to the extent necessary to avoid taxes under Section 409A, be made only upon the Participant's "separation from service" (within the meaning of Section 409A), whether such "separation from service" occurs upon or after the Termination of Service of a Participant. For purposes of this Plan or any Award Agreement relating to any such payments or benefits, references to a "termination," "termination of employment," Termination of Service or like terms means a "separation from service."

(c) Payments to Specified Employees. Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of "nonqualified deferred compensation" required to be made under an

<sup>2</sup> Note to Draft: To reflect the 10-year anniversary of the date the Board adopted the Plan.

Award to a “specified employee” (as defined under Section 409A and as the Administrator determines) due to his or her “separation from service” will, to the extent necessary to avoid taxes under Section 409A(a)(2)(B)(i) of the Code, be delayed for the six-month period immediately following such “separation from service” (or, if earlier, until the specified employee’s death) and will instead be paid (as set forth in the Award Agreement) on the day immediately following such six-month period or as soon as administratively practicable thereafter (without interest). Any payments of “nonqualified deferred compensation” under such Award payable more than six months following the Participant’s “separation from service” will be paid at the time or times the payments are otherwise scheduled to be made.

10.7 Limitations on Liability. Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company or any Subsidiary will be liable to any Participant, former Participant, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any Award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as an Administrator, director, officer, other employee or agent of the Company or any Subsidiary. The Company will indemnify and hold harmless each director, officer, other employee and agent of the Company or any Subsidiary that has been or will be granted or delegated any duty or power relating to the Plan’s administration or interpretation, against any cost or expense (including attorneys’ fees) or liability (including any sum paid in settlement of a claim with the Administrator’s approval) arising from any act or omission concerning this Plan unless arising from such person’s own fraud or bad faith.

10.8 Lock-Up Period. The Company may, at the request of any underwriter representative or otherwise, in connection with registering the offering of any Company securities under the Securities Act, prohibit Participants from, directly or indirectly, selling or otherwise transferring any Shares or other Company securities during a period of up to one hundred eighty days following the effective date of a Company registration statement filed under the Securities Act, or such longer period as determined by the underwriter.

10.9 Data Privacy. As a condition for receiving any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this section by and among the Company and its Subsidiaries and affiliates exclusively for implementing, administering and managing the Participant’s participation in the Plan. The Company and its Subsidiaries and affiliates may hold certain personal information about a Participant, including the Participant’s name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Subsidiaries and affiliates; and Award details, to implement, manage and administer the Plan and Awards (the “Data”). The Company and its Subsidiaries and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant’s participation in the Plan, and the Company and its Subsidiaries and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant’s country, or elsewhere, and the Participant’s country may have different data privacy laws and protections than the recipients’ country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant’s participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant’s participation in the Plan. A Participant may, at any time, view the Data that the Company holds regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 10.9 in writing, without cost, by contacting the local human resources representative. The Company may cancel Participant’s ability to participate in the Plan and, in the Administrator’s discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents in this Section 10.9. For more information on the consequences of refusing or withdrawing consent, Participants may contact their local human resources representative.

10.10 Severability. If any portion of the Plan or any action taken under it is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provisions had been excluded, and the illegal or invalid action will be null and void.

10.11 Governing Documents. 10.13 Claw-back Provisions. All Awards (including any proceeds, gains or other economic benefit the Participant actually or constructively receives upon receipt or exercise of any Award or the receipt or resale of any Shares underlying the Award) will be subject to any Company claw-back policy, including any claw-back policy adopted to comply with Applicable Laws (including the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) as set forth in such claw-back policy or the Award Agreement.

10.14 Titles and Headings. The titles and headings in the Plan are for convenience of reference only and, if any conflict, the Plan's text, rather than such titles or headings, will control.

10.15 Conformity to Securities Laws. Participant acknowledges that the Plan is intended to conform to the extent necessary with Applicable Laws. Notwithstanding anything herein to the contrary, the Plan and all Awards will be administered only in conformance with Applicable Laws. To the extent Applicable Laws permit, the Plan and all Award Agreements will be deemed amended as necessary to conform to Applicable Laws.

10.16 Relationship to Other Benefits. No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except as expressly provided in writing in such other plan or an agreement thereunder.

10.17 Broker-Assisted Sales. In the event of a broker-assisted sale of Shares in connection with the payment of amounts owed by a Participant under or with respect to the Plan or Awards, including amounts to be paid under the final sentence of Section 9.5: (a) any Shares to be sold through the broker-assisted sale will be sold on the day the payment first becomes due, or as soon thereafter as practicable; (b) such Shares may be sold as part of a block trade with other Participants in the Plan in which all participants receive an average price; (c) the applicable Participant will be responsible for all broker's fees and other costs of sale, and by accepting an Award, each Participant agrees to indemnify and hold the Company harmless from any losses, costs, damages, or expenses relating to any such sale; (d) to the extent the Company or its designee receives proceeds of such sale that exceed the amount owed, the Company will pay such excess in cash to the applicable Participant as soon as reasonably practicable; (e) the Company and its designees are under no obligation to arrange for such sale at any particular price; and (f) in the event the proceeds of such sale are insufficient to satisfy the Participant's applicable obligation, the Participant may be required to pay immediately upon demand to the Company or its designee an amount in cash sufficient to satisfy any remaining portion of the Participant's obligation.

The purpose of this Plan is to assist Eligible Employees of the Company and its Designated Subsidiaries in acquiring a stock ownership interest in the Company.

The Plan consists of two components: (i) the Section 423 Component and (ii) the Non-Section 423 Component. The Section 423 Component is intended to qualify as an “employee stock purchase plan” under Section 423 of the Code and shall be administered, interpreted and construed in a manner consistent with the requirements of Section 423 of the Code. The Non-Section 423 Component authorizes the grant of rights which need not qualify as rights granted pursuant to an “employee stock purchase plan” under Section 423 of the Code. Rights granted under the Non-Section 423 Component shall be granted pursuant to separate Offerings containing such sub-plans, appendices, rules or procedures as may be adopted by the Administrator and designed to achieve tax, securities laws or other objectives for Eligible Employees and Designated Subsidiaries but shall not be intended to qualify as an “employee stock purchase plan” under Section 423 of the Code. Except as otherwise determined by the Administrator or provided herein, the Non-Section 423 Component will operate and be administered in the same manner as the Section 423 Component. Offerings intended to be made under the Non-Section 423 Component will be designated as such by the Administrator at or prior to the time of such Offering.

For purposes of this Plan, the Administrator may designate separate Offerings under the Plan in which Eligible Employees will participate. The terms of these Offerings need not be identical, even if the dates of the applicable Offering Period(s) in each such Offering are identical, provided that the terms of participation are the same within each separate Offering under the Section 423 Component (as determined under Section 423 of the Code). Solely by way of example and without limiting the foregoing, the Company could, but shall not be required to, provide for simultaneous Offerings under the Section 423 Component and the Non-Section 423 Component of the Plan.

For purposes of the Plan, the employment relationship shall be treated as continuing intact while the individual is on sick leave or other leave of absence approved by the Company or Designated Subsidiary and meeting the requirements of Treasury Regulation Section 1.421-1(h)(2). If any right granted under the Plan shall for any reason terminate without having been exercised, the Shares not purchased under such right shall again become available for issuance under the Plan. Notwithstanding anything in this Section 3.1 to the contrary, the number of Shares that may be issued or transferred pursuant to the rights granted under the Section 423 Component of the Plan shall not exceed an aggregate of [●]<sup>2</sup> Shares, subject to Article VIII.

3.2 Shares Distributed. Any Shares distributed pursuant to the Plan may consist, in whole or in part, of authorized and unissued Shares, treasury shares or Shares purchased on the open market.

### ARTICLE IV. OFFERING PERIODS; OFFERING DOCUMENTS; PURCHASE DATES

4.1 Offering Periods. The Administrator may from time to time grant or provide for the grant of rights to purchase Shares under the Plan to Eligible Employees during one or more periods (each, an “**Offering Period**”) selected by the Administrator. The terms and conditions applicable to each Offering Period shall be set forth in an “**Offering Document**” adopted by the Administrator, which Offering Document shall be in such form and shall contain such terms and conditions as the Administrator shall deem appropriate and shall be incorporated by reference into and made part of the Plan and shall be attached hereto as part of the Plan. The provisions of separate Offerings or Offering Periods under the Plan need not be identical.

4.2 Offering Documents. Each Offering Document with respect to an Offering Period shall specify (through incorporation of the provisions of this Plan by reference or otherwise):

(a) the length of the Offering Period, which period shall not exceed twenty-seven months;

(b) the maximum number of Shares that may be purchased by any Eligible Employee during such Offering Period, which, in the absence of a contrary designation by the Administrator, shall be [ ]<sup>3</sup> Shares; and

<sup>1</sup> Note to Draft: To be 1% of the fully diluted Common Stock at closing.

<sup>2</sup> Note to Draft: Maximum number of Shares granted under the Section 423 Component of the Plan to be confirmed.

<sup>3</sup> Note to Draft: Maximum number of Shares that may be purchased by any Eligible Employee during an Offering Period to be confirmed.

**ARTICLE V.  
ELIGIBILITY AND PARTICIPATION**

5.1 Eligibility. Any Eligible Employee who shall be employed by the Company or a Designated Subsidiary on a given Enrollment Date for an Offering Period shall be eligible to participate in the Plan during such Offering Period, subject to the requirements of this Article V and, for the Section 423 Component, the limitations imposed by Section 423(b) of the Code.

5.2 Enrollment in Plan.

(a) Except as otherwise set forth in an Offering Document or determined by the Administrator, an Eligible Employee may become a Participant in the Plan for an Offering Period by delivering a subscription agreement to the Company by such time prior to the Enrollment Date for such Offering Period (or such other date specified in the Offering Document) designated by the Administrator and in such form as the Company provides.

(b) Each subscription agreement shall designate either (i) a whole percentage of such Eligible Employee's Compensation (ii) or a fixed dollar amount, in either case, to be withheld by the Company or the Designated Subsidiary employing such Eligible Employee on each Payday during the Offering Period as payroll deductions under the Plan. In either event, the designated percentage or fixed dollar amount may not be less than 1% and may not be more than the maximum percentage specified by the Administrator in the applicable Offering Document (which percentage shall be 20% in the absence of any such designation) as payroll deductions. The payroll deductions made for each Participant shall be credited to an account for such Participant under the Plan and shall be deposited with the general funds of the Company.

(c) A Participant may increase or decrease the percentage of Compensation or the fixed dollar amount designated in his or her subscription agreement, subject to the limits of this Section 5.2, or may suspend his or her payroll deductions, at any time during an Offering Period; provided, however, that the Administrator may limit the number of changes a Participant may make to his or her payroll deduction elections during each Offering Period in the applicable Offering Document (and in the absence of any specific designation by the Administrator, a Participant shall be allowed to decrease (but not increase) his or her payroll deduction elections one time during each Offering Period). Any such change or suspension of payroll deductions shall be effective with the first full payroll period following ten business days after the Company's receipt of the new subscription agreement (or such shorter or longer period as may be specified by the Administrator in the applicable Offering Document). In the event a Participant suspends his or her payroll deductions, such Participant's cumulative payroll deductions prior to the suspension shall remain in his or her account and shall be applied to the purchase of Shares on the next occurring Purchase Date and shall not be paid to such Participant unless he or she withdraws from participation in the Plan pursuant to Article VII.

(d) Except as otherwise set forth in an Offering Document or determined by the Administrator, a Participant may participate in the Plan only by means of payroll deduction and may not make contributions by lump sum payment for any Offering Period.

5.3 Payroll Deductions. Except as otherwise provided in the applicable Offering Document, payroll deductions for a Participant shall commence on the first Payday following the Enrollment Date and shall end on the last Payday in the Offering Period to which the Participant's authorization is applicable, unless sooner terminated by the Participant as provided in Article VII or suspended by the Participant or the Administrator as provided in Section 5.2 and Section 5.6, respectively. Notwithstanding any other provisions of the Plan to the contrary, in non-U.S. jurisdictions where participation in the Plan through payroll deductions is prohibited, the Administrator may provide that an Eligible Employee may elect to participate through contributions to the Participant's account under the Plan in a form acceptable to the Administrator in lieu of or in addition to payroll deductions; provided, however, that, for any Offering under the Section 423 Component, the Administrator shall take into consideration any limitations under Section 423 of the Code when applying an alternative method of contribution.

5.4 Effect of Enrollment. A Participant's completion of a subscription agreement will enroll such Participant in the Plan for each subsequent Offering Period on the terms contained therein until the Participant either submits a new subscription agreement, withdraws from participation under the Plan as provided in Article VII or otherwise becomes ineligible to participate in the Plan.

5.5 Limitation on Purchase of Shares. An Eligible Employee may be granted rights under the Section 423 Component only if such rights, together with any other rights granted to such Eligible Employee under "employee stock purchase plans" of the Company, any Parent or any Subsidiary, as specified by Section 423(b)(8) of the Code, do not permit such employee's rights to purchase stock of the Company or any Parent or Subsidiary to accrue at a rate that exceeds \$25,000 of the fair market value of such stock (determined as of the first day of the Offering Period during which such rights are granted) for each calendar year in which such rights are outstanding at any time. This limitation shall be applied in accordance with Section 423(b)(8) of the Code.

5.6 Suspension of Payroll Deductions. Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 5.5 (with respect to the Section 423 Component) or the other limitations set forth in this Plan, a Participant's payroll deductions may be suspended by the Administrator at any time during an Offering Period. The balance of the amount credited to the account of each Participant that has not been applied to the purchase of Shares by reason of Section 423(b)(8) of the Code, Section 5.5 or the other limitations set forth in this Plan shall be paid to such Participant in one lump sum in cash as soon as reasonably practicable after the Purchase Date.

5.7 Foreign Employees. In order to facilitate participation in the Plan, the Administrator may provide for such special terms applicable to Participants who are citizens or residents a foreign jurisdiction, or who are employed by a Designated Subsidiary outside of the United States, as the Administrator may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Except as permitted by Section 423 of the Code, with respect to the Section 423 Component, such special terms may not be more favorable than the terms of rights granted under the Section 423 Component to Eligible Employees who are residents of the United States. Such special terms may be set forth in an addendum to the Plan in the form of an appendix or sub-plan (which appendix or sub-plan may be designed to govern Offerings under the Section 423 Component or the Non-Section 423 Component, as determined by the Administrator). To the extent that the terms and conditions set forth in an appendix or sub-plan conflict with any provisions of the Plan, the provisions of the appendix or sub-plan shall govern. The adoption of any such appendix or sub-plan shall be pursuant to Section 11.2(g). Without limiting the foregoing, the Administrator is specifically authorized to adopt rules and procedures, with respect to Participants who are foreign nationals or employed in non-U.S. jurisdictions, regarding the exclusion of particular Subsidiaries from participation in the Plan, eligibility to participate, the definition of Compensation, handling of payroll deductions or other contributions by Participants, payment of interest, conversion of local currency, data privacy security, payroll tax, withholding procedures, establishment of bank or trust accounts to hold payroll deductions or contributions.

5.8 Leave of Absence. During leaves of absence approved by the Company meeting the requirements of Treasury Regulation Section 1.421-1(h)(2) under the Code, a Participant may continue participation in the Plan by making cash payments to the Company on his or her normal Payday equal to the Participant's authorized payroll deduction.

## **ARTICLE VI.**

### **GRANT AND EXERCISE OF RIGHTS**

6.1 Grant of Rights. On the Enrollment Date of each Offering Period, each Eligible Employee participating in such Offering Period shall be granted a right to purchase the maximum number of Shares specified under Section 4.2, subject to the limits in Section 5.5, and shall have the right to buy, on each Purchase

## [Table of Contents](#)

Date during such Offering Period (at the applicable Purchase Price), such number of whole Shares as is determined by dividing (a) such Participant's payroll deductions accumulated prior to such Purchase Date and retained in the Participant's account as of the Purchase Date, by (b) the applicable Purchase Price (rounded down to the nearest Share). The right shall expire on the earliest of: (x) the last Purchase Date of the Offering Period, (y) the last day of the Offering Period, and (z) the date on which the Participant withdraws in accordance with Section 7.1 or Section 7.3.

6.2 Exercise of Rights. On each Purchase Date, each Participant's accumulated payroll deductions and any other additional payments specifically provided for in the applicable Offering Document will be applied to the purchase of whole Shares, up to the maximum number of Shares permitted pursuant to the terms of the Plan and the applicable Offering Document, at the Purchase Price. No fractional Shares shall be issued upon the exercise of rights granted under the Plan, unless the Offering Document specifically provides otherwise. Any cash in lieu of fractional Shares remaining after the purchase of whole Shares upon exercise of a purchase right will be credited to a Participant's account and carried forward and applied toward the purchase of whole Shares for the next following Offering Period. Shares issued pursuant to the Plan may be evidenced in such manner as the Administrator may determine and may be issued in certificated form or issued pursuant to book-entry procedures.

6.3 Pro Rata Allocation of Shares. If the Administrator determines that, on a given Purchase Date, the number of Shares with respect to which rights are to be exercised may exceed (a) the number of Shares that were available for issuance under the Plan on the Enrollment Date of the applicable Offering Period, or (b) the number of Shares available for issuance under the Plan on such Purchase Date, the Administrator may in its sole discretion provide that the Company shall make a pro rata allocation of the Shares available for purchase on such Enrollment Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants for whom rights to purchase Shares are to be exercised pursuant to this Article VI on such Purchase Date, and shall either (i) continue all Offering Periods then in effect, or (ii) terminate any or all Offering Periods then in effect pursuant to Article IX. The Company may make pro rata allocation of the Shares available on the Enrollment Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional Shares for issuance under the Plan by the Company's stockholders subsequent to such Enrollment Date. The balance of the amount credited to the account of each Participant that has not been applied to the purchase of Shares shall be paid to such Participant in one lump sum in cash as soon as reasonably practicable after the Purchase Date or such earlier date as determined by the Administrator.

6.4 Withholding. At the time a Participant's rights under the Plan are exercised, in whole or in part, or at the time some or all of the Shares issued under the Plan is disposed of, the Participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, that arise upon the exercise of the right or the disposition of the Shares. At any time, the Company may, but shall not be obligated to, withhold from the Participant's Compensation or Shares received pursuant to the Plan the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Shares by the Participant.

6.5 Conditions to Issuance of 6.6 Shares. The Company shall not be required to issue or deliver any certificate or certificates for, or make any book entries evidencing, Shares purchased upon the exercise of rights under the Plan prior to fulfillment of all of the following conditions: (a) the admission of such Shares to listing on all stock exchanges, if any, on which the Shares are then listed; (b) the completion of any registration or other qualification of such Shares under any state or federal law or under the rulings or regulations of the Securities and Exchange Commission or any other governmental regulatory body, that the Administrator shall, in its absolute discretion, deem necessary or advisable; (c) the obtaining of any approval or other clearance from any state or federal governmental agency that the Administrator shall, in its absolute discretion, determine to be necessary or advisable; (d) the payment to the Company of all amounts that it is required to withhold under federal, state or local law upon exercise of the rights, if any; and (e) the lapse of such reasonable period of time

following the exercise of the rights as the Administrator may from time to time establish for reasons of administrative convenience.

## **ARTICLE VII. WITHDRAWAL; CESSATION OF ELIGIBILITY**

7.1 Withdrawal. A Participant may withdraw all but not less than all of the payroll deductions credited to his or her account and not yet used to exercise his or her rights under the Plan at any time by giving written notice to the Company in a form acceptable to the Company no later than one week prior to the end of the Offering Period (or such shorter or longer period as may be specified by the Administrator in the applicable Offering Document). All of the Participant's payroll deductions credited to his or her account during an Offering Period shall be paid to such Participant as soon as reasonably practicable after receipt of notice of withdrawal and such Participant's rights for the Offering Period shall be automatically terminated, and no further payroll deductions for the purchase of Shares shall be made for such Offering Period. If a Participant withdraws from an Offering Period, payroll deductions shall not resume at the beginning of the next Offering Period unless the Participant timely delivers to the Company a new subscription agreement.

7.2 Future Participation. A Participant's withdrawal from an Offering Period shall not have any effect upon his or her eligibility to participate in any similar plan that may hereafter be adopted by the Company or a Designated Subsidiary or in subsequent Offering Periods that commence after the termination of the Offering Period from which the Participant withdraws.

7.3 Cessation of Eligibility. Upon a Participant's ceasing to be an Eligible Employee for any reason, he or she shall be deemed to have elected to withdraw from the Plan pursuant to this Article VII and the payroll deductions credited to such Participant's account during the Offering Period shall be paid to such Participant or, in the case of his or her death, to the person or persons entitled thereto under Section 12.4, as soon as reasonably practicable, and such Participant's rights for the Offering Period shall be automatically terminated. If a Participant transfers employment from the Company or any Designated Subsidiary participating in the Section 423 Component to any Designated Subsidiary participating in the Non-Section 423 Component, such transfer shall not be treated as a termination of employment, but the Participant shall immediately cease to participate in the Section 423 Component; however, any contributions made for the Offering Period in which such transfer occurs shall be transferred to the Non-Section 423 Component, and such Participant shall immediately join the then-current Offering under the Non-Section 423 Component upon the same terms and conditions in effect for the Participant's participation in the Section 423 Component, except for such modifications otherwise applicable for Participants in such Offering. A Participant who transfers employment from any Designated Subsidiary participating in the Non-Section 423 Component to the Company or any Designated Subsidiary participating in the Section 423 Component shall not be treated as terminating the Participant's employment and shall remain a Participant in the Non-Section 423 Component until the earlier of (i) the end of the current Offering Period under the Non-Section 423 Component or (ii) the Enrollment Date of the first Offering Period in which the Participant is eligible to participate following such transfer. Notwithstanding the foregoing, the Administrator may establish different rules to govern transfers of employment between entities participating in the Section 423 Component and the Non-Section 423 Component, consistent with the applicable requirements of Section 423 of the Code.

## **ARTICLE VIII. ADJUSTMENTS UPON CHANGES IN SHARES**

8.1 Changes in Capitalization. Subject to Section 8.3, in the event that the Administrator determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), change in control, reorganization, merger, amalgamation, consolidation, combination, repurchase, redemption,

recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event, as determined by the Administrator, affects the Shares such that an adjustment is determined by the Administrator to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any outstanding purchase rights under the Plan, the Administrator shall make equitable adjustments, if any, to reflect such change with respect to (a) the aggregate number and type of Shares (or other securities or property) that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Section 3.1 and the limitations established in each Offering Document pursuant to Section 4.2 on the maximum number of Shares that may be purchased); (b) the class(es) and number of Shares and price per Share subject to outstanding rights; and (c) the Purchase Price with respect to any outstanding rights.

8.2 Other Adjustments. Subject to Section 8.3, in the event of any transaction or event described in Section 8.1 or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate (including without limitation, any change in control), or of changes in Applicable Law or accounting principles, the Administrator, in its discretion, and on such terms and conditions as it deems appropriate, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any right under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(a) To provide for either (i) termination of any outstanding right in exchange for an amount of cash, if any, equal to the amount that would have been obtained upon the exercise of such right had such right been currently exercisable or (ii) the replacement of such outstanding right with other rights or property selected by the Administrator in its sole discretion;

(b) To provide that the outstanding rights under the Plan shall be assumed by the successor or survivor corporation, or a Parent or Subsidiary thereof, or shall be substituted for by similar rights covering the stock of the successor or survivor corporation, or a Parent or Subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(c) To make adjustments in the number and type of Shares (or other securities or property) subject to outstanding rights under the Plan and/or in the terms and conditions of outstanding rights and rights that may be granted in the future;

(d) To provide that Participants' accumulated payroll deductions may be used to purchase Shares prior to the next occurring Purchase Date on such date as the Administrator determines in its sole discretion and the Participants' rights under the ongoing Offering Period(s) shall be terminated; and

(e) To provide that all outstanding rights shall terminate without being exercised.

8.3 No Adjustment Under Certain Circumstances. Unless determined otherwise by the Administrator, no adjustment or action described in this Article VIII or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause the Section 423 Component of the Plan to fail to satisfy the requirements of Section 423 of the Code.

8.4 No Other Rights. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to

action of the Administrator under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to outstanding rights under the Plan or the Purchase Price with respect to any outstanding rights.

## **ARTICLE IX. AMENDMENT, MODIFICATION AND TERMINATION**

9.1 Amendment, Modification and Termination. The Administrator may amend, suspend or terminate the Plan at any time and from time to time; provided, however, that approval of the Company's stockholders shall be required to amend the Plan to: (a) increase the aggregate number, or change the type, of shares that may be sold pursuant to rights under the Plan under Section 3.1 (other than an adjustment as provided by Article VIII) or (b) change the corporations or classes of corporations whose employees may be granted rights under the Plan.

9.2 Certain Changes to Plan. Without stockholder consent and without regard to whether any Participant rights may be considered to have been adversely affected (and, with respect to the Section 423 Component of the Plan, after taking into account Section 423 of the Code), the Administrator shall be entitled to change or terminate the Offering Periods, add or revise Offering Period share limits, limit the frequency and/or number of changes in the amount withheld from Compensation during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of payroll withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Shares for each Participant properly correspond with amounts withheld from the Participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion to be advisable that are consistent with the Plan.

9.3 Actions In the Event of Unfavorable Financial Accounting Consequences. In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

- (a) altering the Purchase Price for any Offering Period including an Offering Period underway at the time of the change in Purchase Price;
- (b) shortening any Offering Period so that the Offering Period ends on a new Purchase Date, including an Offering Period underway at the time of the Administrator action; and
- (c) allocating Shares.

Such modifications or amendments shall not require stockholder approval or the consent of any Participant.

9.4 Payments Upon Termination of Plan. Upon termination of the Plan, the balance in each Participant's Plan account shall be refunded as soon as practicable after such termination, without any interest thereon, or the Offering Period may be shortened so that the purchase of Shares occurs prior to the termination of the Plan.

## **ARTICLE X. TERM OF PLAN**

The Plan shall become effective on the Effective Date. The effectiveness of the Section 423 Component of the Plan shall be subject to approval of the Plan by the Company's stockholders within twelve months following

the date the Plan is first approved by the Board. No right may be granted under the Section 423 Component of the Plan prior to such stockholder approval. The Plan shall remain in effect until terminated under Section 9.1. No rights may be granted under the Plan during any period of suspension of the Plan or after termination of the Plan.

## **ARTICLE XI. ADMINISTRATION**

11.1 Administrator. Unless otherwise determined by the Board, the Administrator of the Plan shall be the Compensation Committee of the Board (or another committee or a subcommittee of the Board to which the Board delegates administration of the Plan). The Board may at any time vest in the Board any authority or duties for administration of the Plan. The Administrator may delegate administrative tasks under the Plan to the services of an Agent or Employees to assist in the administration of the Plan, including establishing and maintaining an individual securities account under the Plan for each Participant.

11.2 Authority of Administrator. The Administrator shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

- (a) To determine when and how rights to purchase Shares shall be granted and the provisions of each offering of such rights (which need not be identical).
- (b) To designate from time to time which Subsidiaries of the Company shall be Designated Subsidiaries, which designation may be made without the approval of the stockholders of the Company.
- (c) To impose a mandatory holding period pursuant to which Employees may not dispose of or transfer Shares purchased under the Plan for a period of time determined by the Administrator in its discretion.
- (d) To construe and interpret the Plan and rights granted under it, and to establish, amend and revoke rules and regulations for its administration. The Administrator, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective.
- (e) To amend, suspend or terminate the Plan as provided in Article IX.
- (f) Generally, to exercise such powers and to perform such acts as the Administrator deems necessary or expedient to promote the best interests of the Company and its Subsidiaries and to carry out the intent that the Plan be treated as an “employee stock purchase plan” within the meaning of Section 423 of the Code for the Section 423 Component.
- (g) The Administrator may adopt sub-plans applicable to particular Designated Subsidiaries or locations, which sub-plans may be designed to be outside the scope of Section 423 of the Code. The rules of such sub-plans may take precedence over other provisions of this Plan, with the exception of Section 3.1 hereof, but unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan shall govern the operation of such sub-plan.

11.3 Decisions Binding. The Administrator’s interpretation of the Plan, any rights granted pursuant to the Plan, any subscription agreement and all decisions and determinations by the Administrator with respect to the Plan are final, binding, and conclusive on all parties.

**ARTICLE XII.  
MISCELLANEOUS**

12.1 Restriction upon Assignment. A right granted under the Plan shall not be transferable other than by will or the applicable laws of descent and distribution, and is exercisable during the Participant's lifetime only by the Participant. Except as provided in Section 12.4 hereof, a right under the Plan may not be exercised to any extent except by the Participant. The Company shall not recognize and shall be under no duty to recognize any assignment or alienation of the Participant's interest in the Plan, the Participant's rights under the Plan or any rights thereunder.

12.2 Rights as a Stockholder. With respect to Shares subject to a right granted under the Plan, a Participant shall not be deemed to be a stockholder of the Company, and the Participant shall not have any of the rights or privileges of a stockholder, until such Shares have been issued to the Participant or his or her nominee following exercise of the Participant's rights under the Plan. No adjustments shall be made for dividends (ordinary or extraordinary, whether in cash securities, or other property) or distribution or other rights for which the record date occurs prior to the date of such issuance, except as otherwise expressly provided herein or as determined by the Administrator.

12.3 Interest. No interest shall accrue on the payroll deductions or contributions of a Participant under the Plan.

12.4 Designation of Beneficiary.

(a) A Participant may, in the manner determined by the Administrator, file a written designation of a beneficiary who is to receive any Shares and/or cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to a Purchase Date on which the Participant's rights are exercised but prior to delivery to such Participant of such Shares and cash. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death prior to exercise of the Participant's rights under the Plan. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary shall not be effective without the prior written consent of the Participant's spouse.

(b) Such designation of beneficiary may be changed by the Participant at any time by written notice to the Company. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

12.5 Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

12.6 Equal Rights and Privileges. Subject to Section 5.7, all Eligible Employees will have equal rights and privileges under the Section 423 Component so that the Section 423 Component of this Plan qualifies as an "employee stock purchase plan" within the meaning of Section 423 of the Code. Subject to Section 5.7, any provision of the Section 423 Component that is inconsistent with Section 423 of the Code will, without further act or amendment by the Company, the Board or the Administrator, be reformed to comply with the equal rights and privileges requirement of Section 423 of the Code. Eligible Employees participating in the Non-Section 423 Component need not have the same rights and privileges as other Eligible Employees participating in the Non-Section 423 Component or as Eligible Employees participating in the Section 423 Component.

12.7 Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

12.8 No Employment Rights. Nothing in the Plan shall be construed to give any person (including any Eligible Employee or Participant) the right to remain in the employ of the Company or any Parent or Subsidiary or affect the right of the Company or any Parent or Subsidiary to terminate the employment of any person (including any Eligible Employee or Participant) at any time, with or without cause.

12.9 Notice of Disposition of Shares. Each Participant shall give prompt notice to the Company of any disposition or other transfer of any Shares purchased upon exercise of a right under the Section 423 Component of the Plan if such disposition or transfer is made: (a) within two years from the Enrollment Date of the Offering Period in which the Shares were purchased or (b) within one year after the Purchase Date on which such Shares were purchased. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the Participant in such disposition or other transfer.

12.10 Governing Law. The Plan and any agreements hereunder shall be administered, interpreted and enforced in accordance with the laws of the State of Delaware, disregarding any state's choice of law principles requiring the application of a jurisdiction's laws other than the State of Delaware.

12.11 Electronic Forms. To the extent permitted by Applicable Law and in the discretion of the Administrator, an Eligible Employee may submit any form or notice as set forth herein by means of an electronic form approved by the Administrator. Before the commencement of an Offering Period, the Administrator shall prescribe the time limits within which any such electronic form shall be submitted to the Administrator with respect to such Offering Period in order to be a valid election.

This Subscription Agreement (this “Subscription Agreement”) is being entered into as of the date set forth on the signature page hereto, by and among Horizon Acquisition Corp., a Cayman Islands exempted company (“Horizon”), Vivid Seats Inc., a Delaware corporation (“VS PubCo”), which is a direct wholly owned subsidiary of Hoya Intermediate, LLC, a Delaware limited liability company (“Hoya”), and the undersigned subscriber (the “Investor”), in connection with the Transaction Agreement (as amended, modified, supplemented or waived from time to time in accordance with its terms, the “Transaction Agreement”), dated as of April 21, 2021 by and among Horizon, Horizon Sponsor, LLC, a Delaware limited liability company (“Sponsor”), Hoya Topco, LLC, a Delaware limited liability company (“Topco”), Hoya, and VS PubCo pursuant to which, among other things, Horizon will merge with and into VS PubCo (the “Merger”), the separate corporate existence of Horizon will cease and VS PubCo will be the surviving corporation of the Merger (such merger, the “Transaction”).

In connection with the Transaction, Horizon and VS PubCo are seeking commitments from interested investors to purchase in connection with the closing of the Transaction, shares of VS PubCo’s Class A common stock, par value \$0.0001 per share (the “Shares”), in a private placement for a purchase price of \$10.00 per share (the “Per Share Purchase Price”). On or about the date of this Subscription Agreement, Horizon and VS PubCo are entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Investors” and together with the Investor, the “Investors”), severally and not jointly, pursuant to which the Investors, severally and not jointly, have agreed to purchase on the closing date of the Transaction, inclusive of the Shares subscribed for by the Investor, an aggregate amount of up to 22,500,000 Shares, at the Per Share Purchase Price, in which VS PubCo raises an aggregate of \$225,000,000. In addition, on or about the date of this Subscription Agreement, Horizon, Sponsor and Topco are entering into the Sponsor Support Agreement (the “Sponsor Support Agreement”), pursuant to which Sponsor agrees to, among other things, (i) vote at any meeting of Horizon’s stockholders, and in any action by written consent of Horizon’s stockholders, all of its Horizon equity securities in favor of the adoption and approval of the Transaction Agreement and the transactions contemplated thereby, including the Merger; (ii) be bound by certain other covenants and agreements related to the Transaction, (iii) be bound by certain transfer restrictions with respect to such securities and (iv) increase the amount of its subscription of Shares by the amount of any shortfall in available cash held by VS PubCo at the closing of the Transaction in consideration for a fee, in each case, on the terms and subject to the conditions set forth in the Sponsor Support Agreement. For the avoidance of doubt, for purposes of this Agreement, the “Other Subscription Agreements” shall not include the Sponsor Support Agreement. In addition, on or about the date of this Subscription Agreement, Horizon and Sponsor are entering into the Exchange Agreement (as amended, modified, supplemented or waived from time to time in accordance with its terms, the “Exchange Agreement”) pursuant to which, among other things, effective at least one day prior to the Merger, Sponsor will irrevocably surrender to Horizon 13,599,608 Class B ordinary shares of Horizon, par value \$0.0001 per share (the “Class B Shares”), in exchange for (a) warrants to purchase 17,000,000 Class A ordinary shares of Horizon, par value \$0.0001 per share (the “Class A Shares”), at an exercise price of \$10.00 per share, (b) warrants to purchase 17,000,000 Class A Shares at an exercise price of \$15.00 per share and (c) 50,000 Class A Shares.

The aggregate purchase price to be paid by the Investor for the subscribed Shares (as set forth on the signature page hereto) is referred to herein as the “Subscription Amount.”

1. Subscription. The Investor hereby irrevocably subscribes for and agrees to purchase from VS PubCo, and VS PubCo agrees to issue and sell to the Investor, the number of Shares set forth on the signature page of this Subscription Agreement on the terms and subject to the conditions provided for herein. The Investor acknowledges and agrees that the Investor's subscription for the Shares shall be deemed to be accepted by Horizon and VS PubCo only when this Subscription Agreement is signed by a duly authorized person by or on behalf of each of Horizon and VS PubCo; each of Horizon and VS PubCo may do so in counterpart form.

2. Closing. The closing of the sale of the Shares contemplated hereby (the "Closing") is contingent upon the substantially concurrent consummation of the Transaction. For purposes of this Subscription Agreement, "business day" shall mean a day, other than a Saturday or Sunday, on which commercial banks in New York, New York are open for the general transaction of business. In the event the Closing Date does not occur within one (1) business day after the expected closing date set forth in the Closing Notice, VS PubCo shall promptly (but not later than two business days thereafter) return the Subscription Amount to the Investor, and any book entries shall be deemed cancelled.

3. Closing Conditions.

a. The obligation of the parties hereto to consummate the purchase and sale of the Shares pursuant to this Subscription Agreement is subject to the following conditions:

(i) there shall not be in force any order, judgment or injunction, in each case, entered into by or with any governmental authority which is then in effect and has the effect of making consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby; and

(ii) (A) all conditions precedent to the closing of the Transaction under the Transaction Agreement shall have been satisfied (as determined by the parties to the Transaction Agreement and other than those conditions under the Transaction Agreement which, by their nature, are to be satisfied at the closing of the Transaction, including to the extent that any such condition is dependent upon the consummation of the purchase and sale of the Shares pursuant to this Subscription Agreement) or waived and (B) the closing of the Transaction shall be scheduled to occur concurrently with or on the same date as the Closing.

b. In addition to the conditions set forth in Section 3(a), the obligation of VS PubCo to consummate the issuance and sale of the Shares pursuant to this Subscription Agreement shall be subject to the condition that all representations and warranties of the Investor contained in this Subscription Agreement are true and correct in

c. In addition to the conditions set forth in Section 3(a), the obligation of the Investor to consummate the purchase of the Shares pursuant to this Subscription Agreement shall be subject to the following conditions that: (i) (A) the representations and warranties of Horizon and VS PubCo contained in Sections 5(a), 5(c) and 5(l) of this Subscription Agreement shall be true and correct in all material respects at and as of the Closing Date and (B) all other representations and warranties of Horizon and VS PubCo contained in this Subscription Agreement shall be true and correct at and as of the Closing Date, other than any failures to be true and correct that would not result, individually or in the aggregate, in a Material Adverse Effect, (ii) each of Horizon and VS PubCo shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by the Subscription Agreement to have been performed, satisfied or complied with by it at or prior to Closing, (iii) except to the extent consented to in writing by the Investor, the Transaction Agreement (as the same exists on the date hereof) shall not have been amended or modified, and no waiver shall have occurred thereunder, that would reasonably be expected to materially adversely affect the economic benefits that the Investor would reasonably expect to receive under this Subscription Agreement, (iv) there shall have been no amendment, waiver or modification to the Other Subscription Agreements (including via a side letter or other agreement) that materially benefits the Other Investors thereunder unless the Investor has been offered the same benefits, and (v) no suspension of the qualification of the Shares for offering or sale in any jurisdiction shall have occurred, and the Shares acquired hereunder shall have been approved for listing on the NYSE (as defined below), subject to official notice of issuance.

4. Further Assurances. At the Closing, the parties hereto shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the subscription as contemplated by this Subscription Agreement.

5. Horizon and VS PubCo Representations and Warranties. Each of Horizon and VS PubCo, as applicable, represents and warrants to the Investor that:

a. Horizon is an exempted company duly incorporated, validly existing and in good standing under the laws of the Cayman Islands (to the extent such concept exists in such jurisdiction). with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, or (ii) principles of equity, whether considered at law or equity.

d. The execution and delivery of, and the performance of the transactions contemplated by this Subscription Agreement, including the issuance and sale of the Shares and the compliance by each of Horizon and VS PubCo with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Horizon or VS PubCo, as applicable, pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Horizon or VS PubCo, as applicable, is a party or by which Horizon or any of its subsidiaries is bound or to which any of the property or assets of Horizon or VS PubCo, as applicable, is subject that would reasonably be expected to have a material adverse effect on the business, financial condition or results of operations of Horizon or VS PubCo, as applicable, taken as a whole (a “Material Adverse Effect”) or materially affect the validity of the Shares or the legal authority of Horizon or VS PubCo, as applicable, to comply in all material respects with the terms of this Subscription Agreement; (ii) result in any violation of the provisions of the organizational documents of Horizon or VS PubCo, as applicable; or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Horizon or VS PubCo, as applicable, or any of their respective properties that would reasonably be expected to have a Material Adverse Effect or materially affect the validity of the Shares or the legal authority of Horizon or VS PubCo, as applicable, to comply in all material respects with this Subscription Agreement.

As of the date of this Subscription Agreement, 24,652,580 warrants to purchase Class A Shares, with each such warrant exercisable for one whole Class A Share at a price of \$11.50 per share, are issued and outstanding. All (1) issued and outstanding Class A Shares and Class B Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (2) outstanding warrants have been duly authorized and validly issued and are not subject to preemptive rights. Except as set forth above and pursuant to the Other Subscription Agreements, the Transaction Agreement, the Sponsor Support Agreement, the Exchange Agreement and the other agreements and arrangements referred to therein or in the SEC Reports, as of the date hereof, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from Horizon any Class A Shares, Class B Shares or other equity interests in Horizon, or securities convertible into or exchangeable or exercisable for such equity interests. There are no securities or instruments issued by or to which Horizon is a party containing anti-dilution or similar provisions that will be triggered by the transactions contemplated by the Transaction Agreement or the issuance of the Shares hereunder or pursuant to the Other Subscription Agreements. As of the date hereof, Horizon has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no shareholder agreements, voting trusts or other agreements or understandings to which Horizon is a party or by which it is bound relating to the voting of any securities of Horizon, other than (1) as set forth in the SEC Reports and (2) as contemplated by the Transaction Agreement. The authorized capital stock of VS PubCo as of the date hereof consists of 1,000 shares of common stock, par value \$0.01 per share (“Common Stock”). As of the date hereof 100 shares of Common Stock are issued and outstanding.

i. As of the date hereof, the issued and outstanding Class A Shares of Horizon are registered pursuant to Section 12(b) of the Exchange Act, and are listed for trading on the NYSE under the symbol “HZAC” (it being understood that the trading symbol will be changed in connection with the Transaction). There is no suit, action, proceeding or investigation pending or, to the knowledge of Horizon, threatened against Horizon by NYSE or the SEC, respectively, to prohibit or terminate the listing of Horizon’s Class A Shares on NYSE or to deregister the Class A Shares under the Exchange Act. Horizon has taken no action that is designed to terminate the registration

of the Class A Shares under the Exchange Act, other than as contemplated by the Transaction Agreement. Upon consummation of the Closing, the Shares will be registered pursuant to Section 12(b) of the Exchange Act and will be listed for trading on NYSE, and the Shares issued hereunder will be approved for listing on the NYSE, subject to official notice of issuance.

j. Assuming the accuracy of the Investor's representations and warranties set forth in Section 6 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Shares hereunder. The Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws.

k. VS PubCo is not, and immediately after receipt of payment for the Shares will not be, an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

l. Neither Horizon nor VS PubCo has entered into any agreement or arrangement entitling any agent, broker, investment banker, financial advisor or other person to any broker's or finder's fee or any other commission or similar fee in connection with the transactions contemplated by this Subscription Agreement for which the undersigned could become liable. Other than the Placement Agents (as defined below), neither Horizon nor VS PubCo is aware of any person that has been or will be paid (directly or indirectly) remuneration for solicitation of purchasers in connection with the sale of any Shares.

m. If the Investor is an individual, Horizon and VS PubCo hereby understand and acknowledge that neither Placement Agent, nor any of their respective affiliates is acting as a placement agent in connection with the offer and sale of the Shares to the Investor.

a. Neither Horizon nor VS PubCo has entered into any side letter or similar agreement with any Other Investor or any other investor in connection with such Other Investor's or other investor's direct or indirect investment in VS PubCo or Horizon other than the Other Subscription Agreements, the Transaction Agreement and the Sponsor Support Agreement to be entered into substantially concurrently with the entry into the Transaction Agreement. The Other Subscription Agreements reflect the same Per Share Purchase Price and other terms and conditions with respect to the purchase of Shares that are no more favorable to such investor thereunder than the terms of this Subscription Agreement, other than terms particular to the regulatory requirements of such investor or its affiliates or related funds that are mutual funds or are otherwise subject to regulations related to the timing of funding and the issuance of the related Shares.

