For the avoidance of doubt, (x) if any of such ratios are exceeded as a result of fluctuations in such ratio (including due to fluctuations in Consolidated EBITDA of the Borrower and its Subsidiaries) at or prior to the consummation of the relevant Limited Condition Transaction, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted hereunder and (y) such ratios and other provisions shall not be tested at the time of consummation of such Limited Condition Transaction or other related transactions. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to any other transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated (and tested) on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated (subject to the proviso to the definition of "Limited Condition Transaction").

No Default or Event of Default shall arise as a result of changes in currency exchange rates occurring after the time any Specified Transaction has been consummated so long as such Specified Transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth above. For purposes of Section 6.11 and the calculation of compliance with any financial ratio for purposes of taking any action hereunder (including for purposes of calculating compliance with the Incremental Cap), on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Sections 5.01(a) or (b) (or, prior to the first such delivery, the financial statements referred to in Section 4.01(h)), as applicable, for the relevant Test Period and will, with respect to any Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of any Swap Agreement permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the Dollar equivalent amount of such Indebtedness. Any determinations as to the Dollar Equivalent of Revolving Loans or Letters of Credit denominated in an Alternative Currency, the amount of fees owing in respect of Letters of Credit denominated in an Alternative Currency and the amount of the LC Disbursement reimbursement owing to each Issuing Bank under Section 2.05(f) shall be made by the Administrative Agent as of the most recent Revaluation Date and such determination shall be conclusive absent manifest error. The Administrative Agent or any Issuing Bank, as applicable, shall use the Exchange Rate as of each Revaluation Date for the purpose of calculating Dollar Equivalent amounts of the Revolving Loans denominated in an Alternative Currency. Such Exchange Rates shall become effective as of such Revaluation Date and shall be the Exchange Rates employed in converting any amounts between the applicable currencies for such purposes until the next Revaluation Date to occur.

If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Consolidated EBITDA for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations. Each direct or indirect Subsidiary of Holdings that is required to be joined and is joined as a Loan Party pursuant to Section 5.11 shall, until the completion of such joinder, be deemed for the purposes of Article VI of this Agreement to be a Loan Party from and after the Effective Date (or, if later, the date of formation or acquisition of such subsidiary).

Promptly after receipt by the Swing Line Lender of any Swing Line Loan Notice, Swing Line Lender will confirm with the Administrative Agent in writing that the Administrative Agent has

also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent in writing of the contents thereof. Unless the Swing Line Lender has received a written notice from the Administrative Agent (including at the request of any Revolving Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied or waived, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 5:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower. Notwithstanding anything to the contrary contained in this Section 2.04 or elsewhere in this Agreement, the Swing Line Lender shall not be obligated to make any Swing Line Loan at a time when a Revolving Lender is a Defaulting Lender unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender's Defaulting Lender Fronting Exposure (solely after giving effect to Section 2.22(a)(iv)) with respect to the Defaulting Lender's or Defaulting Lenders' participation in such Swing Line Loans, including by cash collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to the Swing Line Lender to support, such Defaulting Lender's or Defaulting Lenders' Applicable Percentage of the outstanding Swing Line Loans.

(c) *Refinancing of Swing Line Loans.* (i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Revolving Lender make a ABR Loan in an amount equal to such Revolving Lender's Applicable Percentage or other applicable share provided for under this Agreement of the aggregate principal amount of Swing Line Loans of the Borrower then outstanding. Such request shall be made in writing and delivered prior to 11:00 a.m. on the date of the proposed refinancing to the Administrative Agent and Revolving Lenders (which written request shall be deemed to be a Borrowing Request for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of ABR Loans, but subject to the unutilized portion of the aggregate Revolving Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Borrowing Request promptly after delivering such notice to the Administrative Agent. Each Revolving Lender shall make an amount equal to its Applicable Percentage or other applicable share provided for under this Agreement of the amount specified in such Borrowing Request available to the Administrative Agent in same day funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Borrowing Request, whereupon, subject to Section 2.04(c)(ii), each Revolving Lender that so makes funds available shall be deemed to have made a ABR Loan, as applicable, to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Borrowing in accordance with Section 2.04(c) (i), the request for ABR Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Lenders fund its risk

participation in the relevant Swing Line Loan and each Revolving Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by the Revolving Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect. A certificate of the Swing Line Lender submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Lender's obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this Section 2.04(c) (but not to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Borrowing Request). No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay the applicable Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations.* (i) At any time after any Revolving Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Revolving Lender its Applicable Percentage or other applicable share provided for under this Agreement of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 9.08 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Lender shall pay to the Swing Line Lender its Applicable Percentage or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender.* The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Lender funds its ABR Loan or risk participation pursuant to this Section 2.04 to refinance such Revolving Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender.* The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

#### SECTION 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank agrees, in reliance upon the agreements of the Revolving Lenders and the Borrower set forth in this Section 2.05 and elsewhere in the Loan Documents, to issue Letters of Credit denominated in Dollars or any Alternative Currency for the Borrower's own account (or for the account of any Subsidiary so long as the Borrower is an obligor in respect of all Loan Document Obligations arising under or in respect of such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, which shall reflect the standard operating procedures of such Issuing Bank, at any time and from time to time during the period from the Effective Date until the date that is the fifth (5th) Business Day prior to the Revolving Maturity Date; provided that (x) no Issuing Bank shall be required to issue any trade or commercial letters of credit hereunder and (y) no Issuing Bank shall be required to issue any Letter of Credit if after giving effect thereto the LC Exposure with respect to all Letters of Credit issued by such Issuing Bank would exceed the amount set forth across from its name on Schedule 2.05 (or in the documents pursuant to which such Issuing Bank became an Issuing Bank). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by a Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Issuance, Amendment, Renewal or Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by facsimile, or transmit by electronic communication, to the applicable Issuing Bank and the Administrative Agent (by 12:00 p.m. at least three (3) Business Days before the requested date of issuance, amendment, renewal or extension (or, in the case of any such request to be made on the Effective Date, one (1) Business Day) or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment, renewal or extension, as the case may be (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section 2.05), the amount

and currency of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend or extend, as the case may be, such Letter of Credit. Each such notice shall be in the form of Exhibit Q, appropriately completed (each, a “Letter of Credit Request”). If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank’s standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to, with respect to clauses (ii) and (iii), represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) subject to Section 9.04(b)(ii), the Applicable Fronting Exposure of each Issuing Bank shall not exceed its Fronting Exposure Cap, (ii) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments then in effect and (iii) the aggregate LC Exposure shall not exceed the Letter of Credit Sublimit. Letters of Credit will be available to be issued up to an aggregate face amount not to exceed the Letter of Credit Sublimit. No Issuing Bank shall be under any obligation to issue any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any Requirements of Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise fully compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank now or hereafter in effect and applicable to letters of credit generally, (iii) [reserved], (iv) except as otherwise agreed by the Administrative Agent and such Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000, or (v) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of cash collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank’s Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure. No Issuing Bank shall be under any obligation (i) to amend or extend any Letter of Credit if (x) such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (y) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit or (ii) to issue any Letter of Credit if such Letter of Credit contains any provisions for automatic reinstatement of all or any portion of the stated amount thereof after any drawing thereunder or after the expiry date of such Letter of Credit (provided that any Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods as provided in Section 2.05(d)).