6. Investor Representations and Warranties. The Investor represents and warrants to Horizon, on behalf of itself and, if applicable, each account for which it is acquiring the Shares, that:

a. The Investor (i) is a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (within the meaning of Rule 501(a) under the Securities Act), in each case, satisfying the applicable requirements set forth on Schedule A, (ii) is acquiring the Shares only for his, her or its own account and not for the account of others, or if the Investor is subscribing for the Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer, and the Investor has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations, warranties and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Shares with a view to, or for offer or sale in connection with, any distribution of the Shares in any manner that would violate the Securities Act (and shall provide the requested information set forth on Schedule A) or any securities laws of the United States or any other jurisdiction. The Investor is not an entity formed for the specific purpose of acquiring the Shares. The Investor further acknowledges that it is aware that the sale to it is being made in reliance on a private placement exemption from registration under the Securities Act and is acquiring the Shares for its own account or for an account over which it exercises sole discretion for another qualified institutional buyer or accredited investor.

b. The Investor (i) is an institutional account as defined in FINRA Rule 4512(c), (ii) is a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities, including its participation in the purchase of the Shares, and (iii) has exercised independent judgment in evaluating its participation in the purchase of the Shares. Accordingly, the Investor understands that the offering meets (i) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (ii) the institutional customer exemption under FINRA Rule 2111(b).

c. The Investor acknowledges and agrees that the Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Shares have not been registered under the Securities Act or any other applicable securities laws. The Investor acknowledges and agrees that the Shares are being offered for resale in transactions not requiring registration under the Securities Act, and unless so registered, may not be offered, sold, pledged or otherwise transferred by the Investor except in compliance with the registration requirements of the Securities Act or any other applicable securities laws, pursuant to any exemption therefrom or in a transaction not subject thereto. The Investor acknowledges and agrees that the Shares will not be immediately eligible for resale pursuant to Rule 144 promulgated under the Securities Act. The Investor acknowledges and agrees that it has been advised to consult legal counsel prior to making any offer, resale, transfer, pledge or disposition of any of the Shares.

d. The Investor acknowledges and agrees that the Investor is purchasing the Shares from VS PubCo. The Investor further acknowledges that there have been no representations, warranties, covenants and agreements made to the Investor by or on behalf of Horizon, VS PubCo, or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of Horizon and VS PubCo, as applicable, expressly set forth in Section 5 of this Subscription Agreement.

e. The Investor's acquisition and holding of the Shares will not constitute or result in a non-exempt prohibited transaction under Section 406 of the Employee Retirement Income Security Act of 1974, as amended, Section 4975 of the Internal Revenue Code of 1986, as amended, or any applicable similar law.

f. The Investor acknowledges and agrees that the Investor has received such information as the Investor deems necessary in order to make an investment decision with respect to the Shares, including, with respect to Horizon, VS PubCo, the Transaction and the business of Vivid Seats LLC and its direct and indirect subsidiaries (together, the "Target"). Without limiting the generality of the foregoing, the Investor acknowledges that he, she or it has reviewed the SEC Reports. The Investor acknowledges and agrees that the Investor and the Investor's professional advisor(s), if any, have had an opportunity to directly ask such questions, receive such answers and obtain such information from Horizon and VS PubCo as the Investor and such Investor's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Shares.

g. The Investor became aware of this offering of the Shares solely by means of direct contact between the Investor and Horizon, VS PubCo or a representative of Horizon or VS PubCo, and the Shares were offered to the Investor solely by direct contact between the Investor and Horizon, VS PubCo or a representative of Horizon or VS PubCo. The Investor did not become aware of this offering of the Shares, nor were the Shares offered to the Investor, by any other means. The Investor acknowledges that the Shares (i) were not offered to it by any form of general solicitation or general advertising and (ii) are not being offered to it in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws. The Investor acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, Horizon, VS PubCo, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing), other than the representations and warranties of Horizon and VS PubCo, as applicable, contained in Section 5 of this Subscription Agreement, in making its investment decision with respect to the Shares.

h. The Investor acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Shares, including those set forth in Horizon's and/or VS PubCo's, as applicable, filings with the SEC. The Investor has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Shares, and the Investor has sought such accounting, legal and tax advice as the Investor has considered necessary to make an informed investment decision.

i. Alone, or together with any professional advisor(s), the Investor has analyzed and fully considered the risks of an investment in the Shares and determined that the Shares are a suitable investment for the Investor and that the Investor is able at this time and in the foreseeable future to bear the economic risk of a total loss of the Investor's investment in the Shares. The Investor acknowledges specifically that a possibility of total loss exists.

j. The Investor acknowledges that it is able to fend for itself in the transactions contemplated herein; has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its prospective investment in the Shares; and has the ability to bear the economic risks of its prospective investment and can afford the complete loss of such investment. None of the Placement Agents, any of their respective affiliates or any of them or their control persons, officers, directors or employees shall have any liability to it or any account for which it is acquiring the Shares, in connection with any purchase of the Shares.

k. Except for the representations, warranties and agreements of Horizon, VS PubCo or their respective affiliates expressly set forth in any purchase agreement or similar document, the Investor is relying on its own sources of information, investment analysis and due diligence (including professional advice it deems appropriate) with respect to the Transaction, the Shares and the business, financial condition or results of operations of Horizon, VS PubCo or their respective affiliates, including but not limited to all business, legal, regulatory, accounting, credit and tax matters. In making its decision to purchase the Shares, the Investor has relied solely upon its own independent investigation of Horizon, VS PubCo, the Target, their respective affiliates, the Shares and the offer and sale of the Shares. Without limiting the generality of the foregoing, the Investor has not relied on any statements or other information provided by or on behalf of the Placement Agents or any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing concerning Horizon, VS PubCo, the Target, the Transaction, the Transaction Agreement, this Subscription Agreement or the transactions contemplated hereby or thereby, the Shares or the offer and sale of the Shares. The Investor further acknowledges it has (i) had access to, and an adequate opportunity to review and understand the materials and information made available to it in connection with the Transaction, including financial and other information as it deems necessary to make its decision to purchase the Shares, and (ii) has made its own assessment and satisfied itself concerning the relevant tax and other economic considerations relevant to its investment in the Shares.

l. The Investor acknowledges that no federal or state agency has passed upon or endorsed the merits of the offering of the Shares or made any findings or determination as to the fairness of this investment.

m. The Investor, if not an individual, has been duly formed or incorporated and is validly existing and is in good standing under the laws of its jurisdiction of formation or incorporation, with power and authority to enter into, deliver and perform its obligations under this Subscription Agreement.

n. The execution, delivery and performance by the Investor of this Subscription Agreement are within the powers of the Investor, have been duly authorized and will not constitute or result in a breach or default under or conflict with any order, ruling or regulation of any court or other tribunal or of any governmental commission or agency, or any agreement or other undertaking, to which the Investor is a party or by which the Investor is bound, and, if the Investor is not an individual, will not violate any provisions of the Investor's organizational documents, including, without limitation, its incorporation or formation papers, bylaws, indenture of trust or partnership or operating agreement, as may be applicable. The signature on this Subscription Agreement is

genuine, and the signatory, if the Investor is an individual, has legal competence and capacity to execute the same or, if the Investor is not an individual, the signatory has been duly authorized to execute the same, and, assuming that this Subscription Agreement constitutes the valid and binding agreement of Horizon and VS PubCo, this Subscription Agreement constitutes a legal, valid and binding obligation of the Investor, enforceable against the Investor in accordance with its terms except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally or (ii) principles of equity, whether considered at law or equity.

o. The Investor is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") or in any Executive Order issued by the President of the United States and administered by OFAC ("OFAC List"), or a person or entity prohibited by any OFAC sanctions program, (ii) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (iii) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank. The Investor agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that the Investor is permitted to do so under applicable law. If the Investor is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.) (the "BSA"), as amended by the USA PATRIOT Act of 2001 (the "PATRIOT Act"), and its implementing regulations (collectively, the "BSA/PATRIOT Act"), the Investor maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. To the extent required, it maintains policies and procedures reasonably designed for the screening of its investors against the OFAC sanctions programs, including the OFAC List. To the extent required by applicable law, the Investor maintains policies and procedures reasonably designed to ensure that the funds held by the Investor and used to purchase the Shares were legally derived.

p. No disclosure or offering document has been prepared by Credit Suisse Securities (USA) LLC ("Credit Suisse"), Evercore Group L.L.C. ("Evercore"), or any of their respective affiliates (collectively, the "Placement Agents") in connection with the offer and sale of the Shares.

q. Neither the Placement Agents, nor any of their respective affiliates, nor any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing have made any independent investigation with respect to Horizon, VS PubCo, the Target or their respective affiliates or any of their respective businesses, or the Shares or the accuracy, completeness or adequacy of any information supplied to the Investor by Horizon, VS PubCo, the Target or their respective affiliates. The Placement Agents have not made and do not make any representations as to Horizon, VS PubCo, the Target or the quality or value of the Shares.

r. The Investor acknowledges that, in connection with the issue and purchase of the Shares, the Placement Agents have not acted as its financial advisor or fiduciary. In addition, the Investor acknowledges and agrees that the Placement Agents have not provided any recommendation or investment advice nor have the Placement Agents solicited any action from it with respect to the offer and sale of the Shares and it has consulted with its own legal, accounting, financial, regulatory and tax advisors to the extent deemed appropriate. The Investor further acknowledges and agrees that, although the Placement Agents may choose to provide certain Regulation Best Interest and Form CRS disclosures or other documentation to it in connection with the offer and sale of the Shares, the Placement Agents are not making a recommendation to participate in the offer and sale of the Shares, or to enter into any purchase agreement or similar document, and nothing set forth in any such disclosure or documents that may be provided to it from time to time is intended to suggest that the Placement Agents are making such a recommendation.

s. The Investor has or has commitments to have and, when required to deliver payment to VS PubCo pursuant to Section 2 above, will have, sufficient funds to pay the Subscription Amount and consummate the purchase and sale of the Shares pursuant to this Subscription Agreement.

t. The Investor acknowledges that the purchase and sale of Shares hereunder meets the exemptions from filing under FINRA Rule 5123(b)(1)(C) or (J).

u. The Investor acknowledges that Placement Agents may have acquired, or during the term of this Subscription Agreement may acquire, non-public information with respect to Horizon, VS PubCo, the Target or their respective affiliates, which the Investor agrees, subject to requirements under applicable law, need not be provided to it.

v. The Investor hereby acknowledges and agrees that (a) Credit Suisse is acting solely as Placement Agent in connection with the Transaction and is not acting as an underwriter or in any other capacity and is not and shall not be construed as a fiduciary for it, Horizon, VS PubCo, their respective affiliates or any other person or entity in connection with the Transaction, (b) Credit Suisse has not made and will not make any representation or warranty, whether express or implied, of any kind or character and has not provided any advice or recommendation in connection with the Transaction, (c) Credit Suisse will have no responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the Transaction or any of the documents furnished pursuant thereto or in connection therewith, or the execution, legality, validity or enforceability (with respect to any person) or any thereof, or (ii) the business, financial condition or results of operations of Horizon, VS PubCo, the Target, their respective affiliates or the Transaction, and (d) Credit Suisse shall have no liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by it, Horizon, VS PubCo, their respective affiliates or any other person or entity), whether in contract, tort or otherwise, to it, or to any person claiming through it, in respect of the Transaction.

w. The Investor acknowledges that Evercore is acting both as placement agent in connection with the offer and sale of the Shares to be issued pursuant to this Transaction and as financial advisor to the Target in connection with the business combination to which the sale of the Shares relates, and that Evercore may receive fees both for its placement agent services and financial advisory services. The Investor also acknowledges and agrees that (a) Evercore is not acting as an underwriter and is not and shall not be construed as a fiduciary for it, Horizon, VS PubCo, their respective affiliates or any other person or entity in connection with the Transaction; provided, however, that Evercore is acting as a financial advisor to the Target, (b) Evercore has not made and will not make any representation or warranty, whether express or implied, of any kind or character and have not provided any advice or recommendation in connection with the Transaction, (c) Evercore will have no responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the Transaction or any of the documents furnished pursuant thereto or in connection therewith, or the execution, legality, validity or enforceability (with respect to any person) or any thereof, or (ii) the business, financial condition or results of operations of Horizon, VS PubCo, the Target, any of their respective affiliates or the Transaction, and (d) Evercore shall have no liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by it, Horizon, VS PubCo, their respective affiliates or any other person or entity), whether in contract, tort or otherwise, to it, or to any person claiming through it, in respect of the Transaction.

x. If the Investor is an individual, the Investor hereby understands and acknowledges that neither Placement Agent, nor any of their respective affiliates is acting as a placement agent in connection with the offer and sale of the Shares to the Investor.

### 7. Registration Rights.

a. In the event that the Shares are not registered in connection with the consummation of the Transaction, VS PubCo agrees that, within thirty (30) calendar days after the consummation of the Transaction (the "Filing Deadline"), it will file with the SEC (at its sole cost and expense) a registration statement registering the resale of the Shares (the "Registration Statement"), and it shall use its commercially reasonable efforts to

have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) ninety (90) calendar days after the filing thereof (or one hundred and twenty (120) calendar days after the filing thereof if the SEC notifies VS PubCo that it will “review” the Registration Statement) and (ii) ten (10) business days after VS PubCo is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or will not be subject to further review (such date, the “Effectiveness Date”). VS PubCo agrees to cause such Registration Statement, or another shelf registration statement that includes the Shares to be sold pursuant to this Subscription Agreement, to remain effective until the earliest of (i) the second anniversary of the date the initial Registration Statement filed hereunder is declared effective, (ii) the date on which the Investor ceases to hold any Shares issued pursuant to this Subscription Agreement, or (iii) the date on which the Investor is able to sell all of its Shares issued pursuant to this Subscription Agreement (or shares received in exchange therefor) under Rule 144 of the Securities Act within ninety (90) days without limitation as to the amount of such securities that may be sold and without the requirement for VS PubCo to be in compliance with the current public information requirement under Rule 144(c) (or Rule 144(i)(2), if applicable) (the earliest of (i)–(iii) being the “Expiration”). The Investor agrees to disclose its ownership to VS PubCo upon request to assist it in making the determination described above. The Investor acknowledges and agrees that VS PubCo may suspend the use of any such registration statement if it determines in good faith that, in order for such registration statement not to contain a material misstatement or omission, an amendment thereto would be needed to include information that would at that time not otherwise be required in a current, quarterly, or annual report under the Exchange Act, provided, that (A) VS PubCo shall not so delay filing or so suspend the use of the Registration Statement for a period of more than sixty (60) consecutive days or more than a total of one hundred and twenty (120) calendar days, in each case in any three hundred sixty (360) day period, and (B) VS PubCo shall use commercially reasonable efforts to make such registration statement available for the sale by the Investor of such securities as soon as practicable thereafter. VS PubCo’s obligations to include the Shares issued pursuant to this Subscription Agreement (or shares issued in exchange therefor) for resale in the Registration Statement are contingent upon the Investor furnishing in writing to VS PubCo such information regarding the Investor, the securities of VS PubCo held by the Investor and the intended method of disposition of such Shares, which shall be limited to non-underwritten public offerings, as shall be reasonably requested by VS PubCo to effect the registration of such Shares, and shall execute such documents in connection with such registration as VS PubCo may reasonably request that are customary of a selling stockholder in similar situations, provided, however, that the Investor shall not in connection with the foregoing be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer the Shares. VS PubCo will provide a draft of the Registration Statement to the Investor for review at least two (2) business days in advance of filing the Registration Statement. So long as the Investor delivers to VS PubCo a completed questionnaire (which shall include representations and warranties as to relevant matters), the Investor shall not be identified as a statutory underwriter in the Registration Statement unless in response to a comment or request from the staff of the SEC or another regulatory agency; provided, however, that if the SEC requests that the Investor be identified as a statutory underwriter in the Registration Statement, the Investor will have an opportunity to withdraw from the Registration Statement. Notwithstanding the foregoing, if the SEC prevents VS PubCo from including any or all of the Shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Shares by the applicable shareholders or otherwise, such Registration Statement shall register for resale such number of Shares which is equal to the maximum number of Shares as is permitted by the SEC. In such event, the number of Shares to be registered for each selling shareholder named in the Registration Statement shall be reduced pro rata among all such selling shareholders and as promptly as practicable after being permitted to register additional Shares under Rule 415 under the Securities Act, VS PubCo shall file a new Registration Statement to register such Shares not included in the initial Registration Statement and cause such Registration Statement to become effective as promptly as practicable consistent with the terms of this Section 7. For purposes of clarification, any failure by VS PubCo to file the Registration Statement by the Filing Deadline or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve VS PubCo of its obligations to file or effect the Registration Statement set forth in this Section 7. For purposes of this Section 7, “Shares” shall mean, as of any date of determination, the Shares acquired by the Investor pursuant to this Subscription Agreement and any other equity security issued or issuable with respect to such Shares by way of

stock split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event, and “Investor” shall include any affiliate of the undersigned Investor to which the rights under this Section 7 have been duly assigned.

b. Prior to the Expiration, VS PubCo shall advise the Investor within three (3) business days (at VS PubCo’s expense): (i) when a Registration Statement or any post-effective amendment thereto has become effective; (ii) of the issuance by the SEC of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose; (iii) of the receipt by VS PubCo of any notification with respect to the suspension of the qualification of the Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and (iv) subject to the provisions in this Subscription Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading (provided that any such notice pursuant to this Section 7(b)(iv) shall solely provide that the use of the Registration Statement or prospectus has been suspended without setting forth the reason for such suspension). VS PubCo shall use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable. Upon the occurrence of any event contemplated in clauses (i) through (iv) above, except for such times as VS PubCo is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a registration statement, VS PubCo shall use its commercially reasonable efforts to as soon as reasonably practicable prepare a post-effective amendment to such registration statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Investor agrees that it will immediately discontinue offers and sales of the Shares using a Registration Statement until the Investor receives copies of a supplemental or amended prospectus that corrects the misstatement(s) or omission(s) referred to above in clause (iv) and receives notice that any post-effective amendment has become effective or unless otherwise notified by VS PubCo that it may resume such offers and sales. If so directed by VS PubCo, the Investor will deliver to VS PubCo or, in the Investor’s sole discretion destroy, all copies of the prospectus covering the Shares in the Investor’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Shares shall not apply (x) to the extent the Investor is required to retain a copy of such prospectus in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or in accordance with a bona fide pre-existing document retention policy or (y) to copies stored electronically on archival servers as a result of automatic data back-up.

c. Prior to the Expiration, VS PubCo will use commercially reasonable efforts to file all reports necessary to enable the undersigned to resell the Shares pursuant to the Registration Statement. For as long as the Investor holds Shares, VS PubCo will use commercially reasonable efforts to file all reports necessary to enable the undersigned to resell the Shares pursuant to Rule 144 of the Securities Act (when Rule 144 of the Securities Act becomes available to the Investor). In addition, in connection with any sale, assignment, transfer or other disposition of the Shares by the Investor pursuant to Rule 144 or pursuant to any other exemption under the Securities Act such that the Shares held by the Investor become freely tradable and upon compliance by the Investor with the requirements of this Section 7(c), if requested by the Investor, VS PubCo shall cause the transfer agent for the Shares (the “Transfer Agent”) to remove any restrictive legends related to the book entry account holding such Shares and make a new, unlegended entry for such book entry Shares sold or disposed of without restrictive legends within three (3) trading days of any such request therefor from the Investor, provided that VS PubCo and the Transfer Agent have timely received from the Investor customary representations and other documentation reasonably acceptable to VS PubCo and the Transfer Agent in connection therewith. Subject to receipt from the Investor by VS PubCo and the Transfer Agent of customary representations and other documentation reasonably acceptable to VS PubCo and the Transfer Agent in connection therewith, the Investor may request that VS PubCo remove any legend from the book entry position evidencing its Shares and VS

PubCo will, if required by the Transfer Agent, cause an opinion of VS PubCo's counsel be provided, in a form reasonably acceptable to the Transfer Agent, to the effect that the removal of such restrictive legends in such circumstances may be effected under the Securities Act, following the earliest of such time as such Shares (i) (x) are subject to or (y) have been or are about to be sold or transferred pursuant to an effective registration statement, (ii) have been or are about to be sold pursuant to Rule 144, or (iii) are eligible for resale under Rule 144(b)(1) or any successor provision without the requirement for VS PubCo to be in compliance with the current public information requirement under Rule 144 and without volume or manner-of-sale restrictions applicable to the sale or transfer of such Shares. If restrictive legends are no longer required for such Shares pursuant to the foregoing, VS PubCo shall, in accordance with the provisions of this section and within three (3) trading days of any request therefor from the Investor accompanied by such customary and reasonably acceptable representations and other documentation referred to above establishing that restrictive legends are no longer required, deliver to the Transfer Agent irrevocable instructions that the Transfer Agent shall make a new, unlegended entry for such book entry Shares. VS PubCo shall be responsible for the fees of its Transfer Agent, its legal counsel and all DTC fees associated with such issuance.

### d. Indemnification.

(i) VS PubCo agrees to indemnify and hold harmless, to the extent permitted by law, the Investor, its directors, officers, employees, investment advisers and agents, and each person who controls the Investor (within the meaning of the Securities Act or the Exchange Act) and each affiliate of the Investor (within the meaning of Rule 405 under the Securities Act) from and against any and all losses, claims, damages, liabilities and expenses (including, without limitation, any reasonable attorneys' fees and expenses incurred in connection with defending or investigating any such action or claim) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information furnished in writing to VS PubCo by or on behalf of the Investor expressly for use therein.

(ii) The Investor agrees, severally and not jointly with any person that is a party to the Other Subscription Agreements or any other selling shareholder under the Registration Statement, to indemnify and hold harmless VS PubCo, its directors and officers and agents and each person who controls VS PubCo (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable attorneys' fees) resulting from any untrue statement of material fact contained in the Registration Statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by the Investor expressly for use therein. In no event shall the liability of the Investor be greater in amount than the dollar amount of the net proceeds received by the Investor upon the sale of the Shares purchased pursuant to this Subscription Agreement giving rise to such indemnification obligation.

(iii) Any person entitled to indemnification herein shall (1) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (2) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent. An indemnifying party who elects not to assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No

indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, employee, agent, affiliate or controlling person of such indemnified party and shall survive the transfer of the Shares purchased pursuant to this Subscription Agreement.

(v) If the indemnification provided under this Section 7(d) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 7(d) from any person who was not guilty of such fraudulent misrepresentation. In no event shall the liability of the Investor be greater in amount than the dollar amount of the net proceeds received by the Investor upon the sale of the Shares purchased pursuant to this Subscription Agreement giving rise to such contribution obligation.

8. **Termination.** This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms without being consummated, (b) upon the mutual written agreement of each of the parties hereto and VS PubCo to terminate this Subscription Agreement, (c) on or after the Agreement End Date (as defined in the Transaction Agreement as the same exists on the date of this Subscription Agreement), if the Closing has not occurred by such date, or (d) if any of the conditions to Closing set forth in Section 3 of this Subscription Agreement are not satisfied or waived, or are not capable of being satisfied, on or prior to the Closing and, as a result thereof, the transactions contemplated by this Subscription Agreement will not be and are not consummated at the Closing (the termination events described in clauses (a)–(d) above, collectively, the “Termination Events”); provided that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from any such willful breach. Horizon shall notify the Investor in writing of the termination of the Transaction Agreement promptly after the termination of such agreement. Upon the occurrence of any Termination Event, this Subscription Agreement shall be void and of no further effect and any monies paid by the Investor to VS PubCo in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Investor.

9. **Trust Account Waiver.** The Investor acknowledges that Horizon is a blank check company with the powers and privileges to effect a merger, asset acquisition, reorganization or similar business combination involving Horizon and one or more businesses or assets. The Investor further acknowledges that, as described in

## Table of Contents

Horizon's prospectus relating to its initial public offering dated August 20, 2020 (the "Prospectus") available at [www.sec.gov](http://www.sec.gov), substantially all of Horizon's assets consist of the cash proceeds of Horizon's initial public offering and private placement of its securities, and substantially all of those proceeds have been deposited in a trust account (the "Trust Account") for the benefit of Horizon, its public shareholders and the underwriters of Horizon's initial public offering. Except with respect to interest earned on the funds held in the Trust Account that may be released to Horizon to pay its tax obligations, if any, the cash in the Trust Account may be disbursed only for the purposes set forth in the Prospectus. For and in consideration of Horizon entering into this Subscription Agreement, the receipt and sufficiency of which are hereby acknowledged, the Investor hereby irrevocably waives any and all right, title and interest, or any claim of any kind it has or may have in the future, in or to any monies held in the Trust Account, and agrees not to seek recourse against the Trust Account as a result of, or arising out of, this Subscription Agreement; provided, however, that nothing in this Section 9 shall be deemed to limit the Investor's right, title, interest or claim to any monies held in the Trust Account by virtue of its record or beneficial ownership of any Class A Shares, pursuant to a validly exercised redemption right with respect to any such Class A Shares.

### 10. Miscellaneous.

a. Neither this Subscription Agreement nor any rights that may accrue to the Investor hereunder (other than the Shares acquired hereunder, if any) may be transferred or assigned; provided that the Investor may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of the Investor or an affiliate thereof); provided, that no such assignment shall relieve the Investor of its obligations hereunder.

b. Horizon and VS PubCo may request from the Investor such additional information as Horizon and/or VS PubCo may deem necessary to register the resale of the Shares and evaluate the eligibility of the Investor to acquire the Shares, and the Investor shall provide such information as may reasonably be requested, to the extent readily available and to the extent consistent with the Investor's internal policies and procedures; provided that each of Horizon and VS PubCo agrees to keep any such information provided by the Investor confidential except (i) as required by the federal securities law or pursuant to other routine proceedings of regulatory authorities or (ii) to the extent such disclosure is required by law, at the request of the staff of the SEC or regulatory agency or under the regulations of any national securities exchange on which Horizon's or VS PubCo's, as applicable securities are listed for trading. The Investor acknowledges and agrees that if it does not provide VS PubCo with such requested information, VS PubCo may not be able to register the Investor's Shares for resale pursuant to Section 7 hereof. The Investor acknowledges that Horizon and/or VS PubCo may file a form of this Subscription Agreement that does not identify the Investor with the SEC as an exhibit to a periodic report or a registration statement of Horizon and/or VS PubCo.

c. The Investor acknowledges that Horizon and VS PubCo will rely on the acknowledgments, understandings, agreements, representations and warranties contained in Section 6 of this Subscription Agreement. Prior to the Closing, each party hereto agrees to promptly notify the other parties hereto and the Placement Agents if any of their respective acknowledgments, understandings, agreements, representations and warranties set forth in Section 5 or Section 6, as applicable, above are no longer accurate in any material respect (other than those acknowledgments, understandings, agreements, representations and warranties qualified by materiality, in which case such party shall notify the other parties and the Placement Agents if they are no longer accurate in any respect).

d. Horizon, VS PubCo and the Placement Agents (each as a third party beneficiary with right of enforcement as set forth in this Subscription Agreement) are each irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby; provided, however, that the foregoing clause of this Section 10(d) shall not give the Placement Agents any rights other than those expressly set forth herein and,

## [Table of Contents](#)

without limiting the generality of the foregoing and for the avoidance of doubt, in no event shall the Target be entitled to rely on any of the representations and warranties of Horizon set forth in this Subscription Agreement.

e. The Investor hereby acknowledges and agrees that it will not, nor will any person acting at the Investor's direction or pursuant to any understanding with Investor (including Investor's controlled affiliates), directly or indirectly, offer, sell, pledge, contract to sell, sell any option in, or engage in hedging activities or execute any "short sales" (as defined in Rule 200 of Regulation SHO under the Exchange Act) with respect to, any Shares or any securities of Horizon or any instrument exchangeable for or convertible into any Shares or any securities of Horizon until the consummation of the Transaction (or such earlier termination of this Subscription Agreement in accordance with its terms). For the avoidance of doubt, this Section 10(e) shall not apply to any sale (including the exercise of any redemption right) of securities of Horizon (i) held by the Investor, its controlled affiliates or any person or entity acting on behalf of the Investor or any of its controlled affiliates prior to the execution of this Subscription Agreement or (ii) purchased by the Investor, its controlled affiliates or any person or entity acting on behalf of the Investor or any of its controlled affiliates in open market transactions after the execution of this Subscription Agreement. Notwithstanding the foregoing, (i) nothing herein shall prohibit any entities under common management with the Investor that have no knowledge of this Subscription Agreement or of the Investor's participation in the transactions contemplated hereby (including the Investor's controlled affiliates and/or affiliates) from entering into any short sales; (ii) in the case of an Investor that is a multimanaged investment vehicle whereby separate portfolio managers manage separate portions of such Investor's assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Investor's assets, this Section 10(e) shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Shares covered by this Subscription Agreement.

f. All of the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect.

g. This Subscription Agreement may not be modified, waived or terminated (other than pursuant to the terms of Section 8 above) except by an instrument in writing, signed by each of the parties hereto. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have hereunder.

h. This Subscription Agreement (including the schedule hereto) constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof. Except as set forth in Section 7(d), Section 10(d), this Section 10(h), the last two sentences of Section 10(l) and Section 11 with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement with right of enforcement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

i. Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns.

j. If any provision of this Subscription Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

k. This Subscription Agreement may be executed in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

l. The parties hereto acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Subscription Agreement, without posting a bond or undertaking and without proof of damages, to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Placement Agents shall be entitled to rely on the provisions of the Subscription Agreement of which the Placement Agents are each an express third party beneficiary, in each case, on the terms and subject to the conditions set forth herein. For the avoidance of doubt, each of the Placement Agents are third party beneficiaries with rights to enforce Section 5, Section 6, Section 10 and Section 11 hereof on their own behalf and not on behalf of Horizon or VS PubCo.

m. If any change in the number, type or classes of authorized shares of VS PubCo (including the Shares), other than as contemplated by the Transaction Agreement or any agreement contemplated by the Transaction Agreement, shall occur between the date hereof and immediately prior to the Closing by reason of reclassification, recapitalization, stock split (including reverse stock split) or combination, exchange or readjustment of shares, or any stock dividend, the number of Shares issued to the Investor and Per Share Purchase Price shall be appropriately adjusted to reflect such change.

n. This Subscription Agreement shall be governed by and construed in accordance with the laws of the State of New York (regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof) as to all matters (including any action, suit, litigation, arbitration, mediation, claim, charge, complaint, inquiry, proceeding, hearing, audit, investigation or reviews by or before any governmental entity related hereto), including matters of validity, construction, effect, performance and remedies.

o. THE PARTIES HERETO IRREVOCABLY SUBMIT TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND THE SUPREME COURT OF THE STATE OF NEW YORK SOLELY IN RESPECT OF THE INTERPRETATION AND ENFORCEMENT OF THE PROVISIONS OF THIS SUBSCRIPTION AGREEMENT AND THE DOCUMENTS REFERRED TO IN THIS SUBSCRIPTION AGREEMENT AND IN RESPECT OF THE TRANSACTIONS CONTEMPLATED HEREBY, AND HEREBY WAIVE, AND AGREE NOT TO ASSERT, AS A DEFENSE IN ANY ACTION, SUIT OR PROCEEDING FOR INTERPRETATION OR ENFORCEMENT HEREOF OR ANY SUCH DOCUMENT THAT IS NOT SUBJECT THERETO OR THAT SUCH ACTION, SUIT OR PROCEEDING MAY NOT BE BROUGHT OR IS NOT MAINTAINABLE IN SAID COURTS OR THAT VENUE THEREOF MAY NOT BE APPROPRIATE OR THAT THIS SUBSCRIPTION AGREEMENT OR ANY SUCH DOCUMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS, AND THE PARTIES HERETO IRREVOCABLY AGREE THAT ALL CLAIMS WITH RESPECT TO SUCH ACTION, SUIT OR PROCEEDING SHALL BE HEARD AND DETERMINED BY SUCH A NEW YORK STATE OR FEDERAL COURT. THE PARTIES HEREBY CONSENT TO AND GRANT ANY SUCH COURT JURISDICTION OVER THE PERSON OF SUCH PARTIES AND OVER THE SUBJECT MATTER OF SUCH DISPUTE AND AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH SUCH ACTION, SUIT OR PROCEEDING IN THE MANNER

PROVIDED IN SECTION 10(p) OF THIS SUBSCRIPTION AGREEMENT OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW SHALL BE VALID AND SUFFICIENT SERVICE THEREOF.

EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS SUBSCRIPTION AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (II) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THE FOREGOING WAIVER; (III) SUCH PARTY MAKES THE FOREGOING WAIVER VOLUNTARILY AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS SUBSCRIPTION AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 10(l).

p. Any notice or communication required or permitted hereunder to be given to the Investor shall be in writing and either delivered personally, emailed or sent by overnight mail via a reputable overnight carrier, or sent by certified or registered mail, postage prepaid, to such address(es) or email address(es) set forth on the signature page hereto, and shall be deemed to be given and received (i) when so delivered personally, (ii) when sent, with no mail undeliverable or other rejection notice, if sent by email, or (iii) three (3) business days after the date of mailing to the address below or to such other address or addresses as the Investor may hereafter designate by notice to Horizon and VS PubCo.

11. Non-Reliance and Exculpation. The Investor acknowledges that it is not relying upon, and has not relied upon, any statement, representation, warranty or other information made or provided by any person, firm or corporation (including, without limitation, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing), other than the statements, representations and warranties of Horizon and VS PubCo, as applicable, expressly contained in Section 5 of this Subscription Agreement, in making its investment or decision to invest in VS PubCo. The Investor acknowledges and agrees that, other than the statements, representations and warranties of Horizon and VS PubCo, as applicable, expressly contained in Section 5 of this Subscription Agreement, none of (i) any other investor pursuant to this Subscription Agreement or any other subscription agreement related to the private placement of the Shares (including the investor's respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing) or (ii) the Placement Agents, their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing shall have any liability to the Investor, or to any other investor, pursuant to, arising out of or relating to this Subscription Agreement or any other subscription agreement related to the private placement of the Shares, the negotiation hereof or thereof or its subject matter, or the transactions contemplated hereby or thereby, including, without limitation, with respect to any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Shares or with respect to any claim (whether in tort, contract or otherwise) for breach of this Subscription Agreement or in respect of any written or oral representations made or alleged to be made in connection herewith, as expressly provided herein, or for any actual or alleged inaccuracies, misstatements or omissions with respect to any information or materials of any kind furnished by Horizon, VS PubCo, the Target, the Placement Agents or any Non-Party Affiliate concerning Horizon, VS PubCo, the Target, the Placement Agents, any of their respective controlled affiliates, this Subscription Agreement or the transactions contemplated hereby. For purposes of this Subscription Agreement, "Non-Party Affiliates" means each former, current or future officer, director, employee, partner, member, manager, direct or indirect equityholder or affiliate of Horizon, VS PubCo, the Placement Agents or any of

## Table of Contents

Horizon's, VS PubCo's or the Placement Agents' respective controlled affiliates or any family member of the foregoing.

12. Disclosure. Horizon shall, by 9:00 a.m., New York City time, on the first (1st) business day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the SEC a Current Report on Form 8-K (collectively, the "Disclosure Document") disclosing all material terms of the transactions contemplated hereby and by the Other Subscription Agreements, the Sponsor Support Agreement, the Exchange Agreement, the Transaction and any other material, nonpublic information that Horizon has provided to the Investor at any time prior to the filing of the Disclosure Document. Upon the issuance of the Disclosure Document, to the actual knowledge of Horizon, the Investor shall not be in possession of any material, non-public information received from Horizon or any of its officers, directors, or employees or agents, and the Investor shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral, with Horizon, the Placement Agents or any of their respective affiliates, relating to the transactions contemplated by this Subscription Agreement. Notwithstanding anything in this Subscription Agreement to the contrary, Horizon shall not, without the prior written consent of the Investor, publicly disclose the name of the Investor, its investment advisor or any of their respective affiliates or advisers, or include the name of the Investor, its investment advisor or any of their respective affiliates or advisers (i) in any press release or marketing materials or (ii) in any filing with the SEC or any regulatory agency or trading market, except (A) as required by the federal securities law or pursuant to other routine proceedings of regulatory authorities or (B) to the extent such disclosure is required by law, at the request of the staff of the SEC or regulatory agency or under the regulations of any national securities exchange on which Horizon's and/or VS PubCo's securities are listed for trading, provided, that in the case of this clause (ii), Horizon and/or VS PubCo shall provide Investor with prior written notice (including by e-mail) of such permitted disclosure, and shall reasonably consult with Investor regarding such disclosure.

13. Separate Obligations. For the avoidance of doubt, all obligations of the Investor hereunder are separate and several from the obligations of any Other Investor. The decision of Investor to purchase the Shares pursuant to this Subscription Agreement has been made by Investor independently of any Other Investor or any other investor and independently of any information, materials, statements or opinions as to the business, financial condition or results of operations of Horizon, VS PubCo, Target, or any of their respective subsidiaries which may have been made or given by any Other Investor or by any agent or employee of any Other Investor, and neither Investor nor any of its agents or employees shall have any liability to any Other Investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Investor or Other Investors pursuant hereto or thereto, shall be deemed to constitute Investor and Other Investor as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Investor and Other Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. The Investor acknowledges that no Other Investor has acted as agent for Investor in connection with making its investment hereunder and no Other Investor will be acting as agent of Investor in connection with monitoring its investment in the Shares or enforcing its rights under this Subscription Agreement. The Investor shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Investor to be joined as an additional party in any proceeding for such purpose.

14. Massachusetts Business Trust. If Investor is a Massachusetts Business Trust, a copy of the Declaration of Trust of Investor or any affiliate thereof is on file with the Secretary of State of the Commonwealth of Massachusetts and notice is hereby given that the Subscription Agreement is executed on behalf of the trustees of Investor or any affiliate thereof as trustees and not individually and that the obligations of the Subscription Agreement are not binding on any of the trustees, officers or stockholders of Investor or any affiliate thereof individually but are binding only upon Investor or any affiliate thereof and its assets and property.

(b) Unit Ownership Ledger; Capital Contributions. The Board shall create and maintain a ledger (the “Unit Ownership Ledger”) setting forth the name and address of each Unitholder and holder of Warrants, the number of each class of Units and Warrants held of record by each such Unitholder and holder of Warrants, and the amount of the Capital Contribution made (or deemed to have been made) with respect to each class of Units and the date of such Capital Contribution. Upon any change in the number or ownership of outstanding Units or Warrants (whether upon an issuance of Units or Warrants, a Transfer of Units or Warrants, a cancellation of Units or Warrants or otherwise), the Board shall amend and update the Unit Ownership Ledger. Absent manifest error, the ownership interests recorded on the Unit Ownership Ledger shall be conclusive record of the Units and Warrants that have been issued and are outstanding. (d) Prior Common Units. The Common Units that were issued and outstanding and held by the Members prior to the date of this Agreement shall remain unchanged.

### Section 3.2 Authorization and Issuance of Additional Units.

(a) The Board shall have the right to cause the Company to issue and/or create and issue at any time after the date hereof, and for such amount and form of consideration as the Board may determine, additional Units or other Equity Securities of the Company (including creating classes or series thereof having such powers, designations, preferences and rights, which in each case may be senior to existing Units or other Equity Securities of the Company or classes or series thereof, as may be determined by the Board). The Board shall have the power, without the approval of any other Member or Unitholder or any other Person and notwithstanding any other provision of this Agreement, including Section 12.2, to make such amendments to this Agreement in order to provide for such powers, designations, preferences and rights as the Board in its discretion deems necessary or appropriate to give effect to such additional authorization or issuance in accordance with the provisions of this Section 3.2(a). In connection with any issuance of Units (whether on or after the date of this Agreement), the Person who acquires such Units shall execute a counterpart to this Agreement accepting and agreeing to be bound by all terms and conditions hereof, and shall enter into such other documents, instruments and agreements to effect such purchase as are required by the Board (including such documents, instruments and agreements entered into on or prior to the date of this Agreement by the Members, each, an “Equity Agreement”).

(b) At any time Vivid Seats issues one or more shares of Class A Common Stock (other than an issuance of the type covered by [Section 3.2\(c\)](#) or an issuance to a holder of Redeemable Units pursuant to [Article IX](#)), Vivid Seats shall contribute to the Company all of the net proceeds (if any) received by Vivid Seats with respect to such share or shares of Class A Common Stock. Upon the contribution by Vivid Seats to the Company of all of such net proceeds so received by Vivid Seats, the Board shall cause the Company to issue a number of Common Units determined based upon the Exchange Rate then in effect, registered in the name of Vivid Seats; *provided, however*, that if Vivid Seats issues one or more shares of Class A Common Stock, some or all of the net proceeds of which are to be used to fund expenses or other obligations of Vivid Seats for which Vivid Seats would be permitted a Distribution pursuant to [Article IV](#), then Vivid Seats shall not be required to transfer such net proceeds to the Company which are used or will be used to fund such expenses or obligations; *provided further*, if Vivid Seats issues any shares of Class A Common Stock in order to purchase or fund the purchase of Common Units from a Member (other than a Subsidiary of Vivid Seats), then the Company shall not issue any new Common Units registered in the name of Vivid Seats in accordance with [Section 9.1\(a\)](#) and Vivid Seats shall not be required to transfer such net proceeds to the Company (it being understood that such net proceeds shall instead be transferred by Vivid Seats to such other Member as consideration for such purchase). Notwithstanding the foregoing, this [Section 3.2\(b\)](#) shall not apply to the issuance and distribution to holders of shares of Class A Common Stock of rights to purchase Equity Securities of Vivid Seats under a “poison pill” or similar shareholder’s rights plan (it being understood that (i) upon exchange of Redeemable Units for Class A Common Stock pursuant to [Article IX](#), such Class A Common Stock would be issued together with any such corresponding right and (ii) in the event such rights to purchase Equity Securities of Vivid Seats are triggered, Vivid Seats will ensure that the holders of Common Units that have not been Exchanged prior to such time will be treated equitably vis-à-vis the holders of Class A Common Stock under such plan).

(c) At any time Vivid Seats issues one or more shares of Class A Common Stock in connection with an equity incentive program, whether such share or shares are issued upon exercise (including cashless exercise) of an option, settlement of a restricted stock unit, as restricted stock or otherwise, the Board shall cause the Company to issue a corresponding number of Common Units, registered in the name of Vivid Seats (determined based upon the Exchange Rate then in effect); *provided* that Vivid Seats shall be required to contribute all (but not less than all) of the net proceeds (if any) received by Vivid Seats from or otherwise in connection with such issuance of one or more shares of Class A Common Stock, including the exercise price of any option exercised, to the Company. If any such shares of Class A Common Stock so issued by Vivid Seats in connection with an equity incentive program are subject to vesting or forfeiture provisions, then the Common Units that are issued by the Company to Vivid Seats in connection therewith in accordance with the preceding provisions of this [Section 3.2\(c\)](#) shall be subject to vesting or forfeiture on the same basis; if any of such shares of Class A Common Stock vest or are forfeited, then a corresponding number of the Common Units (determined based upon the Exchange Rate then in effect) issued by the Company in accordance with the preceding provisions of this [Section 3.2\(c\)](#) shall automatically vest or be forfeited. Any cash or property held by Vivid Seats or the Company or on any of such Person’s behalf in respect of dividends paid on restricted shares of Class A Common Stock that fail to vest shall be returned to the Company upon the forfeiture of such restricted shares of Class A Common Stock.

(d) For purposes of this [Section 3.2](#), “net proceeds” means gross proceeds to Vivid Seats from the issuance of Class A Common Stock or other securities less all reasonable *bona fide* out-of-pocket fees and expenses of Vivid Seats, the Company and their respective Subsidiaries actually incurred in connection with such issuance.

**Section 3.3 Repurchase or Redemption of Class A Common Stock.** If, at any time, any shares of Class A Common Stock are repurchased or redeemed (whether by exercise of a put or call, automatically or by means of another arrangement) by Vivid Seats for cash, then the Board shall cause the Company, immediately prior to such repurchase or redemption of such shares, to redeem a corresponding number of Common Units held by Vivid Seats (determined based upon the Exchange Rate then in effect), at an aggregate redemption price equal to the aggregate purchase or redemption price of the share or shares of Class A Common Stock being repurchased or redeemed by Vivid Seats (plus any reasonable expenses related thereto) and upon such other

terms as are the same for the share or shares of Class A Common Stock being repurchased or redeemed by Vivid Seats.

Section 3.4 **Changes in Common Stock**. In addition to any other adjustments required hereby any subdivision (by stock split, stock dividend, reclassification, recapitalization or otherwise) or combination (by reverse stock split, reclassification, recapitalization or otherwise) of Class A Common Stock, Class B Common Stock or other capital stock of Vivid Seats shall be accompanied by an identical subdivision or combination, as applicable, of the Common Units or other Equity Securities, as applicable. In connection with a subdivision or combination of the Common Units or other Equity Securities pursuant to this [Section 3.4](#), the Board shall have the power, without the approval of any other Member or Unitholder or any other Person, to make such amendments to this Agreement in order to reflect such subdivision or combination, as applicable, of the Common Units or other Equity Securities.

Section 3.5 **Capital Accounts**.

(a) **Maintenance of Capital Accounts**. The Company shall maintain a separate Capital Account for each Unitholder according to the rules of Treasury Regulation Section 1.704-1(b)(2)(iv). For this purpose, the Company may (in the sole discretion of the Board), upon the occurrence of the events specified in Treasury Regulation Section 1.704-1(b)(2)(iv)(f), increase or decrease the Capital Accounts in accordance with the rules of such regulation and Treasury Regulation Section 1.704-1(b)(2)(iv)(g) to reflect a revaluation of the Company property. Without limiting the foregoing, each Unitholder's Capital Account shall be adjusted, without duplication:

- (i) by adding any additional Capital Contributions made by such Unitholder in consideration for the issuance of Units;
- (ii) by deducting any amounts paid to such Unitholder in connection with the redemption or other repurchase by the Company of Units;
- (iii) by adding any Profits allocated in favor of such Unitholder and subtracting any Losses allocated in favor of such Unitholder; and
- (iv) by deducting any distributions paid in cash or other assets to such Unitholder by the Company.

(b) **Computation of Income, Gain, Loss and Deduction Items**. For purposes of computing the amount of any item of the Company income, gain, loss or deduction to be allocated pursuant to [Article IV](#) and to be reflected in the Capital Accounts, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for U.S. federal income Tax purposes (including any method of depreciation, cost recovery or amortization used for this purpose); *provided that*:

(i) the computation of all items of income, gain, loss and deduction shall include those items described in Code Section 705(a)(1)(B), Code Section 705(a)(2)(B) and Treasury Regulation Section 1.704-1(b)(2)(iv)(i), without regard to the fact that such items are not includable in gross income or are not deductible for U.S. federal income Tax purposes;

(ii) if the Book Value of any Company property is adjusted pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(e) or (f), the amount of such adjustment shall be taken into account as gain or loss from the disposition of such property;

(iii) items of income, gain, loss or deduction attributable to the disposition of the Company property having a Book Value that differs from its adjusted basis for Tax purposes shall be computed by reference to the Book Value of such property;

(iv) items of depreciation, amortization and other cost recovery deductions with respect to the Company property having a Book Value that differs from its adjusted basis for Tax purposes shall be computed by reference to the property's Book Value in accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(g);

(v) to the extent an adjustment to the adjusted Tax basis of any of the Company's asset pursuant to Code Sections 732(d), 734(b) or 743(b) is required pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m) to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis); and (vi) this [Section 3.5](#) shall be applied in a manner consistent with the principles of Treasury Regulation Sections 1.704-1(b)(2)(iv)(d), (f)(1), (h)(2) and (s).

**Section 3.6 Negative Capital Accounts; No Interest Regarding Positive Capital Accounts.** No Unitholder shall be required to pay to any other Unitholder or the Company any deficit or negative balance which may exist from time to time in such Unitholder's Capital Account (including upon and after dissolution of the Company). Except as otherwise expressly provided herein, no Unitholder shall be entitled to receive interest from the Company in respect of any positive balance in its Capital Account, and no Unitholder shall be liable to pay interest to the Company or any Unitholder in respect of any negative balance in its Capital Account.

**Section 3.7 No Withdrawal.** No Person shall be entitled to withdraw any part of such Person's Capital Contributions or Capital Account or to receive any Distribution from the Company, except as expressly provided herein.

**Section 3.8 Loans From Unitholders.** Loans by Unitholders to the Company shall not be considered Capital Contributions. If any Unitholder shall loan funds to the Company in excess of the amounts required hereunder to be contributed by such Unitholder to the capital of the Company, the making of such loans shall not result in any increase in the amount of the Capital Account of such Unitholder. The amount of any such loans shall be a debt of the Company to such Unitholder and shall be payable or collectible in accordance with the terms and conditions upon which such loans are made.

**Section 3.9 Adjustments to Capital Accounts for Distributions In-Kind.** To the extent that the Company distributes property in-kind to the Members, the Company shall be treated as making a distribution equal to the Fair Market Value of such property (as of the date of such distribution) for purposes of [Section 4.1](#) and such property shall be treated as if it were sold for an amount equal to its Fair Market Value and any resulting gain or loss shall be allocated to the Members' Capital Accounts in accordance with [Section 4.2](#) through [Section 4.4](#).

**Section 3.10 Transfer of Capital Accounts.** The original Capital Account established for each Substituted Member shall be in the same amount as the Capital Account of the Member (or portion thereof) to which such Substituted Member succeeds at the time such Substituted Member is admitted to as a Member of the Company. The Capital Account of any Member whose interest in the Company shall be increased or decreased by means of (a) the Transfer to it of all or part of the Units of another Member or (b) the repurchase or forfeiture of Units pursuant to any Equity Agreement shall be appropriately adjusted to reflect such Transfer, repurchase or forfeiture. Any reference in this Agreement to a Capital Contribution of or Distribution to a Member that has succeeded any other Member shall include any Capital Contributions or Distributions previously made by or to the former Member on account of the Units of such former Member Transferred to such Member.

**Section 3.11 Adjustments to Book Value.** The Company shall adjust the Book Value of its assets to Fair Market Value in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) as of the following times: (a) at the Board's discretion in connection with the issuance of Units in the Company in exchange for more than a de minimis Capital Contribution or for services performed on behalf of the Company; (b) at the Board's discretion in connection with the Distribution by the Company to a Member of more than a de minimis amount of the Company's assets, including money; (c) the liquidation of the Company within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g); and (d) at such other times as the Board determines necessary or appropriate in order to comply with Treasury Regulations Sections 1.704-1(b) and 1.704-2. Any such increase or decrease in Book Value of an asset shall be allocated as a Profit or Loss to the Capital Accounts of the Members

under [Section 4.2](#) (determined immediately prior to the event giving rise to the revaluation). For the avoidance of doubt, notwithstanding anything to the contrary contained in this Agreement, the Company shall adjust the Book Value of its assets to Fair Market Value as of the date of the Transactions in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f).

The provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b), and shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event the Board shall determine that it is prudent to modify the manner in which the Capital Accounts are computed in order to comply with such Treasury Regulations, the Board may make such modification, without the approval of any other Member or Unitholder or any other Person and notwithstanding anything in [Section 12.2](#) to the contrary. The Board also shall (a) make any adjustments that are necessary or appropriate to maintain equality between the Capital Accounts of the Members and the amount of the Company capital reflected on the Company's balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b)(iv)(g), and (b) make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulations Section 1.704-1(b).

### Section 3.13 **Warrants**.

(a) On the date hereof, in connection with the transactions contemplated by the Transaction Agreement, the Company has issued warrants to purchase Common Units (the "[Warrants](#)") to Vivid Seats and TopCo as set forth on the Unit Ownership Ledger pursuant to warrant agreements (the "[Warrant Agreements](#)") entered into between the Company, on the one hand, and Vivid Seats and Topco, as applicable, on the other hand, as of the date hereof. Upon the valid exercise of a Warrant in accordance with the applicable Warrant Agreement, the Company shall issue to Vivid Seats or TopCo, as applicable, the number of Common Units, free and clear of all Liens (other than those arising under applicable securities laws and this Agreement), to be issued in connection with such exercise.

(b) If any holder of a warrant issued by Vivid Seats to purchase shares of Class A Common Stock (the "[Upstairs Class A Warrants](#)") exercises an Upstairs Class A Warrant, then Vivid Seats agrees that it shall cause a corresponding exercise (including by effecting such exercise in the same manner, i.e., by payment of a cash exercise price or on a cashless basis) of a Warrant with similar terms held by it, such that the number of shares of Class A Common Stock issued in connection with the exercise of such Upstairs Class A Warrant shall match with a corresponding number of Common Units issued by the Company pursuant to the Warrant Agreement with Vivid Seats, and the exercise price paid by Vivid Seats shall be equal to the exercise price paid by the holder of the Upstairs Class A Warrant exercising such Upstairs Class A Warrant. Vivid Seats agrees that it will not exercise any Warrants other than in connection with the corresponding exercise of an Upstairs Class A Warrant. In the event an Upstairs Class A Warrant is redeemed, the Company will redeem a Warrant with similar terms held by Vivid Seats.

(c) If Topco exercises a Warrant, then TopCo agrees that it shall cause a corresponding exercise of a warrant issued by Vivid Seats to purchase shares of Class B Common Stock (the "[Upstairs Class B Warrants](#)") held by it, such that the number of Common Units issued by the Company pursuant to the Warrant Agreement with TopCo shall match a corresponding number of shares of Class B Common Stock issued in connection with the exercise of such Upstairs Class B Warrant. TopCo agrees that it will not exercise any Upstairs Class B Warrants other than in connection with the corresponding exercise of a Warrant. In the event a Warrant held by Topco is redeemed, Vivid Seats will redeem an Upstairs Class B Warrant held by Topco.

**ARTICLE IV  
DISTRIBUTIONS AND ALLOCATIONS**

**Section 4.1 Distributions.**

**(a) Tax Distributions.**

(i) Tax Distributions. To the extent funds of the Company are legally available for distribution by the Company and such distribution would not be prohibited under any credit facility or any other agreement to which the Company or any of its Subsidiaries is a party, in each case, as determined by Vivid Seats in its reasonable discretion (the “Tax Distribution Conditions”), with respect to each Fiscal Quarter (or portion thereof), the Company shall distribute to each Unitholder, an amount of cash (each a “Tax Distribution”) that is at least equal to such Unitholder’s Assumed Tax Liability for such Fiscal Quarter (or portion thereof). All Tax Distributions shall be made *pro rata* on a per-Common Unit basis in an amount such that the Unitholder with the highest Assumed Tax Liability per Common Unit receives an amount equal to such Unitholder’s Assumed Tax Liability, on a quarterly basis at least five (5) days prior to the date on which any estimated tax payments are due with respect to the relevant Fiscal Quarter, in order to permit each Unitholder (or the beneficial owners of any Unitholder) to timely pay its estimated tax obligations for the applicable Fiscal Quarter (or portion thereof). The Board shall make, in its reasonable discretion, equitable adjustments (downward (but not below zero) or upward) to each Unitholder’s Tax Distributions (but in any event *pro rata* in proportion to each Unitholder’s respective number of Common Units) to take into account increases or decreases in the number of Common Units held by each Unitholder during the relevant period. All Tax Distributions shall be treated for all purposes under this Agreement as advances against, and shall offset and reduce dollar-for-dollar, subsequent Distributions under Section 4.1(b) or Section 11.2. In determining the amount of any Tax Distributions, (i) the Assumed Tax Liability of Vivid Seats shall be increased if, and solely to the extent, necessary to allow Vivid Seats to satisfy its own tax obligations for the applicable Fiscal Quarter or portion thereof and payments currently due and owing under the Tax Receivable Agreement, taking into account any Distributions previously made to Vivid Seats under this Agreement and (ii) the Assumed Tax Liability of TopCo shall be increased if, and solely to the extent, necessary to allow TopCo to make payments to any of its members that are allocated taxable income in respect of their indirect interests in the Company attributable to an applicable Fiscal Quarter, without regard to whether taxable income of the Company is allocated to TopCo with respect to such Fiscal Quarter.

(ii) To the extent a Unitholder would receive for any Fiscal Quarter less than its per-Common Unit share of the aggregate Tax Distributions to be paid pursuant to Section 4.1(a)(i), the Tax Distributions to such Unitholder shall be increased to ensure that all Tax Distributions to holders of Common Units are made in accordance with their per-Common Unit share. The Board shall be entitled to adjust subsequent Tax Distributions up or down to reflect any variation between its prior estimation of quarterly Tax Distributions that would have been computed under Section 4.1(a)(i) based on subsequent information. In the event that due to the Tax Distribution Conditions the funds available for any Tax Distribution to be made hereunder are insufficient to pay the full amount of the Tax Distribution that would otherwise be required under Section 4.1(a)(i), the Company shall use its reasonable best efforts to distribute to the Unitholders the amount of funds that are available after application of the Tax Distribution Conditions on a *pro rata* basis (according to the amounts that would have been distributed to each Unitholder pursuant to Section 4.1(a)(i) if available funds (after application of the Tax Distribution Conditions) existed in a sufficient amount to make such Distribution in full). At any time thereafter when additional funds of the Company are available for Distribution after application of the Tax Distribution Conditions, the Company shall use its reasonable best efforts to immediately distribute such funds to the Unitholders on a *pro rata* basis (according to the amounts that would have been distributed to each Unitholder pursuant to Section 4.1(a)(i) if available funds (after application of the Tax Distribution Conditions) would have existed in a sufficient amount to make such Tax Distribution in full). Notwithstanding anything else to the contrary, Tax Distributions to a Unitholder with respect to any Fiscal Quarter (or portion thereof) shall be reduced

(but not below zero) by the amount of any Distributions made during such Fiscal Quarter (or portion thereof) to such Unitholder that are not Tax Distributions.

(iii) **Additional Tax Distributions.** In the event of any audit by, or similar event with, a taxing authority that affects the calculation of any Unitholder's Assumed Tax Liability for any Taxable Year (other than an audit conducted pursuant to the Partnership Tax Audit Rules for which no election is made pursuant to Code Section 6226 (or any similar provision of state or local law)), or in the event the Company files an amended tax return, each Unitholder's Assumed Tax Liability with respect to such year shall be recalculated by giving effect to such event (for the avoidance of doubt, taking into account interest and penalties). Subject to the Tax Distribution Conditions, distributions shall be made *pro rata* on a per-Common Unit basis in an amount such that each Unitholder and successor to any former Unitholder receives an amount equal to any shortfall in the amount of Tax Distributions the Unitholders and former Unitholders received for the relevant Taxable Years based on such recalculated Assumed Tax Liability, except, for the avoidance of doubt, to the extent Distributions were made to such Unitholders and former Unitholders pursuant to Section 4.1 in the relevant Taxable Years sufficient to cover such shortfall. Notwithstanding the foregoing, Distributions to be made under this Section 4.1(a)(iii) either (i) to a successor of a former Unitholder on account of a shortfall in Tax Distributions to a former Unitholder, or (ii) to a Unitholder in respect of a shortfall in the amount of Tax Distributions to such Unitholder for any Taxable Year (or portion thereof) ending on or before the Closing Date, shall not exceed \$1 million in the aggregate.

(b) **Other Distributions.** Except as otherwise set forth in Section 4.1(a), the Board may (but shall not be obligated to) make Distributions at such time, in such amounts and in such form (including in-kind property) as determined by the Board in its sole discretion, in each case to the holders of Common Units immediately prior to such Distribution on a *pro rata* basis and in accordance with each Unitholder's relative ownership of Units.

#### Section 4.2 **Allocations.**

(a) Subject to Section 4.3, Profits or Losses for any Fiscal Year shall be allocated among the Unitholders in such a manner as to reduce or eliminate, to the extent possible, any difference, as of the end of such Fiscal Year, between (a) the sum of (i) the Capital Account of each Unitholder, (ii) such Unitholder's share of Minimum Gain (as determined according to Treasury Regulation Section 1.704-2(g)) and (iii) such Unitholder's partner nonrecourse debt minimum gain (as defined in Treasury Regulation Section 1.704-2(i)(2)) and (b) the respective net amounts, positive or negative, which would be distributed to them or for which they would be liable to the Company under this Agreement and the Delaware Act, determined as if the Company were to (i) liquidate the assets of the Company for an amount equal to their Book Value and satisfy the liabilities of the Company in cash (limited in the case of non-recourse liabilities to the Book Value of the assets securing such liabilities) and (ii) distribute the proceeds of such liquidation pursuant to Section 11.2.

(b) If during any Fiscal Year there is a change in any Unitholder's interest in the Company as a result of the admission of one or more Members, the withdrawal of a Member, or a Transfer of an interest in the Company, the Profits, Losses, or any other item allocable to the Unitholders under this Agreement for the Fiscal Year shall be allocated among the Unitholders so as to reflect their varying interests in the Company during the Fiscal Year, using any permissible method convention or extraordinary item under Section 706 of the Code and the Treasury Regulations promulgated thereunder, as reasonably selected by the Board. In furtherance of the foregoing, any such permissible method, convention or extraordinary item selected by the Board shall be set forth in a dated, written statement maintained with the Company's books and records. The Unitholders hereby agree that any such selection by the Board is made by "agreement of the partners" within the meaning of Treasury Regulation Section 1.706-4(f).

#### Section 4.3 **Special Allocations.**

(a) **Minimum Gain Chargeback.** Losses attributable to partner nonrecourse debt (as defined in Treasury Regulation Section 1.704-2(b)(4)) shall be allocated in the manner required by Treasury

Regulation Section 1.704-2(i). If there is a net decrease during a Taxable Year in partner nonrecourse debt minimum gain (as defined in Treasury Regulation Section 1.704-2(i)(2)), Profits for such Taxable Year (and, if necessary, for subsequent Taxable Years) shall be allocated to the Unitholders in the amounts and of such character as determined according to Treasury Regulation Section 1.704-2(i)(4).

(b) Unitholder Nonrecourse Debt Minimum Chargeback. Nonrecourse deductions (as determined according to Treasury Regulation Section 1.704-2(b)(1)) for any Taxable Year shall be allocated to each holder of Common Units ratably among such Unitholders based upon their ownership of Common Units. Except as otherwise provided in Section 4.3(a), if there is a net decrease in the Minimum Gain during any Taxable Year, each Unitholder shall be allocated Profits for such Taxable Year (and, if necessary, for subsequent Taxable Years) in the amounts and of such character as determined according to Treasury Regulation Section 1.704-2(f). This Section 4.3(b) is intended to be a Minimum Gain chargeback provision that complies with the requirements of Treasury Regulation Section 1.704-2(f), and shall be interpreted in a manner consistent therewith.

(c) Qualified Income Offset. If any Unitholder that unexpectedly receives an adjustment, allocation or distribution described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) and (6) has an Adjusted Capital Account Deficit as of the end of any Taxable Year, computed after the application of Section 4.3(a) and Section 4.3(b), but before the application of any other provision of this Article IV, then Profits for such Taxable Year shall be allocated to such Unitholder in proportion to, and to the extent of, such Adjusted Capital Account Deficit. This Section 4.3(c) is intended to be a qualified income offset provision as described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted in a manner consistent therewith.

(d) Allocation of Certain Profits and Losses. Profits and Losses described in Section 3.5(b)(v) shall be allocated in a manner consistent with the manner that the adjustments to the Capital Accounts are required to be made pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(j), (k) and (m).

(e) Regulatory Allocations. The allocations set forth in Sections 4.3(a)-(d) (the “Regulatory Allocations”) are intended to comply with certain requirements of Sections 1.704-1(b) and 1.704-2 of the Treasury Regulations. The Regulatory Allocations may not be consistent with the manner in which the Unitholders intend to allocate Profit and Loss of the Company or make the Company distributions. Accordingly, notwithstanding the other provisions of this Article IV, but subject to the Regulatory Allocations, income, gain, deduction, and loss shall be reallocated among the Unitholders so as to eliminate the effect of the Regulatory Allocations and thereby cause the respective Capital Accounts of the Unitholders to be in the amounts (or as close thereto as possible) they would have been if Profit and Loss (and such other items of income, gain, deduction and loss) had been allocated without reference to the Regulatory Allocations. In general, the Unitholders anticipate that this will be accomplished by specially allocating other Profit and Loss (and such other items of income, gain, deduction and loss) among the Unitholders so that the net amount of the Regulatory Allocations and such special allocations to each such Unitholder is zero. In addition, if in any Fiscal Year or Fiscal Period there is a decrease in partnership Minimum Gain, or in partner nonrecourse debt Minimum Gain, and application of the Minimum Gain chargeback requirements set forth in Section 4.3(a) or Section 4.3(b) would cause a distortion in the economic arrangement among the Unitholders, the Board may, if it does not expect that the Company will have sufficient other income to correct such distortion, request the Internal Revenue Service to waive either or both of such Minimum Gain chargeback requirements. If such request is granted, this Agreement shall be applied in such instance as if it did not contain such Minimum Gain chargeback requirement.

(f) Any item of deduction with respect to a Tax that is offset for a Unitholder under Section 4.6 shall be allocated to the Unitholder for which such payment is to be offset. For the avoidance of doubt, all tax deductions described in this Section 4.3(f) shall be taken into account in determining the amount of Tax Distribution made under the provisions of Section 4.1(a)(i).

(g) Allocations and other adjustments with respect to any “non-compensatory options” (as defined in Treasury Regulation Section 1.721-2(f)), shall be made in accordance with the Treasury Regulations including Treasury Regulations Section 1.721-2.

Section 4.4 **Offsetting Allocations.** If, and to the extent that, any Member is deemed to recognize any item of income, gain, deduction or loss as a result of any transaction between such Member and the Company pursuant to Sections 83, 482, or 7872 of the Code or any similar provision now or hereafter in effect, the Board shall use its commercially reasonable efforts to allocate any corresponding Profit or Loss to the Member who recognizes such item in order to reflect the Members’ economic interest in the Company.

### Section 4.5 **Tax Allocations.**

(a) **Allocations Generally.** Except as provided in Section 4.5(b) below, for U.S. federal, state and local income Tax purposes, each item of income, gain, loss or deduction shall be allocated among the Unitholders in the same manner and in the same proportion that the corresponding book items have been allocated among the Unitholders’ respective Capital Accounts; *provided* that, if any such allocation is not permitted by the Code or other applicable law, then each subsequent item of income, gains, losses, deductions and credits will be allocated among the Unitholders so as to reflect as nearly as possible the allocation set forth herein in computing their Capital Accounts.

(b) **Code Section 704(c) Allocations.** Items of the Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for Tax purposes, be allocated among the Unitholders in accordance with Code Section 704(c) so as to take account of any variation between the adjusted basis of such asset for federal income Tax purposes and its initial Book Value. Such allocations shall be made using a reasonable method specified in Treasury Regulations Section 1.704-3. In addition, if the Book Value of any Company asset is adjusted pursuant to the requirements of Treasury Regulation Section 1.704-1(b)(2)(iv)(e) or (f), then subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income Tax purposes and its Book Value in the same manner as under Code Section 704(c). Notwithstanding the foregoing, the Board shall determine all allocations pursuant to this Section 4.5(b) using any method selected by the Board that is permitted under Section 704(c) of the Code and the Treasury Regulations thereunder.

(c) **Section 754 Election.** The Company will make an election under Section 754 of the Code (or any comparable election under relevant state or local Law) for its Taxable Year that includes or begins on the date of this Agreement to adjust the basis of the Company property as permitted and provided in Sections 734 and 743 of the Code. Such election shall be effective solely for federal (and, if applicable, state and local) income Tax purposes and shall not result in any adjustment to the Book Value of any Company asset or to the Member’s Capital Accounts (except as provided in Treasury Regulations Section 1.704-1(b)(2)(iv)(m)).

(d) **Allocation of Tax Credits, Tax Credit Recapture, Etc.** Allocations of Tax credits, Tax credit recapture, and any items related thereto shall be allocated to the Unitholders according to their interests in such items as determined by the Board taking into account the principles of Treasury Regulation Section 1.704-1(b)(4)(ii) and (viii).

(e) **Corrective Allocations.** If necessary, the Company will make corrective allocations as set forth in Treasury Regulation Section 1.704-1(b)(4)(x).

(f) **Effect of Allocations.** Allocations pursuant to this Section 4.5 are solely for purposes of U.S. federal, state and local Taxes and shall not affect, or in any way be taken into account in computing, any Unitholder’s Capital Account or share of Profits, Losses, Distributions (other than Tax Distributions) or other items pursuant to any provision of this Agreement.

## Table of Contents

Section 4.6 **Indemnification and Reimbursement for Payments on Behalf of a Unitholder.** Except as otherwise provided in Article VI, if the Company is required by law to make any payment to a Governmental Entity that is specifically attributable to a Unitholder or a Unitholder's status as such (including U.S. federal withholding Taxes, state personal property Taxes, and state unincorporated business Taxes), then such Unitholder shall indemnify and contribute to the Company in full for the entire amount paid (including interest, penalties and related expenses). The Board may offset Distributions or other amounts to which a Person is otherwise entitled under this Agreement against such Person's obligation to indemnify the Company under this Section 4.6 or with respect to any other amounts owed by the Unitholder to the Company or any of its Subsidiaries. A Unitholder's obligation to indemnify and make contributions to the Company under this Section 4.6 shall survive the termination, dissolution, liquidation and winding up of the Company, and for purposes of this Section 4.6, the Company shall be treated as continuing in existence, and will survive any partial or complete Transfer or redemption of Unitholder's interest in the Company. The Company may pursue and enforce all rights and remedies it may have against each Unitholder under this Section 4.6, including instituting a lawsuit to collect such indemnification and contribution, with interest calculated at a rate equal to the Base Rate plus three percentage points per annum (but not in excess of the highest rate per annum permitted by law), compounded on the last day of each Fiscal Quarter.

Section 4.7 **Prior Agreements Allocations.** The parties acknowledge and agree that in connection with the consummation of the Transactions contemplated by the Transaction Agreement, there shall be a closing of the books of the Company in accordance with Code Section 706 and the Treasury Regulations thereunder utilizing the "interim closing method" under the monthly convention, and that in connection therewith (x) all items of profit, gain, deduction, loss and credit attributable to taxable periods (or portions thereof) ending prior to the date hereof shall be made to the members of the Company in such periods in accordance with the Prior LLC Agreement, and (y) all items of profit, gain, deduction, loss and credit attributable to taxable periods (or portions thereof) beginning on or after the date hereof shall be made in accordance with this Agreement.

## **ARTICLE V MANAGEMENT AND CONTROL OF BUSINESS**

### **Section 5.1 Management.**

(a) **Establishment.** Except as otherwise specifically provided in this Agreement or by non-waivable provision of the Delaware Act, the business, property and affairs of the Company shall be managed, operated and controlled at the sole, absolute and exclusive direction of the board of managers (the "**Board**") and each manager of the Board, a "**Manager**") in accordance with the terms of this Agreement. Except as otherwise expressly provided by this Agreement, no Member shall have management authority or voting or other rights over, or any other ability to take part in the conduct or control of the business of, the Company. Each Manager shall be a "manager" (as defined in the Delaware Act) of the Company, but notwithstanding the foregoing, no Manager shall have any rights or powers beyond the rights and powers granted to such Manager in this Agreement. Notwithstanding any duty existing at law, in equity or otherwise, with respect to any matter that is to be voted on by the Managers, a Manager may grant a proxy to any other Manager or other Person.

(b) **Number of Managers; Term of Office.** The authorized number of Managers shall be two Managers. The following individuals shall initially be elected to the Board:

(i) one representative designated by Vivid Seats or any successor Manager designated by Vivid Seats (the "**Vivid Seats Manager**"), who shall initially be [●]; and

(ii) one representative designated by Topco or any successor Manager designated by Topco (the "**Topco Manager**"), who shall initially be [●].

(c) Vacancies. In the event that any designee under Section 5.1(b) for any reason ceases to serve as a member of the Board, the resulting vacancy on the Board shall be filled by the Person that is originally entitled to designate such Manager pursuant to Section 5.1(b) (provided that, if any party fails to designate a person to fill a vacancy on the Board pursuant to the terms of this Section 5.1(c), such vacant managership shall remain vacant until such managership is filled pursuant to this Section 5.1(c)).

(d) Voting. For each matter that is put to a vote of the Board, the Vivid Seats Manager shall be entitled to two (2) votes, and the Topo Manager shall be entitled to one (1) vote. Any decisions to be made by the Board shall require the approval of a majority of the votes entitled to vote on such matter.

(e) Powers. The Board is, to the extent of its rights and powers set forth in this Agreement, an agent of the Company for the purpose of the Company's business, and the actions of the Board taken in accordance with such rights and powers shall bind the Company (and no Member shall have such right). The Board shall have all necessary powers to carry out the purposes, business and objectives of the Company. The Board may delegate in its discretion the authority to sign agreements and other documents and take other actions on behalf of the Company to any Person (including any Member, officer or employee of the Company) to enter into and perform any document on behalf of the Company. Without limiting the foregoing, the Board shall have the sole power and authority to effect any of the following by the Company or any of its Subsidiaries in one or a series of related transactions, in each case without the vote, consent or approval of any other Member or Unitholder or any other Person: (i) any sale, lease, transfer, exchange or other disposition of any, all or substantially all of the assets of the Company (including the exercise or grant of any conversion, option, privilege or subscription right or any other right available in connection with any assets at any time held by the Company); (ii) any merger, consolidation, division, reorganization or other combination of the Company with or into another entity, (iii) any acquisition; (iv) any issuance of debt or equity securities; or (v) any incurrence of indebtedness. Except for any vote, consent or approval of any Unitholder expressly required by this Agreement, if a vote, consent or approval of the Unitholders is required by the Delaware Act or other applicable law with respect to any action to be taken by the Company or matter considered by the Board, each Unitholder will be deemed to have consented to or approved such action or voted on such matter in accordance with the consent or approval of the Board on such action or matter.

(f) Meetings of the Board. The Board shall meet at such time and at such place (either within or without the State of Delaware) as the Board may designate. Advance notice of any regular or special meeting shall be given to the Managers at least two (2) business days in advance of such meeting. The business to be transacted at, or the purpose of, any regular or special meeting of the Board shall be specified in reasonable detail in such notice. A record shall be maintained by the Company of each meeting of the Board.

(g) Conduct of Meetings. Any meeting of the Board may be held, and any Manager may attend and vote and be present at a meeting, in person (including by proxy given to another Manager), telephonically or by means of other communications equipment allowing all persons participating in the meeting to hear each other.

(h) Quorum. The presence (in person, telephonically, by means of communications equipment, by proxy or by operation of this Section 5.1(h)) of the Managers holding a majority of votes entitled to vote shall constitute a quorum of the Board for purposes of conducting business. At all times when the Board is conducting business at a meeting of the Board, a quorum of the Board must be present at such meeting.

(i) Attendance and Waiver of Notice. Attendance by a Manager at any meeting (in person, telephonically, by means of communications equipment or by proxy) shall constitute a waiver of notice of such meeting, except where a Manager attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

(j) Actions Without a Meeting. Notwithstanding any provision contained in this Agreement, any action of the Board may be taken by written consent without a meeting. Any such action taken by the Board without a

meeting shall be effective only if the written consent or consents are in writing, setting forth the action so taken, and signed by all Managers.

(k) Compensation of Managers; Reimbursement. Except as approved by the Board, and then only in reasonable amounts as determined by the Board, the Managers shall receive no compensation for serving in such capacity. The Managers constituting the Board shall be entitled to be reimbursed, out of available cash, for reasonable out-of-pocket costs and expenses incurred in the course of their service hereunder.

(l) Reliance by Third Parties. Any Person dealing with the Company, other than a Unitholder, may rely on the authority of the Board (or any Officer authorized by the Board) in taking any action in the name of the Company without inquiry into the provisions of this Agreement or compliance herewith, regardless of whether that action actually is taken in accordance with the provisions of this Agreement. Every agreement, instrument or document executed by the Board (or any Officer authorized by the Board) in the name of the Company with respect to any business or property of the Company shall be conclusive evidence in favor of any Person relying thereon or claiming thereunder that (i) at the time of the execution or delivery thereof, this Agreement was in full force and effect, (ii) such agreement, instrument or document was duly executed according to this Agreement and is binding upon the Company and (iii) the Board or such Officer was duly authorized and empowered to execute and deliver such agreement, instrument or document for and on behalf of the Company.

Section 5.2 Investment Company Act. The Board shall use reasonable best efforts to ensure that the Company shall not be subject to registration as an investment company pursuant to the Investment Company Act.

### Section 5.3 Officers.

(a) Officers. Unless determined otherwise by the Board, the officers of the Company shall be a Chief Executive Officer, a President, a Chief Financial Officer, a Treasurer and a Secretary and each other officer of Vivid Seats shall also be an officer of the Company, with the same title. All officers shall be appointed by the Board (or by the Chief Executive Officer to the extent the Board delegates such authority to the Chief Executive Officer) and shall hold office until their successors are appointed by the Board (or by the Chief Executive Officer to the extent the Board delegates such authority to the Chief Executive Officer). Two or more offices may be held by the same individual. The officers of the Company may be removed by the Board (or by the Chief Executive Officer to the extent the Board delegates such authority to the Chief Executive Officer) at any time for any reason or no reason.

(b) Other Officers and Agents. The Board may appoint such other officers and agents as it may deem necessary or advisable, who shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board.

(c) Chief Executive Officer. The Chief Executive Officer shall be the chief executive officer of the Company and shall have the general powers and duties of supervision and management usually vested in the office of a chief executive officer of a company. He or she shall preside at all meetings of Members if present thereat.

(d) President. The President shall be the chief executive officer of the Company in the absence of the Chief Executive Officer. In general, the President shall perform all duties incident to the office of President and such other duties as may be prescribed from time to time by the Board.

(e) Chief Financial Officer. The Chief Financial Officer shall be the chief financial officer of the Company and shall keep and maintain or cause to be kept and maintained adequate and correct books and records of accounts of the properties and business transactions of the Company. The books of account shall at all times be open to inspection by the Board. The Chief Financial Officer shall deposit all monies and other valuables in the name of, and to the credit of, the Company with such depositaries as may be designated by the Board.

(f) **Treasurer.** The Treasurer shall have the custody of Company funds and securities and shall keep full and accurate account of receipts and disbursements. He or she shall deposit all moneys and other valuables in the name and to the credit of the Company in such depositaries as may be designated by the Board or the Chief Executive Officer. The Treasurer shall disburse the funds of the Company as may be ordered by the Board or the Chief Executive Officer, taking proper vouchers for such disbursements. He or she shall render to the Board and the Chief Executive Officer whenever either of them may request it, an account of all his or her transactions as Treasurer and of the financial condition of the Company. If required by the Board, the Treasurer shall give the Company a bond for the faithful discharge of his or her duties in such amount and with such surety as the Board shall prescribe.

(g) **Secretary.** The Secretary shall give, or cause to be given, notice of all meetings of Members and all other notices required by applicable law or by this Agreement, and in case of his or her absence or refusal or neglect so to do, any such notice may be given by any person thereunto directed by the Chief Executive Officer, or by the Board. He or she shall record all the proceedings of the meetings of the Company, and shall perform such other duties as may be assigned to him or her by the Board or by the Chief Executive Officer.

(h) **Other Officers.** Other officers, if any, shall have such powers and shall perform such duties as shall be assigned to them, respectively, by the Board or by the Chief Executive Officer.

#### Section 5.4 **Fiduciary Duties.**

(a) **Members and Unitholders.** To the fullest extent permitted by law, including Section 18-1101(e) of the Delaware Act, and notwithstanding any duty otherwise existing at law or in equity, no Member or Unitholder, solely in its capacity as such, shall owe any fiduciary duty to the Company, the Board, any Member, any Unitholder or any other Person bound by this Agreement, *provided* that the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing. Nothing in this Section 5.4(a) shall limit the liabilities, duties or obligations of any Member or Unitholder acting in his or her capacity as an officer or Board pursuant to any other provision of this Agreement.

(b) **Board and Officers.** Notwithstanding any other provision to the contrary in this Agreement, except as set forth in the last sentence of Section 5.1(a) or Section 5.4(c), (i) the Managers shall, in their capacity as Managers, and not in any other capacity, have the same fiduciary duties to the Company and the Unitholders and Members as members of a board of directors of a Delaware corporation; and (ii) each officer of the Company shall, in his or her capacity as such, and not in any other capacity, have the same fiduciary duties to the Company and the Unitholders and Members as an officer of a Delaware corporation. For the avoidance of doubt, the fiduciary duties described in clause (i) above shall not be limited by the fact that the Board shall be permitted to take certain actions in its sole or reasonable discretion pursuant to the terms of this Agreement or any agreement entered into in connection herewith.

(c) **Board Conflicts.** The parties hereto acknowledge that the members of Vivid Seats' board of directors will owe fiduciary duties to Vivid Seats and its stockholders. The Board will use commercially reasonable and appropriate efforts and means, as determined in good faith by the Board, to minimize any conflict of interest between the Members, on the one hand, and the stockholders of Vivid Seats, on the other hand, and to effectuate any transaction that involves or affects any of the Company, the Board, the Members and/or the stockholders of Vivid Seats in a manner that does not (i) disadvantage the Members of their interests relative to the stockholders of Vivid Seats or (ii) advantage the stockholders of Vivid Seats relative to the Members or (iii) treat the Members and the stockholders of Vivid Seats differently; *provided* that in the event of a conflict between the interests of the stockholders of Vivid Seats and the interests of the Members, such Members agree that the Board shall discharge its fiduciary duties to such Members by acting in the best interests of Vivid Seats' stockholders.

(d) **Waiver.** Any duties and liabilities set forth in this Agreement shall replace those existing at law or in equity and each of the Company, each Member and Unitholder and any other Person bound by this Agreement

hereby, to the fullest extent permitted by applicable law, including Section 18-1101(e) of the Delaware Act, waives the right to make any claim, bring any action or seek any recovery based on any duties or liabilities existing at law or in equity other than any such duties and liabilities set forth in this Agreement.

## ARTICLE VI EXCULPATION AND INDEMNIFICATION

### Section 6.1 Exculpation.

(a) Actions in Capacity as a Member or Unitholder. To the fullest extent permitted by applicable law, and except as otherwise expressly provided herein, no Member, Unitholder (other than the Board, acting in its capacity as such) or its respective Indemnitees shall be liable to the Company, any Member, any Unitholder or any other Person bound by this Agreement as a result of or arising out of any action of or omission by such Member or Unitholder solely in its capacity as a Member or Unitholder, except to the extent such Obligations arise out of such Member's (1) material breach of this Agreement or any other Transaction Document or (2) bad faith violation of the implied contractual covenant of good faith and fair dealing, in each case as determined by a final judgment, order or decree of an arbitrator or a court of competent jurisdiction (which is not appealable or with respect to which the time for appeal therefrom has expired and no appeal has been perfected).

(b) Other Actions. To the fullest extent permitted by applicable law, and except as otherwise expressly provided herein, no Indemnitee shall be liable to the Company, any Member, any Unitholder or any other Person bound by this Agreement as a result of or arising out of the activities of the Indemnitee on behalf of the Company to the extent within the scope of the authority reasonably believed by such Indemnitee to be conferred on such Indemnitee, except to the extent such Indemnitee would not be entitled to exculpation or indemnification pursuant to the articles of incorporation and bylaws of Vivid Seats (as the same may be amended from time to time).

Section 6.2 Indemnification. To the fullest extent permitted by applicable law, each of (a) the Managers, (b) the Unitholders and Members and their respective Affiliates, (c) the stockholders, members, managers, directors, officers, partners, employees and agents of the Unitholders, Members and their respective Affiliates, (d) the PR and any "designated individual" and (e) the officers and directors of Vivid Seats, the Company and each of their Subsidiaries (each, an "Indemnitee") shall be indemnified and held harmless by the Company from and against any and all losses, claims, damages, liabilities, expenses (including legal fees and expenses), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative (collectively, "Obligations"), which at any time may be imposed on, incurred by, or asserted against, the Indemnitee as a result of or arising out of this Agreement, Vivid Seats, the Company, their respective assets, businesses or affairs, or the activities of the Indemnitee on behalf of Vivid Seats, the Company or any of their Subsidiaries to the extent within the scope of the authority reasonably believed to be conferred on such Indemnitee; *provided, however*, that, to the extent such Indemnitee is not entitled to exculpation with respect to such Obligations pursuant to Section 6.1, the Indemnitee shall not be entitled to indemnification for any such Obligations to the extent such Indemnitee would not be entitled to exculpation or indemnification pursuant to the articles of incorporation and bylaws of Vivid Seats (as the same may be amended from time to time); *provided further*, that, to the extent such Indemnitee is entitled to exculpation with respect to such Obligations pursuant to Section 6.1, the Indemnitee shall not be entitled to indemnification for any such Obligations to the extent they arise out of such Indemnitee's (1) material breach of this Agreement or any other Transaction Document or (2) bad faith violation of the implied contractual covenant of good faith and fair dealing. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere*, or its equivalent, shall not, of itself, create a presumption that the Indemnitee was not entitled to indemnification hereunder. Any indemnification pursuant to this Section 6.2 shall be made only out of the assets of the Company and no Member shall have any personal liability on account thereof.

## [Table of Contents](#)

Section 6.3 **Expenses.** Expenses (including reasonable legal fees and expenses) incurred by an Indemnitee in defending any claim, demand, action, suit or proceeding described in [Section 6.2](#) shall, from time to time, be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding, upon receipt by the Company of an undertaking by or on behalf of the Indemnitee to repay such amount if it shall be determined that the Indemnitee is not entitled to be indemnified as provided in [Section 6.2](#); *provided* that such undertaking shall be unsecured and interest free and shall be accepted without regard to an Indemnitee's ability to repay amounts advanced and without regard to an Indemnitee's entitlement to indemnification.