(c) Notice. Each Issuing Bank agrees that, upon any issuance, amendment, renewal or extension of a Letter of Credit, it shall have given to the Administrative Agent written notice thereof required under paragraph (m)(ii) of this Section 2.05.

(d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any extension thereof, the date to which it has been extended (not in excess of one year from the last applicable expiry date)) or such later date as agreed to by the applicable Issuing Bank in its sole discretion and (ii) the date that is five (5) Business Days prior to the Revolving Maturity Date; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to the close of business on the next succeeding Business Day; provided, further, that any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed or extended automatically for additional consecutive periods of one year or less (but not beyond the date that is five (5) Business Days prior to the Revolving Maturity Date) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least thirty (30) days prior to the then-applicable expiration date, that such Letter of Credit will not be renewed or extended; provided, further, that such Letter of Credit shall not be required to expire on such fifth (5th) Business Day prior to the Revolving Maturity Date if such Letter of Credit is cash collateralized or backstopped in an amount, by an institution and otherwise pursuant to arrangements, in each case reasonably acceptable to the applicable Issuing Bank. For the avoidance of doubt, if the Revolving Maturity Date occurs prior to the expiration of any Letter of Credit as a result of the last proviso in the foregoing sentence, then upon the taking of actions described in such proviso with respect to such Letter of Credit, all participations in such Letter of Credit under the terminated Revolving Commitments shall terminate.

(e) Participations. Immediately upon the issuance of each Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, each Revolving Lender shall be deemed to have purchased and the applicable Issuing Bank shall be deemed to have sold a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (f) of this Section 2.05, or of any reimbursement payment required to be refunded to the Borrower for any reason. All fundings of such participations shall be denominated in Dollars or, if applicable, the Dollar Equivalent of the relevant amount of such Letter of Credit. Each Revolving Lender acknowledges and agrees that its acquisition of participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each payment required to be made by it under the preceding sentence shall be made without any offset, abatement, withholding or reduction whatsoever.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount (in same day funds) equal to such LC Disbursement not

later than 4:00 p.m., New York City time, on the Business Day immediately following the Business Day that the Borrower receives written notice (including via e-mail) of such LC Disbursement (the “Reimbursement Date”), together with accrued interest or fees thereon in accordance with clause (i) of this Section 2.05. Anything contained herein to the contrary notwithstanding, (i) unless the Borrower shall have notified the Administrative Agent and the applicable Issuing Bank prior to 2:00 p.m., New York City time, on the Reimbursement Date that the Borrower intends to reimburse the applicable Issuing Bank for the amount of the LC Disbursement (including any accrued interest or fees thereon) with funds other than the proceeds of Revolving Loans, the Borrower shall be deemed to have given a timely Borrowing Request to the Administrative Agent requesting Revolving Lenders to make Revolving Loans that are ABR Revolving Loans on the Reimbursement Date in an amount equal to such LC Disbursement (together with any accrued interest or fees thereon), and (ii) subject to satisfaction or waiver of the conditions specified in Section 4.02, Revolving Lenders shall, on the Reimbursement Date, make Revolving Loans that are ABR Revolving Loans in an amount equal to their Applicable Percentage of such LC Disbursement (together with any accrued interest or fees thereon), the proceeds of which shall be applied directly by the Administrative Agent to reimburse the applicable Issuing Bank for the amount of such LC Disbursement (together with any accrued interest or fees thereon); provided that if for any reason proceeds of Revolving Loans are not received by the applicable Issuing Bank on the Reimbursement Date in an amount equal to such LC Disbursement (together with any accrued interest or fees thereon), the Borrower shall reimburse the applicable Issuing Bank, on demand, in an amount in same day funds equal to the excess of such LC Disbursement (together with any accrued interest or fees thereon) over the aggregate amount of such Revolving Loans, if any, which are so received. The Revolving Loans made pursuant to this paragraph (f) shall be made without regard to the Borrowing Minimum.

(g) Obligations Absolute. The Borrower’s obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section 2.05 is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, this Agreement or any other Loan Document, or any term or provision herein or therein, (ii) any exchange, change, waiver or release of any Collateral for, or any other Person’s guarantee or of other liability for, any of the Secured Obligations, (iii) the existence of any claim, set-off, defense or other right which the Borrower or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the applicable Issuing Bank, any Lender or any other Person or, in the case of a Lender, against the Borrower, whether in connection herewith, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between the Borrower or one or more of its Subsidiaries and the beneficiary for which any Letter of Credit was procured), (iv) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (v) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit (provided that the Borrower shall not be obligated to reimburse such LC Disbursements unless payment is made against presentation of a draft or other document that at least substantially complies with the terms of such Letter of Credit), (vi) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of

Holdings or any of its Subsidiaries; (vii) any breach hereof or any other Loan Document by any party hereto or thereto, (viii) the fact that an Event of Default or a Default shall have occurred and be continuing or (ix) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. As between the Borrower and any Issuing Bank, the Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued by such Issuing Bank and the proceeds thereof, by the respective beneficiaries of such Letters of Credit or any assignees or transferees thereof. In furtherance and not in limitation of the foregoing, none of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged other than to confirm such documents comply with the terms of such Letter of Credit; (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) failure of the beneficiary of any such Letter of Credit to comply fully with any conditions required in order to draw upon such Letter of Credit; (iv) its honor of any presentation under a Letter of Credit that appears on its face to substantially comply with the terms and conditions of such Letter of Credit; (v) any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder); (vi) errors in interpretation of technical terms; (vii) any loss or delay in the transmission of any document required in order to make a drawing under any such Letter of Credit; (viii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (ix) any consequences arising from causes beyond the control of the applicable Issuing Bank, including any act by a Governmental Authority and fluctuation in currency exchange rates. None of the above shall affect or impair, or prevent the vesting of, any of the applicable Issuing Bank's rights or powers hereunder or place any Issuing Bank under any liability to the Borrower or any other Person. Notwithstanding the foregoing, none of the above shall be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential, incidental, exemplary or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by Requirements of Law) suffered by the Borrower that are caused by such Issuing Bank's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, nonappealable judgment) when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if (notwithstanding the appearance of substantial compliance) such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing delivered by facsimile of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligations to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (f) of this Section 2.05.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section 2.05, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(j) Cash Collateralization. If (i) effective immediately, without demand or other notice of any kind, as of any expiration date of a Letter of Credit, such Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, (ii) effective immediately, without demand or other notice of any kind, as of the occurrence and during the continuance of any Event of Default under paragraph (h) or (i) of Section 7.01, or (iii) any Event of Default under paragraph (a) or (b) of Section 7.01 shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent, the applicable Issuing Bank or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing more than 50% of the aggregate LC Exposure of all Revolving Lenders) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Secured Parties, an amount of cash in Dollars, equal to the portions of the LC Exposure attributable to Letters of Credit, as of such date plus any accrued and unpaid interest and fees thereon. The Borrower also shall deposit cash collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement and the other Loan Documents. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent, the Swing Line Lender or any Issuing Bank, the Borrower shall deliver to the Administrative Agent cash collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any cash collateral provided by the Defaulting Lender). The Administrative Agent (for the benefit of the Secured Parties) shall have

exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Permitted Investments and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding anything to the contrary set forth in this Agreement, moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, the balance shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50% of the aggregate LC Exposure of all the Revolving Lenders), such balance shall be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived or after the termination of Defaulting Lender status, as applicable. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree (in such Revolving Lender's sole discretion) in writing to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Resignation or Termination of an Issuing Bank. Subject to the appointment and acceptance of a successor Issuing Bank reasonably acceptable to the Borrower, any Issuing Bank may resign at any time by giving thirty (30) days' written notice to the Administrative Agent, the Lenders and the Borrower. The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to all Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to

Section 2.12(b). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not (a) be required (and shall be discharged from its obligations) to issue any additional Letters of Credit or extend or increase the amount of Letters of Credit then outstanding, without affecting its rights and obligations with respect to Letters of Credit previously issued by it, or (b) be deemed an Issuing Bank for any other purpose.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section 2.05, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) within five (5) Business Days following the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount of such LC Disbursement, (iv) on any Business Day on which a Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank; provided that no Issuing Bank shall have any liability hereunder to any Person for any failure to deliver the reports contemplated by this paragraph (m) of Section 2.05.

(n) Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued or when it is amended with the consent of the beneficiary thereof the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, the applicable Issuing Bank shall not be responsible to the Borrower for, and the applicable Issuing Bank's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the applicable Issuing Bank required or permitted under any law, order or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the applicable law or any order of any Governmental Authority in a jurisdiction where the applicable Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade (BAFT), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

## SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, New York City time, to the Applicable Account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.06 and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

## SECTION 2.07 Interest Elections.

(a) Each Revolving Borrowing of the applicable Class and each Term Borrowing of the applicable Class initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest

Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by facsimile or other electronic transmission of a written Interest Election Request signed by the Borrower, by the time that a Borrowing Request for Revolving Loans would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is to be a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section 2.07, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid, at the end of such Interest Period such Borrowing shall be continued as a Eurodollar Borrowing of one (1) month. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing in excess of one (1) month.

## SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Term Commitments shall automatically terminate and be permanently reduced to zero upon funding of the Term Loans on the Effective Date and (ii) the Revolving Commitments shall terminate on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class without premium or penalty (subject to Section 2.16), provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$500,000 unless such amount represents all of the remaining Commitments of such Class, (ii) the Borrower shall not terminate or reduce the Revolving Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the aggregate Revolving Exposures of such Class would exceed the aggregate Revolving Commitments then in effect for such Class, and (iii) if, after giving effect to any reduction of the Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Commitments, such sublimit shall be automatically reduced by the amount of such excess. Except as provided above, the amount of any such Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section 2.08 at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of any credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable and specified event or condition, in which case such notice may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit or the Swing Line Sublimit or the unused Commitments of any Class under this Section 2.08. Any termination or reduction of the Commitments of any Class shall be permanent (provided, that that termination or reduction of Revolving Commitments will be taken into account for purposes of the Voluntary Prepayment Amount to the extent provided by Section 2.20). Each reduction of (x) the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class and (y) the Revolving Commitments shall be made to any Class of Revolving Commitment as directed by the Borrower (including to any Class of existing or extended Revolving Commitments).

## SECTION 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan of such Lender on the Revolving Maturity Date and (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) The Borrower shall repay the aggregate principal amount of its Swing Line Loans on the Revolving Maturity Date.

(c) Each Lender shall maintain in accordance with its usual practice accounts or records evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder and the amount of any the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans.

(d) The Administrative Agent shall, in connection with the maintenance of the Register in accordance with Section 9.04(b)(iv), maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(e) The entries made in the accounts maintained pursuant to paragraph (c) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns).

## SECTION 2.10 Amortization of Term Loans.

(a) Subject to adjustment pursuant to paragraph (c) of this Section 2.10, the Borrower shall repay Initial Term Loans on the last day of each March, June, September and December (commencing on the last day of the first full fiscal quarter following the Effective Date) in the principal amount of Term Loans as follows; provided that if any such date is not a Business Day, such payment shall be due on the next preceding Business Day:

<u>Payment Date</u>	<u>Amortization Payment</u>
The last day of each fiscal quarter starting with the fiscal quarter ended September 30, 2017 and ending with the fiscal quarter ended June 30, 2018.	\$ 1,312,500.00
The last day of each fiscal quarter starting with the fiscal quarter ended September 30, 2018 and ending with the fiscal quarter most recently ended prior to the Term Maturity Date.	\$ 1,602,904.04

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Term Maturity Date.

(c) Any prepayment of a Term Borrowing of any Class (i) pursuant to Section 2.11(a) shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Borrowings of such Class to be made pursuant to this Section 2.10 as directed by the Borrower (and absent such direction in direct order of maturity; provided that, in the absence of such direction by the Borrower as described in the preceding clause, the Administrative Agent shall make such direction in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16) and (ii) pursuant to Section 2.11(c) or 2.11(d) shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Borrowings of such Class to be made pursuant to this Section 2.10, or, in each case except as otherwise provided in any Incremental Amendment, Refinancing Amendment or Loan Modification Agreement, pursuant to the corresponding section of such Incremental Amendment, Refinancing Amendment or Loan Modification Agreement, as applicable, as directed by the Borrower and, in the absence of such direction, in direct order of maturity (including any Incremental Facility).

(d) Prior to any prepayment of any Term Borrowings of any Class hereunder pursuant to Section 2.11(a), 2.11(c) or 2.11(d), the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent in writing by facsimile or other electronic transmission of such election not later than 2:00 p.m., New York City time, one (1) Business Day before the scheduled date of such repayment. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Term Borrowings shall be accompanied by accrued interest on the amount repaid.