Section 6.4 **Non-Exclusivity; Savings Clause.** The indemnification and advancement of expenses set forth in [Section 6.2](#) and [Section 6.3](#) shall not be exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any other agreement, policy of insurance or otherwise. The indemnification and advancement of expenses set forth in [Section 6.2](#) and [Section 6.3](#) shall continue as to an Indemnitee who has ceased to be a named Indemnitee and shall inure to the benefit of the heirs, executors, administrators, successors and permitted assigns of such a Person. If [Section 6.1](#), [Section 6.2](#) or [Section 6.3](#) or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless exculpate, indemnify and advance expenses each Indemnitee to the fullest extent permitted by any applicable portion of such sections not so invalidated and to the fullest extent permitted by applicable law. The exculpation, indemnification and advancement of expenses provisions set forth in [Section 6.1](#), [Section 6.2](#) and [Section 6.3](#) shall be deemed to be a contract between the Company and each of the Persons constituting Indemnitees at any time while such provisions remain in effect, whether or not such Person continues to serve in such capacity and whether or not such Person is a party hereto. In addition, neither [Sections 6.1](#), [Section 6.2](#) nor [Section 6.3](#) may be retroactively amended to adversely affect the rights of any Indemnitee arising in connection with any acts, omissions, facts or circumstances occurring prior to such amendment.

Section 6.5 **Insurance.** The Company may purchase and maintain insurance on behalf of the Indemnitees against any liability asserted against them and incurred by them in such capacity, or arising out of their status as Indemnitees, whether or not the Company would have the power to indemnify them against such liability under this [Article VI](#).

## ARTICLE VII ACCOUNTING AND RECORDS; TAX MATTERS

Section 7.1 **Accounting and Records.** The books and records of the Company shall be made and maintained, and the financial position and the results of its operations recorded, at the expense of the Company, in accordance with such method of accounting as is determined by the Board. The books and records of the Company shall reflect all Company transactions and shall be made and maintained in a manner that is appropriate and adequate for the Company's business.

### Section 7.2 **Preparation of Tax Returns.**

(a) The Company shall arrange for the preparation and timely filing of all Tax returns required to be filed by the Company, and making any elections described in [Section 7.3](#). (b) The Company shall deliver to each Unitholder (A) preliminary information relating to the Company (including a draft Schedule K-1) that is necessary for the preparation of such Unitholder's returns for federal and state income Tax and any other Tax reporting purposes for a Taxable Year no later than February 15 of the following Taxable Year and (B) by February 28 of such following Taxable Year, such final information (including a final Schedule K-1) that is consistent in all respects with the estimates provided pursuant to clause

(A), subject to any reasonable comments received from Unitholders owning 5% or more of the outstanding Common Units that are received by February 23 of such following Taxable Year, which the Company shall consider in good faith. Subject to the preceding sentence, for so long as any Unitholder owns 5% or more of the outstanding Common Units, the Company shall (i) send a draft of any income tax return of the Company (other than the information and schedules referred to in the preceding sentence) to such Unitholder, at least fifteen (15) days prior to filing, for review and comment, and (ii) consider in good faith all reasonable comments received from such Unitholder at least five (5) days prior to the due date for the filing of any such tax return.

Section 7.3 **Tax Elections**. The Taxable Year shall be the Fiscal Year unless the Board shall determine otherwise. The Board shall determine whether to make or revoke any available election pursuant to the Code. Each Unitholder will upon request supply any information necessary to give proper effect to such election.

### Section 7.4 **Tax Controversies**.

(a) Vivid Seats shall be the “partnership representative” (or “PR”) of the Company for purposes of the Partnership Tax Audit Rules, and, as such, shall be authorized to designate any other Person selected by Vivid Seats as the partnership representative. Each Member, by execution of this Agreement, hereby consents to the appointment of Vivid Seats (or its designee) as the PR as set forth herein and agrees to execute, certify, acknowledge, deliver, swear to, file and record, at the appropriate public offices, such documents as may be necessary or appropriate to evidence such consent and agrees to take, and that the PR is authorized to take (or cause the Company to take), such other actions as may be necessary pursuant to the Partnership Tax Audit Rules to cause such designation. The PR shall be authorized and required to represent the Company (at the Company’s expense) in connection with all audits and examinations of the Company’s affairs by Tax authorities, including resulting administrative and judicial proceedings, and to expend the Company’s funds for professional services and reasonably incurred in connection therewith. In addition, the PR shall have the power and authority to (i) manage, control, settle, challenge, litigate, or prosecute, on behalf of the Company, any administrative proceedings or other action at the Company level with the Internal Revenue Service or any other taxing authority relating to the determination of any item of Company income, gain, loss, deduction, or credit for federal income tax purposes or otherwise relating to the Partnership Tax Audit Rules, and (ii) make any election under the Partnership Tax Audit Rules, and the PR shall have all other rights and powers granted under the Partnership Tax Audit Rules to a PR with respect to the Company and its Members; provided, in each case, that as long as any Unitholder owns 5% or more of the outstanding Common Units, (A) the PR shall notify such Unitholder of, and keep such Unitholder reasonably informed with respect to, any such audits, examinations or resulting proceedings the outcome of which is reasonably expected to affect the tax liabilities of such Unitholder, (B) such Unitholder shall have the right to discuss with the PR, and provide input and comment to the PR regarding, any such audits, examinations or resulting proceedings, and (C) neither the PR nor any designated individual shall settle or compromise any such audits, examinations or resulting proceedings to the extent they relate to issues the resolution of which would reasonably be expected to affect the tax liability of such Unitholder without such Unitholder’s consent, such consent not to be unreasonably withheld, conditioned or delayed. Each Unitholder agrees to reasonably cooperate with the Company and to do or refrain from doing any or all things reasonably requested by the Company with respect to the conduct of such proceedings. For each Taxable Year in which the PR is an entity, the Company shall appoint the “designated individual” identified by the PR to act on its behalf in accordance with the applicable Partnership Tax Audit Rules. Promptly following a request of the PR or designated individual, the Company shall, to the fullest extent permitted by law, reimburse and indemnify the PR and designated individual for all reasonable expenses, including legal and accounting fees, incurred by the PR and/or designated individual in its capacity as such.

(b) In the event of an audit by the Internal Revenue Service, or another applicable taxing authority, the PR shall make on a timely basis, to the extent permissible under applicable law, the election provided by Section 6226(a) of the Partnership Tax Audit Rules to treat a “partnership adjustment” as an adjustment to be taken into account by each Unitholder in accordance with Section 6226(b) of the Partnership Tax Audit Rules. If the election under Section 6226(a) of the of the Partnership Tax Audit Rules is made, each Unitholder who was a

Unitholder of the Company for U.S. federal income tax purposes for the “reviewed year” (within the meaning of Code Section 6225(d)(1) of the Partnership Tax Audit Rules) shall take such adjustment into account as required under Section 6226(b) of the Partnership Tax Audit Rules and shall be liable for any related tax, interest, penalty, addition to tax, or additional amounts.

(c) In the event of an audit by the Internal Revenue Service or other applicable taxing authority, if the PR does not or is otherwise unable to make the election provided by Section 6226(a) of the Partnership Tax Audit Rules as noted above, the PR shall allocate the burden of any taxes (including, for the avoidance of doubt, any “imputed underpayment” within the meaning of Section 6225 of the Partnership Tax Audit Rules), penalties, interest and related expenses imposed on the Company pursuant to the Partnership Tax Audit Rules among the Unitholder to whom such amounts are attributable (whether as a result of their status, actions, inactions or otherwise), as reasonably determined by the PR and each Unitholder shall promptly upon request from the Board (and in any event within 5 days of such request) reimburse the Company in full for the entire amount the PR determines to be attributable to such Unitholder; *provided* that the Company will also be allowed to recover any amount due from such Unitholder pursuant to this sentence from any distribution otherwise payable to such Unitholder pursuant to this Agreement. Solely for purposes of determining the current Unitholder(s) to which any taxes or other amounts are attributable under this provision, references to any Unitholder in this [Section 7.4\(c\)](#) shall include a reference to each Person that previously held the Units currently held by such Unitholder (but only to the extent of such Person’s interest in such Units).

(d) The PR is authorized to, and shall follow principles (to the extent available) similar to those set forth in [Section 7.4\(a\)](#), [Section 7.4\(b\)](#) and [Section 7.4\(c\)](#) with respect to any audits by state, local, or foreign tax authorities and any tax liabilities that result therefrom.

(e) This [Section 7.4](#) shall be interpreted to apply to Members and former Members and shall survive the transfer of a Member’s Units, the termination of this Agreement, and the termination, dissolution, liquidation and winding up of the Company.

## ARTICLE VIII TRANSFER OF UNITS; ADMISSION OF NEW MEMBERS

Section 8.1 **Transfer of Units.** Other than as provided for below in this [Section 8.1](#), no Member may sell, assign, transfer, grant a participation in, pledge, hypothecate, encumber or otherwise dispose of (such transaction being herein collectively called a “Transfer”) all or any portion of its Units except with the approval of the Board, which may be granted or withheld in its sole discretion. Without the approval of the Board (but otherwise in compliance with [Section 8.1](#)), a Member may, at any time, (a) Transfer any portion of such Member’s Units pursuant to [Article IX](#), and (b) Transfer any portion of such Member’s Units to a Permitted Transferee of such Member. Any Transfer of Units to a Permitted Transferee of such Member by a Member which also holds Class B Common Stock must be accompanied by the transfer of a corresponding number of shares of Class B Common Stock (determined based upon the Exchange Rate then in effect) to such Permitted Transferee. Any purported Transfer of all or a portion of a Member’s Units not complying with this [Section 8.1](#) shall be void and shall not create any obligation on the part of the Company or the other Members to recognize that purported Transfer or to recognize the Person to which the Transfer purportedly was made as a Member. A Person acquiring a Member’s Units pursuant to this [Section 8.1](#) shall not be admitted as a Substituted Member or an Additional Member except in accordance with the requirements of [Section 8.2](#), but such Person shall, to the extent of the Units transferred to it, be entitled to such Member’s (i) share of Distributions, (ii) share of Profits and Losses and (iii) Capital Account in accordance with [Section 3.5](#). Notwithstanding anything in this [Section 8.1](#) or elsewhere in this Agreement to the contrary, if a Member Transfers all or any portion of its Units after the designation of a record date and declaration of a Distribution pursuant to [Section 4.1](#) and before the payment date of such distribution, the transferring Member (and not the Person acquiring all or any portion of its Units) shall be entitled to receive such Distribution in respect of such transferred Units. Notwithstanding the

foregoing, except as otherwise provided in this Agreement, including in [Sections 3.2, 3.3 and 3.13](#) and [Article IX](#), Vivid Seats may not Transfer all or any part of its Units without the consent of the Members (other than Vivid Seats) holding at least a majority of the aggregate Common Units then outstanding and held by such Members.

**Section 8.2 Recognition of Transfer; Substituted and Additional Members.**

(a) No direct or indirect Transfer of all or any portion of a Member's Units may be made, and no purchaser, assignee, transferee or other recipient of all or any part of such Units shall be admitted to the Company as a Substituted Member or Additional Member hereunder, unless:

(i) the provisions of [Section 8.1](#) shall have been complied with;

(ii) in the case of a proposed Substituted Member or Additional Member that is (A) a competitor or potential competitor of Vivid Seats or the Company or their respective Subsidiaries, (B) a Person with whom Vivid Seats or the Company or their respective Subsidiaries has had or is expected to have a material commercial or financial relationship or (C) likely to subject Vivid Seats or the Company or their respective Subsidiaries to any material legal or regulatory requirement or obligation, or materially increase the burden thereof, in each case as determined by the Board in its sole discretion, the admission of the purchaser, assignee, transferee or other recipient as a Substituted Member or Additional Member shall have been approved by the Board;

(iii) the Board shall have been furnished with the documents effecting such Transfer, in form and substance reasonably satisfactory to the Board, executed and acknowledged by both the seller, assignor or transferor and the purchaser, assignee, transferee or other recipient, and the Board shall have executed (and the Board hereby agrees to execute) any other documents on behalf of itself and the Members required to effect the Transfer;

(iv) the provisions of [Section 8.2\(b\)](#) shall have been complied with;

(v) the Board shall be reasonably satisfied that such Transfer will not (A) result in a violation of the Securities Act or any other applicable law; or (B) cause an assignment under the Investment Company Act;

(vi) such Transfer would not cause the Company to be treated as a "publicly traded partnership" within the meaning of Section 7704 of the Code or any other association taxable as a corporation for federal income tax purposes and, without limiting the generality of the foregoing, such Transfer shall not be effected on or through an "established securities market" or a "secondary market or the substantial equivalent thereof," as such terms are used in Treas. Reg. § 1.7704-1;

(vii) the Board shall have received the opinion of counsel, if any, required by [Section 8.2\(c\)](#) in connection with such Transfer; and

(viii) all necessary instruments reflecting such Transfer and/or admission shall have been filed in each jurisdiction in which such filing is necessary in order to qualify the Company to conduct business or to preserve the limited liability of the Members.

(b) Each Substituted Member and Additional Member shall be bound by all of the provisions of this Agreement. Each Substituted Member and Additional Member, as a condition to its admission as a Member, shall execute and acknowledge such instruments (including a counterpart of this Agreement or a joinder agreement in customary form), in form and substance reasonably satisfactory to the Board, as the Board reasonably deems necessary or desirable to effectuate such admission and to confirm the agreement of such Substituted Member or Additional Member to be bound by all the terms and provisions of this Agreement with respect to the Units acquired by such Substituted Member or Additional Member. The admission of a Substituted Member or Additional Member shall not require the consent of any Member (but shall require the consent of the Board, if and to the extent such consent of the Board is expressly required by this [Article VIII](#)). As promptly as practicable after the admission of a Substituted Member or Additional Member, the Unit Ownership Ledger and other books and records of the Company shall be changed to reflect such admission.

(c) As a further condition to any Transfer of all or any part of a Member's Units, the Board may, in its discretion, require a written opinion of counsel to the transferring Member reasonably satisfactory to the Board, obtained at the sole expense of the transferring Member, reasonably satisfactory in form and substance to the Board, as to such matters as are customary and appropriate in transactions of this type, including, without limitation (or, in the case of any Transfer made to a Permitted Transferee, limited to an opinion) to the effect that such Transfer will not result in a violation of the registration or other requirements of the Securities Act or any other federal or state securities laws. No such opinion, however, shall be required in connection with a Transfer made pursuant to [Article IX](#).

Section 8.3 **Expense of Transfer; Indemnification**. All reasonable costs and expenses incurred by the Board and the Company in connection with any Transfer of a Member's Units, including any filing and recording costs and the reasonable fees and disbursements of counsel for the Company, shall be paid by the transferring Member. In addition, the transferring Member hereby indemnifies the Board and the Company against any losses, claims, damages or liabilities to which the Board, the Company, or any of their Affiliates may become subject arising out of or based upon any false representation or warranty made by, or breach or failure to comply with any covenant or agreement of, such transferring Member or such transferee in connection with such Transfer.

## ARTICLE IX REDEMPTION; EXCHANGE

### Section 9.1 **Redemption of Common Units**.

#### (a) **Elective Redemption**.

(i) From and after the First Redemption Time, each Member (other than Vivid Seats and its Subsidiaries) shall be entitled, upon the terms and subject to the conditions hereof, to cause the Company to redeem its Redeemable Units in whole or in part, in each case, relating to a corresponding number of shares of Class B Common Stock after taking into account the Exchange Rate (in each case, free and clear of all Liens) of such Member, in exchange for the delivery to the Member (or its designee) of either, at the option of Vivid Seats, (x) a number of shares of Class A Common Stock that is equal to the product of the applicable Redeemed Unit Amount multiplied by the Exchange Rate or (y) solely in connection with a Redemption (including a Change of Control Redemption) that coincides with a substantially concurrent public offering or private sale of Class A Common Stock, the applicable Cash Payment. Any redemption of Redeemable Units for Class A Common Stock or the Cash Payment, as applicable, is defined herein as a "**Redemption**." Subject to [Section 9.1\(a\)\(ii\)](#), after the First Redemption Time, each Member (other than Vivid Seats and its Subsidiaries) may elect to cause the Company to redeem Redeemable Units at any time and from time to time in accordance with the terms of this Agreement, but a Unitholder may not cause a Redemption more than once per Fiscal Quarter without the prior consent of Vivid Seats. The minimum number of Redeemable Units (and corresponding number of shares of Class B Common Stock after taking into account the Exchange Rate, if any) that may be redeemed by any Member shall be the lesser of (1) 20,000 and (2) all of the Redeemable Units (and corresponding number of shares of Class B Common Stock taking into account the Exchange Rate, if any) then held by such Member and its Affiliates. Notwithstanding anything to the contrary herein, the Company shall not, nor shall Vivid Seats pursuant to [Section 9.1\(f\)](#), effectuate a Cash Payment pursuant to this [Section 9.1\(a\)](#) or [Section 9.1\(b\)](#) unless (A) Vivid Seats determines to consummate a private sale or public offering of Class A Common Stock on, or not later than five (5) Business Days after, the relevant Redemption Date and (B) Vivid Seats contributes sufficient proceeds from such private sale or public offering to the Company for payment by the Company of the applicable Cash Payment. For the avoidance of doubt, the Company shall have no obligation to make a Cash Payment that exceeds the cash contributed to the Company by Vivid Seats from Vivid Seats' offering or sales of Class A Common Stock referenced earlier in this [Section 9.1\(a\)\(i\)](#).

(ii) Notwithstanding anything to the contrary contained herein, the Company shall not, nor shall Vivid Seats pursuant to [Section 9.1\(f\)](#), be obligated to effectuate a Redemption of Redeemable Units as set forth in this [Section 9.1\(a\)](#), and the Company shall have the right to refuse to honor any request for such a Redemption, if at any time Vivid Seats or the Company determines based on the advice of counsel that such Redemption would be prohibited by law or regulation (including, without limitation, the unavailability of a registration of such Redemption under the Securities Act, or an exemption from the registration requirements thereof). Upon such determination, Vivid Seats or the Company (as applicable) shall notify the Member requesting such Redemption, which such notice shall include an explanation in reasonable detail as to the reason that the Redemption request has not been honored.

(iii) A Member shall exercise its right to cause the Company to effectuate a Redemption of Redeemable Units, as set forth in this [Section 9.1\(a\)](#) by delivering to the Company, with a contemporaneous copy delivered to Vivid Seats, during normal business hours, (A) a written election of redemption in respect of the Redeemable Units to be redeemed substantially in the form of [Exhibit A](#) hereto (a “[Redemption Notice](#)”), duly executed by such Member; (B) any certificates in such Member’s possession representing such Redeemable Units, (C) any stock certificates in such Member’s possession representing the corresponding number of shares of Class B Common Stock to be retired in connection with such Redemption, in accordance with [Section 4.04\(b\)](#) of the Vivid Seats’ certificate of incorporation and (D) if Vivid Seats, the Company or any redeeming Subsidiary requires the delivery of the certification contemplated by [Section 9.4\(b\)](#), such certification or written notice from such Member that it is unable to provide such certification. Unless such Member timely has delivered a Retraction Notice pursuant to [Section 9.1\(a\)\(vi\)](#), a Redemption pursuant to this [Section 9.1\(a\)](#) shall be effected on the fifth (5<sup>th</sup>) Business Day following the Business Day on which Vivid Seats and the Company have received the items specified in clauses (A)-(D) of the first sentence of this [Section 9.1\(a\)\(iii\)](#) or such later date that is a Business Day specified in the Redemption Notice (such Business Day, the “[Redemption Date](#)”); *provided*, that the Company may establish alternate exchange procedures as necessary in order to facilitate the establishment by such Member of a trading plan meeting the requirements of Rule 10b5-1 under the Exchange Act. On the Redemption Date, all rights of such Member as a holder of the Redeemable Units (and the corresponding number of shares of Class B Common Stock to be cancelled) that are subject to the Redemption shall cease, and unless the Company has elected Cash Payment, such Member (or its designee) shall be treated for all purposes as having become the record holder of the shares of Class A Common Stock to be received by such Member in respect of such Redemption.

(iv) Within two (2) Business Days following the Business Day on which Vivid Seats and the Company have received the Redemption Notice, the Company shall give written notice (the “[Contribution Notice](#)”) to such Member of its intended settlement method; *provided* that if the Company does not timely deliver a Contribution Notice, the Company shall be deemed to have not elected the Cash Payment method.

(v) The Member may specify, in an applicable Redemption Notice, that the Redemption is to be contingent (including as to timing) upon the occurrence of any transaction or event, including the consummation of a purchase by another Person (whether in a tender or exchange offer, an underwritten offering, Change of Control transaction or otherwise) of shares of Class A Common Stock or any merger, consolidation or other business combination.

(vi) A Member may withdraw or amend its Redemption Notice, in whole or in part, at any time prior to 5:00 p.m. New York, New York time, on the Business Day immediately prior to the Redemption Date by giving written notice (a “[Retraction Notice](#)”) to the Company (with a copy to Vivid Seats) specifying (in each case, subject to the requirements set forth in [Section 9.1\(a\)\(i\)](#)) (A) the number of withdrawn Redeemable Units, (B) the number of Redeemable Units (and corresponding number of shares of Class B Common Stock after taking into account the Exchange Rate) as to which the Redemption Notice remains in effect, if any, and (C) if the Member so determines, a new Redemption Date or any other new or revised information permitted in the Redemption Notice.

(b) Change of Control. In connection with a Change of Control, and subject to any approval of the Change of Control by the holders of Class A Common Stock and Class B Common Stock that may be required:

(i) Vivid Seats shall have the right to require each Member (other than Vivid Seats and its Subsidiaries) to effectuate a Redemption by the Company of some or all of such Member's Redeemable Units, relating to a corresponding number of shares of Class B Common Stock after taking into account the Exchange Rate (in each case, free and clear of all Liens) of such Member, in each case, in exchange for the delivery to such Member (or its designee) of a number of shares of Class A Common Stock that is equal to the product of the applicable Redeemed Unit Amount and the Exchange Rate (such Redemption, a "Change of Control Redemption"); *provided* that, if Vivid Seats elects to require such Member to redeem less than all of its outstanding Redeemable Units (and the corresponding number of shares of Class B Common Stock after taking into account the Exchange Rate), such Member's participation in the required Redemption shall be reduced *pro rata* based on ownership of Redeemable Units. For the avoidance of doubt, any Redeemable Units that are not redeemed pursuant to a Change of Control Redemption may be caused to be redeemed by the Member after the Change of Control transaction pursuant to Section 9.1(a), subject to and in accordance with the terms thereof.

(ii) The election of Vivid Seats pursuant to this Section 9.1(b) shall be at the sole discretion of Vivid Seats upon the approval thereof by a majority of the Board of Directors of Vivid Seats.

(iii) Any Redemption pursuant to this Section 9.1(b) shall be effective immediately prior to the consummation of the Change of Control (and, for the avoidance of doubt, shall not be effective if such Change of Control is not consummated) (the "Change of Control Redemption Date"). From and after the Change of Control Redemption Date, such Member shall cease to have any rights with respect to the Redeemable Units (and the corresponding number of shares of Class B Common Stock to be cancelled) that are subject to the Redemption pursuant to this Section 9.1(b) (other than the right to receive shares of Class A Common Stock pursuant to Section 9.1(b)(i)) upon compliance with its obligations under Section 9.1(c).

(iv) Vivid Seats shall provide written notice of an expected Change of Control to each Member within the earlier of (x) five (5) Business Days following the execution of the agreement with respect to such Change of Control and (y) ten (10) Business Days before the proposed date upon which the contemplated Change of Control is to be effected, indicating in such notice such information as may reasonably describe the Change of Control transaction, subject to applicable law, including the date of execution of such agreement or such proposed effective date, as applicable, the amount and types of consideration to be paid for Redeemable Units and shares of Class B Common Stock or shares of Class A Common Stock, as applicable, in the Change of Control (which consideration shall be equivalent whether paid for Redeemable Units and shares of Class B Common Stock or shares of Class A Common Stock), any election with respect to types of consideration that a holder of Redeemable Units and shares of Class B Common Stock or shares of Class A Common Stock, as applicable, shall be entitled to make in connection with the Change of Control, the percentage of total Redeemable Units and shares of Class B Common Stock or shares of Class A Common Stock, as applicable, to be transferred to the acquirer by all shareholders in the Change of Control, and the number of Redeemable Units and shares of Class B Common Stock held by each Member that Vivid Seats intends to require to be redeemed for shares of Class A Common Stock in connection with the Change of Control. Vivid Seats shall update such notice from time to time to reflect any material changes to such notice. Vivid Seats may satisfy any such notice and update requirements described in the preceding two sentences by providing such information on a Form 8-K, Schedule TO, Schedule 14D-9, Preliminary Merger Proxy on Schedule 14A, Definitive Merger Proxy on Schedule 14A or similar form filed with the SEC.

(c) Redemption Procedure on Change of Control Redemption. On or prior to the Change of Control Redemption Date, each Member shall deliver to Vivid Seats and the Company, during normal business hours at the principal executive offices of Vivid Seats and the Company, respectively: (A) a Redemption Notice, duly executed by such Member, (B) any certificates in such Member possession representing the Redeemable Units

being surrendered by such Member, (C) any stock certificates in such Member's possession representing the corresponding number of shares of Class B Common Stock to be retired in connection with such Redemption, in accordance with Section 4.04(b) of Vivid Seats' certificate of incorporation and (D) if Vivid Seats, the Company or any redeeming Subsidiary requires the delivery of the certification contemplated by Section 9.4(b), such certification or written notice from such Member that it is unable to provide such certification.

(d) Redemption Consideration. As promptly as practicable on or after the Redemption Date or Change of Control Redemption Date, as applicable, provided the Member has satisfied its obligations under Section 9.1(a)(iii) or Section 9.1(c), as applicable, the Company or Vivid Seats shall deliver or cause to be delivered to such Member (or its designee), either certificates or evidence of book-entry shares representing the number of shares of Class A Common Stock deliverable upon the applicable Redemption, registered in the name of such Member (or its designee) or, if the Company has so elected, the Cash Payment. Notwithstanding anything set forth in this Section 9.1(d) to the contrary, to the extent the Class A Common Stock issued in the Redemption will be settled through the facilities of The Depository Trust Company, the Company or Vivid Seats will, upon the written instruction of such Member, deliver the shares of Class A Common Stock deliverable to such Member through the facilities of The Depository Trust Company to the account of the participant of The Depository Trust Company designated by such Member in the Exchange Election Notice. Upon the Member exercising its Redemption right in accordance with Section 9.1(a)(i) or the occurrence of a Change of Control Redemption, the Company or Vivid Seats shall take such actions as (A) may be required to ensure that the Member receives the shares of Class A Common Stock or the Cash Payment that such member is entitled to receive in connection with such Redemption pursuant to this Section 9.1, and (B) may be reasonably within its control that would cause such Redemption to be treated for purposes of the Tax Receivable Agreement as an "Exchange" under the Tax Receivable Agreement.

(e) Contribution by Vivid Seats. In connection with any Redemption by the Company, Vivid Seats shall contribute to the Company the shares of Class A Common Stock or Cash Payment that the Member is entitled to receive in such Redemption. Unless such Member has timely delivered a Retraction Notice as provided in Section 9.1(a)(vi), on the Redemption Date (to be effective immediately prior to the close of business on the Redemption Date) (i) Vivid Seats shall make a capital contribution to the Company (in the form of the shares of Class A Common Stock or the Cash Payment that such Member is entitled to receive in such Redemption) required under this Section 9.1(e), (ii) the Company shall transfer such shares of Class A Common Stock or Cash Payment to such Member in redemption of such Member's Units in the Company, and (iii) in the case of a Redemption for Class A Common Stock and/or the Cash Payment (as applicable), the Company shall issue to Vivid Seats a number of Common Units equal to the Redeemed Unit Amount surrendered by such Member.

(f) Direct Exchange Right of Vivid Seats. Notwithstanding anything herein to the contrary, Vivid Seats may, in its sole discretion, elect to effect, on the Redemption Date, the exchange of Redeemable Units for Class A Common Stock and/or the Cash Payment (as applicable) through a direct exchange of such Redeemable Units for Class A Common Stock and/or the Cash Payment (as applicable) between the Member, on the one hand, and Vivid Seats (and/or, if designated by Vivid Seats, one or more of its Subsidiaries), on the other hand (a "Direct Exchange") (rather than contributing the Class A Common Stock and/or the Cash Payment (as applicable) to the Company for purposes of the Company redeeming the Redeemable Units in accordance with this Article IX). The applicable provisions of this Article IX shall apply to such Direct Exchange, *mutatis mutandis*, with Vivid Seats (and/or one or more of its Subsidiaries) directly acquiring the Redeemable Units, in lieu of the Company, and otherwise discharging the obligations of the Company with respect to delivery of Class A Common Stock and/or the Cash Payment (as applicable) to which the Member is entitled. Vivid Seats may, at any time prior to a Redemption Date (including after delivery of an Election Notice), deliver written notice (an "Exchange Election Notice") to the Company and the redeeming Member setting forth its election to exercise its right to consummate a Direct Exchange; *provided*, that such election is subject to the limitations set forth in this Article IX and does not unreasonably prejudice the ability of the parties to consummate a Redemption or Direct Exchange on the Redemption Date. An Exchange Election Notice may be revoked by Vivid Seats at any time; *provided*, that any such revocation does not unreasonably prejudice the ability of the

parties to consummate a Redemption or Direct Exchange on the Redemption Date. The right to consummate a Direct Exchange in all events shall be exercisable only for all (and not less than all) of the Redeemable Units that would have otherwise been subject to a Redemption.

(g) Legends.

(i) The shares of Class A Common Stock issued upon a Redemption or Direct Exchange, other than any such shares issued in a Redemption or Direct Exchange subject to an effective registration statement under the Securities Act, shall bear a legend in substantially the following form:

THE TRANSFER OF THESE SECURITIES HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTION, AND MAY NOT BE SOLD OR TRANSFERRED OTHER THAN IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED (OR OTHER APPLICABLE LAW), OR AN EXEMPTION THEREFROM.

(ii) If (A) any shares of Class A Common Stock have been sold pursuant to a registration statement that has been declared effective by the SEC, (B) all of the applicable conditions of Rule 144 are met, or (C) the legend (or a portion thereof) otherwise ceases to be applicable, Vivid Seats, upon the written request of the holder thereof, shall promptly provide such holder or its respective transferees with new certificates (or evidence of book-entry share) for securities of like tenor not bearing the provisions of the legend with respect to which the restriction has terminated. In connection therewith, such holder shall provide Vivid Seats with such information in its possession as Vivid Seats may reasonably request (which may include an opinion of counsel reasonably acceptable to Vivid Seats) in connection with the removal of any such legend.

(h) Cancellation of Class B Common Stock. Any shares of Class B Common Stock surrendered in a Redemption or Direct Exchange shall automatically be deemed cancelled without any action on the part of any Person, including Vivid Seats. Any such cancelled shares of Class B Common Stock shall no longer be outstanding, and all rights with respect to such shares shall automatically cease and terminate.

(i) Expenses. Except as otherwise agreed, Vivid Seats, the Company, any exchanging Subsidiary and the redeeming Member shall bear their own expenses in connection with the consummation of any Redemption or Direct Exchange, whether or not any such Redemption or Direct Exchange is ultimately consummated, except that Vivid Seats shall bear any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, any Redemption or Direct Exchange; *provided, however*, that if any shares of Class A Common Stock are to be delivered in a name other than that of the Member (or The Depository Trust Company or its nominee for the account of a participant of The Depository Trust Company that will hold the shares for the account of such Member) or the Cash Payment is to be paid to a Person other than the Member, then such Member or the Person in whose name such shares are to be delivered or to whom the Cash Payment is to be paid shall pay to Vivid Seats the amount of any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, such Redemption or Direct Exchange or shall establish to the reasonable satisfaction of Vivid Seats that such tax has been paid or is not payable.

Section 9.2 Adjustments. The Exchange Rate shall be adjusted accordingly if there is: (a) any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the shares of Class B Common Stock or Common Units that is not accompanied by a substantively identical subdivision or combination of Class A Common Stock; or (b) any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the shares of Class A Common Stock that is not accompanied by a substantively identical subdivision or combination of the shares of Class B Common Stock or Common Units. To the extent not reflected in an adjustment to the Exchange Rate, if there is any reclassification, reorganization, recapitalization or other similar

transaction in which the Class A Common Stock is converted or changed or exchanged into or for another security, securities or other property, then upon any subsequent Redemption, the Member shall be entitled to receive the amount of such security, securities or other property that such Member would have received if such Redemption had occurred immediately prior to the effective date of such reclassification, reorganization, recapitalization or other similar transaction, taking into account any adjustment as a result of any subdivision (by any split, distribution or dividend, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse split, reclassification, recapitalization or otherwise) of such security, securities or other property that occurs after the effective time of such reclassification, reorganization, recapitalization or other similar transaction. For the avoidance of doubt, if there is any reclassification, reorganization, recapitalization or other similar transaction in which the Class A Common Stock is converted or changed or exchanged into or for another security, securities or other property, this [Section 9.2](#) shall continue to be applicable, *mutatis mutandis*, with respect to such security or other property.

**Section 9.3 Class A Common Stock to be Issued.**

(a) Vivid Seats shall at all times reserve and keep available out of its authorized but unissued Class A Common Stock, solely for the purpose of issuance upon a Redemption or Direct Exchange, such number of shares of Class A Common Stock as shall be sufficient to effect the conversion of all outstanding Common Units; *provided, however*, that nothing contained herein shall be construed to preclude Vivid Seats from satisfying its obligations in respect of any such Redemption or Direct Exchange by delivery of unencumbered purchased shares of Class A Common Stock (which may or may not be held in the treasury of Vivid Seats or any subsidiary thereof).

(b) Vivid Seats has taken and will take all such steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions or dispositions of equity securities of Vivid Seats (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of Vivid Seats for such purposes that result from the transactions contemplated by this Agreement, by each director or officer of Vivid Seats (including directors-by-deputization) who may reasonably be expected to be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Vivid Seats upon the registration of any class of equity security of Vivid Seats pursuant to Section 12 of the Exchange Act (with the authorizing resolutions specifying the name of each such officer or director whose acquisition or disposition of securities is to be exempted and the number of securities that may be acquired and disposed of by each such Person pursuant to this Agreement).

(c) If any Takeover Law or other similar law or regulation becomes or is deemed to become applicable to this Agreement or any of the transactions contemplated hereby, Vivid Seats shall use its reasonable best efforts to render such law or regulation inapplicable to all of the foregoing.

(d) Vivid Seats covenants that all shares of Class A Common Stock issued upon a Redemption or Direct Exchange will, upon issuance, be validly issued, fully paid and non-assessable and not subject to any preemptive, participation or similar right of stockholders to subscribe for or acquire equity interests of Vivid Seats or to any right of first refusal or other right in favor of any Person.

**Section 9.4 Withholding; Certification of Non-Foreign Status.**

(a) If Vivid Seats or the Company shall be required to withhold any amounts by reason of any U.S. federal, state, local or foreign tax rules or regulations in respect of any Redemption or Direct Exchange, Vivid Seats or the Company, as the case may be, shall be entitled to take such action as it deems appropriate in order to ensure compliance with such withholding requirements, including, at its option, withholding shares of Class A Common Stock with a fair market value equal to the minimum amount of any taxes that Vivid Seats or the Company, as the case may be, may be required to withhold with respect to such Redemption or Direct

## [Table of Contents](#)

Exchange. To the extent that amounts are (or property is) so withheld and paid over to the appropriate taxing authority, such withheld amounts (or property) shall be treated for all purposes of this Agreement as having been paid (or delivered) to the Member.

(b) Notwithstanding anything to the contrary herein, each of Vivid Seats and the Company may, in its discretion, require that a Member deliver to Vivid Seats or the Company, as the case may be, a duly completed and executed IRS Form W-9) (or other withholding form or certification) prior to a Redemption or Direct Exchange. In the event Vivid Seats or the Company has required delivery of such form or certification but such Member does not provide such form or certification, Vivid Seats or the Company, as the case may be, shall nevertheless deliver or cause to be delivered to such Member the Class A Common Stock or the Cash Payment in accordance with [Section 9.1](#), but subject to withholding as provided in [Section 9.4\(a\)](#).

Section 9.5 **Tax Treatment.** Unless otherwise required by applicable law, the parties hereto acknowledge and agree that any Redemption or Direct Exchange with the Company or Vivid Seats shall be treated as a direct exchange between Vivid Seats and such Member for U.S. federal and applicable state and local income tax purposes. The parties hereto intend to treat any Redemption or Direct Exchange consummated hereunder as a taxable sale of the Redeemable Units and Class B Common Stock (if any) by the Member to Vivid Seats for U.S. federal and applicable state and local income tax purposes except as otherwise mutually agreed to in writing by such Member and Vivid Seats and no party hereto shall take a position inconsistent with such intended tax treatment on any tax return, amendment thereof or any other communication with a taxing authority, in each case unless otherwise required by a “determination” within the meaning of Section 1313 of the Code.

Section 9.6 **PTP Tax Consequences.** Notwithstanding anything to the contrary herein, if the Board, after consultation with its outside legal counsel and tax advisor, determines in good faith that interests in the Company do not meet the requirements of Treasury Regulation Section 1.7704-1(h) (or other provisions of those Regulations as determined by the Board in its sole discretion) or that any Transfer, Redemption or Direct Exchange could (as determined in the reasonable discretion of the Board exercised in good faith) cause the Company to be treated as a “publicly traded partnership” under Section 7704 of the Code, the Company may impose such restrictions on such Transfers, Redemptions, and/or Direct Exchanges) as the Company may reasonably determine to be necessary or advisable so that the Company is not treated as a “publicly traded partnership” under Section 7704 of the Code.

Section 9.7 **Distributions.** No Redemption or Direct Exchange will impair the right of a Member to receive any distribution for periods ending on or prior to the Redemption Date for such Redemption or Direct Exchange (but for which payment had not yet been made with respect to the Redeemable Units in question at the time the Redemption or Direct Exchange is consummated); *provided* that, for purposes of this [Section 9.7](#), a Member’s right to receive its *pro rata* portion of any distribution by the Company in respect of such periods shall not be deemed impaired to the extent that the Company has not paid Vivid Seats its *pro rata* portion of such distribution prior to the consummation of the applicable Redemption or Direct Exchange.

Section 9.8 **Blocker Merger Transaction Cooperation.** From and after the First Redemption Time, if requested by any holder of Redeemable Units, the Board and the Company shall work together in good faith with any such requesting Unitholder to structure a transaction that provides for such Unitholder (or an Affiliate thereof) to, in lieu of exercising exchange rights applicable to all or a portion of the Redeemable Units held (directly or indirectly) by such Unitholder, cause an entity (a “[Blocker Corporation](#)”) that (i) is classified as a corporation for U.S. federal income tax purposes, (ii) has no material assets other than Redeemable Units, (iii) has no liabilities other than any liabilities directly relating to the Redeemable Units held by such corporation, (iv) does not have, and has never engaged in, any activities other than holding Redeemable Units, and (v) was formed sufficiently in advance of the Blocker Merger Transaction (as defined below), to be merged with and into Vivid Seats or with or into one or more Subsidiaries of Vivid Seats that is treated as a corporation or an entity that is disregarded as separate from Vivid Seats for U.S. federal income tax purposes (any such merger, or any substantially similar transaction pursuant to which the equityholder of the Blocker Corporation receives Common

Stock in exchange for all of the interests in the Blocker Corporation, a “Blocker Merger Transaction”). Such Unitholder shall notify the Board and the Company in writing of any request by the Unitholder to implement a Blocker Merger Transaction, and the Board, the Company and the applicable Unitholder shall work together to structure any such Blocker Merger Transaction in a manner that qualifies as a “reorganization” within the meaning of Section 368(a) of the Code and shall work together in good faith to draft definitive documentation with respect to any such Blocker Merger Transaction. Such definitive documentation shall (A) include customary representations and customary indemnification, including customary indemnification with respect to any taxes of or with respect to the Blocker Corporation, (B) provide for the rights, if any, the Unitholder may have under the Tax Receivable Agreement following any such Blocker Merger Transaction, and (C) require that the equityholders of such Blocker Corporation shall bear all costs and expenses (excluding Taxes except to the extent provided in clause (A)) in connection with such Blocker Merger Transaction. Notwithstanding the foregoing, in no event shall any Blocker Merger Transaction be required if such Blocker Merger Transaction would reasonably be expected to result in adverse tax consequences to the Company or any Subsidiary thereof, Vivid Seats or any Subsidiary thereof, or any other Unitholder.

## ARTICLE X RESIGNATION OF UNITHOLDERS

Section 10.1 **Resignation of Unitholders.** No Unitholder shall have the power or right to resign from the Company prior to the dissolution and winding up of the Company pursuant to Article XI, without the prior written consent of the Board (which consent may be withheld by the Board in its sole discretion), except as otherwise expressly permitted by this Agreement. Upon a Transfer of all of a Unitholder’s Units in a Transfer permitted by this Agreement, and (if applicable) the Equity Agreements, such Unitholder shall cease to be a Unitholder. Notwithstanding that payment on account of a resignation may be made after the effective time of such resignation, any completely resigning Unitholder will not be considered a Unitholder for any purpose after the effective time of such complete resignation, and, in the case of a partial resignation, such Unitholder’s Capital Account (and corresponding voting and other rights) shall be reduced for all other purposes hereunder upon the effective time of such partial resignation.

## ARTICLE XI DISSOLUTION AND LIQUIDATION

Section 11.1 **Dissolution.** The Company shall not be dissolved by the admission of Additional Members or Substituted Members. The Company shall dissolve, and its affairs shall be wound up upon the first of the following to occur:

- (a) at the election of the Board;
- (b) the termination of the legal existence of the last remaining member of the Company or the occurrence of any other event which terminates the continued membership of the last remaining member of the Company in the Company unless the Company is continued without dissolution in a manner permitted by this Agreement or the Delaware Act; or
- (c) the entry of a decree of judicial dissolution of the Company under Section 18-802 of the Delaware Act.

Except as otherwise set forth in this Article XI the Company is intended to have perpetual existence. An Event of Withdrawal, in and of itself, shall not cause a dissolution of the Company and the Company shall continue in existence subject to the terms and conditions of this Agreement. Bankruptcy (as defined in Sections 18-101(1) and 18-304 of the Delaware Act) shall not cause a Member to cease to be a member of the Company.

Section 11.2 **Liquidation and Termination.** On the dissolution of the Company, the Board shall act as liquidator or may appoint one or more representatives, Members or other Persons as liquidator(s). The liquidators shall proceed diligently to wind up the affairs of the Company and make final distributions as provided herein and in the Delaware Act. The costs of liquidation shall be borne as the Company's expense. Until final distribution, the liquidators shall continue to operate the Company properties with all of the power and authority of the Board. The steps to be accomplished by the liquidators are as follows:

(a) In accordance with Section 18-804 of the Delaware Act, the liquidators shall pay, satisfy or discharge from the Company's funds all of the debts, liabilities and obligations of the Company (including all expenses incurred in liquidation) or otherwise make adequate provision for payment and discharge thereof (including the establishment of a cash fund for contingent liabilities in such amount and for such term as the liquidators may reasonably determine).

(b) After satisfaction of all liabilities of the Company in accordance with [Section 11.2\(a\)](#) above, the liquidators shall (i) determine the Fair Market Value (the "[Liquidation FMV](#)") of the Company's remaining assets (the "[Liquidation Assets](#)") in accordance with [Article XI](#) hereof, (ii) determine the amounts to be distributed to each Unitholder in accordance with [Section 4.1](#), and (iii) deliver to each Unitholder a statement (the "[Liquidation Statement](#)") setting forth the Liquidation FMV and the amounts and recipients of such Distributions, which Liquidation Statement shall be final and binding on all Unitholders.

(c) As soon as the Liquidation FMV and the proper amounts of Distributions have been determined in accordance with [Section 11.2\(b\)](#) above, the liquidators shall promptly distribute the Company's Liquidation Assets to the holders of Units in accordance with [Section 4.1\(b\)](#) above. In making such distributions, the liquidators shall allocate each type of Liquidation Assets (i.e., cash or cash equivalents, preferred or common equity securities, etc.) among the Unitholders ratably based upon the aggregate amounts to be distributed with respect to the Units held by each such holder; *provided that* the liquidators may allocate each type of Liquidation Assets so as to give effect to and take into account the relative priorities of the different Units; *provided further that*, in the event that any securities are part of the Liquidation Assets, each Unitholder that is not an "accredited investor" as such term is defined under the Securities Act may, in the sole discretion of the Board, receive, and hereby agrees to accept, in lieu of such securities, cash consideration with an equivalent value to such securities as determined by the Board. Any non-cash Liquidation Assets will first be written up or down to their Fair Market Value, thus creating Profit or Loss (if any), which shall be allocated in accordance with [Section 4.2](#) and [Section 4.3](#). If any Unitholder's Capital Account is not equal to the amount to be distributed to such Unitholder pursuant to [Section 11.2\(b\)](#), Profits and Losses for the Fiscal Year in which the Company is wound up shall be allocated among the Unitholders in such a manner as to cause, to the extent possible, each Unitholder's Capital Account to be equal to the amount to be distributed to such Unitholder pursuant to [Section 11.2\(b\)](#). The distribution of cash and/or property to a Unitholder in accordance with the provisions of this [Section 11.2\(b\)](#) constitutes a complete return to the Unitholder of its Capital Contributions and a complete distribution to the Unitholder of its interest in the Company and all the Company property and, to the fullest extent permitted by law, constitutes a compromise to which all Unitholders have consented within the meaning of the Delaware Act. To the extent that a Unitholder returns funds to the Company, to the fullest extent permitted by law, it has no claim against any other Unitholder for those funds.

Section 11.3 **Securityholders Agreement.** To the extent that Units or other Equity Securities of any Subsidiary are distributed to any Unitholders and unless otherwise agreed to by the Board, such Unitholders hereby agree to enter into a securityholders agreement with such Subsidiary and each other Unitholder which contains rights and restrictions in form and substance similar to the provisions and restrictions set forth herein (including in [Article VIII](#)).

Section 11.4 **Cancellation of Certificate.** On completion of the distribution of the Company's assets as provided herein, the Board (or such other Person or Persons as the Delaware Act may require or permit) shall file a certificate of cancellation with the Secretary of State of Delaware, cancel any other filings made pursuant to

this Agreement that are or should be canceled and take such other actions as may be necessary to terminate the Company, and upon the filing of the certificate of cancellation of the Certificate, the Company shall be terminated (and the Company shall not be terminated prior to such time). The Company shall be deemed to continue in existence for all purposes of this Agreement until it is terminated pursuant to this [Section 11.4](#).

Section 11.5 **Reasonable Time for Winding Up**. A reasonable time shall be allowed for the orderly winding up of the business and affairs of the Company and the liquidation of its assets pursuant to [Section 11.2](#) in order to minimize any losses otherwise attendant upon such winding up.

Section 11.6 **Return of Capital**. The liquidators shall not be personally liable for the return of Capital Contributions or any portion thereof to the Unitholders (it being understood that any such return shall be made solely from the Company assets).

Section 11.7 **Hart-Scott-Rodino**. In the event the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the “[HSR Act](#)”) is applicable to any Unitholder, the dissolution of the Company shall not be consummated until such time as the applicable waiting period (and extensions thereof) under the HSR Act have expired or otherwise been terminated with respect to each such Unitholder.

## ARTICLE XII GENERAL PROVISIONS

Section 12.1 **Power of Attorney**. Each Unitholder hereby constitutes and appoints Vivid Seats and the liquidators, if any and as applicable, and their respective designees, with full power of substitution, as his, her or its true and lawful agent and attorney-in-fact, with full power and authority in his, her or its name, place and stead, to execute, swear to, acknowledge, deliver, file and record in the appropriate public offices (to the same extent such Person could take such action): (a) this Agreement, all certificates and other instruments and all amendments hereof or thereof in accordance with the terms hereof which Vivid Seats deems appropriate or necessary to form, qualify, or continue the qualification of, the Company as a limited liability company in the State of Delaware and in all other jurisdictions in which the Company may conduct business or own property or as otherwise permitted herein; (b) all instruments, agreements, amendments or other documents which Vivid Seats deems appropriate or necessary to reflect any amendment, change, modification or restatement of this Agreement in accordance with its terms; (c) all conveyances and other instruments or documents which Vivid Seats and/or the liquidators deems appropriate or necessary to reflect the dissolution and liquidation of the Company pursuant to the terms of this Agreement, including a certificate of cancellation; and (d) all instruments relating to the admission, withdrawal or substitution of any Unitholder pursuant to [Article VIII](#) or [Article X](#). The foregoing power of attorney is irrevocable and coupled with an interest, and shall survive the death, disability, incapacity, dissolution, bankruptcy, insolvency or termination of any Unitholder and the Transfer of all or any portion of his, her or its Units and shall extend to such Unitholder’s heirs, successors, permitted assigns and personal representatives.

Section 12.2 **Amendments**. This Agreement may be amended (including, for purposes of this [Section 12.2](#), any amendment effected directly or indirectly by way of a merger or consolidation of the Company) or waived, in whole or in part, by the Board; *provided, however*, that to the extent any amendment or waiver, including any amendment or waiver of the Exhibits attached hereto, would disproportionately and adversely affect the rights of any Member of a class compared with the rights of any other Member of such class, such amendment or waiver may only be made by the Board upon the prior written consent of such disproportionately and adversely affected Member.

Section 12.3 **Title to the Company Assets**. The Company’s assets shall be deemed to be owned by the Company as an entity, and no Unitholder, individually or collectively, shall have any ownership interest in such assets or any portion thereof. Legal title to any or all of such assets may be held in the name of the Company or

## [Table of Contents](#)

one or more nominees, as the Board may determine. The Board hereby declares and warrants that any Company assets for which legal title is held in the name of any nominee shall be held in trust by such nominee for the use and benefit of the Company in accordance with the provisions of this Agreement. All the Company assets shall be recorded as the property of the Company on its books and records, irrespective of the name in which legal title to such assets is held.

Section 12.4 **Remedies.** Each Unitholder and the Company shall have all rights and remedies set forth in this Agreement and all rights and remedies which such Person has been granted at any time under any other agreement or contract and all of the rights which such Person has under any law. Any Person having any rights under any provision of this Agreement or any other agreements contemplated hereby shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law.

Section 12.5 **Successors and Assigns.** All covenants and agreements contained in this Agreement shall bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns, whether so expressed or not.

Section 12.6 **Severability.** Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein or if such term or provision could be drawn more narrowly so as not to be illegal, invalid, prohibited or unenforceable in such jurisdiction, it shall be so narrowly drawn, as to such jurisdiction, without invalidating the remaining terms and provisions of this Agreement or affecting the legality, validity or enforceability of such term or provision in any other jurisdiction.

Section 12.7 **Counterparts; Binding Agreement.** This Agreement may be executed simultaneously in two or more separate counterparts, any one of which need not contain the signatures of more than one party, but each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto. This Agreement and all of the provisions hereof shall be binding upon and effective as to each Person who (a) executes this Agreement in the appropriate space provided in the signature pages hereto notwithstanding the fact that other Persons who have not executed this Agreement may be listed on the signature pages hereto and (b) may from time to time become a party to this Agreement by executing a counterpart of or joinder to this Agreement.

Section 12.8 **Descriptive Headings; Interpretation.** The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The use of the word “including” in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document or instrument means such agreement, document or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and if applicable hereof. Whenever required by the context, references to a Fiscal Year shall refer to a portion thereof. The use of the words “or,” “either” and “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and, to the fullest extent permitted by law, no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. Wherever a conflict exists between this Agreement and any other agreement, this Agreement shall control but solely to the extent of such conflict.

## [Table of Contents](#)

Section 12.9 **Applicable Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

Section 12.10 **Addresses and Notices.** All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be deemed to have been given or made when (a) delivered personally to the recipient, (b) telecopied to the recipient, or delivered by means of electronic mail (with hard copy sent to the recipient by reputable overnight courier service (charges prepaid) that same day) if telecopied/emailed before 5:00 p.m. New York, New York time on a Business Day, and otherwise on the next Business Day, or (c) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid). Such notices, demands and other communications shall be sent to the address for such recipient set forth in the Company's books and records, or to such other address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party.

Section 12.11 **Creditors.** None of the provisions of this Agreement shall be for the benefit of or enforceable by any creditors of the Company or any of its Affiliates, and no creditor who makes a loan to the Company or any of its Affiliates may have or acquire (except pursuant to the terms of a separate agreement executed by the Company in favor of such creditor) at any time as a result of making the loan any direct or indirect interest in the Company's Profits, Losses, Distributions, capital or property other than as a secured creditor. Notwithstanding the foregoing, each of the Indemnitees are intended third party beneficiaries of Section 6.1(b) and shall be entitled to enforce such provision (as it may be in effect from time to time).

Section 12.12 **No Waiver.** No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

Section 12.13 **Further Action.** The parties agree to execute and deliver all documents, provide all information and take or refrain from taking such actions as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 12.14 **Entire Agreement.** This Agreement and the other Transaction Documents embody the complete agreement and understanding among the parties with respect to the subject matter herein and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way.

Section 12.15 **Delivery by Electronic Means.** This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a facsimile machine or electronic transmission in portable document format (pdf) or comparable electronic transmission, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or pdf electronic transmission or comparable electronic transmission to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

Section 12.16 **Certain Acknowledgments.** This Agreement shall be considered for all purposes as having been prepared through the joint efforts of the parties. No presumption shall apply in favor of any party in the interpretation of this Agreement or in the resolution of any ambiguity of any provision hereof based on the

preparation, substitution, submission or other event of negotiation, drafting or execution hereof. Each Member and Unitholder acknowledges that it/he/she is entitled to and has been afforded the opportunity to consult legal counsel of its choice regarding the terms, conditions and legal effects of this Agreement, as well as the advisability and propriety thereof. Each Member and Unitholder further acknowledges that having so consulted with legal counsel of its choosing, such Member or Unitholder hereby waives any right to raise or rely upon the lack of representation or effective representation in any future proceedings or in connection with any future claim resulting from this Agreement or the formation of the Company. THE COMPANY, THE MEMBERS AND THE UNITHOLDERS ACKNOWLEDGE THAT LATHAM & WATKINS LLP HAS ONLY REPRESENTED THE COMPANY WITH RESPECT TO THE NEGOTIATION AND PREPARATION OF THIS AGREEMENT, AND HAS NOT REPRESENTED THE MEMBERS OR THE UNITHOLDERS WITH RESPECT TO SUCH MATTERS.

Section 12.17 **Consent to Jurisdiction; WAIVER OF TRIAL BY JURY.**

(a) **Consent to Jurisdiction.** Each Unitholder irrevocably submits to the exclusive jurisdiction of the United States District Court for the State of Delaware and the state courts of the State of Delaware for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby. Each Unitholder further agrees that service of any process, summons, notice or document by United States certified or registered mail (in each such case, prepaid return receipt requested) to such Unitholder's respective address set forth in the Company's books and records or such other address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party shall be effective service of process in any action, suit or proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence. Each Unitholder irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in the United States District Court for the State of Delaware or the state courts of the State of Delaware and hereby irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in such court has been brought in an inconvenient forum.

(b) **WAIVER OF TRIAL BY JURY.** BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, EACH PARTY TO THIS AGREEMENT (INCLUDING THE COMPANY) HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES HERETO, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES HEREUNDER.

Section 12.18 **Representations and Warranties.** By execution of this Agreement, each Member severally represents and warrants as follows:

## **ARTICLE II**

### **REGISTRATIONS**

#### **2.1 Shelf Registration.**

2.1.1 Filing. The Company shall file, within 30 days of the Closing Date, a Registration Statement for a Shelf Registration on Form S-1 (the “**Form S-1 Shelf**”) or, if the Company is eligible to use a Registration Statement on Form S-3, a Shelf Registration Statement on Form S-3 (the “**Form S-3 Shelf**,” and together with the Form S-1 Shelf, as applicable (and any Subsequent Shelf Registration), the “**Shelf**”), in each case, covering the resale of all the Registrable Securities (determined as of two (2) business days prior to such filing) on a delayed or continuous basis. The Company shall use its reasonable best efforts to cause the Shelf to become effective as soon as practicable after such filing. The Shelf shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder. The Company shall maintain the Shelf in accordance with the terms hereof, and shall prepare and file with the SEC such amendments, including post-effective amendments, and supplements as may be necessary to keep such Shelf continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. In the event the Company files a Form S-1 Shelf, the Company shall use its reasonable best efforts to convert the Form S-1 Shelf (and any Subsequent Shelf Registration) to a Form S-3 Shelf as soon as practicable after the Company is eligible to use Form S-3.

2.1.2 Subsequent Shelf Registration. If any Shelf ceases to be effective under the Securities Act for any reason at any time while Registrable Securities are still outstanding, the Company shall, subject to Section 3.4 use its reasonable best efforts to as promptly as is reasonably practicable cause such Shelf to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the

effectiveness of such Shelf), and shall use its reasonable best efforts to as promptly as is reasonably practicable amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional registration statement as a Shelf Registration (a “**Subsequent Shelf Registration**”) registering the resale of all Registrable Securities (determined as of two (2) business days prior to such filing), and pursuant to any method or combination of methods legally available to, and requested by, any Holder. If a Subsequent Shelf Registration is filed, the Company shall use its reasonable best efforts to (a) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration shall be an Automatic Shelf Registration Statement if the Company is a Well-Known Seasoned Issuer) and (b) keep such Subsequent Shelf Registration continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. Any such Subsequent Shelf Registration shall be on Form S-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form. In the event that any Holder holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon request of a Holder shall promptly use its reasonable best efforts to cause the resale of such Registrable Securities to be covered by either, at the Company’s option, the Shelf (including by means of a post-effective amendment) or a Subsequent Shelf Registration and cause the same to become effective as soon as practicable after such filing and such Shelf or Subsequent Shelf Registration shall be subject to the terms hereof; provided, however, the Company shall only be required to cause such Registrable Securities to be so covered once annually after inquiry of the Holders.

2.1.3 **Requests for Underwritten Shelf Takedowns.** At any time and from time to time after the Shelf has been declared effective by the Commission, Topco or the Sponsor (in such case, a “**Demanding Holder**”) may request to sell all or any portion of its Registrable Securities in an Underwritten Offering that is registered pursuant to the Shelf (each, an “**Underwritten Shelf Takedown**”); provided that the Company shall only be obligated to effect an Underwritten Shelf Takedown if such offering shall include Registrable Securities proposed to be sold by the Demanding Holder with a total offering price (including piggyback securities and before underwriting discounts) reasonably expected to exceed, in the aggregate, \$50,000,000 (the “**Minimum Takedown Threshold**”). All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Shelf Takedown and the expected price range (net of underwriting discounts and commissions) of such Underwritten Shelf Takedown. The Holders that requested such Underwritten Shelf Takedown shall have the right to select the Underwriters for such offering (which shall consist of one (1) or more reputable nationally recognized investment banks), subject to the initial Demanding Holder’s prior approval (which shall not be unreasonably withheld, conditioned or delayed). Topco, on the one hand, and the Sponsor, on the other hand, may each demand not more than three (3) Underwritten Shelf Takedowns pursuant to this Section 2.1.3 in any twelve-(12-) month period. Notwithstanding anything to the contrary in this Agreement, the Company may effect any Underwritten Offering pursuant to any then effective Registration Statement, including a Form S-3, that is then available for such offering.

2.1.4 **Reduction of Underwritten Offering.** If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advise the Company, the Demanding Holders and the Holders requesting piggyback rights pursuant to this Agreement with respect to such Underwritten Shelf Takedown (the “**Requesting Holders**”) (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other equity securities that the Company desires to sell and all other equity securities, if any, that have been requested to be sold in such Underwritten Offering pursuant to separate written contractual piggyback registration rights held by any other shareholders, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the “**Maximum Number of Securities**”), then the Company shall include in such Underwritten Offering, as follows: At all times (a) first, the Registrable Securities of the

Demanding Holders and the Requesting Holders (if any) (*pro rata* based on the respective number of Registrable Securities that each Demanding Holder and Requesting Holder (if any) has requested be included in such Underwritten Shelf Takedown) that can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the equity securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Securities; and (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b) such other equity securities of other persons or entities that the Company is obligated to include in such Underwritten Offering pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.1.5 Withdrawal. Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used for marketing such Underwritten Shelf Takedown, a majority-in-interest of the Demanding Holders initiating an Underwritten Shelf Takedown shall have the right to withdraw from such Underwritten Shelf Takedown for any or no reason whatsoever upon written notification (a “**Withdrawal Notice**”) to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Shelf Takedown; provided that Topco or the Sponsor may elect to have the Company continue an Underwritten Shelf Takedown if the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold in the Underwritten Shelf Takedown by Topco or the Sponsor, as applicable. If withdrawn, a demand for an Underwritten Shelf Takedown shall constitute a demand for an Underwritten Shelf Takedown for purposes of subsection 2.1.3, unless either (a) such withdrawal occurs during a period the Company has deferred taking action pursuant to Section 3.4 hereof or (b) the withdrawing Holder reimburses the Company for all Registration Expenses with respect to such Underwritten Shelf Takedown; provided that, if Topco or the Sponsor elects to continue an Underwritten Shelf Takedown pursuant to the proviso in the immediately preceding sentence, such Underwritten Shelf Takedown shall count as an Underwritten Shelf Takedown demanded by Topco or the Sponsor, as applicable, for purposes of subsection 2.1.3. Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Holders that had elected to participate in such Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Shelf Takedown prior to its withdrawal under this subsection 2.1.5, other than if a Demanding Holder elects to pay such Registration Expenses pursuant to the second sentence of this subsection 2.1.5.

## 2.2 Piggyback Registration.

2.2.1 Piggyback Rights. If the Company (for its own account or for the account of persons or entities other than the Holders of Registrable Securities) or any Holder proposes to conduct a registered offering of, or if the Company proposes to file a Registration Statement under the Securities Act with respect to the Registration of equity securities of the Company, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities of the Company, for its own account or for the account of shareholders of the Company (or by the Company and by the shareholders of the Company including, without limitation, an Underwritten Shelf Takedown pursuant to Section 2.1 hereof), other than a Registration Statement (or any registered offering with respect thereto) (a) filed in connection with any employee stock option or other benefit plan, (b) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), (c) for an exchange offer or offering of securities solely to the Company’s existing shareholders, (d) for an offering of debt that is convertible into equity securities of the Company or (e) for a dividend reinvestment plan, then the Company shall give written notice of such proposed offering to all of the Holders of Registrable Securities as soon as practicable but not less than five (5) days before the anticipated filing date of such Registration Statement or, in the case of an Underwritten Offering pursuant to a Shelf Registration, the launch date of such offering, which notice shall (i) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any and if known, in such offering, and (ii) offer to all of the Holders of Registrable Securities the opportunity to include in such registered offering such number of Registrable Securities as such Holders may request in writing within two (2) days after receipt of such written

notice (such registered offering, a ***“Piggyback Registration”***). The Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and, if applicable, shall use its reasonable best efforts to cause the managing Underwriter or Underwriters of such Piggyback Registration to permit the Registrable Securities requested by the Holders pursuant to this [subsection 2.2.1](#) to be included therein on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. The inclusion of any Holder’s Registrable Securities in a Piggyback Registration shall be subject to such Holder’s agreement to abide by the terms of [Section 3.3](#) below.

**2.2.2 Reduction of Piggyback Registration.** If the managing Underwriter or Underwriters in an Underwritten Offering that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of the equity securities that the Company desires to sell, taken together with (a) the Registrable Securities, if any, as to which registration has been requested pursuant to [Section 2.2](#) hereof and (b) the equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual registration rights of other shareholders of the Company, exceeds the Maximum Number of Securities, then:

(i) If the Registration or registered offering is undertaken for the Company’s account, the Company shall include in any such Registration or registered offering (A) first, the equity securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to [subsection 2.2.1](#) hereof, *pro rata* based on the respective number of Registrable Securities that each Holder has requested be included in such Registration, that can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the equity securities, if any, as to which Registration or a registered offering has been requested pursuant to written contractual piggyback registration rights of other shareholders of the Company, that can be sold without exceeding the Maximum Number of Securities;

(ii) If the Registration or registered offering is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration or registered offering (A) first, the equity securities of such requesting persons or entities that can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to [subsection 2.2.1](#), *pro rata* based on the number of Registrable Securities that each Holder has requested be included in such Underwritten Offering, that can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the equity securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual piggyback arrangements with such persons or entities that can be sold without exceeding the Maximum Number of Securities.

(iii) If the Registration or registered offering is pursuant to a request by Holder(s) of Registrable Securities pursuant to [Section 2.1](#) hereof, then the Company shall include in any such Registration or registered offering securities pursuant to [subsection 2.1.4](#).

**2.2.3 Piggyback Registration Withdrawal.** Any Holder of Registrable Securities (other than a Demanding Holder, whose right to withdraw from an Underwritten Shelf Takedown, and related obligations, shall be governed by [Section 2.1.5](#)) shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his,

her or its intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration or, in the case of a Piggyback Registration pursuant to a Shelf Registration, the filing of the applicable “red herring” prospectus or prospectus supplement with respect to such Piggyback Registration used for marketing such transaction. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration (which, in no circumstance, shall include the Shelf) at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement (other than [Section 2.1.5](#)), the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this [subsection 2.2.3](#).

**2.2.4 Unlimited Piggyback Registration Rights.** For purposes of clarity, subject to [subsection 2.1.5](#), any Piggyback Registration effected pursuant to [Section 2.2](#) hereof shall not be counted as a demand for an Underwritten Shelf Takedown under [subsection 2.1.3](#) hereof.

**2.3 Restrictions on Transfer.** In connection with any Underwritten Offering of equity securities of the Company, each Holder that holds more than 10% of the issued and outstanding Class A Common Stock (on a fully-exchanged basis after giving effect to the exchange of all Intermediate Common Units for Class A Common Stock) and each Holder participating in the Underwritten Offering, agrees that it shall not Transfer any shares of Class A Common Stock (other than those included in such offering pursuant to this Agreement), without the prior written consent of the Company, during the seven (7) days prior (to the extent notice of such Underwritten Offering has been provided) to and the 90-day period beginning on the date of pricing of such offering, except in the event the Underwriter managing the offering otherwise agrees by written consent. Each Holder agrees to execute a customary lock-up agreement in favor of the Underwriters to such effect (in each case on substantially the same terms and conditions as all such Holders). Notwithstanding the foregoing, with respect to an Underwritten Offering, a Holder shall not be subject to this [Section 2.3](#) with respect to an Underwritten Offering unless each shareholder of the Company that (together with their Affiliates) hold at least 10% of the issued and outstanding Class A Common Stock (on a fully-exchanged basis after giving effect to the exchange of all Intermediate Common Units for Class A Common Stock) and each of the Company’s directors and executive officers have agreed to a lock-up on terms at least as restrictive with respect to such Underwritten Offering as requested of the Holders. A Holder’s obligations under the second sentence of this [Section 2.3](#) shall only apply for so long as such Holder (together with its Affiliates) holds at least 10% of the issued and outstanding Class A Common Stock (on a fully-exchanged basis after giving effect to the exchange of all Intermediate Common Units for Class A Common Stock).

#### **COMPANY PROCEDURES**

**3.1 General Procedures.** In connection with effecting any Shelf Registration, Shelf Takedown and/or other disposition of Registrable Securities pursuant to a registration statement contemplated herein (to the extent applicable), the Company shall use its reasonable best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities have ceased to be Registrable Securities;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by any Holder that holds at least five (5) percent of the Registrable Securities registered on such Registration Statement or any

## Table of Contents

Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities, use its reasonable best efforts to (a) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request (or provide evidence satisfactory to such Holders that the Registrable Securities are exempt from such registration or qualification) and (b) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed;

3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its reasonable best to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.8 at least five (5) days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus (or such shorter period of time as may be necessary in order to comply with the Securities Act, the Exchange Act, and the rules and regulations promulgated under the Securities Act or Exchange Act, as applicable), furnish a copy thereof to each seller of such Registrable Securities or its counsel (excluding any exhibits thereto and any filing made under the Exchange Act that is to be incorporated by reference therein);

3.1.9 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

## [Table of Contents](#)

3.1.10 permit representatives of the Holders, the Underwriters or other financial institutions facilitating each transaction, if any, and any attorney, consultant or accountant retained by such Holders or Underwriter to participate, at each such person's own expense, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, financial institution, attorney, consultant or accountant in connection with the Registration; provided, however, that such representatives, Underwriters or financial institutions agree to confidentiality arrangements reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.11 obtain a "cold comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Offering or other disposition pursuant to a registration statement contemplated herein that is facilitated by a financial institution which the participating Holders may rely on, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.12 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters or financial institution, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, Underwriter or financial institution may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders;

3.1.13 in the event of any Underwritten Offering or other disposition pursuant to a registration statement contemplated herein that is facilitated by a financial institution or similar agent, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering or such applicable financial institution;

3.1.14 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least 12 months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission);

3.1.15 with respect to an Underwritten Offering pursuant to Section 2.1.3, use its reasonable best efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in such Underwritten Offering; and

3.1.16 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

**3.2 Registration Expenses.** The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing the Holders.

**3.3 Requirements for Participation in Underwritten Offerings.** Notwithstanding anything in this Agreement to the contrary, if any Holder does not provide the Company with its requested Holder Information, the Company may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if the Company determines, based on the advice of counsel, that such information is necessary to effect the registration and such Holder continues thereafter to withhold such information. No Holder may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company

hereunder unless such Holder (a) agrees to sell such Holder's securities on the basis provided in any underwriting and other arrangements approved by the Company and (b) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements. Subject to the minimum thresholds set forth in [Section 2.1.3](#) and [3.1.15](#) of this Agreement, the exclusion of a Holder's Registrable Securities as a result of this [Section 3.3](#) shall not affect the registration of the other Registrable Securities to be included in such Registration.

#### 3.4 Suspension of Sales; Adverse Disclosure; Restrictions on Registration Rights.

3.4.1 Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each Holder shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice), or until it is advised in writing by the Company that the use of the Prospectus may be resumed.

3.4.2 If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would (a) require the Company to make an Adverse Disclosure, (b) require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control or (c) in the good faith judgment of the majority of the Board, be seriously detrimental to the Company, and the majority of the Board concludes as a result that it is essential to defer such filing, initial effectiveness or continued use at such time, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than 45 days, determined in good faith by the Company to be necessary for such purpose; provided that such right to delay or suspend shall be exercised by the Company not more than two (2) times, which may be consecutive, in any 12-month period. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.4.3 (a) During the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company-initiated Registration and provided that the Company continues to actively employ, in good faith, all reasonable efforts to maintain the effectiveness of the applicable Shelf Registration Statement, or (b) if, pursuant to [Section 2.1.3](#), a Demanding Holder has requested an Underwritten Shelf Takedown and the Company and such Demanding Holder are unable to obtain the commitment of underwriters to firmly underwrite such offering, the Company may, upon giving prompt written notice of such action to the Holders, delay any other registered offering pursuant to [Section 2.1.3](#).

3.5 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings; provided that any documents publicly filed or furnished with the Commission pursuant to the Electronic Data Gathering, Analysis and Retrieval System shall be deemed to have been furnished or delivered to the Holders pursuant to this [Section 3.5](#).

3.6 Other Obligations. In connection with a sale or transfer of Registrable Securities exempt from Section 5 of the Securities Act or through any broker-dealer transactions described in the plan of distribution set forth within the Prospectus and pursuant to the Registration Statement of which such Prospectus forms a part, the

Company shall, subject to the receipt of any customary documentation reasonably required from the applicable Holders and/or their broker(s) in connection therewith, (a) promptly instruct its transfer agent to remove any restrictive legends applicable to the Registrable Securities being sold or transferred and (b) cause its legal counsel to deliver the necessary legal opinions, if any, to the transfer agent in connection with the instruction under subclause (a). In addition, the Company shall cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with the aforementioned sales or transfers; provided, however, that the Company shall have no obligation to participate in any “road shows” or assist with the preparation of any offering memoranda or related documentation with respect to any sale or transfer of Registrable Securities in any transaction that does not constitute an Underwritten Offering.

## **ARTICLE IV**

### **INDEMNIFICATION AND CONTRIBUTION**

#### **4.1 Indemnification.**

4.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder, its officers and directors and each person who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and expenses (including reasonable attorneys’ fees) caused by any (a) untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (b) any violation or alleged violation by the Company of the Securities Act or any other applicable federal or state securities laws or any rule or regulation promulgated thereunder application and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance, except, in each case, insofar as the same are caused by or contained in any information or affidavit furnished in writing to the Company by or on behalf of such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder is participating, such Holder shall furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus (the “**Holder Information**”) and, to the extent permitted by law, shall indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including without limitation reasonable attorneys’ fees) resulting from any untrue or alleged untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders, and the liability of each such Holder shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

4.1.3 Any person entitled to indemnification herein shall (a) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person’s right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (b) unless in such indemnified party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim,

permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one (1) counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person of such indemnified party and shall survive the transfer of securities. The Company and each Holder participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.1.5 If the indemnification provided under this Section 4.1 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by *pro rata* allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this subsection 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

A sale or transfer that qualifies pursuant to an exemption from the Securities Act shall not be deemed to have been made pursuant to a Registration Statement.

5.2.3 After the expiration of the Lock-Up Period, a Holder may assign or delegate such Holder's rights, duties or obligations under this Agreement, in whole or in part, to (a) up to five (5) Permitted Transferees, provided, however, that each such Permitted Transferee holds, after giving effect to such assignment or delegation, at least two percent (2%) of the then-outstanding Class A Common Stock, (b) an Affiliate of such Holder, (c) direct and/or indirect equity holders of any Holder pursuant to a distribution as described in [Section 5.14](#) of this Agreement or (d) any person with the prior written consent of the Company.

5.2.4 This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and its successors and the permitted assigns of the Holders.

5.2.5 Other than as expressly set forth herein, this Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing in this Agreement expressed or implied shall give or be construed to give to any person or entity, other than the parties hereto and such successors and permitted assigns, any legal or equitable rights under this Agreement.

5.2.6 No assignment by any party hereto of such party's rights, duties and obligations hereunder shall be binding upon or obligate the Company unless and until the Company shall have received (a) written notice of such assignment as provided in [Section 5.1](#) hereof and (b) the written agreement of the assignee, in a form reasonably satisfactory to the Company, to be bound by the terms and provisions of this Agreement (which may be accomplished by an addendum or certificate of joinder to this Agreement). Any transfer or assignment made other than as provided in this [Section 5.2](#) shall be null and void.

5.3 [Execution of Agreement](#). This Agreement may be executed in one (1) or more counterparts, all of which shall be considered one (1) and the same agreement, and shall become effective when one (1) or more such counterparts have been signed by each of the parties and delivered to the other party. Facsimile or electronic mail transmission of counterpart signatures to this Agreement shall be acceptable and binding.

## 5.4 [Governing Law; Venue](#).

5.4.1 This Agreement and all disputes, claims or controversies relating to, arising out of, or in connection with this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to contracts executed in and to be performed in the State of Delaware, without giving effect to any choice of law or conflict of laws, rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

5.4.2 Any proceeding or Action based upon, arising out of or related to this Agreement must be brought in the Court of Chancery of the State of Delaware (or, to the extent such Court does not have subject matter jurisdiction, the Superior Court of the State of Delaware), or, if it has or can acquire jurisdiction, in the United States District Court for the District of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such proceeding or Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the proceeding or Action shall be heard and determined only in any such court, and agrees not to bring any proceeding or Action arising out of or relating to this Agreement in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law or to commence Legal Proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Action, suit or proceeding brought pursuant to this Section 5.4.2.

5.5 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably, unconditionally and voluntarily waives any right such party may have to a trial by jury in respect of any Action, suit or proceeding directly or indirectly arising out of or relating to this Agreement.

5.6 Amendments and Waivers. Only upon the written consent of the Company and the Holders of at least a majority in interest of the total Registrable Securities at the time in question as determined in good faith by the Company, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of the shares of capital stock of the Company, in a manner that is materially different from the other Holders (in such capacity) shall require the consent of the Holder so affected. No provision of this Agreement may be waived unless such waiver is in writing and signed by the party or parties against whom such waiver is to be effective. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have hereunder.

5.7 Other Registration Rights. Other than the PIPE Investors who have registration rights pursuant to their respective Subscription Agreements with respect to equity securities of the Company to be issued on the Closing Date, the Company represents and warrants that no person, other than a Holder of Registrable Securities, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration Statement filed by the Company for the sale of securities for its own account or for the account of any other person. The Company shall not hereafter enter into any agreement with respect to its securities which is inconsistent with or violates the rights granted to any Holder of Registrable Securities in this Agreement. Further, the Company represents and warrants that this Agreement supersedes any other registration rights agreement or agreement with similar terms and conditions and in the event of a conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail.

5.8 Rule 144. With a view to making available to the Holders the benefits of Rule 144 promulgated under the Securities Act, the Company covenants that it will (a) make available information necessary to comply with Rule 144, if available with respect to resales of the Registrable Securities under the Securities Act, at all times, and (b) take such further action as the Holders may reasonably request, all to the extent required from time to time to enable such Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (if available with respect to resales of the Registrable Securities), as such rule may be amended from time to time. Upon the reasonable request of any Holder, the Company will deliver to it a written statement as to whether they have complied with such information requirements, and, if not, the specific reasons for non-compliance.

5.9 Term. This Agreement shall terminate with respect to any Holder on the date that such Holder no longer holds any Registrable Securities. The provisions of Section 3.5 and Article IV shall survive any termination.

5.10 Holder Information. Each Holder agrees, if requested in writing, to represent to the Company the total number of Registrable Securities held by such Holder in order for the Company to make determinations hereunder, including, without limitation, for purposes of Section 5.8 hereof.

5.11 Severability. It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

5.12 Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Company shall be entitled to an injunction or injunctions to prevent breaches of this Agreement by a Holder and to enforce specifically the terms and provisions hereof.

5.13 Entire Agreement; Restatement. This Agreement constitutes the full and entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter. Upon the Closing, the Original Agreement shall no longer be of any force or effect. Upon any amendment or restatement, this Agreement shall no longer be of any force or effect.

5.14 Distributions. In the event that any Holder distributes, or has distributed, any of its Registrable Securities to its direct and/or indirect equity holders, such distributees shall be treated as the applicable Holder hereunder; provided that only the holders of a majority-in-interest of the Registrable Securities held by all such distributees, as determined in good faith by the Company, shall be entitled to take any action under this Agreement that such Holder is entitled to take, provided, further, that such distributees, taken as a whole, shall not be entitled to rights in excess of those conferred to the applicable Holder, as if it remained a single entity party to this Agreement.

5.15 Adjustments. If, and as often as, there are any changes in the Registrable Securities by way of stock split, stock dividend, combination or reclassification, or through merger, consolidation, reorganization, recapitalization or sale, or by any other means, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to the Registrable Securities as so changed.

5.16 Further Assurances. From time to time, at another party's request and without further consideration (but at the requesting party's reasonable cost and expense), each party shall execute and deliver such additional documents and take all such further action as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided that the Company shall provide at least twenty (20) days prior written notice of any such extension to Registered Holders of the Warrants and, provided further that any such extension shall be identical in duration among all the Warrants.

3.3. Exercise of Warrants.

3.3.1. Payment. 3.3.5. Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this subsection 3.3.5; however, no holder of a Warrant shall be subject to this subsection 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not effect the exercise of the holder's Warrant, and such holder shall not have the right to exercise such Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the Warrant Agent's actual knowledge, would beneficially own in excess of 4.9% or 9.8% (or such other amount specified by such holder) (the "**Maximum Percentage**") of the Ordinary Shares outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of Ordinary Shares beneficially owned by such person and its affiliates shall include the number of Ordinary Shares issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude Ordinary Shares that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred shares or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). For purposes of the Warrant, in determining the number of outstanding Ordinary Shares, the holder may rely on the number of outstanding Ordinary Shares as reflected in (1) the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Commission as the case may be, (2) a more recent public

announcement by the Company or (3) any other notice by the Company or Continental Stock Transfer & Trust Company, as transfer agent (in such capacity, the “**Transfer Agent**”), setting forth the number of Ordinary Shares outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of Ordinary Shares then outstanding. In any case, the number of issued and outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of issued and outstanding Ordinary Shares was reported. By written notice to the Company, the holder of a Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

4. Adjustments.

4.1. Share Capitalizations.

4.1.1. Sub-Divisions. If after the date hereof, and subject to the provisions of Section 4.6 below, the number of issued and outstanding Ordinary Shares is increased by a capitalization or share dividend of Ordinary Shares, or by a sub-division of Ordinary Shares or other similar event, then, on the effective date of such share capitalization, sub-division or similar event, the number of Ordinary Shares issuable on exercise of each Warrant shall be increased in proportion to such increase in the issued and outstanding Ordinary Shares. A rights offering to all holders of Ordinary Shares entitling holders to purchase Ordinary Shares at a price less than the “Historical Fair Market Value” (as defined below) shall be deemed a capitalization of a number of Ordinary Shares equal to the product of (i) the number of Ordinary Shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for the Ordinary Shares) multiplied by (ii) one (1) minus the quotient of (x) the price per Ordinary Share paid in such rights offering divided by (y) the Historical Fair Market Value. For purposes of this subsection 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for Ordinary Shares, in determining the price payable for Ordinary Shares, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “**Historical Fair Market Value**” means the volume weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the first date on which the Ordinary Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights. No Ordinary Shares shall be issued at less than their par value.

4.1.2. Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, pays to the holders of Ordinary Shares a dividend or ~~make~~makes a distribution in cash, securities or other assets on account of such Ordinary Shares (or other shares into which the Warrants are convertible), other than (a) as described in subsection 4.1.1 above, (b) Ordinary Cash Dividends (as defined below), (c) to satisfy the redemption rights of the holders of the Ordinary Shares in connection with a proposed initial Business Combination, (d) to satisfy the redemption rights of the holders of the Ordinary Shares in connection with a shareholder vote to amend the Company’s amended and restated memorandum and articles of association (i) to modify the substance or timing of the Company’s obligation to allow redemptions in connection with the Company’s initial Business Combination or to redeem 100% of the Company’s public shares if it does not complete its initial Business Combination within the time period required by the Company’s Amended and Restated Memorandum and Articles of Association, as amended from time to time, or (ii) with respect to any other provision relating to shareholders’ rights or pre-initial Business Combination activity, (e) as a result of the repurchase of Ordinary Shares by the Company if a proposed initial Business Combination is presented to the shareholders of the Company for approval or (f) in connection with the redemption of public shares upon the failure of the Company to complete its initial Business Combination and any subsequent distribution of its assets upon its liquidation (any such non-excluded event being referred to herein as an “**Extraordinary Dividend**”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary

Dividend, by the amount of cash and/or the fair market value (as determined by the Company's board of directors (the "**Board**"), in good faith) of any securities or other assets paid on each Ordinary Share in respect of such Extraordinary Dividend. For purposes of this subsection 4.1.2, "**Ordinary Cash Dividends**" means any cash dividend or cash distribution which, when combined on a per share basis, with the per share amounts of all other cash dividends and cash distributions paid on the Ordinary Shares during the 365-day period ending on the date of declaration of such dividend or distribution to the extent it does not exceed \$0.50 (which amount shall be adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of Ordinary Shares issuable on exercise of each Warrant).

4.2. Aggregation of Shares. If after the date hereof, and subject to the provisions of Section 4.6 hereof, the number of issued and outstanding Ordinary Shares is decreased by a consolidation, combination, reverse share sub-division or reclassification of Ordinary Shares or other similar event, then, on the effective date of such consolidation, combination, reverse share sub-division, reclassification or similar event, the number of Ordinary Shares issuable on exercise of each Warrant shall be decreased in proportion to such decrease in issued and outstanding Ordinary Shares.

4.3. Adjustments in Exercise Price. Whenever the number of Ordinary Shares purchasable upon the exercise of the Warrants is adjusted, as provided in subsection 4.1.1 or Section 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of Ordinary Shares purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of Ordinary Shares so purchasable immediately thereafter.

4.4. Raising of the Capital in Connection with the Initial Business Combination

. If (x) the Company issues additional Ordinary Shares or equity-linked securities for capital raising purposes in connection with the closing of its initial Business Combination at an issue price or effective issue price of less than \$9.20 per Ordinary Share (with such issue price or effective issue price to be determined in good faith by the Board and, in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Class B ordinary shares, par value \$0.0001 per share, of the Company held by the Sponsor or such affiliates, as applicable, prior to such issuance) (the "**Newly Issued Price**"), (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the Company's initial Business Combination on the date of the completion of the Company's initial Business Combination (net of redemptions), and (z) the volume-weighted average trading price of Ordinary Shares during the ten (10) trading day period starting on the trading day prior to the day on which the Company consummates its initial Business Combination (such price, the "**Market Value**") is below \$9.20 per share, the Warrant Price shall be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, the \$18.00 per share redemption trigger price described in Section 6.1 ~~and Section 6.2~~ shall be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price ~~and the \$10.00 per share redemption trigger price described in Section 6.2 shall be adjusted (to the nearest cent) to be equal to the higher of the Market Value and the Newly Issued Price.~~

4.5. Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the issued and outstanding Ordinary Shares (other than a change under Section 4.1 or Section 4.2 hereof or that solely affects the par value of such Ordinary Shares), or in the case of any merger or consolidation of the Company with or into another corporation (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the issued and outstanding Ordinary Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the Ordinary

Shares of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares or stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the “**Alternative Issuance**”); provided, however, that ~~(i) if the holders of the Ordinary Shares were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the Ordinary Shares in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of the Ordinary Shares (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by shareholders of the Company as provided for in the Company’s amended and restated memorandum and articles of association or as a result of the repurchase of Ordinary Shares by the Company if a proposed initial Business Combination is presented to the shareholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act) more than 50% of the issued and outstanding Ordinary Shares, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a shareholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Ordinary Shares held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4;~~ provided further that if less than 70% of the consideration receivable by the holders of the Ordinary Shares in the applicable event is payable in the form of shares in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as defined below) (but in no event less than zero) minus (B) the Black-Scholes Warrant Value (as defined below). The “**Black-Scholes Warrant Value**” means the value of a Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for (x) with respect to a Public Warrant, a Capped American Call, and (y) with respect to a Private Placement Warrant, an Uncapped American Call, in each case, as provided on Bloomberg Financial Markets (assuming zero dividends) (“**Bloomberg**”). For purposes of calculating such amount, (i) Section 6 of this Agreement shall be taken into account, (ii) the price of each Ordinary Share shall be the volume weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event, (iii) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event and (iv) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. “**Per Share Consideration**” means (i) if the consideration paid to holders of the Ordinary Shares consists exclusively of cash, the amount of such cash per Ordinary Share, and (ii) in all other cases, the volume weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification or reorganization also results in a change in Ordinary Shares covered by subsection 4.1.1, then such adjustment shall be made pursuant to subsection 4.1.1 or Sections 4.2, 4.3 and this Section 4.4. The provisions of this Section 4.4 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no

event shall the Warrant Price be reduced to less than the par value per share issuable upon exercise of such Warrant.