## SECTION 2.11 Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty; provided that in the event that, on or prior to the six month anniversary of the Amendment No. 2 Effective Date, the Borrower (x) makes any prepayment of Initial Term Loans in connection with any Repricing Transaction or (y) effects any amendment of this Agreement resulting in a Repricing Transaction or (z) makes a mandatory prepayment of Initial Term Loans pursuant to Section 2.11(c) in connection with a Prepayment Event described in clause (b) of the definition of “Prepayment Event” resulting in a Repricing Transaction, in either case, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Term Lenders holding Initial Term Loans, (I) a prepayment premium of 1.00% of the principal amount of the Initial Term Loans being prepaid in connection with such Repricing Transaction and (II) in the case of clause (y), an amount equal to 1.00% of the aggregate amount of the applicable Initial Term Loans outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such amendment.

(ii) The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 12:00 p.m., New York City time, on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of \$250,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, unless rescinded, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default has occurred and is continuing, Holdings, the Borrower or any of their respective Subsidiaries may offer to prepay all or a portion of the outstanding Class of any Term Loans on the following basis:

(A) Holdings, the Borrower or any of their respective Subsidiaries shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the “Discounted Term Loan Prepayment”) pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(iii); provided that (x) Holdings, the Borrower or any of their respective Subsidiaries shall not make any Borrowing of Revolving Loans or Swing Line Loans to fund any Discounted Term Loan Prepayment and (y) Holdings, the Borrower or any of their respective Subsidiaries shall not initiate any action under this Section 2.11(a)(iii) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by Holdings, the Borrower or any of their respective

Subsidiaries on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date Holdings, the Borrower or any of their respective Subsidiaries were notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of Holdings', the Borrower's or any of their respective Subsidiaries' election not to accept any Solicited Discounted Prepayment Offers and (z) each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment ("Excluded Information"), (2) such Lender has independently and, without reliance on Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information; provided, further, that any Term Loan that is prepaid will be automatically and irrevocably cancelled.

(B) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "Specified Discount Prepayment Amount") with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the "Specified Discount") of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The

Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Specified Discount Prepayment Response Date”).

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “Discount Prepayment Accepting Lender”), the amount and the tranches of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, Holdings, the Borrower or any of their respective Subsidiaries will make prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “Specified Discount Proration”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such

date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to Holdings, the Borrower or any of their respective Subsidiaries and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to Holdings, the Borrower or any of their respective Subsidiaries shall be due and payable by Holdings, the Borrower or any of their respective Subsidiaries on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "Discount Range Prepayment Amount"), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by Holdings, the Borrower or any of their respective Subsidiaries (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by Holdings, the Borrower or any of their respective Subsidiaries shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Discount Range Prepayment Response Date"). Each relevant Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender's Term Loans (the "Submitted Amount") such Lender is willing to have prepaid at the Submitted

Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). Holdings, the Borrower or any of their respective Subsidiaries agree to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “Participating Lender”).

(3) If there is at least one Participating Lender, Holdings, the Borrower or any of their respective Subsidiaries will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “Identified Participating Lenders”) shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of

their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Discount Range Proration”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to Holdings, the Borrower or any of their respective Subsidiaries and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to Holdings, the Borrower or any of their respective Subsidiaries shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the “Solicited Discounted Prepayment Amount”) and the tranche or tranches of Term Loans, Holdings, the Borrower or any of their respective Subsidiaries is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by Holdings, the Borrower or any of their respective Subsidiaries shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate)

by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Solicited Discounted Prepayment Response Date”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the “Offered Discount”) such Term Lender is willing to allow to be applied to the prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the “Offered Amount”) such Term Lender is willing to have prepaid subject to such Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide Holdings, the Borrower or any of their respective Subsidiaries with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Holdings, the Borrower or any of their respective Subsidiaries shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to Holdings, the Borrower or any of their respective Subsidiaries (the “Acceptable Discount”), if any. If Holdings, the Borrower or any of their respective Subsidiaries elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by Holdings, the Borrower or any of their respective Subsidiaries from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “Acceptance Date”), Holdings, the Borrower or any of their respective Subsidiaries shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from Holdings, the Borrower or any of their respective Subsidiaries by the Acceptance Date, Holdings, the Borrower or any of their respective Subsidiaries shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate

principal amount and the tranches of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by Holdings, the Borrower or any of their respective Subsidiaries at the Acceptable Discount in accordance with this Section 2.11(a)(iii)(D). If Holdings, the Borrower or any of their respective Subsidiaries elects to accept any Acceptable Discount, then Holdings, the Borrower or any of their respective Subsidiaries agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “Qualifying Lender”). Holdings, the Borrower or any of their respective Subsidiaries will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro-rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender who made a Solicited Discounted Prepayment Offer of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for

all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, Holdings, the Borrower or any of their respective Subsidiaries and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable and customary fees and expenses from Holdings, the Borrower or any of their respective Subsidiaries in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, Holdings, the Borrower or any of their respective Subsidiaries shall prepay such Term Loans on the Discounted Prepayment Effective Date. Holdings, the Borrower or any of their respective Subsidiaries shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 2:00 p.m. New York City time on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Term Loans as directed by the Borrower. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(iii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(iii), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by Holdings, the Borrower or any of their respective Subsidiaries.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(iii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of Holdings, the Borrower or any of their respective Subsidiaries and the Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(iii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and their respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(iii) as well as activities of the Auction Agent.

(J) Holdings, the Borrower or any of their respective Subsidiaries shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date, as applicable (and if such offer is revoked pursuant to the preceding clauses, any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(iii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

(b) In the event and on each occasion that the aggregate Revolving Exposures exceed the aggregate Revolving Commitments at such time, the Borrower shall prepay Revolving Borrowings and Swing Line Borrowings (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess within one (1) Business Day following Borrower's receipt of written notice from the Administrative Agent.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of Holdings or its Restricted Subsidiaries in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of the term "Prepayment Event", on the date of such Prepayment Event), prepay Initial Term Loans in an aggregate amount equal to (x) the Prepayment Percentage of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) of the definition of the term "Prepayment Event", if Holdings, the Borrower or any of the Restricted Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within twelve (12) months after receipt of such Net Proceeds in the business of the Borrower and the other Subsidiaries, then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be

invested) by the end of such 12-month period (or if committed to be so invested within such 12-month period, have not been so invested within six months following such 12-month period), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any Incremental Term Loans, Other Term Loans or other Indebtedness, in each case that is secured by the Collateral on a pari passu basis with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Initial Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of Holdings, commencing with the fiscal year ending December 31, 2018, the Borrower shall prepay Initial Term Loans in an aggregate amount equal to the ECF Percentage of Excess Cash Flow for such fiscal year; provided that, at the election of the Borrower, such amount shall be reduced by the aggregate amount of voluntary prepayments and repurchases of (i) Term Loans (and, to the extent the Revolving Commitments are reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans) made pursuant to Section 2.11(a) or otherwise in a manner not prohibited by Section 9.04(g) during such fiscal year or after such fiscal year and prior to the time such prepayment is due (without duplication to subsequent years) as provided below (provided that such reduction as a result of prepayments pursuant to Section 2.11(a)(iii) or repurchases pursuant to Section 9.04(g) shall be limited to the actual amount of such cash prepayment or repurchase), (ii) Incremental Facilities (provided that in the case of the prepayment of any revolving loans, there is a corresponding permanent reduction in commitments), and (iii) other Senior Secured First Lien Indebtedness, (provided that (x) in the case of the prepayment of any revolving loans, there is a corresponding reduction in commitments and (y) the reduction as a result of such prepayments and repurchases shall be limited to the actual amount of such cash prepayment or repurchase) made during such fiscal year or, at the option of the Borrower, after such fiscal year and prior to the time such prepayment is due (without duplication to subsequent years) (excluding in the case of clauses (i), (ii) and (iii) all such prepayments and repurchases funded with the proceeds of other long term Indebtedness). The Borrower may use a portion of such Excess Cash Flow prepayment to prepay or repurchase any Incremental Term Loans, Other Term Loans or other Indebtedness, in each case that is secured by the Collateral on a pari passu basis with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof based on Excess Cash Flow, in each case in an amount not to exceed the product of (x) the amount of such Excess Cash Flow prepayment and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Initial Term Loans and such other Indebtedness. Each prepayment of Initial Term Loans pursuant to this paragraph shall be made on or before the date that is ten (10) business days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated. Notwithstanding

anything herein to the contrary, no prepayment under this Section 2.11(d) shall be required with respect to any fiscal year to the extent Excess Cash Flow for such fiscal year is less than or equal to \$2,500,000 (and only amounts in excess of \$2,500,000 shall be required to be prepaid).

(e) Prior to any optional prepayment of Borrowings pursuant to Section 2.11(a)(i), the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section 2.11. In the event of any optional prepayment of Revolving Borrowings, the Borrower shall select the Class or Classes of Revolving Borrowings to be prepaid. Except as otherwise provided in any Refinancing Amendment, Loan Modification Agreement, Incremental Facility Amendment or otherwise herein, in the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the Borrower shall select Term Borrowings to be prepaid so that the aggregate amount of such prepayment shall be allocated among the Classes of Term Borrowings (and, to the extent provided in the Refinancing Amendment for any Class of Other Term Loans, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each Class; provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, any Lender that holds Other Term Loans of such Class) may elect, by notice to the Administrative Agent by facsimile at least two (2) Business Days prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Class pursuant to this Section 2.11 (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Class but was so declined (and not used pursuant to the immediately following sentence) shall be retained by Holdings or its Restricted Subsidiaries (such amounts, "Retained Declined Proceeds"). An amount equal to any portion of a mandatory prepayment of Term Borrowings that is declined by the Lenders under this Section 2.11(e) shall, to the extent not prohibited hereunder or under the documentation governing the Permitted First Priority Refinancing Debt or the Pari Passu Intercreditor Agreement, be applied by the Borrower to prepay, *pari passu* Indebtedness, Second Lien Term Loans or Permitted Junior Priority Refinancing Debt to the extent required by the documentation governing such Indebtedness or be retained to be used for any other purposes not prohibited hereunder. Except as otherwise provided in any Refinancing Amendment, Loan Modification Agreement, Incremental Facility Amendment or otherwise herein, optional prepayments of Borrowings of Term Loans should be allocated among the Classes of Term Borrowings pro rata based on the aggregate principal amount of outstanding Borrowings of each Class. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.16, provided that, in connection with any mandatory prepayments by the Borrower of the Term Loans pursuant to Section 2.11(c) or (d), such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Eurodollar Loans.

(f) The Borrower shall notify the Administrative Agent of (x) any optional prepayment pursuant to Section 2.11(a)(i) in writing (by facsimile or other electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., New York City time, one (1) Business Day before the date of prepayment and (y) any mandatory prepayment pursuant to Section 2.11(c) in writing (by facsimile or other electronic communication) of any payment hereunder no later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable and specified event or condition, in which case such notice of prepayment may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13, and subject to Section 2.11(a)(i) and Section 2.16, shall be without premium or penalty. At the Borrower's election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender (under any of subclauses (a), (b) or (c) of the definition of "Defaulting Lender") and shall be allocated ratably among the relevant non-Defaulting Lenders.

(g) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by a Subsidiary of Holdings that is organized or incorporated under the laws of a jurisdiction other than the United States, any state, commonwealth or territory thereof or the District of Columbia, giving rise to a prepayment pursuant to Section 2.11(c) or (d) (a "Restricted Prepayment Event") or Excess Cash Flow are prohibited or delayed by applicable local law (including financial assistance, corporate benefit, restrictions on repatriating or upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries) from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow would have an adverse (other than de minimis) tax consequence to any Loan Party, Subsidiary or, to the extent pass-through entities, any direct or indirect equity holder thereof with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be

applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary, (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow would violate any material organizational document restrictions (as a result of minority ownership) and restrictions in other material agreements (to the extent not in violation of Section 6.09), the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary and (D) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow could reasonably give rise to a risk of liability for the directors of such Subsidiary under applicable local law, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that (i) Holdings, the Borrower and each Restricted Subsidiary hereby agrees to use commercially reasonable efforts (as determined in the Borrower's reasonable business judgment) to overcome or eliminate any such restrictions on repatriation even if the Borrower does not intend to actually repatriate such cash, so that an amount equal to the full amount of such Net Proceeds will otherwise be subject to repayment under this Section 2.11, and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event could reasonably be expected to have adverse Tax consequences (other than de minimis consequences) for Holdings, the Borrower or any Restricted Subsidiary with respect to such Net Proceeds, an amount equal to such Net Proceeds that would be so affected will not be subject to repayment under this Section 2.11 and such amounts shall be available for general corporate purposes of the Loan Parties and their Subsidiaries as long as not required to be prepaid in accordance with this Section 2.11. For the avoidance of doubt, Borrower shall be permitted to make any repayments required by Section 2.11(c) or Section 2.11(d) from any source of funds and shall not be required to make any repayments from funds contained in any particular Loan Party. The non-application of any such prepayment amounts as a result of the foregoing provisions will not constitute a Default or Event of Default and such amounts shall be available for working capital and general corporate purposes of the Loan Parties and their Subsidiaries as long as not required to be prepaid in accordance with such provisions. Notwithstanding the foregoing, any payments actually made by the Loan Parties shall be applied net of an amount equal to the additional Taxes of Holdings, its Subsidiaries and the direct and indirect holders of Equity Interests in Holdings that would be payable or reserved against and any additional costs that would be incurred as a result of a repatriation, whether or not a repatriation actually occurs.

#### SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in Dollars for the account of each Revolving Lender (other than a Defaulting Lender) a commitment fee, which shall accrue at the rate of the Commitment Fee Percentage per annum on the daily average unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments

terminate. Accrued commitment fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the Effective Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender; provided that, for purposes of this Section 2.12(a), Swing Line Obligations of a Lender shall not be treated as a utilization of the Revolving Commitment of such Lender.

(b) The Borrower agrees to pay (i) to the Administrative Agent in Dollars for the account of each Revolving Lender (other than any Defaulting Lender) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to Eurodollar Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements but taking into account the maximum amount available to be drawn under all outstanding Letters of Credit, whether or not such maximum amount is then in effect) during the period from and including the Effective Date to and including the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to each Issuing Bank in Dollars a fronting fee (which fee shall be calculated by the Administrative Agent in consultation with the applicable Issuing Bank and payable directly to the applicable Issuing Bank), which shall accrue at a rate of 0.125% per annum on the daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements but taking into account the maximum amount available to be drawn under all outstanding Letters of Credit, whether or not such maximum amount is then in effect) during the period from and including the Effective Date to and including the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the last Business Day of March, June, September and December, respectively, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after written demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon in writing between the Borrower and the Administrative Agent.

(d) [Reserved].

(e) Notwithstanding the foregoing, and subject to Section 2.22, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.12.

SECTION 2.13 Interest.

(a) (i) The Loans comprising each ABR Borrowing (other than Swing Line Borrowings) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(ii) Each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Alternate Base Rate plus the Applicable Rate for Revolving Loans.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate, in each case for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if upon the occurrence and during the continuance of any payment Event of Default, any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due (after giving effect to any applicable grace periods), whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall be payable pursuant to this Section 2.13(c) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further that no amounts shall accrue pursuant to this Section 2.13(c) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section 2.13 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to clause (a) of the definition of Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a) or (b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.14 have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor (acting reasonably) to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

#### SECTION 2.14 Alternate Rate of Interest.

If at least two (2) Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (b) or clause (a) above, "Impacted Loans");

(c) the Administrative Agent shall give notice thereof to the Borrower and the Lenders by facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, in the event any Loans are so affected, (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurodollar Borrowing, then such Borrowing shall be made as an ABR Borrowing; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

(d) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 2.14 and/or is advised by the Required Lenders of their determination in accordance with clause (b) of this Section 2.14 and the Borrower shall so request, the Administrative Agent, the Required Lenders and the Borrower shall negotiate in good faith to amend the definition of "LIBO Rate" and other applicable provisions to preserve the original intent thereof in light of such change; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.14.

#### SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Excluded Taxes and Indemnified Taxes) affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section 2.15 delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section 2.15 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

#### SECTION 2.16 Break Funding Payments.

In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the loss, cost and expense (excluding loss of profit) actually incurred by it as a result of such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each Eurodollar Loan made by it at the Adjusted LIBO Rate for such Loan by a matching deposit or other borrowing in the applicable interbank eurodollar market, for a comparable amount and for a comparable period, whether or not such Eurodollar Loan was in fact so funded. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 and the reasons therefor delivered to the Borrower shall be prima facie evidence of such amounts. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt of such demand; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.16 for any loss, cost or expense more than 180 days prior to the date that such Lender delivers such certificate. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern. Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.16 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable syndicated credit facilities.

## SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If the applicable withholding agent (including, for the avoidance of doubt, the Administrative Agent or any Loan Party) shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct any Taxes from such payments, then the applicable withholding agent shall make such deductions and shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law, and if such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that after all such required deductions have been made (including such deductions and withholdings applicable to additional amounts payable under this Section 2.17), each Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay, or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender within thirty (30) days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party under any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, that the Borrower shall not be obligated to make payment to the Administrative Agent or a Lender, as the case may be, for penalties, interest or expenses attributable to the gross negligence or willful misconduct of the Administrative Agent or such Lender, as applicable, as determined by a court of competent jurisdiction by final and non-appealable judgment. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax

from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties for such Taxes pursuant to this Section 2.17 and without limiting any obligation of the Loan Parties to do so pursuant to this Section 2.17) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses, and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 2.17(d). The agreements in this Section 2.17(d) shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, any assignment of rights by a Loan Party, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

(e) As soon as practicable after any payment of any Taxes by a Loan Party to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Each Lender shall, at such times as are reasonably requested by Borrower or the Administrative Agent, (i) complete any documentation required for the Borrower or the Administrative Agent, as applicable, to obtain clearance to make payments under the Loan Documents without, or with a reduction in, any withholding Tax and to determine whether or not such Lender is subject to backup withholding or information reporting requirements and (ii) provide the Borrower and the Administrative Agent with any properly completed and executed documentation prescribed by any Requirement of Law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation expired, obsolete or inaccurate in any respect (including any specific documentation required below in this Section 2.17(f)), deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to Tax at a rate reduced by an applicable Tax treaty, the Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate.

Notwithstanding anything to the contrary in the preceding three sentences, the completion, execution and submission of such documentation (other than such documentation set forth in this Section 2.17(f)(i), (ii)(A) through (D), and (iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates, substantially in the form of Exhibit N-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate a "United States Tax Compliance Certificate"), and (y) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate substantially in the form of Exhibit N-2 or Exhibit N-3, Internal

Revenue Service Form W-9, Internal Revenue Service Form W-8IMY (or other successor forms) and/or any other required information from each beneficial owner that would be required under this Section 2.17 if such beneficial owner were a Lender, as applicable (provided that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, a United States Tax Compliance Certificate substantially in the form of Exhibit N-4 may be provided by such Foreign Lender on behalf of each such direct or indirect partner), or

(E) two properly completed and duly signed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to any Lender under any Loan Document would be subject to withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Notwithstanding any other provision of this clause (f), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(g) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with the Borrower in a reasonable challenge of such Taxes if so requested by the Borrower, provided that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrower pays all related expenses of the Administrative Agent or such Lender, as applicable and (c) the Borrower indemnifies the Administrative Agent or such Lender, as applicable, for any liabilities or other costs incurred by such party in connection with such challenge. If the Administrative Agent or a Lender receives a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it

shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.17 giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to promptly repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Notwithstanding anything to the contrary, this Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other person. Notwithstanding anything herein to the contrary, the Borrower shall not be required to compensate such Lender for any amount incurred under this Section 2.17 more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof.