4.6. Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of shares issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3, 4.4 or 4.5, the Company shall give written notice of the occurrence of such event to each holder of a Warrant, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.7. No Fractional Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares upon the exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round down to the nearest whole number the number of Ordinary Shares to be issued to such holder.

4.8. Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this Section 4, and Warrants issued after such adjustment may state the same Warrant Price and the same number of shares as is stated in the Warrants initially issued pursuant to this Agreement; provided, however, that the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

## 5. Transfer and Exchange of Warrants.

5.1. Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant representing an equal aggregate number of Warrants shall be issued and the old Warrant shall be cancelled by the Warrant Agent. In the case of certificated Warrants, the Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2. Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, together with a written request for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that except as otherwise provided herein or with respect to any Book-Entry Warrant, each Book-Entry Warrant may be transferred only in whole and only to the Depositary, to another nominee of the Depositary, to a successor depository, or to a nominee of a successor depository; provided further, however that in the event that a Warrant surrendered for transfer bears a restrictive legend (as in the case of the Private Placement Warrants), the Warrant Agent shall not cancel such Warrant and issue new Warrants in exchange thereof until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrants must also bear a restrictive legend.

5.3. Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a warrant certificate or book-entry position for a fraction of a warrant, except as part of the Units.

5.4. Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5. Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrants required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, shall supply the Warrant Agent with Warrants duly executed on behalf of the Company for such purpose.

~~5.6. Transfer of Warrants. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Unit in which such Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Unit. Furthermore, each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Notwithstanding the foregoing, the provisions of this Section 5.6 shall have no effect on any transfer of Warrants on and after the Detachment Date.~~

## 6. Redemption.

6.1. Redemption of Warrants for Cash. ~~Subject to Section 6.5 hereof, not~~ Not less than all of the outstanding Public Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon notice to the Registered Holders of the Public Warrants, as described in Section 6.3 below, at a Redemption Price of \$0.01 per Public Warrant, provided that (a) the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof) and (b) there is an effective registration statement covering the issuance of the Ordinary Shares issuable upon exercise of the Public Warrants, and a current prospectus relating thereto, available throughout the 30-day Redemption Period (as defined in Section 6.3 below).

~~6.2. Redemption of Warrants for Ordinary Shares. Subject to Section 6.5 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at a Redemption Price of \$0.10 per Warrant, provided that (i) the Reference Value equals or exceeds \$10.00 per share (subject to adjustment in compliance with Section 4 hereof) and (ii) if the Reference Value is less than \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), the Private Placement Warrants are also concurrently called for redemption on the same terms as the outstanding Public Warrants. During the 30-day Redemption Period in connection with a redemption pursuant to this Section 6.2, Registered Holders of the Warrants may elect to exercise their Warrants on a "cashless basis" pursuant to subsection 3.3.1 and receive a number of Ordinary Shares determined by reference to the table below, based on the Redemption Date (calculated for purposes of the table as the period to expiration of the Warrants) and the "Redemption Fair Market Value" (as such term is defined in this Section 6.2) (a "Make Whole Exercise"). Solely for purposes of this Section 6.2, the "Redemption Fair Market Value" shall mean the volume weighted average price of the Ordinary Shares for the ten (10) trading days immediately following the date on which notice of redemption pursuant to this Section 6.2 is sent to the Registered Holders. In connection with any redemption pursuant to this Section 6.2, the Company shall provide the Registered Holders with the Redemption Fair Market Value no later than one (1) Business Day after the ten (10) trading day period described above ends.~~

The exact Redemption Fair Market Value and Redemption Date may not be set forth in the table above, in which case, if the Redemption Fair Market Value is between two values in the table or the Redemption Date is between two redemption dates in the table, the number of Ordinary Shares to be issued for each Warrant exercised in a Make-Whole Exercise shall be determined by a straight line interpolation between the number of shares set forth for the higher and lower Redemption Fair Market Values and the earlier and later redemption dates, as applicable, based on a 365- or 366-day year, as applicable:

The share prices set forth in the column headings of the table above shall be adjusted as of any date on which the number of shares issuable upon exercise of a Warrant or the Exercise Price is adjusted pursuant to Section 4 hereof. If the number of shares issuable upon exercise of a Warrant is adjusted pursuant to Section 4 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the number of shares deliverable upon exercise of a Warrant immediately prior to such adjustment and the denominator of which is the number of shares deliverable upon exercise of a Warrant as so adjusted. The number of shares in the table above shall be adjusted in the same manner and at the same time as the number of shares issuable upon exercise of a Warrant. If the Exercise Price of a warrant is adjusted, (a) in the case of an adjustment pursuant to Section 4.4 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment multiplied by a fraction, the numerator of which is the higher of the Market Value and the Newly Issued Price and the denominator of which is \$10.00 and (b) in the case of an adjustment pursuant to Section 4.1.2 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment less the decrease in the Exercise Price pursuant to such Exercise Price adjustment. In no event shall the number of shares issued in connection with a Make-Whole Exercise exceed 0.361 Ordinary Shares per Warrant (subject to adjustment)

6.3. Date Fixed for, and Notice of, Redemption; Redemption Price; Reference Value. In the event that the Company elects to redeem the Public Warrants pursuant to Sections 6.1 or 6.2, the Company shall fix a

date for the redemption (the “**Redemption Date**”). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than thirty (30) days prior to the Redemption Date (the “**30-day Redemption Period**”) to the Registered Holders of the [Public](#) Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the Registered Holder received such notice. As used in this Agreement, (a) “**Redemption Price**” shall mean the price per [Public](#) Warrant at which any [Public](#) Warrants are redeemed pursuant to ~~Sections~~[Section 6.1-or 6.2](#) and (b) “**Reference Value**” shall mean the last reported sales price of the Ordinary Shares for any twenty (20) trading days within the thirty (30) trading-day period ending on the third trading day prior to the date on which notice of the redemption is given.

6.4. Exercise After Notice of Redemption. The [Public](#) Warrants may be exercised, for cash ~~(or on a “cashless basis” in accordance with Section 6.2 of this Agreement)~~ at any time after notice of redemption shall have been given by the Company pursuant to [Section 6.3](#) hereof and prior to the Redemption Date. On and after the Redemption Date, the record holder of the [Public](#) Warrants shall have no further rights except to receive, upon surrender of the [Public](#) Warrants, the Redemption Price.

~~6.5. Exclusion of Private Placement Warrants. The Company agrees that (a) the redemption rights provided in Section 6.1 hereof shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees and (b) if the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), the redemption rights provided in Section 6.2 hereof shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees. However, once such Private Placement Warrants are transferred (other than to Permitted Transferees in accordance with Section 2.6 hereof), the Company may redeem the Private Placement Warrants pursuant to Section 6.1 or 6.2 hereof, provided that the criteria for redemption are met, including the opportunity of the holder of such Private Placement Warrants to exercise the Private Placement Warrants prior to redemption pursuant to Section 6.4 hereof. Private Placement Warrants that are transferred to persons other than Permitted Transferees shall upon such transfer cease to be Private Placement Warrants and shall become Public Warrants under this Agreement, including for purposes of Section 9.8 hereof.~~

7. Other Provisions Relating to Rights of Holders of Warrants.

7.1. No Rights as Shareholder. A Warrant does not entitle the Registered Holder thereof to any of the rights of a shareholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights, to vote or to consent or to receive notice as shareholders in respect of the meetings of shareholders or the election of directors of the Company or any other matter.

7.2. Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant is lost, stolen, mutilated, or destroyed, the Company and the Warrant Agent may on such terms as to indemnify or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor, and date as the Warrant so lost, stolen, mutilated, or destroyed. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant shall be at any time enforceable by anyone.

7.3. Reservation of Ordinary Shares. The Company shall at all times reserve and keep available a number of its authorized but unissued Ordinary Shares that shall be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

~~7.4. Registration of Ordinary Shares; Cashless Exercise at Company’s Option.~~

~~7.4.17.4.~~ 7.4.17.4. Registration of the Ordinary Shares. The Company agrees that as soon as practicable, but in no event later than fifteen (15) Business Days after the closing of its initial Business Combination, it shall use its commercially reasonable efforts to file with the Commission a registration statement for the registration, under the Securities Act, of the Ordinary Shares issuable upon exercise of the Warrants. If the Warrants are exercisable for a security other than the Ordinary Shares pursuant to this Agreement, the Warrants may be exercised for such security. At such time as the Warrants become exercisable for a security other than the Ordinary Shares, the Company (or any successor company) will use its commercially reasonable efforts to register under the Securities Act the security issuable upon the exercise of the warrants within (20) twenty business days of the closing of an initial Business Combination. The Company shall use its commercially reasonable efforts to cause the same to become effective within sixty (60) Business Days following the closing of its initial Business Combination and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration or redemption of the Warrants in accordance with the provisions of this Agreement. If any such registration statement has not been declared effective by the sixtieth (60<sup>th</sup>) Business Day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the sixty-first (61<sup>st</sup>) Business Day after the closing of the Business Combination and ending upon such registration statement being declared effective by the Commission, and during any other period when the Company shall fail to have maintained an effective registration statement covering the issuance of the Ordinary Shares issuable upon exercise of the Warrants, to exercise such Warrants on a “cashless basis,” by exchanging the Warrants (in accordance with Section 3(a)(9) of the Securities Act or another exemption) for that number of Ordinary Shares equal to the ~~lesser of (A) the~~ quotient obtained by dividing (x) the product of the number of Ordinary Shares underlying the Warrants, multiplied by the excess of the “Fair Market Value” (as defined below) less the Warrant Price by (y) the Fair Market Value ~~and (B) 0.361~~ **Ordinary Shares per Warrant**. Solely for purposes of this ~~subsection 7.4.1~~ Section 7.4, “Fair Market Value” shall mean the volume-weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the date that notice of exercise is received by the Warrant Agent from the holder of such Warrants or its securities broker or intermediary. The date that notice of “cashless exercise” is received by the Warrant Agent shall be conclusively determined by the Warrant Agent. In connection with the “cashless exercise” of a **Public** Warrant, the Company shall, upon request, provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a “cashless basis” in accordance with this ~~subsection 7.4.1~~ Section 7.4 is not required to be registered under the Securities Act and (ii) the Ordinary Shares issued upon such exercise shall be freely tradable under United States federal securities laws by anyone who is not an affiliate (as such term is defined in Rule 144 under the Securities Act) of the Company and, accordingly, shall not be required to bear a restrictive legend. ~~Except as provided in subsection 7.4.2, for~~ For the avoidance of doubt, unless and until all of the Warrants have been exercised or have expired, the Company shall continue to be obligated to comply with its registration obligations under the first three sentences of this ~~subsection 7.4.1~~ Section 7.4.

~~7.4.2. Cashless Exercise at Company's Option. If the Ordinary Shares are at the time of any exercise of a Public Warrant not listed on a national securities exchange such that they satisfy the definition of a “covered security” under Section 18(b)(1) of the Securities Act, the Company may, at its option, (i) require holders of Public Warrants who exercise Public Warrants to exercise such Public Warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act as described in subsection 7.4.1 and (ii) in the event the Company so elects, the Company shall (x) not be required to file or maintain in effect a registration statement for the registration, under the Securities Act, of the Ordinary Shares issuable upon exercise of the Warrants, notwithstanding anything in this Agreement to the contrary, and (y) use its commercially reasonable efforts to register or qualify for sale the Ordinary Shares issuable upon exercise of the Public Warrant under applicable blue sky laws to the extent an exemption is not available.~~

8. Concerning the Warrant Agent and Other Matters.

8.1. Payment of Taxes. The Company shall from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of Ordinary

8.2. Resignation, Consolidation, or Merger of Warrant Agent.

8.2.1. Appointment of Successor Warrant Agent. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of thirty (30) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of a Warrant (who shall, with such notice, submit his, her or its Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company's cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be a corporation or other entity organized and existing under the laws of the State of New York, in good standing and having its principal office in the United States of America, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2. Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the Transfer Agent for the Ordinary Shares not later than the effective date of any such appointment.

8.2.3. Merger or Consolidation of Warrant Agent. 8.3.2. Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2. Indemnity. The Warrant Agent shall be liable hereunder only for its own gross negligence, willful misconduct, fraud or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, out-of-pocket costs and reasonable outside counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement, except as a result of the Warrant Agent's gross negligence, willful misconduct, fraud or bad faith.

8.4.3. Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof). The Warrant Agent shall not be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant. The Warrant Agent shall not be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Ordinary Shares to be issued pursuant to this Agreement or any Warrant or as to whether any Ordinary Shares shall, when issued, be valid and fully paid and nonassessable.

8.5. Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of Ordinary Shares through the exercise of the Warrants.

8.6. Waiver. The Warrant Agent has no right of set-off or any other right, title, interest or claim of any kind ("**Claim**") in, or to any distribution of, the Trust Account (as defined in that certain Investment Management Trust Agreement, dated as of the date hereof, by and between the Company and Continental Stock Transfer & Trust Company as trustee thereunder) and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the Trust Account for any reason whatsoever. PART II: INFORMATION NOT REQUIRED IN PROSPECTUS

**Item 20. Indemnification of Directors and Officers.**

Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware (the “DGCL”) empowers a corporation to indemnify any person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person acted in any of the capacities set forth above, against expenses (including attorneys’ fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and the indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person’s heirs, executors and administrators. Section 145 also empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

Section 102(b)(7) of the DGCL provides that a corporation’s certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

Additionally, the Vivid Seats PubCo Amended and Restated Charter limits the liability of Vivid Seats PubCo’s directors to the fullest extent permitted by the DGCL, and the Vivid Seats PubCo Amended and

Restated Bylaws provide that Vivid Seats PubCo will indemnify them to the fullest extent permitted by such law. Vivid Seats PubCo has entered into and expects to continue to enter into agreements to indemnify Vivid Seats PubCo's directors, executive officers and other employees as determined by Vivid Seats PubCo's board of directors. Under the terms of such indemnification agreements, Vivid Seats PubCo is required to indemnify each of its directors and officers, to the fullest extent permitted by the laws of the state of Delaware, if the basis of the indemnitee's involvement was by reason of the fact that the indemnitee is or was Vivid Seats PubCo's director or officer or was serving at Vivid Seats PubCo's request in an official capacity for another entity. Vivid Seats PubCo must indemnify its officers and directors against all reasonable fees, expenses, charges and other costs of any type or nature whatsoever, including any and all expenses and obligations paid or incurred in connection with investigating, defending, being a witness in, participating in (including on appeal), or preparing to defend, be a witness or participate in any completed, actual, pending or threatened action, suit, claim or proceeding, whether civil, criminal, administrative or investigative, or establishing or enforcing a right to indemnification under the indemnification agreement. The indemnification agreements also require Vivid Seats PubCo, if so requested, to advance all reasonable fees, expenses, charges and other costs that such director or officer incurred, provided that such person will return any such advance if it is ultimately determined that such person is not entitled to indemnification by Vivid Seats PubCo. Any claims for indemnification by Vivid Seats PubCo's directors and officers may reduce Vivid Seats PubCo's available funds to satisfy successful third-party claims against Vivid Seats PubCo and may reduce the amount of money available to Vivid Seats PubCo.

### **Item 22. Undertakings**

#### ***The undersigned registrant hereby undertakes:***

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement (notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement); and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of securities, in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser: (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424; (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant; (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

## Table of Contents

- (5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) That, prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the registrant undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.
- (8) That every prospectus (i) that is filed pursuant to the immediately preceding paragraph, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment has become effective, and that for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (9) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first-class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
- (10) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of, and included in, this registration statement when it became effective.
- (11) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Chicago, State of Illinois, on July 6, 2021.

SECTION 1.11 Compliance with Certain Sections.

Without limiting the reclassification rights described in any Section of Article VI, for purposes of determining compliance with Article VI (other than Section 6.11), in the event that any Lien, Investment, Indebtedness (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof), Disposition, Affiliate transaction, restrictive agreement, or prepayment of Indebtedness meets the criteria of one, or more than one, of the "baskets" or categories of transactions of the same covenant then permitted pursuant to any clause or subsection of such Article VI (other than Sections 6.01(a)(i), 6.01(a)(xx), 6.02(i) and 6.02(xix)), such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses at the time of such transaction or any later time from time to time, in each case, as determined by the Borrower in its sole discretion at such time and thereafter may be reclassified by the Borrower in any manner not expressly prohibited by this Agreement. If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Consolidated EBITDA for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations. Each direct or indirect Subsidiary of Holdings that is required to be joined and is joined as a Loan Party pursuant to Section 5.11 shall, until the completion of such joinder, be deemed for the purposes of Article VI of this Agreement to be a Loan Party from and after the Effective Date (or, if later, the date of formation or acquisition of such subsidiary).

THE CREDITS

SECTION 2.01 Commitments.

Subject to the terms and conditions set forth herein, (a) each Term Lender severally, and not jointly, agrees to make Term Loans to the Borrower on the Effective Date denominated in Dollars in a principal amount not exceeding such Term Lender's Term Commitment and (b) each Revolving Lender agrees to make Revolving Loans of the applicable Class to the Borrower denominated in Dollars or an Alternative Currency, from time to time during the Revolving Availability Period in an aggregate principal amount which will not result in such Revolving Lender's Revolving Exposure of such Class exceeding such Revolving Lender's Revolving Commitment of such Class (provided, that Revolving Loans funded on the Effective Date shall not exceed \$20,000,000 in the aggregate). Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of the Voluntary Prepayment Amount to the extent provided by Section 2.20).

SECTION 2.02 Loans and Borrowings.

(a) Each (i) Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class and (ii) Revolving Loans shall be made by the Revolving Lenders ratably in accordance with their respective Revolving Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder, provided that the Commitments of the Lenders are several and other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for any other Lender's failure to make Loans as required hereby.

(b) Subject to Section 2.14, each Revolving Borrowing and Term Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith, provided that all Borrowings made on the Effective Date must be made as ABR Borrowings unless the Borrower shall have given the notice required for a Eurodollar Borrowing under Section 2.03 and, to the extent requested by the Administrative Agent, provided an indemnity letter extending the benefits of Section 2.16 to Lenders in respect of such Borrowings. Revolving Loans may be ABR Loans or Eurodollar Loans. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the

Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurodollar Borrowing that results from a continuation of one or more outstanding Eurodollar Borrowings may be in an aggregate amount that is equal to such outstanding Borrowings. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of eight Eurodollar Borrowings outstanding *plus* an additional two Eurodollar Borrowings for each outstanding Incremental Facility. Notwithstanding anything to the contrary herein, a Revolving Borrowing of the applicable Class may be in an aggregate amount equal to the entire unused balance of the aggregate Revolving Commitments of such Class or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(f).

#### SECTION 2.03 Requests for Borrowings.

To request a Revolving Borrowing or Term Borrowing, the Borrower shall notify the Administrative Agent of such request by email or facsimile to the Administrative Agent of a written Borrowing Request signed by the Borrower substantially in the form of Exhibit C-1 (a) in the case of a Eurodollar Borrowing, not later than 12:00 p.m., New York City time, three (3) Business Days before the date of the proposed Borrowing (or, in the case of any Eurodollar Borrowing to be made on the Effective Date, the same Business Day) or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., New York City time, one (1) Business Day prior to the date of the proposed Borrowing, or, in each case, such later time as is acceptable to the Administrative Agent. Each such written Borrowing Request shall specify the following information:

- (i) whether the requested Borrowing is to be a Revolving Borrowing or a Term Borrowing (specifying the Class thereof);
- (ii) the aggregate amount of such Borrowing and, in the case of Revolving Borrowings, the currency of such Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (v) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (vi) the location and number of the Borrower's account or accounts to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified as to any requested Borrowing in Dollars, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration. If no currency for a Revolving Borrowing is specified, the requested Borrowing shall be in Dollars. Promptly following receipt of a Borrowing

Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

#### SECTION 2.04 Swing Line Loans

(a) *The Swing Line.* Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans in Dollars to the Borrower (each such loan, a "Swing Line Loan"), from time to time on any Business Day during the Revolving Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage or other applicable share provided for under this Agreement of the Outstanding Amount of Revolving Loans and LC Exposure of the Revolving Lender acting as Swing Line Lender, may exceed the amount of such Swing Line Lender's Revolving Commitment; *provided* that, after giving effect to any Swing Line Loan, (i) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitment, then in effect and (ii) the aggregate principal amount of all Swing Line Loans outstanding shall not exceed the Swing Line Sublimit; *provided, further*, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.11, and re-borrow under this Section 2.04 without premium or penalty. Each Swing Line Loan shall be an ABR Loan. Immediately upon the making of a Swing Line Loan, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Revolving Lender's Applicable Percentage or other applicable share provided for under this Agreement times the amount of such Swing Line Loan.

(b) *Borrowing Procedures.* Each Swing Line Borrowing shall be made upon the Borrower's delivery to the relevant Swing Line Lender and the Administrative Agent of a Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 12:00 p.m. on the requested borrowing date (or such later time as is acceptable to the Administrative Agent) and shall specify (i) the amount to be borrowed, which shall be a minimum of \$250,000 (and any amount in excess of \$250,000 shall be an integral multiple of \$100,000) and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swing Line Lender of any Swing Line Loan Notice, Swing Line Lender will confirm with the Administrative Agent in writing that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent in writing of the contents thereof. Unless the Swing Line Lender has received a written notice from the Administrative Agent (including at the request of any Revolving Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied or waived, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 5:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower. Notwithstanding anything to the contrary contained in this Section 2.04 or elsewhere in this

Agreement, the Swing Line Lender shall not be obligated to make any Swing Line Loan at a time when a Revolving Lender is a Defaulting Lender unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender's Defaulting Lender Fronting Exposure (solely after giving effect to Section 2.22(a)(iv)) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by cash collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to the Swing Line Lender to support, such Defaulting Lender's or Defaulting Lenders' Applicable Percentage of the outstanding Swing Line Loans.

(c) *Refinancing of Swing Line Loans.* (i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Revolving Lender make a ABR Loan in an amount equal to such Revolving Lender's Applicable Percentage or other applicable share provided for under this Agreement of the aggregate principal amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing and delivered prior to 11:00 a.m. on the date of the proposed refinancing to the Administrative Agent and Revolving Lenders (which written request shall be deemed to be a Borrowing Request for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of ABR Loans, but subject to the unutilized portion of the aggregate Revolving Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Borrowing Request promptly after delivering such notice to the Administrative Agent. Each Revolving Lender shall make an amount equal to its Applicable Percentage or other applicable share provided for under this Agreement of the amount specified in such Borrowing Request available to the Administrative Agent in same day funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Borrowing Request, whereupon, subject to Section 2.04(c)(ii), each Revolving Lender that so makes funds available shall be deemed to have made a ABR Loan, as applicable, to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Borrowing in accordance with Section 2.04(c) (i), the request for ABR Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Revolving Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in

effect. A certificate of the Swing Line Lender submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Lender's obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.04(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Borrowing Request). No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.* (i) At any time after any Revolving Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Revolving Lender its Applicable Percentage or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 9.08 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Lender shall pay to the Swing Line Lender its Applicable Percentage or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Lender funds its ABR Loan or risk participation pursuant to this Section 2.04 to refinance such Revolving Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

## SECTION 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank agrees, in reliance upon the agreements of the Revolving Lenders and the Borrower set forth in this Section 2.05 and elsewhere in the Loan Documents, to issue Letters of Credit denominated in Dollars or any Alternative Currency for the Borrower's own account (or for the account of any Subsidiary so long as the Borrower is an obligor in respect of all Loan Document Obligations arising under or in respect of such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, which shall reflect the standard operating procedures of such Issuing Bank, at any time and from time to time during the period from the Effective Date until the date that is the fifth (5th) Business Day prior to the Revolving Maturity Date; provided that (x) no Issuing Bank shall be required to issue any trade or commercial letters of credit hereunder and (y) no Issuing Bank shall be required to issue any Letter of Credit if after giving effect thereto the LC Exposure with respect to all Letters of Credit issued by such Issuing Bank would exceed the amount set forth across from its name on Schedule 2.05 (or in the documents pursuant to which such Issuing Bank became an Issuing Bank). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by a Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Issuance, Amendment, Renewal or Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by facsimile, or transmit by electronic communication, to the applicable Issuing Bank and the Administrative Agent (by 12:00 p.m. at least three (3) Business Days before the requested date of issuance, amendment, renewal or extension (or, in the case of any such request to be made on the Effective Date, one (1) Business Day) or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment, renewal or extension, as the case may be (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section 2.05), the amount and currency of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend or extend, as the case may be, such Letter of Credit. Each such notice shall be in the form of Exhibit Q, appropriately completed (each, a "Letter of Credit Request"). If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to, with respect to clauses (ii) and (iii), represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of each Issuing Bank shall not exceed its Fronting Exposure Cap, (ii) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments then in effect and (iii) the aggregate LC Exposure shall not exceed the Letter of Credit Sublimit. Letters of Credit will be available to be issued up to an aggregate face amount not to exceed the Letter of Credit Sublimit. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any Requirements of Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental

Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise fully compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank now or hereafter in effect and applicable to letters of credit generally, (iii) [reserved], (iv) except as otherwise agreed by the Administrative Agent and such Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000, or (v) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of cash collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank's Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure. No Issuing Bank shall be under any obligation (i) to amend or extend any Letter of Credit if (x) such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (y) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit or (ii) to issue any Letter of Credit if such Letter of Credit contains any provisions for automatic reinstatement of all or any portion of the stated amount thereof after any drawing thereunder or after the expiry date of such Letter of Credit (provided that any Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods as provided in Section 2.05(d)).

(c) Notice. Each Issuing Bank agrees that, upon any issuance, amendment, renewal or extension of a Letter of Credit, it shall have given to the Administrative Agent written notice thereof required under paragraph (m)(ii) of this Section 2.05.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any extension thereof, the date to which it has been extended (not in excess of one year from the last applicable expiry date)) or such later date as agreed to by the applicable Issuing Bank in its sole discretion and (ii) the date that is five (5) Business Days prior to the Revolving Maturity Date; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to the close of business on the next succeeding Business Day; provided, further, that any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed or extended automatically for additional consecutive periods of one year or less (but not beyond the date that is five (5) Business Days prior to the Revolving Maturity Date) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least thirty (30) days prior to the then-applicable expiration date, that such Letter of Credit will not be renewed or extended; provided, further, that such Letter of Credit shall not be required to expire on such fifth (5<sup>th</sup>) Business Day prior to the Revolving Maturity Date if such Letter of Credit is cash collateralized or backstopped in an amount, by an institution and otherwise pursuant to arrangements, in each case reasonably acceptable to the applicable Issuing Bank. For the avoidance of doubt, if the Revolving Maturity Date occurs prior to the expiration of any Letter of Credit as a

result of the last proviso in the foregoing sentence, then upon the taking of actions described in such proviso with respect to such Letter of Credit, all participations in such Letter of Credit under the terminated Revolving Commitments shall terminate.

(e) Participations. Immediately upon the issuance of each Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, each Revolving Lender shall be deemed to have purchased and the applicable Issuing Bank shall be deemed to have sold a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (f) of this Section 2.05, or of any reimbursement payment required to be refunded to the Borrower for any reason. All fundings of such participations shall be denominated in Dollars or, if applicable, the Dollar Equivalent of the relevant amount of such Letter of Credit. Each Revolving Lender acknowledges and agrees that its acquisition of participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each payment required to be made by it under the preceding sentence shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount (in same day funds) equal to such LC Disbursement not later than 4:00 p.m., New York City time, on the Business Day immediately following the Business Day that the Borrower receives written notice (including via e-mail) of such LC Disbursement (the "Reimbursement Date"), together with accrued interest or fees thereon in accordance with clause (i) of this Section 2.05. Anything contained herein to the contrary notwithstanding, (i) unless the Borrower shall have notified the Administrative Agent and the applicable Issuing Bank prior to 2:00 p.m., New York City time, on the Reimbursement Date that the Borrower intends to reimburse the applicable Issuing Bank for the amount of the LC Disbursement (including any accrued interest or fees thereon) with funds other than the proceeds of Revolving Loans, the Borrower shall be deemed to have given a timely Borrowing Request to the Administrative Agent requesting Revolving Lenders to make Revolving Loans that are ABR Revolving Loans on the Reimbursement Date in an amount equal to such LC Disbursement (together with any accrued interest or fees thereon), and (ii) subject to satisfaction or waiver of the conditions specified in Section 4.02, Revolving Lenders shall, on the Reimbursement Date, make Revolving Loans that are ABR Revolving Loans in an amount equal to their Applicable Percentage of such LC Disbursement (together with any accrued interest or fees thereon), the proceeds of which shall be applied directly by the Administrative Agent to reimburse the applicable Issuing Bank for the amount of such LC Disbursement (together with any accrued interest or fees thereon); provided that if for any reason proceeds of Revolving Loans are not received by the applicable Issuing Bank on the Reimbursement Date in an amount equal to such LC Disbursement (together with any accrued interest or fees thereon), the Borrower shall reimburse the applicable Issuing Bank, on

demand, in an amount in same day funds equal to the excess of such LC Disbursement (together with any accrued interest or fees thereon) over the aggregate amount of such Revolving Loans, if any, which are so received. The Revolving Loans made pursuant to this paragraph (f) shall be made without regard to the Borrowing Minimum.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section 2.05 is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, this Agreement or any other Loan Document, or any term or provision herein or therein, (ii) any exchange, change, waiver or release of any Collateral for, or any other Person's guarantee of or other liability for, any of the Secured Obligations, (iii) the existence of any claim, set-off, defense or other right which the Borrower or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the applicable Issuing Bank, any Lender or any other Person or, in the case of a Lender, against the Borrower, whether in connection herewith, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between the Borrower or one or more of its Subsidiaries and the beneficiary for which any Letter of Credit was procured), (iv) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (v) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit (provided that the Borrower shall not be obligated to reimburse such LC Disbursements unless payment is made against presentation of a draft or other document that at least substantially complies with the terms of such Letter of Credit), (vi) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of Holdings or any of its Subsidiaries; (vii) any breach hereof or any other Loan Document by any party hereto or thereto, (viii) the fact that an Event of Default or a Default shall have occurred and be continuing or (ix) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. As between the Borrower and any Issuing Bank, the Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued by such Issuing Bank and the proceeds thereof, by the respective beneficiaries of such Letters of Credit or any assignees or transferees thereof. In furtherance and not in limitation of the foregoing, none of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged other than to confirm such documents comply with the terms of such Letter of Credit; (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) failure of the beneficiary of any such Letter of Credit to comply fully with any conditions required in order to draw upon such Letter of Credit; (iv) its honor of any presentation under a Letter of Credit that appears on its face to substantially comply with the terms and conditions of such Letter of Credit; (v) any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or

relating to any Letter of Credit (including any document required to make a drawing thereunder); (vi) errors in interpretation of technical terms; (vii) any loss or delay in the transmission of any document required in order to make a drawing under any such Letter of Credit; (viii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (ix) any consequences arising from causes beyond the control of the applicable Issuing Bank, including any act by a Governmental Authority and fluctuation in currency exchange rates. None of the above shall affect or impair, or prevent the vesting of, any of the applicable Issuing Bank's rights or powers hereunder or place any Issuing Bank under any liability to the Borrower or any other Person. Notwithstanding the foregoing, none of the above shall be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential, incidental, exemplary or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by Requirements of Law) suffered by the Borrower that are caused by such Issuing Bank's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, nonappealable judgment) when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if (notwithstanding the appearance of substantial compliance) such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing delivered by facsimile of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligations to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (f) of this Section 2.05.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section 2.05, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(j) Cash Collateralization. If (i) effective immediately, without demand or other notice of any kind, as of any expiration date of a Letter of Credit, such Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, (ii) effective immediately, without demand or other notice of any kind, as of the occurrence and during the continuance of any Event of Default under paragraph (h) or (i) of Section 7.01, or (iii) any Event of Default under paragraph (a) or (b) of Section 7.01 shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent, the applicable Issuing Bank or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing more than 50% of the aggregate LC Exposure of all Revolving Lenders) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Secured Parties, an amount of cash in Dollars, equal to the portions of the LC Exposure attributable to Letters of Credit, as of such date plus any accrued and unpaid interest and fees thereon. The Borrower also shall deposit cash collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement and the other Loan Documents. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent, the Swing Line Lender or any Issuing Bank, the Borrower shall deliver to the Administrative Agent cash collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any cash collateral provided by the Defaulting Lender). The Administrative Agent (for the benefit of the Secured Parties) shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Permitted Investments and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding anything to the contrary set forth in this Agreement, moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, the balance shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50% of the aggregate LC Exposure of all the Revolving Lenders), such balance shall be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived or after the termination of Defaulting Lender status, as applicable. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree (in such Revolving Lender's sole discretion) in writing to serve in such capacity as provided

below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Resignation or Termination of an Issuing Bank. Subject to the appointment and acceptance of a successor Issuing Bank reasonably acceptable to the Borrower, any Issuing Bank may resign at any time by giving thirty (30) days' written notice to the Administrative Agent, the Lenders and the Borrower. The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to all Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not (a) be required (and shall be discharged from its obligations) to issue any additional Letters of Credit or extend or increase the amount of Letters of Credit then outstanding, without affecting its rights and obligations with respect to Letters of Credit previously issued by it, or (b) be deemed an Issuing Bank for any other purpose.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section 2.05, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) within five (5) Business Days following the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount of such LC Disbursement, (iv) on any Business Day on which a Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank; provided that no Issuing Bank shall have any liability hereunder to any Person for any failure to deliver the reports contemplated by this paragraph (m) of Section 2.05.

(n) Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued or when it is amended with the consent of the beneficiary thereof the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, the applicable Issuing Bank shall not be responsible to the Borrower for, and the applicable Issuing Bank's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the applicable Issuing Bank required or permitted under any law, order or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the applicable law or any order of any Governmental Authority in a jurisdiction where the applicable Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade (BAFT), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

#### SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, New York City time, to the Applicable Account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.06 and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

#### SECTION 2.07 Interest Elections.

(a) Each Revolving Borrowing of the applicable Class and each Term Borrowing of the applicable Class initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by facsimile or other electronic transmission of a written Interest Election Request signed by the Borrower, by the time that a Borrowing Request for Revolving Loans would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is to be a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section 2.07, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid, at the end of such Interest Period such Borrowing shall be continued as a Eurodollar Borrowing of one (1) month. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing in excess of one (1) month.

#### SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Term Commitments shall automatically terminate and be permanently reduced to zero upon funding of the Term Loans on the Effective Date and (ii) the Revolving Commitments shall terminate on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class without premium or penalty (subject to Section 2.16), provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$500,000 unless such amount represents all of the remaining Commitments of such Class, (ii) the Borrower shall not terminate or reduce the Revolving Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the aggregate Revolving Exposures of such Class would exceed the aggregate Revolving Commitments then in effect for such Class, and (iii) if, after giving effect to any reduction of the Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Commitments, such sublimit shall be automatically reduced by the amount of such excess. Except as provided above, the amount of any such Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section 2.08 at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of any credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable and specified event or condition, in

which case such notice may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit or the Swing Line Sublimit or the unused Commitments of any Class under this Section 2.08. Any termination or reduction of the Commitments of any Class shall be permanent (provided, that that termination or reduction of Revolving Commitments will be taken into account for purposes of the Voluntary Prepayment Amount to the extent provided by Section 2.20). Each reduction of (x) the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class and (y) the Revolving Commitments shall be made to any Class of Revolving Commitment as directed by the Borrower (including to any Class of existing or extended Revolving Commitments).

SECTION 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) The Borrower shall repay the aggregate principal amount of its Swing Line Loans on the Revolving Maturity Date.

(c) Each Lender shall maintain in accordance with its usual practice accounts or records evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder and the amount of any the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans.

(d) The Administrative Agent shall, in connection with the maintenance of the Register in accordance with Section 9.04(b)(iv), maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(e) The entries made in the accounts maintained pursuant to paragraph (c) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns).

#### SECTION 2.11 Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty; provided that in the event that, on or prior to the six month anniversary of the Effective Date, the Borrower (x) makes any prepayment of Initial Term Loans in connection with any Repricing Transaction or (y) effects any amendment of this Agreement resulting in a Repricing Transaction or (z) makes a mandatory prepayment of Initial Term Loans pursuant to Section 2.11(c) in connection with a Prepayment Event described in clause (b) of the definition of “Prepayment Event” resulting in a Repricing Transaction, in either case, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Term Lenders holding Initial Term Loans, (I) a prepayment premium of 1.00% of the principal amount of the Initial Term Loans being prepaid in connection with such Repricing Transaction and (II) in the case of clause (y), an amount equal to 1.00% of the aggregate amount of the applicable Initial Term Loans outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such amendment.

(ii) The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 12:00 p.m., New York City time, on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of \$250,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, unless rescinded, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default has occurred and is continuing, Holdings, the Borrower or any of their respective Subsidiaries may offer to prepay all or a portion of the outstanding Class of any Term Loans on the following basis:

(A) Holdings, the Borrower or any of their respective Subsidiaries shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the “Discounted Term Loan Prepayment”) pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(iii); *provided* that (x) Holdings, the Borrower or any of their respective Subsidiaries shall not make any Borrowing of Revolving Loans or Swing Line Loans to fund any Discounted Term Loan Prepayment and (y) Holdings, the Borrower or any of their respective Subsidiaries shall not initiate any action under this Section 2.11(a)(iii) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by Holdings, the Borrower or any of their respective Subsidiaries on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date Holdings, the Borrower or any of their respective Subsidiaries were notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of Holdings’, the Borrower’s or any of their respective Subsidiaries’ election not to accept any Solicited Discounted Prepayment Offers and (z) each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted

Term Loan Prepayment (“Excluded Information”), (2) such Lender has independently and, without reliance on Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender’s lack of knowledge of the Excluded Information and (3) none of Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information; provided, further, that any Term Loan that is prepaid will be automatically and irrevocably cancelled.

(B) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days’ notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “Specified Discount Prepayment Amount”) with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the “Specified Discount”) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Specified Discount Prepayment Response Date”).

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “Discount Prepayment Accepting Lender”), the amount and the tranches of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be

irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, Holdings, the Borrower or any of their respective Subsidiaries will make prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to Holdings, the Borrower or any of their respective Subsidiaries and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to Holdings, the Borrower or any of their respective Subsidiaries shall be due and payable by Holdings, the Borrower or any of their respective Subsidiaries on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of

Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the “Discount Range Prepayment Amount”), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “Discount Range”) of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by Holdings, the Borrower or any of their respective Subsidiaries (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by Holdings, the Borrower or any of their respective Subsidiaries shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Discount Range Prepayment Response Date”). Each relevant Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “Submitted Discount”) at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender’s Term Loans (the “Submitted Amount”) such Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). Holdings, the Borrower or any of their respective Subsidiaries agree to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted

Discount that is the smallest discount to par within the Discount Range being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “Participating Lender”).

(3) If there is at least one Participating Lender, Holdings, the Borrower or any of their respective Subsidiaries will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “Identified Participating Lenders”) shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Discount Range Proration”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to Holdings, the Borrower or any of their respective Subsidiaries and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to Holdings, the Borrower or any of their respective Subsidiaries shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "Solicited Discounted Prepayment Amount") and the tranche or tranches of Term Loans, Holdings, the Borrower or any of their respective Subsidiaries is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by Holdings, the Borrower or any of their respective Subsidiaries shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Solicited Discounted Prepayment Response Date"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "Offered Discount") such Term Lender is willing to allow to be applied to the prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the "Offered Amount") such Term Lender is willing to have prepaid subject to such Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide Holdings, the Borrower or any of their respective Subsidiaries with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Holdings, the Borrower or any of their respective Subsidiaries shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to Holdings, the Borrower or any of their respective Subsidiaries (the "Acceptable Discount"), if any. If Holdings, the Borrower or any of their respective Subsidiaries elects to

accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by Holdings, the Borrower or any of their respective Subsidiaries from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “Acceptance Date”), Holdings, the Borrower or any of their respective Subsidiaries shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from Holdings, the Borrower or any of their respective Subsidiaries by the Acceptance Date, Holdings, the Borrower or any of their respective Subsidiaries shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by Holdings, the Borrower or any of their respective Subsidiaries at the Acceptable Discount in accordance with this Section 2.11(a)(iii)(D). If Holdings, the Borrower or any of their respective Subsidiaries elects to accept any Acceptable Discount, then Holdings, the Borrower or any of their respective Subsidiaries agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “Qualifying Lender”). Holdings, the Borrower or any of their respective Subsidiaries will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made

pro-rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender who made a Solicited Discounted Prepayment Offer of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, Holdings, the Borrower or any of their respective Subsidiaries and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable and customary fees and expenses from Holdings, the Borrower or any of their respective Subsidiaries in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, Holdings, the Borrower or any of their respective Subsidiaries shall prepay such Term Loans on the Discounted Prepayment Effective Date. Holdings, the Borrower or any of their respective Subsidiaries shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent’s Office in immediately available funds not later than 2:00 p.m. New York City time on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Term Loans as directed by the Borrower. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(iii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable.

The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(iii), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by Holdings, the Borrower or any of their respective Subsidiaries.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(iii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of Holdings, the Borrower or any of their respective Subsidiaries and the Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(iii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and their respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(iii) as well as activities of the Auction Agent.

(J) Holdings, the Borrower or any of their respective Subsidiaries shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date, as applicable (and if such offer is revoked pursuant to the preceding clauses, any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(iii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

(b) In the event and on each occasion that the aggregate Revolving Exposures exceed the aggregate Revolving Commitments at such time, the Borrower shall prepay Revolving Borrowings and Swing Line Borrowings (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess within one (1) Business Day following Borrower's receipt of written notice from the Administrative Agent.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of Holdings or its Restricted Subsidiaries in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of the term “Prepayment Event”, on the date of such Prepayment Event), prepay Initial Term Loans in an aggregate amount equal to (x) the Prepayment Percentage of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) of the definition of the term “Prepayment Event”, if Holdings, the Borrower or any of the Restricted Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within twelve (12) months after receipt of such Net Proceeds in the business of the Borrower and the other Subsidiaries, then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be invested) by the end of such 12-month period (or if committed to be so invested within such 12-month period, have not been so invested within six months following such 12-month period), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any Incremental Term Loans, Other Term Loans or other Indebtedness, in each case that is secured by the Collateral on a pari passu basis with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Initial Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of Holdings, commencing with the fiscal year ending December 31, 2018, the Borrower shall prepay Initial Term Loans in an aggregate amount equal to the ECF Percentage of Excess Cash Flow for such fiscal year; provided that, at the election of the Borrower, such amount shall be reduced by the aggregate amount of voluntary prepayments and repurchases of (i) Term Loans (and, to the extent the Revolving Commitments are reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans) made pursuant to Section 2.11(a) or otherwise in a manner not prohibited by Section 9.04(g) during such fiscal year or after such fiscal year and prior to the time such prepayment is due (without duplication to subsequent years) as provided below (provided that such reduction as a result of prepayments pursuant to Section 2.11(a)(iii) or repurchases pursuant to Section 9.04(g) shall be limited to the actual amount of such cash prepayment or repurchase), (ii) Incremental Facilities (provided that in the case of the prepayment of any revolving loans, there is a corresponding permanent reduction in commitments), and (iii) other Senior Secured First Lien Indebtedness, (provided that (x) in the case of the prepayment of any revolving loans, there is a corresponding reduction in commitments and (y) the reduction as a result of such prepayments and repurchases shall be limited to the actual amount of such cash prepayment or repurchase) made during such fiscal year or, at the option of the Borrower, after such fiscal year and prior to the time such

prepayment is due (without duplication to subsequent years) (excluding in the case of clauses (i), (ii) and (iii) all such prepayments and repurchases funded with the proceeds of other long term Indebtedness). The Borrower may use a portion of such Excess Cash Flow prepayment to prepay or repurchase any Incremental Term Loans, Other Term Loans or other Indebtedness, in each case that is secured by the Collateral on a pari passu basis with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof based on Excess Cash Flow, in each case in an amount not to exceed the product of (x) the amount of such Excess Cash Flow prepayment and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Initial Term Loans and such other Indebtedness. Each prepayment of Initial Term Loans pursuant to this paragraph shall be made on or before the date that is ten (10) business days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated. Notwithstanding anything herein to the contrary, no prepayment under this Section 2.11(d) shall be required with respect to any fiscal year to the extent Excess Cash Flow for such fiscal year is less than or equal to \$2,500,000 (and only amounts in excess of \$2,500,000 shall be required to be prepaid).