(h) The agreements in this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(i) For purposes of this Section 2.17, the term "Lender" shall include any Issuing Bank and the term "applicable Requirements of Law" includes FATCA.

#### SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) at or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 3:00 p.m., New York City time, on the date when due), in immediately available funds, without condition or deduction for any counterclaim,

recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made in Dollars (provided that any payment with respect to any Loan denominated in an Alternative Currency shall be made in such Alternative Currency) to such account as may be specified by the Administrative Agent. Payments to be made directly to any Issuing Bank shall be made as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements and Swing Line Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and Swing Line Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements and Swing Line Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements and Swing Line Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) any payment

obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swing Line Loans to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Revolving Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower's rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(e), Section 2.05(f), Section 2.06(a), Section 2.06(b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

#### SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17 or mitigate the applicability of Section 2.23, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender is a Disqualified Lender or (iv) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation) or (2) prepay the Loans and, if applicable, terminate the Revolving Commitments of such Defaulting Lender; provided that (A) in the case of preceding clause (1), the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Issuing Bank), which consents, in each case, shall not unreasonably be withheld, conditioned or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements and Swing Line Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from (x) in the case of preceding clause (1), the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (y) in the case of preceding clause (2), from the Borrower, (C) in the case of preceding clause (1), the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, or payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

#### SECTION 2.20 Incremental Credit Extensions.

(a) The Borrower may at any time or from time to time on one or more occasions after the Effective Date, by written notice delivered to the Administrative Agent request (i) one or more additional Classes of term loans (each an “Incremental Term Facility”), (ii) one or more additional term loans of the same Class of any existing Class of term loans (each an “Incremental Term Increase”) and (iii) one or more increases in the amount of the Revolving Commitments of any Class (each such increase, an “Incremental Revolving Commitment Increase” and, together with any Incremental Term Facility and any Incremental Term Increase,

the “Incremental Facilities” and any Loans thereunder, the “Incremental Loans”); provided that, after giving effect to the effectiveness of any Incremental Facility Amendment, no Event of Default shall have occurred and be continuing or would result therefrom (provided, further that, in the case of an Incremental Facility incurred to finance a Limited Condition Transaction, if the Borrower has made an LCT Election, such condition shall be that no Event of Default shall have occurred and be continuing at the LCT Test Date). Notwithstanding anything to contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Incremental Cap at such time. Each Incremental Facility shall be in a minimum principal amount of \$10,000,000 and integral multiples of \$1,000,000 in excess thereof (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$10,000,000 to the extent such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(b) (i) The Incremental Term Loans (a)(1) shall rank equal or junior in right of payment and equal or junior in right of security with the Term Loans or may be unsecured, and if junior in right of payment and/or security or unsecured, shall be established as a separate facility than the facility for the Term Loans that are secured by the Collateral on a first priority basis, (2) shall be structured such that neither Holdings nor any Restricted Subsidiary is a guarantor with respect to such Indebtedness unless Holdings or such Restricted Subsidiary is a Loan Party which shall have previously or substantially concurrently guaranteed the Loan Document Obligations, and (3) if secured, the obligations in respect thereof shall not be secured by Liens on the assets of Holdings and the Restricted Subsidiaries, other than assets constituting Collateral, and if established as a separate facility, shall be subject to a customary intercreditor agreement with the Administrative Agent and/or Collateral Agent substantially consistent with the applicable Intercreditor Agreement together with any immaterial changes in form and substance reasonably satisfactory to the Administrative Agent and/or Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior liens may be secured by Liens that are pari passu with or junior in priority to, other Liens that are junior to the Liens securing the Initial Term Loans), (b) shall not (except in the case of customary bridge loans which, subject to customary conditions (including no payment or bankruptcy event of default), would either automatically be converted into or required to be exchanged for permanent refinancing that does not mature prior to the Term Maturity Date of the Initial Term Loans) mature earlier than the Term Maturity Date of the Initial Term Loans, (c) shall not (except in the case of customary bridge loans which, subject to customary conditions (including no payment or bankruptcy event of default), would either automatically be converted into or required to be exchanged for permanent refinancing that does not have a shorter Weighted Average Life to Maturity than the remaining Initial Term Loans) have a shorter Weighted Average Life to Maturity than the remaining Initial Term Loans, (d) shall have a maturity date (subject to clause (b)), an amortization schedule (subject to clause (c)), interest rates (including through fixed interest rates), “most favored nation” provisions (if any), interest margins, rate floors, upfront fees, funding discounts, original issue discounts, financial covenants (if any) and prepayment terms and premiums as determined by the Borrower and the Additional Term Lenders thereunder; provided that, for any Incremental Term Loans which are secured on a pari passu basis with the Initial Term Loans and ranking pari passu in right of payment with the Initial Term Loans, in the event that the Effective Yield for any such Incremental Term Loans is greater than the Effective Yield for the Initial Term Loans by more