(e) Prior to any optional prepayment of Borrowings pursuant to Section 2.11(a)(i), the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section 2.11. In the event of any optional prepayment of Revolving Borrowings, the Borrower shall select the Class or Classes of Revolving Borrowings to be prepaid. Except as otherwise provided in any Refinancing Amendment, Loan Modification Agreement, Incremental Facility Amendment or otherwise herein, in the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the Borrower shall select Term Borrowings to be prepaid so that the aggregate amount of such prepayment shall be allocated among the Classes of Term Borrowings (and, to the extent provided in the Refinancing Amendment for any Class of Other Term Loans, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each Class; provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, any Lender that holds Other Term Loans of such Class) may elect, by notice to the Administrative Agent by facsimile at least two (2) Business Days prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Class pursuant to this Section 2.11 (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Class but was so declined (and not used pursuant to the immediately following sentence) shall be retained by Holdings or its Restricted Subsidiaries (such amounts, "Retained Declined Proceeds"). An amount equal to any portion of a mandatory prepayment of Term Borrowings that is declined by the Lenders under this Section 2.11(e) shall, to the extent not prohibited hereunder or under the documentation governing the Permitted First Priority Refinancing Debt or the Pari Passu Intercreditor Agreement, be applied by the Borrower to prepay, pari passu Indebtedness, Second Lien Term Loans or Permitted Junior Priority Refinancing Debt to the extent required by the documentation governing such Indebtedness or be

retained to be used for any other purposes not prohibited hereunder. Except as otherwise provided in any Refinancing Amendment, Loan Modification Agreement, Incremental Facility Amendment or otherwise herein, optional prepayments of Borrowings of Term Loans should be allocated among the Classes of Term Borrowings pro rata based on the aggregate principal amount of outstanding Borrowings of each Class. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16, provided that, in connection with any mandatory prepayments by the Borrower of the Term Loans pursuant to Section 2.11(c) or (d), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurodollar Loans.

(f) The Borrower shall notify the Administrative Agent of (x) any optional prepayment pursuant to Section 2.11(a)(i) in writing (by facsimile or other electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., New York City time, one (1) Business Day before the date of prepayment and (y) any mandatory prepayment pursuant to Section 2.11(c) in writing (by facsimile or other electronic communication) of any payment hereunder no later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable and specified event or condition, in which case such notice of prepayment may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13, and subject to Section 2.11(a)(i) and Section 2.16, shall be without premium or penalty. At the Borrower's election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender (under any of subclauses (a), (b) or (c) of the definition of "Defaulting Lender") and shall be allocated ratably among the relevant non-Defaulting Lenders.

(g) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by a Subsidiary of Holdings that is organized or incorporated under the laws of a jurisdiction other than the United States, any state, commonwealth or territory thereof or the District of Columbia, giving rise to a prepayment pursuant to Section 2.11(c) or (d) (a "Restricted Prepayment Event") or Excess Cash Flow are

prohibited or delayed by applicable local law (including financial assistance, corporate benefit, restrictions on repatriating or upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries) from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow would have an adverse (other than de minimis) tax consequence to any Loan Party, Subsidiary or, to the extent pass-through entities, any direct or indirect equity holder thereof with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary, (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow would violate any material organizational document restrictions (as a result of minority ownership) and restrictions in other material agreements (to the extent not in violation of Section 6.09), the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary and (D) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow could reasonably give rise to a risk of liability for the directors of such Subsidiary under applicable local law, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that (i) Holdings, the Borrower and each Restricted Subsidiary hereby agrees to use commercially reasonable efforts (as determined in the Borrower's reasonable business judgment) to overcome or eliminate any such restrictions on repatriation even if the Borrower does not intend to actually repatriate such cash, so that an amount equal to the full amount of such Net Proceeds will otherwise be subject to repayment under this Section 2.11, and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event could reasonably be expected to have adverse Tax consequences (other than de minimis consequences) for Holdings, the Borrower or any Restricted Subsidiary with respect to such Net Proceeds, an amount equal to such Net Proceeds that would be so affected will not be subject to repayment under this Section 2.11 and such amounts shall be available for general corporate purposes of the Loan Parties and their Subsidiaries as long as not required to be prepaid in accordance with this Section 2.11. For the avoidance of doubt, Borrower shall be permitted to make any repayments required by Section 2.11(c) or Section 2.11(d) from any source of funds and shall not be required to make any repayments from funds contained in any particular Loan Party. The non-application of any such prepayment amounts as a result of the foregoing provisions will not constitute a Default or Event of Default and such amounts shall be available for working capital and general corporate purposes of the Loan Parties and their Subsidiaries as long as not required to be prepaid in accordance with such provisions. Notwithstanding the foregoing, any payments actually made by the Loan Parties shall be applied net of an amount equal to the additional Taxes of Holdings, its

Subsidiaries and the direct and indirect holders of Equity Interests in Holdings that would be payable or reserved against and any additional costs that would be incurred as a result of a repatriation, whether or not a repatriation actually occurs.

#### SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in Dollars for the account of each Revolving Lender (other than a Defaulting Lender) a commitment fee, which shall accrue at the rate of the Commitment Fee Percentage per annum on the daily average unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments terminate. Accrued commitment fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the Effective Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender; provided that, for purposes of this Section 2.12(a), Swing Line Obligations of a Lender shall not be treated as a utilization of the Revolving Commitment of such Lender.

(b) The Borrower agrees to pay (i) to the Administrative Agent in Dollars for the account of each Revolving Lender (other than any Defaulting Lender) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurodollar Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements but taking into account the maximum amount available to be drawn under all outstanding Letters of Credit, whether or not such maximum amount is then in effect) during the period from and including the Effective Date to and including the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to each Issuing Bank in Dollars a fronting fee (which fee shall be calculated by the Administrative Agent in consultation with the applicable Issuing Bank and payable directly to the applicable Issuing Bank), which shall accrue at a rate of 0.125% per annum on the daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements but taking into account the maximum amount available to be drawn under all outstanding Letters of Credit, whether or not such maximum amount is then in effect) during the period from and including the Effective Date to and including the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the last Business Day of March, June, September and December, respectively, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after written

demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon in writing between the Borrower and the Administrative Agent.

(d) [Reserved].

(e) Notwithstanding the foregoing, and subject to Section 2.22, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.12.

#### SECTION 2.13 Interest.

(a) (i) The Loans comprising each ABR Borrowing (other than Swing Line Borrowings) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(ii) Each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Alternate Base Rate plus the Applicable Rate for Revolving Loans.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate, in each case for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if upon the occurrence and during the continuance of any payment Event of Default, any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due (after giving effect to any applicable grace periods), whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall be payable pursuant to this Section 2.13(c) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further that no amounts shall accrue pursuant to this Section 2.13(c) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section 2.13 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to clause (a) of the definition of Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

#### SECTION 2.14 Alternate Rate of Interest.

If at least two (2) Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (b) or clause (a) above, "Impacted Loans");

(c) the Administrative Agent shall give notice thereof to the Borrower and the Lenders by facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, in the event any Loans are so affected, (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurodollar Borrowing, then such Borrowing shall be made as an ABR Borrowing; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

(d) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 2.14 and/or is advised by the Required Lenders of their determination in accordance with clause (b) of this Section 2.14 and the Borrower shall so request, the Administrative Agent, the Required Lenders and the Borrower shall negotiate in good faith to amend the definition of "LIBO Rate" and other applicable provisions to preserve the original intent thereof in light of such change; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.14.

#### SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Excluded Taxes and Indemnified Taxes) affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section 2.15 delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section 2.15 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

## SECTION 2.16 Break Funding Payments.

In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the loss, cost and expense (excluding loss of profit) actually incurred by it as a result of such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each Eurodollar Loan made by it at the Adjusted LIBO Rate for such Loan by a matching deposit or other borrowing in the applicable interbank eurodollar market, for a comparable amount and for a comparable period, whether or not such Eurodollar Loan was in fact so funded. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 and the reasons therefor delivered to the Borrower shall be prima facie evidence of such amounts. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt of such demand; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.16 for any loss, cost or expense more than 180 days prior to the date that such Lender delivers such certificate. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern. Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.16 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable syndicated credit facilities.

## SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If the applicable withholding agent (including, for the avoidance of doubt, the Administrative Agent or any Loan Party) shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct any Taxes from such payments, then the applicable withholding agent shall make such deductions and shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law, and if such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that after all such required deductions have been made (including such deductions and withholdings applicable to additional amounts payable under this Section 2.17), each Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay, or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender within thirty (30) days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party under any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, that the Borrower shall not be obligated to make payment to the Administrative Agent or a Lender, as the case may be, for penalties, interest or expenses attributable to the gross negligence or willful misconduct of the Administrative Agent or such Lender, as applicable, as determined by a court of competent jurisdiction by final and non-appealable judgment. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties for such Taxes pursuant to this Section 2.17 and without limiting any obligation of the Loan Parties to do so pursuant to this Section 2.17) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses, and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 2.17(d). The agreements in this Section 2.17(d) shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, any assignment of rights by a Loan Party, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

(e) As soon as practicable after any payment of any Taxes by a Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Each Lender shall, at such times as are reasonably requested by Borrower or the Administrative Agent, (i) complete any documentation required for the Borrower or the Administrative Agent, as applicable, to obtain clearance to make payments under the Loan Documents without, or with a reduction in, any withholding Tax and to determine whether or not such Lender is subject to backup withholding or information reporting requirements and (ii) provide the Borrower and the Administrative Agent with any properly completed and executed documentation prescribed by any Requirement of Law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation expired, obsolete or inaccurate in any respect (including any specific documentation required below in this Section 2.17(f)), deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to Tax at a rate reduced by an applicable Tax treaty, the Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate. Notwithstanding anything to the contrary in the preceding three sentences, the completion, execution and submission of such documentation (other than such documentation set forth in this Section 2.17(f)(i), (ii)(A) through (D), and (iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates, substantially in the form of Exhibit N-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (any such certificate a “United States Tax Compliance Certificate”), and (y) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate substantially in the form of Exhibit N-2 or Exhibit N-3, Internal Revenue Service Form W-9, Internal Revenue Service Form W-8IMY (or other successor forms) and/or any other required information from each beneficial owner that would be required under this Section 2.17 if such beneficial owner were a Lender, as applicable (provided that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, a United States Tax Compliance Certificate substantially in the form of Exhibit N-4 may be provided by such Foreign Lender on behalf of each such direct or indirect partner), or

(E) two properly completed and duly signed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to any Lender under any Loan Document would be subject to withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such

documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Notwithstanding any other provision of this clause (f), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(g) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with the Borrower in a reasonable challenge of such Taxes if so requested by the Borrower, provided that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrower pays all related expenses of the Administrative Agent or such Lender, as applicable and (c) the Borrower indemnifies the Administrative Agent or such Lender, as applicable, for any liabilities or other costs incurred by such party in connection with such challenge. If the Administrative Agent or a Lender receives a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.17 giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to promptly repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Notwithstanding anything to the contrary, this Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other person. Notwithstanding anything herein to the contrary, the Borrower shall not be required to compensate such Lender for any amount incurred under this Section 2.17 more than one hundred and eighty (180) days prior to the date that such Lender notifies the

Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof.

(h) The agreements in this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(i) For purposes of this Section 2.17, the term "Lender" shall include any Issuing Bank and the term "applicable Requirements of Law" includes FATCA.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) at or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 3:00 p.m., New York City time, on the date when due), in immediately available funds, without condition or deduction for any counterclaim, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made in Dollars (provided that any payment with respect to any Loan denominated in an Alternative Currency shall be made in such Alternative Currency) to such account as may be specified by the Administrative Agent. Payments to be made directly to any Issuing Bank shall be made as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements and Swing Line Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and Swing Line Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements and Swing Line Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements and Swing Line Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swing Line Loans to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Revolving Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower's rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(e), Section 2.05(f), Section 2.06(a), Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined

by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

**SECTION 2.19 Mitigation Obligations; Replacement of Lenders.**

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17 or mitigate the applicability of Section 2.23, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender is a Disqualified Lender or (iv) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation) or (2) prepay the Loans and, if applicable, terminate the Revolving Commitments of such Defaulting Lender; provided that (A) in the case of preceding clause (1), the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Issuing Bank), which consents, in each case, shall not unreasonably be withheld, conditioned or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements and Swing Line Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from (x) in the case of preceding clause (1), the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (y) in the case of preceding clause (2), from the Borrower, (C) in the case of preceding clause (1), the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, or payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and

delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

#### SECTION 2.20 Incremental Credit Extensions.

(a) The Borrower may at any time or from time to time on one or more occasions after the Effective Date, by written notice delivered to the Administrative Agent request (i) one or more additional Classes of term loans (each an “Incremental Term Facility”), (ii) one or more additional term loans of the same Class of any existing Class of term loans (each an “Incremental Term Increase”) and (iii) one or more increases in the amount of the Revolving Commitments of any Class (each such increase, an “Incremental Revolving Commitment Increase” and, together with any Incremental Term Facility and any Incremental Term Increase, the “Incremental Facilities” and any Loans thereunder, the “Incremental Loans”); provided that, after giving effect to the effectiveness of any Incremental Facility Amendment, no Event of Default shall have occurred and be continuing or would result therefrom (provided, further that, in the case of an Incremental Facility incurred to finance a Limited Condition Transaction, if the Borrower has made an LCT Election, such condition shall be that no Event of Default shall have occurred and be continuing at the LCT Test Date). Notwithstanding anything to contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Incremental Cap at such time. Each Incremental Facility shall be in a minimum principal amount of \$10,000,000 and integral multiples of \$1,000,000 in excess thereof (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$10,000,000 to the extent such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b) (i) The Incremental Term Loans (a)(1) shall rank equal or junior in right of payment and equal or junior in right of security with the Term Loans or may be unsecured, and if junior in right of payment and/or security or unsecured, shall be established as a separate facility than the facility for the Term Loans that are secured by the Collateral on a first priority basis, (2) shall be structured such that neither Holdings nor any Restricted Subsidiary is a guarantor with respect to such Indebtedness unless Holdings or such Restricted Subsidiary is a Loan Party which shall have previously or substantially concurrently guaranteed the Loan Document Obligations, and (3) if secured, the obligations in respect thereof shall not be secured by Liens on the assets of Holdings and the Restricted Subsidiaries, other than assets constituting Collateral, and if established as a separate facility, shall be subject to a customary intercreditor agreement with the Administrative Agent and/or Collateral Agent substantially consistent with the applicable Intercreditor Agreement together with any immaterial changes in form and substance reasonably satisfactory to the Administrative Agent and/or Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior liens may be secured by Liens that are pari passu with or junior in priority to, other Liens that are junior to the Liens securing the Initial Term Loans), (b) shall not (except in the case of customary bridge loans which, subject to customary conditions (including no payment or bankruptcy event of default), would either automatically be converted into or required to be

exchanged for permanent refinancing that does not mature prior to the Term Maturity Date of the Initial Term Loans) mature earlier than the Term Maturity Date of the Initial Term Loans, (c) shall not (except in the case of customary bridge loans which, subject to customary conditions (including no payment or bankruptcy event of default), would either automatically be converted into or required to be exchanged for permanent refinancing that does not have a shorter Weighted Average Life to Maturity than the remaining Initial Term Loans) have a shorter Weighted Average Life to Maturity than the remaining Initial Term Loans, (d) shall have a maturity date (subject to clause (b)), an amortization schedule (subject to clause (c)), interest rates (including through fixed interest rates), "most favored nation" provisions (if any), interest margins, rate floors, upfront fees, funding discounts, original issue discounts, financial covenants (if any) and prepayment terms and premiums as determined by the Borrower and the Additional Term Lenders thereunder; provided that, for any Incremental Term Loans which are secured on a pari passu basis with the Initial Term Loans and ranking pari passu in right of payment with the Initial Term Loans, in the event that the Effective Yield for any such Incremental Term Loans is greater than the Effective Yield for the Initial Term Loans by more than 0.50% per annum, then the Effective Yield for the Initial Term Loans shall be increased to the extent necessary so that the Effective Yield for the Initial Term Loans is equal to the Effective Yield for such Incremental Term Loans minus 0.50% per annum; provided, further, that if the Incremental Term Loans include an interest rate floor greater than the applicable interest rate floor under the Initial Term Loans, such differential between interest rate floors shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Initial Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Initial Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Initial Term Loans shall be increased to the extent of such differential between interest rate floors, (e) (i) to the extent secured on a pari passu basis with the Initial Term Loans and pari passu in right of payment with the Initial Term Loans, may provide for the ability to participate (x) on a pro rata basis or less than pro rata basis (but not greater than pro rata basis) in any voluntary prepayments of the Initial Term Loans and (y) on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis other than in the case of prepayment with Other Term Loans incurred pursuant to a Refinancing Amendment to refinance such Incremental Term Loans or any other Credit Agreement Refinancing Indebtedness in respect of such Incremental Term Loans) in any mandatory prepayments of the Initial Term Loans and (ii) to the extent subordinated in right of payment to the Initial Term Loans, subordinated in right of security to the Initial Term Loans and/or unsecured, shall be prepaid on a less than pro rata basis in any prepayments of the Initial Term Loans (other than in the case of a prepayment with Other Term Loans pursuant to a Refinancing Amendment or any other Credit Agreement Refinancing Indebtedness, in each case to refinance such Incremental Term Loans) and (f) may otherwise have terms and conditions different from those of the Term Loans; provided that (x) to the extent the terms and documentation with respect to such Incremental Term Loans are not consistent with the existing Initial Term Loans (except with respect to matters contemplated by clauses (a), (b), (c), (d) and (e) above), the covenants, events of default and guarantees of any such Incremental Term Loans shall not be materially more restrictive to the Borrower, when taken as a whole, than the terms of the Initial Term Loans unless (1) Lenders under the Initial Term Loans also receive the benefit of such more restrictive terms (it being understood that, to the extent that any covenant, event of default or guarantee is added or modified for the benefit of any Incremental Term Facility, no consent shall be required from the Administrative Agent or any of the Term Lenders to the

extent that such covenant, event of default or guarantee is also added or modified for the benefit of the existing Term Loans), (2) any such provisions apply after the Term Maturity Date with respect to the Initial Term Loans or (3) such terms are reasonably satisfactory to the Administrative Agent and the Borrower and (y) in no event shall it be a condition to the effectiveness of, or borrowing under, any such Incremental Term Loans that any representation or warranty of any Loan Party set forth herein be true and correct, except and solely to the extent required by the Additional Term Lenders providing such Incremental Term Loans. Any Incremental Term Increase shall be on the same terms (other than original issue discount and upfront fees but subject to clause (d) above) and pursuant to the same documentation applicable to the Term Loans (except with respect to the Incremental Facility Amendment evidencing such Incremental Term Increase)). Any Incremental Term Facility shall be on terms and pursuant to documentation as determined by the Borrower and the Additional Term Lenders providing such Incremental Term Facility, subject to the restrictions and exceptions set forth above. Each Incremental Facility Amendment may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20, including any amendments necessary to provide that such Incremental Term Loans are fungible with any existing Class of Loans for U.S. federal income tax purposes.

(ii) The Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Loans being increased). Any Incremental Revolving Commitment Increase shall be on the same terms (other than upfront fees) and pursuant to the same documentation (other than the Incremental Facility Amendment evidencing such Incremental Revolving Commitment Increase) applicable to the Revolving Loans (excluding upfront fees and customary arranger fees).

(c) Each notice from the Borrower pursuant to this Section shall set forth the requested amount of the relevant Incremental Term Loans or Incremental Revolving Commitment Increases.

(d) Commitments in respect of any Incremental Loans shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender's applicable Revolving Commitment) under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Commitment, if any, each applicable Additional Lender, if any, and the Administrative Agent (provided, that if such amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall not be required to execute or acknowledge such amendment; provided, further that, in any event, the Administrative Agent shall receive prior written notice of such Incremental Facility Amendment). An Incremental Facility may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall have the right to participate in any Incremental Facility or, unless it agrees, be obligated to provide any Incremental Loans) or by any Additional Lender. Any loan under an Incremental Term Increase and any loan under an Incremental Revolving

Commitment Increase shall be a “Loan” for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.20(b), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, in connection with an Incremental Revolving Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Lenders and including voting rights as contemplated by Section 9.02). The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan and the issuance, increase in the amount, or extension of a Letter of Credit thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction on the date of such Incremental Facility Amendment of such conditions as the parties thereto shall agree and as required by this Section 2.20 (each such date, an “Incremental Facility Closing Date”). The Borrower will use the proceeds of the Incremental Term Loans and Incremental Revolving Commitment Increases for any purpose not prohibited by this Agreement.

(e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (i) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (i) will be deemed to include any then outstanding Other Term Loans) or (ii) all or any portion of the Revolving Loans (or unused Revolving Commitments) under this Agreement (which for purposes of this clause (ii) will be deemed to include any then outstanding Other Revolving Loans and Other Revolving Commitments), in the form of (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Loans or Other Revolving Commitments, as the case may be, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will be unsecured or will rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, and (iii) the Net Proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of any outstanding Term Loans or reduction of Revolving Commitments being so refinanced, as the case may be. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of the conditions as agreed between the lenders providing such Credit Agreement Refinancing Indebtedness and the Borrower. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$10,000,000 in the case of Other Term Loans or \$10,000,000 in the case of Other Revolving Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower pursuant to any Other Revolving Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit under the Revolving Commitments; provided that no Issuing Bank shall be required to act as “issuing bank” under any such Refinancing Amendment without its

written consent. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). In the case of any Credit Agreement Refinancing Indebtedness in the form of Other Revolving Loans or Other Revolving Commitments, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Other Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the Other Revolving Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (2) below)) of Loans with respect to Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments, (2) the permanent repayment of Revolving Loans with respect to, and termination of, Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments (except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than pro rata basis as compared with any other Class with a later maturity date than such Class) and (3) assignments and participations of Other Revolving Commitments and Other Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank and/or the Swing Line Lender, as applicable, participations in Letters of Credit and/or Swing Line Loans expiring on or after the Revolving Maturity Date shall be reallocated from Lenders holding Revolving Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Commitments, be deemed to be participation interests in respect of such Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) If, in connection with any proposed Refinancing Amendment with respect to any Class of Loans, any Lender of such Class which has been offered to such Lender who declines to provide any portion of the Credit Agreement Refinancing Indebtedness on the terms provided by the other Lenders providing such Credit Agreement Refinancing Indebtedness (each such Lender, a “Non-Refinancing Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Refinancing Lender, (i) cause such Lender to (and such Lender shall be obligated to (and to the extent such Non-Refinancing Lender does not execute such Refinancing Amendment, such Refinancing Amendment shall nonetheless be effective without such signature of the Non-Refinancing Lender)) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the applicable Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender

accepts such assignment) in connection with such Refinancing Amendment or (ii) in the case of Revolving Commitments only, prepay, and terminate the Revolving Commitments of, such Lenders; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) such Non-Refinancing Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the applicable Class assigned by it pursuant to this Section 2.21(b), accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11) payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (b) in connection with an assignment pursuant to clause (i), no processing and recordation fee specified in Section 9.04(b) shall be payable in connection therewith. If any applicable Lender shall be deemed a Non-Refinancing Lender and is required to assign all or any portion of its Initial Term Loans on or prior to the six-month anniversary of the Effective Date in connection with any such Refinancing Amendment constituting a Repricing Transaction, the Borrower shall pay such Non-Refinancing Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned.

(c) This Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.22 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(f), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank or the Swing Line Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, in the case of a Revolving Lender, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders, the Swing Line Lender or the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Issuing Bank against that

Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, and LC Disbursements owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to Section 2.05(j) or this Section 2.22(a)(ii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to Section 2.05(j) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(b).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Swing Line Loans pursuant to Section 2.04 and, in Letters of Credit pursuant to Section 2.05 and the payments of participation fees pursuant to Section 2.12(b), the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the sum of (A) the aggregate principal amount of the Revolving Loans of that non-Defaulting Lender plus (B) the LC Exposure of that non-Defaulting Lender plus (C) the Swing Line Obligations of that non-Defaulting Lender.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, cash collateralize the Issuing Banks' and Swing Line Lender's Defaulting Lender Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swing Line Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to

any conditions set forth therein (which may include arrangements with respect to any cash collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.22(a)(iv) or the proviso to the definition thereof), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties and subject to Section 9.20, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

#### SECTION 2.23 Illegality.

If any Lender reasonably determines that any law has made it unlawful, or any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to Borrower through the Administrative Agent (i) any obligation of such Lender to make or continue Eurodollar Loans in the affected currency or currencies or to convert ABR Loans to Eurodollar Loans in the affected currency or currencies shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Adjusted LIBO Rate component of the Alternate Base Rate, the interest rate on such ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three (3) Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or convert all Eurodollar Loans of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the Alternate Base Rate either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted LIBO Rate thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 Loan Modification Offers.

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a “Loan Modification Offer”) to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an “Affected Class”) to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower (including mechanics to permit cashless rollovers and exchanges by Lenders). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “Accepting Lenders”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans and Commitments of such Affected Class as to which such Lender’s acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, Borrower, each applicable Accepting Lender and the Administrative Agent (provided that, if such amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall only be required to acknowledge such amendment). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new “Class” of loans and/or commitments hereunder. In the case of any Permitted Amendment in the form of Revolving Loans or Revolving Commitments of an Affected Class, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Revolving Commitments of the Affected Class (and related outstandings), (B) repayments required upon the maturity date of the Revolving Commitments of the Affected Class and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (2) below)) of Loans with respect to Revolving Commitments of the Affected Class after the date of obtaining any Revolving Commitments of the Affected Class shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments, (2) the permanent repayment of Revolving Loans with respect to, and termination of, Revolving Commitments of the Affected Class after the date of obtaining any Revolving Commitments of the Affected Class shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments (except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than pro rata basis as compared with any other Class with a later maturity date than such Class) and (3) assignments and participations of Revolving Commitments of the Affected Class and Other Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a “Non-Accepting Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, (i) replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) or (ii) in the case of Revolving Commitments only, prepay and terminate the Revolving Commitments of, such Lenders; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11) payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) the processing and recordation fee specified in Section 9.04(b) shall be payable by the Borrower.

(d) Notwithstanding anything to the contrary, this Section 2.24 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

(e) Holdings, the Borrower or any of the Restricted Subsidiaries shall fail to observe or perform any covenant, condition or agreement contained in any Loan Document (other than those specified in paragraph (a), (b) or (d) of this Section 7.01), and such failure shall continue unremedied for a period of thirty (30) days after written notice thereof from the Administrative Agent to the Borrower;

(f) Holdings, the Borrower or any of the Restricted Subsidiaries shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable (after giving effect to any applicable grace period and all required notices have been given); provided that this paragraph (f) shall not apply to any Indebtedness if the sole remedy of the holder thereof in the event of such non-payment is to elect to convert such Indebtedness into Qualified Equity Interests and cash in lieu of fractional shares; provided that this paragraph (f) shall not apply to any such failure that (x) is remedied by Holdings, the Borrower or any applicable Restricted Subsidiary or (y) waived (including in the form of amendment) by the requisite holders of the applicable item of Material Indebtedness in either case, prior to acceleration of all the Loans pursuant to this Section 7.01;

(g) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with all applicable grace periods having expired and all required notices have been given) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity, provided that this paragraph (g) shall not apply to (i) secured Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement), (ii) termination events or similar events occurring under any Swap Agreement that constitutes Material Indebtedness (it being understood that paragraph (f) of this Section 7.01 will apply to any failure to make any payment required as a result of any such termination or similar event) or (iii) any Indebtedness if the sole remedy of the holder thereof following such event or condition is to elect to convert such Indebtedness into Qualified Equity Interests and cash in lieu of fractional shares, provided that this paragraph (g) shall not apply to any such failure that (x) is remedied by Holdings, the Borrower or any applicable Restricted Subsidiary or (y) waived (including in the form of amendment) by the requisite holders of the applicable item of Material Indebtedness in either case, prior to acceleration of all the Loans pursuant to this Section 7.01.

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, examination, reorganization or other relief in respect of Holdings, the Borrower or any Material Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, examinership, receivership or similar law, now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator, interim receiver, liquidator, receiver and manager, administrative receiver, administrator, insolvency practitioner or similar official for Holdings, the Borrower or any Material Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, examinership, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, examinership, receivership or similar law, now or hereafter in effect (but excluding any such proceeding or petition (other than under the Bankruptcy Code) the sole purpose of which is to effect a transaction permitted under Section 6.03(a) that is not otherwise prohibited by the Loan Documents), (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (h) of this Section 7.01, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator, interim receiver, interim examiner, liquidator, receiver and manager, administrative receiver, administrator, insolvency practitioner or similar official for Holdings, the Borrower or any Material Subsidiary or for a material part of its assets (but excluding any such application or consent (other than under the Bankruptcy Code) the sole purpose of which is to effect a transaction permitted under Section 6.03(a) that is not otherwise prohibited by the Loan Documents), (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$25,000,000 (to the extent not covered by insurance or another creditworthy (as reasonably determined by the Administrative Agent) indemnitor, and as to which such insurer or indemnitor has not denied coverage) shall be rendered against Holdings, the Borrower, any Material Subsidiary or any combination thereof and the same shall remain undischarged, unvacated, unbonded or unstayed for a period of sixty (60) consecutive days;

(k) an ERISA Event occurs that has resulted or would reasonably be expected, individually or together with any other ERISA Event(s) in the aggregate to result in a Material Adverse Effect;

(l) there shall cease to be, or shall be asserted by any Loan Party not to be (other than in an informational notice), a valid and perfected (if and to the extent required to be perfected under the Loan Documents) Lien on any material portion of the Collateral, with the priority required by the applicable Security Documents, except (i) as a result of the release of a Loan Party (including as a result of the designation of a Restricted Subsidiary as an Unrestricted Subsidiary) or the sale or other disposition of the applicable Collateral to a Person that is not a Loan Party in a transaction permitted under the Loan Documents, (ii) as a result of the Collateral Agent's failure to (A) maintain possession of any stock certificates, promissory notes or other instruments

delivered to it under the Security Documents or (B) file Uniform Commercial Code amendment or continuation financing statements or (iii) as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (iv) as a result of acts or omissions of the Collateral Agent, the Administrative Agent or any Lender;

(m) any material provision of any Loan Document or any Guarantee of the Loan Document Obligations shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party thereto other than as expressly permitted hereunder or thereunder;

(n) any material portion of the Guarantees of the Loan Document Obligations pursuant to the Guarantee Agreement, taken as a whole, shall cease to be in full force and effect (in each case, other than the occurrence of the Termination Date or otherwise in accordance with the terms of the Loan Documents including as a result of transactions permitted hereunder); or

(o) a Change in Control shall occur;

then, and in every such event (other than an event with respect to Holdings or the Borrower described in paragraph (h) or (i) of this Section 7.01), and at any time thereafter during the continuance of such event, the Administrative Agent at the request of the Required Lenders (provided that the following actions may not be taken (A) in the case of an Event of Default under Section 7.01(d)(ii), until the ability to exercise the Cure Right under Section 7.02 has expired (but may be taken as soon as the ability to exercise the Cure Right has expired and it has not been so exercised or to the extent that Holdings has confirmed in writing that it does not intend to provide the Cure Amount) and (B) in the case of an Event of Default under Section 7.01(d)(i), if the express conditions in the last proviso contained in Section 7.01(d)(i) have been satisfied) shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and (iii) demand the Borrower deposit cash collateral with the Administrative Agent as contemplated by Section 2.05(j) in the aggregate LC Exposure of all outstanding Letters of Credit and thereupon the principal of the Loans and the LC Exposure of all Letters of Credit so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to Holdings or the Borrower described in paragraph (h) or (i) of this Section 7.01, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

#### SECTION 7.02 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 7.01, in the event that Holdings and its Restricted Subsidiaries fail to comply with the requirements of the

Financial Performance Covenant as of the last day of any applicable fiscal quarter of Holdings, at any time after the beginning of such fiscal quarter until the expiration of the fifteenth (15th) Business Day subsequent to the date on which the financial statements with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or (b), as applicable (the “Cure Termination Date”), Holdings shall have the right to issue Qualified Equity Interests for cash or otherwise receive cash contributions to the capital of Holdings as cash common equity or other Qualified Equity Interests (collectively, the “Cure Right”), and upon the receipt by Holdings of the Net Proceeds of such issuance (the “Cure Amount”) pursuant to the exercise by Holdings of such Cure Right the Financial Performance Covenant shall be recalculated giving effect to the following pro forma adjustment:

(i) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four fiscal quarter period that contains such fiscal quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; and

(ii) if, after giving effect to the foregoing pro forma adjustment (without giving effect to (x) any repayment of any Indebtedness with any portion of the Cure Amount or (y) any portion of the Cure Amount on the balance sheet of Holdings and its Restricted Subsidiaries, in each case, with respect to such fiscal quarter only), Holdings and its Restricted Subsidiaries shall then be in compliance with the requirements of the Financial Performance Covenant, Holdings and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default or event of default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement and the other Loan Documents;

provided that the Borrower shall have notified the Administrative Agent of the exercise of such Cure Right within five (5) Business Days of the issuance of the relevant Qualified Equity Interests for cash or the receipt of the cash contributions by Holdings.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of the Borrower there shall be at least two (2) fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five (5) times, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant and any amounts in excess thereof shall not be deemed to be a Cure Amount and (iv) neither the Administrative Agent nor any Lender or Secured Party shall exercise any remedy (including acceleration) under the Loan Documents or applicable law on the basis of an Event of Default caused by the failure to comply with Section 6.11 until either (x) after Holding’s ability to cure has lapsed and Holdings has not exercised the Cure Right or (y) Holdings has confirmed in writing that it does not intend to provide the Cure Amount, and, if the Borrower shall have delivered to the Administrative Agent a notice of its intent to cure a breach or default under Section 7.01(d)(ii) prior to the Cure Termination Date, no Event of Default under Section 7.01(d)(ii) shall then be deemed to be in existence, provided, however, that if the Cure Amount is not received by Holdings on or prior to the Cure Termination Date, such Event of Default shall be

deemed to arise). Notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to any exercise of the Cure Right shall not be included in the calculation of Consolidated EBITDA or any incurrence ratio test for purposes of determining any available basket under Article VI of this Agreement or for any other purpose under this Agreement. For the avoidance of doubt, no Cure Amounts shall be applied to reduce the Indebtedness of Holdings and its Restricted Subsidiaries on a Pro Forma Basis for purposes of determining compliance with the Financial Performance Covenant for the fiscal quarter in which such Cure Right was made and there shall not have been a breach of any covenant under Article VI of this Agreement by reason of having no longer included such Cure Amount in any basket during the relevant period.

(c) Notwithstanding the foregoing, if an Event of Default would have occurred and be continuing had Holdings not had the option to exercise the Cure Right and not exercised such Cure Right pursuant to the foregoing provisions, the Borrower shall not be permitted, until such Event of Default is cured in accordance with the terms of Section 7.02(a) or waived in accordance with Section 9.02, to make any Borrowings or request any other extensions of credit under the Revolving Commitments (including any issuance of any Letter of Credit but excluding the continuation of any outstanding Revolving Loans and amendments of any outstanding Letters of Credit (not constituting an increase or extension)).

SECTION 7.03 Application of Proceeds. Subject to the terms of the Closing Date Intercreditor Agreement and any other applicable Intercreditor Agreement, the Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all fees, indemnities and other amounts payable to the Collateral Agent in connection with the Loan Documents or any of the Secured Obligations and all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment in full of the Secured Obligations that constitute Senior Secured First Lien Indebtedness (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of such Secured Obligations owed to them on the date of any such distribution); provided that such payment shall be applied (w).first, to the portion of such Secured Obligations constituting accrued and unpaid fees, (x).second, to the portion of such Secured Obligations constituting such accrued and unpaid interest in respect of the Loans, (y).third, to the portion of such Secured Obligations constituting unpaid principal of the Loans and (z).fourth, to all other Secured Obligations;

THIRD, to any agent of any other junior secured debt, in accordance with the Closing Date Intercreditor Agreement and any other any applicable Intercreditor Agreement; and

The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. The Collateral Agent shall have no liability to any of the Secured Parties for actions taken in reliance on information supplied to it as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations. Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Subsidiary Loan Party shall not be paid with amounts received from such Subsidiary Loan Party or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth above.

## ARTICLE VIII

### ADMINISTRATIVE AGENT

#### SECTION 8.01 Appointment and Authority.

(a) Each of the Lenders, the Swing Line Lender and each of the Issuing Banks hereby irrevocably appoints Barclays Bank PLC to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article (other than Section 8.06) are solely for the benefit of the Administrative Agent and the Collateral Agent, the Lenders, the Swing Line Lender and the Issuing Banks, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, agents, employees or affiliates.

(b) The Administrative Agent shall also act as the “Collateral Agent” or, as the case may be, “Security Trustee” under the Loan Documents, and each of the Lenders and each of the Issuing Banks hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent or, as the case may be, the security trustee, of such Lender and such Issuing Bank, and acknowledges that, to the extent required in any relevant jurisdiction, the Administrative Agent may enter into such security trust or equivalent deeds as the Administrative Agent may consider necessary, in each case for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent and Collateral Agent pursuant to Section 8.05 for purposes of holding or

enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03 as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or the “security agent” or the “security trustee” under the Loan Documents) as if set forth in full herein with respect thereto.

#### SECTION 8.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, own securities of, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate of the Borrower as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

#### SECTION 8.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.02 and in the last paragraph of Section 7.01) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of

competent jurisdiction by final and non-appealable judgment; provided that the Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or any Issuing Bank;

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent; and

(f) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor the Disqualified Lenders List or identities of, or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to any anti-terrorism law, including any programs involving any of the following items relating to or in connection with the Loan Parties or their respective Subsidiaries, any of their respective Affiliates or agents, the Loan Documents or the transactions hereunder: (a) any identity verification procedures, (b) any record keeping, (c) any comparisons with government lists, (d) any customer notices or (e) any other procedures required under any anti-terrorism law.

#### SECTION 8.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall

have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may rely on the Register and deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent.

#### SECTION 8.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents (which may include such of the Administrative Agent's affiliates or branches as it deems appropriate) appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub agents, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub agents.

#### SECTION 8.06 Resignation of Administrative Agent.

The Administrative Agent may resign upon fifteen (15) Business Days' notice to the Lenders (unless such notice is waived by the Required Lenders), the Issuing Banks (unless such notice is waived by the Issuing Banks) and the Borrower (unless an Event of Default exists under 7.01(h) or 7.01(i) or unless such notice is waived by the Borrower). Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Borrower's consent (such consent not to be unreasonably withheld or delayed) unless a Specified Event of Default has occurred and is continuing), to appoint a successor, which shall be a bank or trust company with an office in the United States, or an Affiliate of any such bank or trust company with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within fifteen (15) Business Days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to), with the Borrower's consent (such consent not to be unreasonably withheld or delayed) unless a Specified Event of Default has occurred and is continuing), on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the "Resignation Effective Date"); provided that if the Administrative Agent shall notify the Borrower and the Lenders that it does not intend to appoint a successor or that no qualifying Person accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section.

If the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders and Holdings may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within fifteen (15) Business Days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date and the removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Any resignation by Barclays Bank PLC as Administrative Agent pursuant to this Section 8.06 shall also constitute its resignation as an Issuing Bank and the Swing Line Lender, in which case such resigning Issuing Bank and Swing Line Lender (x) shall not be required to issue any further Letters of Credit or extend any further Swing Line Loans hereunder and (y) shall maintain all of its rights as Issuing Bank or Swing Line Lender with respect to any Letters of Credit issued by it or Swing Line Loans extended by it, as applicable, prior to the date of such resignation so long as such Letters of Credit, LC Exposure or Swing Line Loans remain outstanding and not otherwise cash collateralized in accordance with the terms herein. Upon the acceptance of a

successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swing Line Lender, (ii) the retiring Issuing Bank and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

#### SECTION 8.07 Non-Reliance on Administrative Agent and Other Lenders.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment or Refinancing Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent and Collateral Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent or Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent or Collateral Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent or Collateral Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

SECTION 8.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, neither any Joint Lead Arrangers nor any person named on the cover page hereof as a Joint Lead Arranger shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an Issuing Bank hereunder.

SECTION 8.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or outstanding Letter of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit outstandings and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks, the Swing Line Lender and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank or in any such proceeding.

SECTION 8.10 No Waiver; Cumulative Remedies; Enforcement.

No failure by any Lender, any Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further

exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Article VII for the benefit of all the Lenders and the Issuing Banks; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the Issuing Banks or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or the Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Article VII and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

#### SECTION 8.11 Status of Administrative Agent.

On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement, the Administrative Agent shall deliver to the Borrower (i) if the Administrative Agent is a United States person (as defined in Section 7701(a)(30) of the Code), an executed copy of Internal Revenue Service Form W-9, or (ii) if the Administrative Agent is not a United States person (as defined in Section 7701(a)(30) of the Code), (A) an executed applicable Internal Revenue Service Form W-8ECI with respect to amounts received on its own account and (B) an executed Internal Revenue Service Form W-8IMY evidencing its agreement with the Borrower to be treated as a United States person (as defined in Section 7701(a)(30) of the Code) as set forth in U.S. Treasury Regulation Section 1.1441-1T(b)(2)(iv), for the purpose of permitting the Borrower to make payments to such Administrative Agent without deduction or withholding of any Taxes imposed by the United States. The Administrative Agent shall deliver such documentation on or before any date on which such documentation expires or becomes obsolete or invalid, after the occurrence of any change in the Administrative Agent's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower, and from time to time thereafter if reasonably requested by the Borrower, and shall promptly notify the Borrower in writing if it is no longer legally eligible to provide any documentation previously provided.

MISCELLANEOUS

SECTION 9.01 Notices.

(a) All notices and other communications provided for herein shall be in writing and shall be delivered by overnight courier service, mailed by certified or registered mail or sent by fax or other electronic transmission (including e-mail), as follows:

(i) if to Holdings, the Borrower, the Administrative Agent, the Swing Line Lender or Barclays Bank PLC as an Issuing Bank, to the address, fax number, e-mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender or Issuing Bank, to it at its address (or fax number, telephone number or e-mail address) set forth in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain Material Non-Public Information relating to the Borrower).

Notices and other communications sent by overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received when sent to the proper e-mail address as specified on Schedule 9.01 (as updated from time to time in accordance with Section 9.01(d)), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received when an e-mail is sent to the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrower, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender, any Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrower, the Administrative Agent, the Swing Line Lender and any Issuing Bank may change its address, electronic mail address, fax or telephone number for notices and other communications or website hereunder by notice to the other parties hereto. Each other Lender may change its address, fax or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the Swing Line Lender and the Issuing Banks. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, fax number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent, Issuing Bank and Lenders. The Administrative Agent, the Swing Line Lender, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent and each of the parties hereto hereby consents to such recording.

#### SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under this Agreement or any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or

further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks, the Swing Line Lender and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle the Borrower or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.20 with respect to any Incremental Facility Amendment, Section 2.21 with respect to any Refinancing Amendment or Section 2.24 with respect to any Permitted Amendment, neither this Agreement, any Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent and the Required Lenders (provided, that if such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall only be required to acknowledge such waiver, amendment or modification) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that, to the extent not otherwise specified, the consent of the Required Lenders shall not be required with respect to the amendments set forth below; provided, further, that no such agreement shall (i) increase the Commitment of any Lender without the written consent of (x) the Required Lenders and (y) such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the reimbursement obligations of the Borrower for the LC Exposure at such time (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness of principal) or reduce the rate of interest thereon, or reduce any fees or premiums payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of Total Net Leverage Ratio, Senior Secured Net Leverage Ratio or Senior Secured First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive or otherwise modify any obligation of the Borrower to pay default interest pursuant to Section 2.13(c), (iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Term Loan under Section 2.10 or the applicable Refinancing Amendment, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest, premium

or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby, (iv) change Section 2.18(b), Section 2.18(c) or Section 7.03 in a manner that would alter the pro rata sharing of payments or other amounts required thereby without the consent of each Lender directly and adversely affected thereby (provided, that any such changes required in connection with any Refinancing Amendment, Incremental Facility Amendment or other transaction expressly permitted hereunder shall only require the approval (to the extent any approval is required) of the Required Lenders so long as the Administrative Agent is notified of such amendment), (v) change any of the provisions of this Section 9.02(b) without the written consent of each Lender, (vi) change the definition of "Required Lenders", "Required Revolving Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), (vii) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender (other than a Defaulting Lender) or (viii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (other than a Defaulting Lender), except as expressly provided in the Loan Documents; provided, further, that in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans or Revolving Commitments (and the Revolving Loans in respect hereof) is refinanced with a replacement Class of term loans or revolving commitments (and the revolving loans in respect hereof) bearing (or is modified in such a manner such that the resulting term loans or revolving commitments (and the revolving loans in respect hereof) bear a lower yield, only the consent of the Lenders holding Term Loans or Revolving Commitments (and the Revolving Loans in respect hereof) subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or Revolving Commitments (and the Revolving Loans in respect hereof) or modified Term Loans or Revolving Commitments and the Revolving Loans in respect hereof shall be required); provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Swing Line Lender or any Issuing Bank without the prior written consent of the Administrative Agent, the Swing Line Lender or such Issuing Bank, as the case may be; provided, however, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lender and the Borrower so long as the obligations of the Revolving Lenders are not affected thereby, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any mistake, ambiguity, omission, defect, obvious error or incorrect cross-reference, or to effect administrative changes of a technical or immaterial nature or to correct any inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the

Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion and (b) guarantees, Security Documents and related documents in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement and the other Loan Documents, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities or defects, (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents or (iv) to integrate any Incremental Facility or Credit Agreement Refinancing Indebtedness in a manner consistent with this Agreement and the other Loan Documents. Notwithstanding the foregoing, (A) no Lender or Issuing Bank consent is required to effect any amendment, modification or supplement to any Intercreditor Agreement or subordination agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Incremental Term Loan or Revolving Loan under any Incremental Revolving Commitment Increase, any Other Term Loan, Other Revolving Loan or Other Revolving Commitments, for the purpose of adding the holders of such Indebtedness (or their Senior Representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, to give effect hereto or otherwise carry out the purposes thereof, in each case as contemplated by the terms of such Intercreditor Agreement permitted under this Agreement (including any changes thereto as contemplated by Section 9.14(b)) or subordination agreement or arrangement permitted under this Agreement, as applicable and (B) no agreement shall (x) amend, waive or otherwise modify Section 6.11 hereof or the defined terms used for Section 6.11, (y) waive any Financial Performance Covenant Event of Default without the written consent of the Required Revolving Lenders or (z) amend, waive or otherwise modify any of the conditions set forth in Section 4.02 with respect to the making of any Revolving Loan or issuance of any Letters of Credit without the written consent of the Required Revolving Lenders; provided, however, that any amendments, modifications, waivers and consents described in this clause (B) shall not require the consent of any Lenders other than the Required Revolving Lenders.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a “Non-Consenting Lender”), then the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) or (ii) prepay the Loans and, if applicable, terminate the Revolving Commitments of such Non-Consenting Lenders; provided that (a) in the case of the preceding clause (i), the Borrower shall have received the prior

written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned and each Issuing Bank), which consent shall not unreasonably be withheld, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding par principal amount of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (including pursuant to Section 2.11(a)(i)) from (x) in the case of preceding clause (i), the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (y) in the case of preceding clause (ii), from the Borrower, and (c) in the case of preceding clause (i), unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b). If any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Term Loans or its Initial Term Loans are prepaid by the Borrower pursuant to this Section 9.02(c) on or prior to the six-month anniversary of the Effective Date as a result of a Repricing Transaction, the Borrower shall pay such Non-Consenting Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned or prepaid.

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, the Revolving Commitments, Term Loans and Revolving Exposure of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class), a Majority in Interest of Lenders of any Class or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, for purposes of any plan of reorganization, such Affiliated Lender will be deemed to have voted in the same proportion as non-Affiliated Lenders voting on such matter; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion in connection with any plan of reorganization to the extent (a) any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower, (b) that would deprive such Affiliated Lender of its pro rata share of any payments to which it is entitled or (c) if such plan of reorganization does not require the consent of each Lender or each affected Lender.

#### SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay, if the Effective Date occurs and the Transactions have been consummated, (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Administrative Agent, the Joint Lead Arrangers, each Issuing Bank and their respective Affiliates (without duplication), (but limited, (A) in the case of legal fees and expenses,

to the reasonable, documented, out-of-pocket fees, disbursements and other charges of one counsel to the Administrative Agent, the Issuing Banks and the Joint Lead Arrangers, taken as a whole, plus, if reasonably necessary, one regulatory counsel and one local counsel to the Administrative Agent, the Issuing Banks and the Joint Lead Arrangers, taken as a whole, in any relevant material jurisdiction, in each case excluding allocated costs of in-house counsel (and in the case of an actual or potential conflict of interest, one additional counsel and local counsel to the affected Lenders, taken as a whole) and (B) in the case of other consultants and advisors, limited to the fees and expenses of such persons approved by the Borrower, such approval not to be unreasonably withheld or delayed), in each case for the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, and the preparation, execution, delivery and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof), (ii) all reasonable and documented and invoiced out-of-pocket costs and expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented and invoiced out-of-pocket expenses (but not third party costs or expenses such as legal fees or the fees of other advisors) incurred by the Administrative Agent, each Issuing Bank or any Lender and the fees, charges and disbursements of counsel to the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, in any relevant material jurisdiction (and in the case of an actual or potential conflict of interest, one additional counsel to the affected Lenders, taken as a whole) (but limited, (A) in the case of legal fees and expenses, to the fees, disbursements and other charges of one counsel to the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, and, if reasonably necessary, one local counsel and one regulatory counsel to the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, in each relevant material jurisdiction (and in the case of an actual or potential conflict of interest, one additional counsel to the affected Lenders, taken as a whole) and (B) in the case of other consultants and advisers, limited to the fees and expenses of such persons approved by the Borrower, such approval not to be unreasonably withheld or delayed) in connection with the enforcement or protection of any rights or remedies in connection with the Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Laws or during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit).

(b) Without duplication of the expense reimbursement obligations pursuant to clause (a) above, the Borrower shall indemnify the Administrative Agent, each Issuing Bank, each Lender, the Joint Lead Arrangers and each Related Party (other than Excluded Affiliates) of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and expenses (but limited, in the case of legal expenses, to the reasonable and documented and invoiced out-of-pocket fees and expenses of one counsel for all Indemnities and to the extent reasonably determined by the Administrative Agent to be necessary, one regulatory counsel and one local counsel in each relevant jurisdiction (and, in the case of an actual or potential conflict of interest, one additional counsel) for all Indemnities (which may include a single special counsel acting in multiple jurisdictions but excluding allocated costs of in-house counsel)), incurred by or asserted against any Indemnitee by any third party or by the Borrower, Holdings or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the

consummation of the Transactions or any other transactions contemplated thereby, the syndication of the credit facilities provided for herein, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other real property currently owned or operated by Holdings, the Borrower or any Subsidiary, or any other Environmental Liability related in any way to Holdings, the Borrower or any Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower, Holdings or any Subsidiary or their Affiliates and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (w) resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or its controlled Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment), (x) resulted from a material breach of the Loan Documents by such Indemnitee or its Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) arise from disputes between or among Indemnities (other than disputes involving claims against the Administrative Agent, the Collateral Agent or the Joint Lead Arrangers or any Issuing Bank, in each case, in their respective capacities) that do not involve an act or omission by the Sponsor, Holdings, the Borrower or any Restricted Subsidiary or (z) resulted from any settlement effected without the Borrower's prior written consent (which consent shall not be unreasonably withheld or delayed); provided that, to the extent any amounts paid to an Indemnitee in respect of this Section 9.03, such Indemnitee, by its acceptance of the benefits hereof, agrees to refund and return any and all amounts paid by the Borrower to it if, pursuant to the operation of the foregoing clauses (w) through (z), such Indemnitee was not entitled to receipt of such amount. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Lender or any Issuing Bank under paragraph (a) or (b) of this Section 9.03, each Lender severally agrees to pay to the Administrative Agent, such Lender or such Issuing Bank, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Lender or such Issuing Bank in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate Revolving Exposures, outstanding Term Loans and unused Commitments at such time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply *mutatis mutandis* to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, none of Holdings, the Borrower, any Agent, any Lender, any other party hereto or any Indemnitee shall assert, and each hereby waives, any claim against any other such Person on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement)

arising out of, in connection with, arising out of, as a result of, or in any way related to, this Agreement or any agreement or instrument contemplated hereby or referred to herein, the transactions contemplated hereby or thereby, or any act or omission or event occurring in connection therewith and each such Person further agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that the foregoing shall in no event limit the Borrower's indemnification obligations under clause (b) above.

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower of the commencement of any proceeding; provided, however, that the failure to do so will not relieve the Borrower from any liability that it may have to such Indemnitee hereunder, except to the extent that the Borrower is materially prejudiced by such failure. Notwithstanding the above, following such notification, the Borrower may elect in writing to assume the defense of such proceeding, and, upon such election, the Borrower will not be liable for any legal costs subsequently incurred by such Indemnitee (other than reasonable costs of investigation and providing evidence) in connection therewith, unless (i) the Borrower has failed to provide counsel reasonably satisfactory to such Indemnitee in a timely manner, (ii) counsel provided by the Borrower reasonably determines its representation of such Indemnitee would present it with a conflict of interest or (iii) the Indemnitee reasonably determines that there are actual conflicts of interest between the Borrower and the Indemnitee, including situations in which there may be legal defenses available to the Indemnitee which are different from or in addition to those available to the Borrower.

(f) Notwithstanding anything to the contrary in this Agreement, the extent permitted by applicable law, neither Holdings nor the Borrower shall assert, and each hereby waives, any claim against any Indemnitee for any direct or actual damages arising from the use by unintended recipients of information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems (including the Internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; except to the extent that such direct or actual damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or a material breach of the Loan Documents by, such Indemnitee or its Related Parties.

(g) All amounts due under this Section 9.03 shall be payable not later than twenty (20) Business Days after written demand therefor; provided, however, that any Indemnitee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnitee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

#### SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder (other than to a

Successor Borrower pursuant to a transaction permitted by Section 6.03(a)(iv)(B)) without the prior written consent of each Lender, each Issuing Bank and the acknowledgement of the Administrative Agent (and any attempted assignment or transfer by the Borrower without such consent (other than to a Successor Borrower pursuant to a transaction permitted by Section 6.03(a)(iv)(B)) shall be null and void), (ii) no assignment shall be made to any Defaulting Lender or any of its Affiliates, or any Persons who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (ii) and (iii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 9.04), the Indemnitees and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraphs (b)(ii) and (f) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of (A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (x) by a Term Lender to any Lender, an Affiliate of any Lender or an Approved Fund, (y) if a Specified Event of Default has occurred and is continuing or (z) by a Revolving Lender to any Lender, an Affiliate of any Lender or an Approved Fund; provided, further, that no assignee contemplated by the immediately preceding proviso shall be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable assignor would have been entitled to receive with respect to the assignment made to such assignee, unless the assignment to such assignee is made with the Borrower's prior written consent; provided, further, that the Borrower shall have the right to withhold its consent to any assignment if in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of a Term Loan subject to Section 9.04(f) and (g), an Affiliated Lender, Holdings, the Borrower or any of its Subsidiaries; provided, further, that no consent of the Administrative Agent shall be required for an assignment of Term Loans to a Lender or by a Lender to one of its controlled Affiliates or an Affiliate under common control with such Lender and (C) solely in the case of Revolving Loans and Revolving Commitments, each Issuing Bank and the Swing Line Lender (not to be unreasonably withheld or delayed); provided that, for the avoidance of doubt, no consent of any Issuing Bank shall be required for an assignment of all or any portion of a Term Loan or Term Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment of Term Loans within ten (10) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's

Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall, in the case of Revolving Loans, not be less than \$5,000,000 (and integral multiples thereof) or, in the case of a Term Loan, \$1,000,000 (and integral multiples thereof), unless the Borrower and the Administrative Agent otherwise consent (in each case, such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or, if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, and, in each case, together with a processing and recordation fee of \$3,500 payable by the assignee; provided that such processing and recordation fee shall not be payable in connection with an assignment by a Lender to one of its controlled Affiliates or an Affiliate under common control with such Lenders; provided, further, that the Administrative Agent, in its sole discretion, may elect to waive or reduce such processing and recordation fee; provided, further, that any such Assignment and Assumption shall include a representation by the assignee that the assignee is not a Disqualified Lender (but only if the Disqualified Lenders List is available to such assignee and Lenders upon request); provided, further, that assignments made pursuant to Section 2.19(b), 2.21(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective, (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain Material Non-Public Information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and (E) unless the Borrower otherwise consents, no assignment of all or any portion of the Revolving Commitment of a Lender that is also an Issuing Bank may be made unless (1) the assignee shall be or become an Issuing Bank, as applicable, and assume a ratable portion of the rights and obligations of such assignor in its capacity as Issuing Bank, or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to and obligations to make or issue Letters of Credit hereunder in which case the Applicable Fronting Exposure of such assignor may exceed such assignor's Fronting Exposure Cap for purposes of Section 2.05(b) by an amount not to exceed the difference between the assignor's Fronting Exposure Cap prior to such assignment and the assignor's Fronting Exposure Cap following such assignment; provided that no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section 9.04 to the extent otherwise permitted thereby or otherwise shall be void.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans or Incremental Loans held by Affiliated Lenders. The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower, the Issuing Banks and any Lender, at any reasonable time and from time to time upon reasonable prior notice. The Register is intended to cause each Loan to be in registered form for U.S. federal income tax purposes under Section 5f.103-1(c) of the U.S. Treasury Regulations and Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.04 and any written consent to such assignment required by paragraph (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words “execution”, “signed”, “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as an original executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or the Issuing Banks, sell participations to one or more banks or other Persons (other than to a Disqualified Lender (but only if the Disqualified Lenders List is available to Lenders upon request) or other Person that is not an Eligible Assignee) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to paragraph (c)(iii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19, it being understood that any tax forms required by Section 2.17(f) shall be provided to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04 provided that such Participant agrees to be subject to the provisions of Sections 2.19 as if it were an assignee under paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”). The entries in the Participant Register shall be conclusive, absent manifest error, and the parties hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of its Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or other obligations under the Loan Documents) except to the extent to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(iii) A Participant (other than a Revolving Lender pursuant to Section 2.05(e)) shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other "central" bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans and participations in Letters of Credit and Swing Line Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Notwithstanding anything to the contrary herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to an Affiliated Lender subject to the following limitations:

(i) Affiliated Lenders (other than Affiliated Debt Funds) will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(e), in any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender, or that would not deprive such Affiliated Lender of its pro rata share of any payments to which it is entitled, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) “designated” pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting limitations and will be entitled to vote as any other Lender; provided that Affiliated Debt Funds may not account for more than 49.9% of the “Required Lenders” in any Required Lender vote;

(iii) Affiliated Lenders may not purchase Revolving Loans, Other Revolving Loans or Swing Line Loans, including pursuant to this Section 9.04;

(iv) the aggregate principal amount of Term Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase, after giving effect to any substantially simultaneous cancellations thereof;

(v) Affiliated Lenders shall clearly identify themselves as an Affiliated Lender in the loan assignment documentation. In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any lender is an Affiliated Lender or Affiliated Debt Fund nor shall the Administrative Agent be obligated to monitor the number of Affiliated Lenders or Affiliated Debt Funds or the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders or Affiliated Debt Funds;

(vi) Affiliated Lenders (other than Affiliated Debt Funds) will not be permitted to vote on matters requiring a Required Lender vote, and the Term Loans held by Affiliated Lenders (other than Affiliated Debt Funds) shall be disregarded in determining (x) other Lenders’ commitment percentages or (y) matters submitted to Lenders for consideration that do not require the consent of each Lender or each affected Lender; provided that the commitments of any Affiliated Lender shall not be increased, the Interest Payment Dates and the dates of any scheduled amortization payments (including at maturity) owed to any Affiliated Lender hereunder will not be extended and the amounts owing to any Affiliated Lender hereunder will not be reduced without the consent of such Affiliated Lender;

(vii) each Lender making such assignment to such Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Material Non-Public

Information, (2) such Lender has independently and, without reliance on such Affiliated Lender, Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Material Non-Public Information and (3) none of Holdings, the Sponsor, its Subsidiaries, the Administrative Agent, any Affiliated Lender or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, the Sponsor, its Subsidiaries, the Administrative Agent, such Affiliated Lender and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Material Non-Public Information. Each Lender entering into such an assignment further acknowledges that the Material Non-Public Information may not be available to the Administrative Agent or the other Lenders; and

(viii) proceeds of Revolving Loans may not be used to effect Term Loans purchased by assignment pursuant to this Section 9.04(f).

(g) Any Lender may, at any time, assign all or a portion of its Term Loans (but not Revolving Loans, Other Revolving Loans or Swing Line Loans) to Holdings or any of its Subsidiaries, through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.11(a)(iii) or other customary procedures acceptable to the Administrative Agent and/or (y) open market purchases on a non-pro rata basis, provided that (i) the Borrower shall not make any Revolving Borrowing, Other Revolving Loans or Swing Line Loans to fund such assignment, (ii) any Term Loans that are so assigned will be automatically and irrevocably cancelled and the aggregate principal amount of the tranches and installments of the relevant Term Loans then outstanding shall be reduced pro rata by an amount equal to the par principal amount of such Term Loans, (iii) no Event of Default shall have occurred and be continuing and (iv) each Lender making such assignment to Holdings or any of its Subsidiaries acknowledges and agrees that in connection with such assignment, (1) Holdings or its Subsidiaries then may have, and later may come into possession of Material Non-Public Information, (2) such Lender has independently and, without reliance on Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Material Non-Public Information and (3) none of Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Material Non-Public Information. Each Lender entering into such an assignment further acknowledges that the Material Non-Public Information may not be available to the Administrative Agent or the other Lenders.

(h) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Lender without the prior written consent of the Borrower; provided that, upon the inquiry by (i) any Lender to the Administrative Agent as to whether a specified potential assignee or prospective participant is on the Disqualified Lenders List or (ii) any potential assignee as to whether such potential assignee is on the Disqualified Lenders List the Administrative Agent

shall be provide such list of Disqualified Lenders to such Lender or potential assignee, as applicable; provided, further, that inclusion on the Disqualified Lenders List shall not apply retroactively to disqualify any persons that have previously acquired an assignment or participation in the Loan if such person was not included on the Disqualified Lenders List at the time of such assignment or participation. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if any Lender was a Disqualified Lender at the time of the assignment of any Loans or Commitments to such Lender, following written notice from the Borrower to such Lender and the Administrative Agent and otherwise in accordance with Section 2.19(b), as applicable: (1) such Lender shall promptly assign all Loans and Commitments held by such Lender to an Eligible Assignee (and the signature of such Disqualified Lender shall not be required on any such assignment); provided that (A) the Administrative Agent shall not have any obligation to the Borrower, such Lender or any other Person to find such a replacement Lender, (B) the Borrower shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person subject to the Borrower's consent in accordance with Section 9.04(b)(i) and (C) the assignment of such Loans and/or Commitments, as the case may be, shall be at par plus accrued and unpaid interest and fees; (2) such Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of any Class), all affected Lenders (or all affected Lenders of any Class), a Majority in Interest of Lenders of any Class or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.02); provided that (x) the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Disqualified Lender adversely and in a manner that is disproportionate to other affected Lenders shall require the consent of such Disqualified Lender; and (3) no Disqualified Lender is entitled to receive information provided solely to Lenders by the Administrative Agent or any Lender or will be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices or Borrowings, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II. Notwithstanding anything to the contrary herein, the Borrower (on behalf of itself and the other Loan Parties) and the Lenders acknowledge and agree that the Administrative Agent shall have no responsibility or obligation to determine whether any Lender or potential Lender is a Disqualified Institution and that the Administrative Agent shall have no liability with respect to any assignment or participation made to a Disqualified Institution.

(i) Notwithstanding the foregoing, any Affiliated Lender shall be permitted, at its option, to contribute any Term Loans so assigned to such Affiliated Lender pursuant to this Section 9.04 to Holdings or any of its Subsidiaries for purposes of cancellation, which contribution may be made (including, with the Borrower's consent, to the Borrower, whether through Holdings or otherwise), in exchange for Qualified Equity Interests of Holdings or the Borrower or Indebtedness of the Borrower to the extent such Indebtedness is permitted to be incurred (including, if applicable, as a Permitted Refinancing) pursuant to Section 6.01 at such time.

#### SECTION 9.05 Survival.

All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans and all other amounts payable hereunder, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or (f).

#### SECTION 9.06 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of an original executed counterpart of this Agreement.

#### SECTION 9.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining

provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the Swing Line Lender or the Issuing Banks, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

#### SECTION 9.08 Right of Setoff.

If a Specified Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not withholding or payroll accounts, employee benefits accounts, de minimis accounts or other accounts used exclusively for taxes or fiduciary or trust purposes) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower (excluding, for the avoidance of doubt, any Settlement Assets except to effect Settlement Payments such Lender is obligated to make to a third party in respect of such Settlement Assets or as otherwise agreed in writing between the Borrower and such Lender) against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The applicable Lender and applicable Issuing Bank shall notify the Borrower and the Administrative Agent of such setoff and application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Notwithstanding the foregoing, no amount set off from any Loan Party (other than the Borrower) shall be applied to any Excluded Swap Obligation of such Loan Party (other than the Borrower).

#### SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any federal court sitting in the Borough of Manhattan in the City of New York or, if that court does not have subject matter jurisdiction, in

any state court located in the City and County of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court except to the extent required by any Security Document to be brought in another jurisdiction pursuant to the terms of such Security Document. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings or the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.01. NOTHING IN ANY LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

#### SECTION 9.10 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

#### SECTION 9.11 Headings.

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates (other than Excluded Affiliates) and its and their respective directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors and any numbering, administration or settlement service providers on a “need-to-know” basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and will be instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent, any Issuing Bank or the relevant Lender to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, such Issuing Bank or the relevant Lender, as applicable), (ii) to the extent requested or required by any governmental authority, regulatory authority or self-regulatory authority, required by applicable law, rule or regulation or by any subpoena or similar legal process or in connection with the exercise of remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder (including without limitation for purposes of establishing any appropriate due diligence defense) or any other pending legal, judicial or administrative proceeding or other compulsory process or upon the good faith determination by counsel that such Information should be disclosed in light of ongoing oversight or review of such Administrative Agent, Issuing Bank or Lender, as applicable, by any governmental or regulatory (including self-regulatory) authority having jurisdiction over the Administrative Agent, Issuing Bank or Lender or its Affiliates, as applicable; provided that (x) solely to the extent permitted by law and other than in connection with routine audits and reviews by regulatory and self-regulatory authorities, each Lender and the Administrative Agent shall promptly notify the Borrower of any such requested or required disclosure in connection with any legal or regulatory proceeding and (y) in the case of clause (ii) only, each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, (iii) to any other party to this Agreement, (iv) to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (B) any actual or prospective counterparty (or its advisors) to any Swap Agreement or derivative transaction relating to any Loan Party or its Subsidiaries and its obligations under the Loan Documents or (C) any pledgee referred to in Section 9.04(d), in the case of each of the preceding clauses (A) through (C), other than to a Disqualified Lender; provided that any such disclosure under this clause (iv) shall be made subject to the acknowledgment and acceptance by such assignee or Participant, prospective assignee or Participant, actual or prospective counterparty (or its advisors) or pledgee, as applicable, that such Information is being disseminated on a confidential basis (on substantially the same terms set forth in this Section 9.12 or as is reasonably acceptable to the Borrower and the Administrative Agent) in accordance with the customary market standards for dissemination of such type of Information, in the event of any electronic access through Intralinks, another website or similar electronic system or platform, which shall in any event require “click through” or other affirmative action on the part of the recipient to access such Information and acknowledge its confidentiality obligations in respect thereof, in each case on terms reasonably acceptable to the Borrower, (v) if required by any rating agency; provided that prior to any such disclosure, such rating agency shall have agreed in writing to maintain the confidentiality of such Information, (vi) to service providers providing administrative and ministerial services solely in connection with the syndication and administration of the Loan Documents and the facilities (e.g., identities of parties, maturity dates,

interest rates, etc.) on a confidential basis, or (vii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.12 or (y) becomes available to the Administrative Agent, any Issuing Bank, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary, which source is not known (after due inquiry) by the recipient of such information to be subject to a confidentiality obligation. For the purposes hereof, "Information" means all information received from or on behalf of Holdings or the Borrower relating to Holdings, the Borrower, any other Subsidiary or their business other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by Holdings, the Borrower or any Subsidiary. Notwithstanding the foregoing, provided that the Disqualified Lenders List has been shared with the Lenders, no such information shall be disclosed to a Disqualified Lender that constitutes a Disqualified Lender at the time of such disclosure without the Borrower's prior written consent.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION (AS DEFINED IN SECTION 9.12(a)) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

#### SECTION 9.13 USA PATRIOT Act.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

(a) A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction or designation permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a permitted merger or amalgamation with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary) or becomes an Excluded Subsidiary or (2) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a Wholly Owned Subsidiary; provided that the release of any Subsidiary Loan Party from its obligations under the Loan Documents (i) if such Subsidiary Loan Party becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof and/or (ii) pursuant to preceding clause (2) of this Section 9.14(a), such release shall only be permitted if (y) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be released, the Borrower is deemed to have made a new Investment in such Person (as if such Person were then newly acquired) and such Investment is permitted at such time and (z) a Responsible Officer of the Borrower certifies to the Administrative Agent compliance with preceding clause (y); provided, further, that no such release shall occur if such Subsidiary Loan Party continues to be a guarantor in respect of the Second Lien Credit Agreement, any Incremental Equivalent Debt, any Other Term Loans, any Incremental Facility, any Permitted First Priority Refinancing Debt, any Permitted Junior Priority Refinancing Debt, any Permitted Unsecured Refinancing Debt, any Junior Financing or any Permitted Refinancing in respect of any of the foregoing; provided, further, that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise, or (3) as provided in the Closing Date Intercreditor Agreement. Upon any sale or other transfer by any Loan Party (other than to any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral or upon any Collateral becoming an Excluded Asset, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of Holdings or any Subsidiary Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by Holdings or such Subsidiary created by the Security Documents shall be automatically released. Upon the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Agreement, the security interest created by the Security Documents in the Equity Interests of such new Unrestricted Subsidiary shall automatically be released. To the extent the release of any Lien in any Collateral is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.02), the security interest in such Collateral shall be automatically released. To the extent the release of any security interest in any Collateral is required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents, the security interest in such Collateral shall be automatically released. In addition, liens shall be released and guarantees released in accordance with the terms of the Security Documents and the Guarantee. Upon the Termination Date all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations (other than those being discharged or released) or any Liens (other than those being discharged or released) of the Loan Parties in respect of all

interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of Excluded Assets or otherwise released in accordance with the provisions of the Loan Documents. In connection with any termination or release pursuant to this Section 9.14, without the further consent of any Lender, Issuing Bank or other Secured Party, the Administrative Agent or the Collateral Agent, as the case may be, shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence or to file or register in any office such termination or release so long as the Borrower or applicable Loan Party shall have provided the Administrative Agent or the Collateral Agent, as the case may be, such certifications or documents as the Administrative Agent or the Collateral Agent, as the case may be, shall reasonably request in order to demonstrate compliance with this Agreement. The Administrative Agent or the Collateral Agent, as the case may be, will, at the Borrower's expense, execute and deliver to the applicable Loan Party or to file or register in any office such documents as such Loan Party may reasonably request to subordinate its Lien on any property granted to or held by the Administrative Agent or the Collateral Agent, as the case may be, under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(ii) (but only pursuant to clauses (d) and (j) of the definition of "Permitted Encumbrances"), (iv), (v), (xi), (xii), (xxii) (but only with respect to any such liens securing Indebtedness permitted under Section 6.01(a)(viii)), (xxiii), (xxix) or (xxxv).

(b) Each of the Lenders and each of the Issuing Banks irrevocably authorizes the Administrative Agent or the Collateral Agent, as the case may be, to (i) provide any release or evidence of release, termination or subordination contemplated by this Section 9.14 (and upon request by the Administrative Agent or the Collateral Agent, as the case may be, at any time, the Required Lenders will confirm in writing the Administrative Agent's authority or the Collateral Agent's authority, as the case may be, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under any Loan Document, in each case in accordance with the terms of the Loan Documents and this Section 9.14), (ii) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, in each case to the extent such agreements, at the time they are first entered into, are substantially consistent with the terms set forth on Exhibit E-1, E-2 or E-3 annexed hereto, together with (A) any immaterial changes and (B) material changes thereto in light of prevailing market conditions, which material changes shall be posted to the Lenders not less than five (5) Business Days before execution thereof and, if the Required Lenders shall not have objected to such changes within five (5) Business Days after posting, then the Required Lenders shall be deemed to have agreed that the Administrative Agent's and/or Collateral Agent's entry into such intercreditor agreement (with such changes) is reasonable and to have consented to such intercreditor agreement (with such changes) and to the Administrative Agent's and/or Collateral Agent's execution thereof, in each case in form and substance reasonably satisfactory to the Administrative Agent and/or Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Initial Term Loans); and (iii) enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents for the benefit of the Lenders and the other Secured Parties.

#### SECTION 9.15 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto and it is not relying on the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks or the Lenders for such advice, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings, any of their respective Affiliates or any other Person and (B) none of the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Joint Lead Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

#### SECTION 9.16 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

#### SECTION 9.17 Judgment Currency.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower or any other Loan Party in respect of any such sum due from it to the Secured Parties hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under Requirements of Law).

#### SECTION 9.18 Intercreditor Agreement.

Each Secured Party hereby agrees that the Administrative Agent and/or Collateral Agent may enter into the Closing Date Intercreditor Agreement and any other intercreditor agreement and/or subordination agreement pursuant to, or contemplated by, the terms of this Agreement (including with respect to Indebtedness permitted pursuant to Section 6.01, any applicable Liens on Collateral permitted pursuant to Section 6.02 and, in each case, together with the defined terms referenced therein) on its behalf and agrees to be bound by the terms thereof and, in each case, consents and agrees to the appointment of Barclays Bank PLC (or its affiliated designee, representative, agent or successor) on its behalf as collateral agent, respectively, thereunder. Each Lender (a) understands, acknowledges and agrees that Liens shall be created on the Collateral pursuant to the Second Lien Loan Documents, which Liens shall be subject to the terms and conditions of the Closing Date Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Closing Date Intercreditor Agreement or any other applicable Intercreditor Agreement (if entered into) and (c) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Closing Date Intercreditor Agreement and, if applicable, any other Intercreditor Agreement (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements (subject, if applicable, to the last sentence of Section 9.02(b)), and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof).

#### SECTION 9.19 Cashless Settlement.

Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

(c) The definition of “Applicable Rate” in Section 1.01 of the Credit Agreement is hereby amended by deleting such definition and replacing it with the following:

““**Applicable Rate**” means, for any day, (x) with respect to any Initial Term Loan, (i) 2.50% per annum, in the case of an ABR Loan, or (ii) 3.50% per annum, in the case of a Eurodollar Loan and (y) with respect to any Revolving Loan, (i) from the Amendment No. 1 Effective Date until the date on which a Compliance Certificate is delivered pursuant to Section 5.01(d) in respect of the first full fiscal quarter after the Amendment No. 1 Effective Date, (A) 2.50% per annum, in the case of an ABR Loan, or (B) 3.50% per annum, in the case of a Eurodollar Loan, and (ii) thereafter, the applicable percentage per annum set forth below, as determined by reference to the Senior Secured First Lien Net Leverage Ratio, as set forth in the then most recent Compliance Certificate received by the Administrative Agent pursuant to Section 5.01(d):

<u>Pricing Level</u>	<u>Applicable Rate</u>		<u>Eurodollar Loans</u>	<u>ABR Loans</u>
	<u>Senior Secured First Lien Net Leverage Ratio</u>			
1	> 4.50:1.00		3.50%	2.50%
2	£ 4.50:1.00 and > 4.00:1.00		3.25%	2.25%
3	£ 4.00:1.00		3.00%	2.00%

Any increase or decrease in the Applicable Rate resulting from a change in the Senior Secured First Lien Net Leverage Ratio shall become effective as of the first Business Day immediately following the date a Compliance Certificate is delivered pursuant to Section 5.01(d); provided that if such Compliance Certificate is not delivered in accordance with Section 5.01(d), the Applicable Rate with respect to Revolving Loans shall be set at the margin in the row styled “Pricing Level 1” as of the first day of the month following the end of the quarter for which the Compliance Certificate was not delivered until the date on which such Compliance Certificate is delivered (on which date, the Applicable Rate with respect to Revolving Loans shall be set at the margin based upon the calculations disclosed by such certification).

In the event that the Compliance Certificate setting forth the Senior Secured First Lien Net Leverage Ratio previously delivered pursuant to Section 5.01(d) was inaccurate (and such inaccuracy is discovered while any Revolving Commitments are outstanding), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Rate for the Revolving Loans for any period (an “Applicable Period”) than the Applicable Rate for Revolving Loans applied for such Applicable Period, then, to the extent any Revolving Commitments are outstanding at such time, (i) the Borrower shall as soon as practicable deliver to the Administrative Agent the correct certified calculation of the Senior Secured First Lien Net Leverage Ratio for such Applicable Period, (ii) the

Applicable Rate for Revolving Loans for such Applicable Period shall be determined as if the level for such higher Applicable Rate for Revolving Loans was applicable for such Applicable Period, and (iii) the Borrower shall within ten Business Days of written demand thereof by the Administrative Agent pay to the Administrative Agent the accrued additional interest with respect to Revolving Loans owing as a result of such increased Applicable Rate for the Revolving Loans for such Applicable Period, which payment shall be promptly applied by the Administrative Agent in accordance with this Agreement.”

(d) The definition of “Loan Documents” in Section 1.01 of the Credit Agreement is hereby amended by inserting after “any Refinancing Amendment,” the following: “Amendment No. 1,”.

(e) The reference to “Effective Date” in Section 2.11(a)(i) of the Credit Agreement is hereby replaced with a reference to “Amendment No. 1 Effective Date”.

(f) Section 2.13 of the Credit Agreement is hereby amended by adding the following new clause (f) thereto:

“(f) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a) or (b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.14 have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor (acting reasonably) to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.”

(g) The reference to “Effective Date” in Section 2.21(b) of the Credit Agreement is hereby replaced with a reference to “Amendment No. 1 Effective Date”.

(h) Section 7.03 of the Credit Agreement is hereby amended by deleting the second paragraph and replacing it as follows:

“SECOND, to the payment in full of the Secured Obligations that constitute Senior Secured First Lien Indebtedness (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of such Secured Obligations owed to them on the date of any such distribution); provided that such payment shall be applied (w) first, to the portion of such Secured Obligations constituting accrued and unpaid fees, indemnities and other amounts (other than principal and interest) payable to the Lenders in respect of the Loans, (x) second, to the portion of such Secured Obligations constituting such accrued and unpaid interest in respect of the Loans, (y) third, to all other Secured Obligations;”

(i) Section 8.08 of the Credit Agreement is hereby amended by replacing the word “nor” immediately before “any person named on the cover page” with a comma followed by the words “any Amendment No. 1 Arranger nor”.

### ARTICLE III

#### Miscellaneous

Section 3.1. Continuing Effect; No Other Amendments or Waivers. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or any other Loan Document, all of which are hereby ratified and affirmed in all respects and shall continue in full force and effect. Except as expressly waived hereby, the provisions of the Credit Agreement and the other Loan Documents are and shall remain in full force and effect in accordance with their terms. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 1 Effective Date. This Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents. All references to the Credit Agreement in any document, instrument, agreement, or writing shall from after the Amendment No. 1 Effective Date be deemed to refer to the Credit Agreement as amended hereby, and, as used in the Credit Agreement, the terms "Agreement," "herein," "hereafter," "hereunder," "hereto" and words of similar import shall mean, from and after the Amendment No. 1 Effective Date, the Credit Agreement as amended hereby.

Section 3.2. New Lender. The New Lender hereby consents to this Amendment. Each of the New Lender, the Administrative Agent and the Borrower acknowledges and agrees that, upon the execution and delivery of an Assignment and Assumption signed by the New Lender, as assignee, and each Non-Consenting Lender, as assignor (or deemed to have been signed by such Non-Consenting Lender pursuant to Sections 9.02(c) and 9.04(b) (ii) of the Amended Credit Agreement), the New Lender (i) shall become a "Lender" under, and for all purposes, and subject to and bound by the terms, of the Amended Credit Agreement and other Loan Documents with Initial Term Loans and Revolving Commitments in an amount equal to the aggregate principal amount of all Existing Term Loans and Existing Revolving Commitments, as applicable, of all Non-Consenting Lenders, (ii) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under the Amended Credit Agreement and the other Loan Documents as are delegated to the Administrative by the terms thereof, together with such powers as are reasonably incidental thereto and (iii) shall perform all the obligations of and shall have all rights of a Lender thereunder. Each Non-Consenting Lender that does not execute such Assignment and Assumption shall be deemed to have executed and delivered such Assignment and Assumption in accordance with Sections 9.02(c) and 9.04(b)(ii) of the Credit Agreement. After the assignment (or deemed assignment) of Initial Term Loans

and Revolving Commitments by each Non-Consenting Lender to the New Lender as contemplated above, the New Lender and the Consenting Lenders shall together hold all of the Initial Term Loans and Revolving Commitments.

Section 3.3. Counterparts. This Amendment may be executed in any number of separate counterparts by the parties hereto (including by telecopy or via electronic mail), each of which counterparts when so executed shall be an original, but all the counterparts shall together constitute one and the same instrument.

Section 3.4. GOVERNING LAW. THIS AMENDMENT AND ALL MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS AMENDMENT (WHETHER IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 3.5. Reaffirmation. Each Loan Party hereto expressly acknowledges the terms of this Amendment and reaffirms, as of the date hereof and on the Amendment No. 1 Effective Date, that its guarantee of the Obligations under the Guarantee Agreement and its grant of Liens on the Collateral to secure the Obligations pursuant to each Collateral Agreement to which it is a party, in each case, continues in full force and effect and extends to the obligations of the Loan Parties under the Loan Documents (including the Credit Agreement as amended by this Amendment) subject to any limitations set out in the Credit Agreement (as so amended) and any other Loan Document applicable to that Loan Party. Neither the execution, delivery, performance or effectiveness of this Amendment nor the modification of the Credit Agreement effected pursuant hereto: (i) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Loan Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or (ii) requires that any new filings be made or other action be taken to perfect or to maintain the perfection of such Liens.

A Responsible Officer of the Borrower shall have delivered a certificate certifying as to the matters set forth in clauses (A) and (B).

#### Miscellaneous

Section 3.1. Continuing Effect; No Other Amendments or Waivers. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute

a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or any other Loan Document, all of which are hereby ratified and affirmed in all respects and shall continue in full force and effect. Except as expressly waived hereby, the provisions of the Credit Agreement and the other Loan Documents are and shall remain in full force and effect in accordance with their terms. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 2 Effective Date. This Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents. All references to the Credit Agreement in any document, instrument, agreement, or writing shall from after the Amendment No. 2 Effective Date be deemed to refer to the Credit Agreement as amended hereby, and, as used in the Credit Agreement, the terms "Agreement," "herein," "hereafter," "hereunder," "hereto" and words of similar import shall mean, from and after the Amendment No. 2 Effective Date, the Credit Agreement as amended hereby.

Section 3.2. New Lender. Each Lender who was not previously a Lender under the Credit Agreement, (i) confirms that it has received a copy of the Credit Agreement and the other Loan Documents and the exhibits and schedules thereto, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Loan Documents as are delegated to the Administrative Agent or the Collateral Agent, as the case may be, by the terms thereof, together with such powers as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender, as the case may be.

Section 3.3. Counterparts. This Amendment may be executed in any number of separate counterparts by the parties hereto (including by telecopy or via electronic mail), each of which counterparts when so executed shall be an original, but all the counterparts shall together constitute one and the same instrument.

Section 3.4. GOVERNING LAW. THIS AMENDMENT AND ALL MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS AMENDMENT (WHETHER IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 3.5. Reaffirmation. Each Loan Party hereto expressly acknowledges the terms of this Amendment and reaffirms, as of the date hereof and on the Amendment No. 2 Effective Date, that its guarantee of the Obligations under the Guarantee Agreement and its grant of Liens on the Collateral to secure the Obligations pursuant to each Collateral Agreement to which it is a party, in each case, continues in full force and effect and extends to the obligations of the Loan Parties under the Loan Documents (including the Credit Agreement as amended by this Amendment) subject to any limitations set out in the Credit Agreement (as so amended) and any other Loan Document applicable to that Loan Party. Neither the execution, delivery, performance or effectiveness of this Amendment nor the

modification of the Credit Agreement effected pursuant hereto: (i) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Loan Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or (ii) requires that any new filings be made or other action be taken to perfect or to maintain the perfection of such Liens.