than 0.50% per annum, then the Effective Yield for the Initial Term Loans shall be increased to the extent necessary so that the Effective Yield for the Initial Term Loans is equal to the Effective Yield for such Incremental Term Loans minus 0.50% per annum; provided, further, that if the Incremental Term Loans include an interest rate floor greater than the applicable interest rate floor under the Initial Term Loans, such differential between interest rate floors shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Initial Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Initial Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Initial Term Loans shall be increased to the extent of such differential between interest rate floors, (e) (i) to the extent secured on a pari passu basis with the Initial Term Loans and pari passu in right of payment with the Initial Term Loans, may provide for the ability to participate (x) on a pro rata basis or less than pro rata basis (but not greater than pro rata basis) in any voluntary prepayments of the Initial Term Loans and (y) on a pro rata basis or less than pro rata basis (but not on a greater than pro rata basis other than in the case of prepayment with Other Term Loans incurred pursuant to a Refinancing Amendment to refinance such Incremental Term Loans or any other Credit Agreement Refinancing Indebtedness in respect of such Incremental Term Loans) in any mandatory prepayments of the Initial Term Loans and (ii) to the extent subordinated in right of payment to the Initial Term Loans, subordinated in right of security to the Initial Term Loans and/or unsecured, shall be prepaid on a less than pro rata basis in any prepayments of the Initial Term Loans (other than in the case of a prepayment with Other Term Loans pursuant to a Refinancing Amendment or any other Credit Agreement Refinancing Indebtedness, in each case to refinance such Incremental Term Loans) and (f) may otherwise have terms and conditions different from those of the Term Loans; provided that (x) to the extent the terms and documentation with respect to such Incremental Term Loans are not consistent with the existing Initial Term Loans (except with respect to matters contemplated by clauses (a), (b), (c), (d) and (e) above), the covenants, events of default and guarantees of any such Incremental Term Loans shall not be materially more restrictive to the Borrower, when taken as a whole, than the terms of the Initial Term Loans unless (1) Lenders under the Initial Term Loans also receive the benefit of such more restrictive terms (it being understood that, to the extent that any covenant, event of default or guarantee is added or modified for the benefit of any Incremental Term Facility, no consent shall be required from the Administrative Agent or any of the Term Lenders to the extent that such covenant, event of default or guarantee is also added or modified for the benefit of the existing Term Loans), (2) any such provisions apply after the Term Maturity Date with respect to the Initial Term Loans or (3) such terms are reasonably satisfactory to the Administrative Agent and the Borrower and (y) in no event shall it be a condition to the effectiveness of, or borrowing under, any such Incremental Term Loans that any representation or warranty of any Loan Party set forth herein be true and correct, except and solely to the extent required by the Additional Term Lenders providing such Incremental Term Loans. Any Incremental Term Increase shall be on the same terms (other than original issue discount and upfront fees but subject to clause (d) above) and pursuant to the same documentation applicable to the Term Loans (except with respect to the Incremental Facility Amendment evidencing such Incremental Term Increase)). Any Incremental Term Facility shall be on terms and pursuant to documentation as determined by the Borrower and the Additional Term Lenders providing such Incremental Term Facility, subject to the restrictions and exceptions set forth above. Each Incremental Facility Amendment may,

without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20, including any amendments necessary to provide that such Incremental Term Loans are fungible with any existing Class of Loans for U.S. federal income tax purposes.

(ii) The Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Loans being increased). Any Incremental Revolving Commitment Increase shall be on the same terms (other than upfront fees) and pursuant to the same documentation (other than the Incremental Facility Amendment evidencing such Incremental Revolving Commitment Increase) applicable to the Revolving Loans (excluding upfront fees and customary arranger fees).

(c) Each notice from the Borrower pursuant to this Section shall set forth the requested amount of the relevant Incremental Term Loans or Incremental Revolving Commitment Increases.

(d) Commitments in respect of any Incremental Loans shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender's applicable Revolving Commitment) under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Commitment, if any, each applicable Additional Lender, if any, and the Administrative Agent (provided, that if such amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall not be required to execute or acknowledge such amendment; provided, further that, in any event, the Administrative Agent shall receive prior written notice of such Incremental Facility Amendment). An Incremental Facility may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender shall have the right to participate in any Incremental Facility or, unless it agrees, be obligated to provide any Incremental Loans) or by any Additional Lender. Any loan under an Incremental Term Increase and any loan under an Incremental Revolving Commitment Increase shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may, subject to Section 2.20(b), without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, in connection with an Incremental Revolving Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Lenders and including voting rights as contemplated by Section 9.02). The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making (but not the conversion or continuation) of a Loan and the issuance, increase in the amount, or extension of a Letter of Credit thereunder) pursuant to such Incremental Facility Amendment shall be subject to the satisfaction on the date of such Incremental Facility Amendment of such conditions as the

parties thereto shall agree and as required by this Section 2.20 (each such date, an “Incremental Facility Closing Date”). The Borrower will use the proceeds of the Incremental Term Loans and Incremental Revolving Commitment Increases for any purpose not prohibited by this Agreement.

(e) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (i) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (i) will be deemed to include any then outstanding Other Term Loans) or (ii) all or any portion of the Revolving Loans (or unused Revolving Commitments) under this Agreement (which for purposes of this clause (ii) will be deemed to include any then outstanding Other Revolving Loans and Other Revolving Commitments), in the form of (x) Other Term Loans or Other Term Commitments or (y) Other Revolving Loans or Other Revolving Commitments, as the case may be, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will be unsecured or will rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, and (iii) the Net Proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of any outstanding Term Loans or reduction of Revolving Commitments being so refinanced, as the case may be. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of the conditions as agreed between the lenders providing such Credit Agreement Refinancing Indebtedness and the Borrower. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$10,000,000 in the case of Other Term Loans or \$10,000,000 in the case of Other Revolving Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower pursuant to any Other Revolving Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit under the Revolving Commitments; provided that no Issuing Bank shall be required to act as “issuing bank” under any such Refinancing Amendment without its written consent. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). In the case of any Credit Agreement Refinancing Indebtedness in the form of Other Revolving Loans or Other Revolving Commitments, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Other Revolving

Commitments (and related outstandings), (B) repayments required upon the maturity date of the Other Revolving Commitments and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (2) below)) of Loans with respect to Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments, (2) the permanent repayment of Revolving Loans with respect to, and termination of, Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments (except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than pro rata basis as compared with any other Class with a later maturity date than such Class) and (3) assignments and participations of Other Revolving Commitments and Other Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank and/or the Swing Line Lender, as applicable, participations in Letters of Credit and/or Swing Line Loans expiring on or after the Revolving Maturity Date shall be reallocated from Lenders holding Revolving Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Commitments, be deemed to be participation interests in respect of such Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) If, in connection with any proposed Refinancing Amendment with respect to any Class of Loans, any Lender of such Class which has been offered to such Lender who declines to provide any portion of the Credit Agreement Refinancing Indebtedness on the terms provided by the other Lenders providing such Credit Agreement Refinancing Indebtedness (each such Lender, a “Non-Refinancing Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Refinancing Lender, (i) cause such Lender to (and such Lender shall be obligated to (and to the extent such Non-Refinancing Lender does not execute such Refinancing Amendment, such Refinancing Amendment shall nonetheless be effective without such signature of the Non-Refinancing Lender)) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the applicable Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) in connection with such Refinancing Amendment or (ii) in the case of Revolving Commitments only, prepay, and terminate the Revolving Commitments of, such Lenders; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) such Non-Refinancing Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the applicable Class assigned by it pursuant to this Section 2.21(b), accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11) payable to it hereunder from the Eligible Assignee (to the extent of

such outstanding principal and accrued interest and fees) and (b) in connection with an assignment pursuant to clause (i), no processing and recordation fee specified in Section 9.04(b) shall be payable in connection therewith. If any applicable Lender shall be deemed a Non-Refinancing Lender and is required to assign all or any portion of its Initial Term Loans on or prior to the six-month anniversary of the Amendment No. 2 Effective Date in connection with any such Refinancing Amendment constituting a Repricing Transaction, the Borrower shall pay such Non-Refinancing Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned.

(c) This Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

#### SECTION 2.22 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(f), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank or the Swing Line Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, in the case of a Revolving Lender, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders, the Swing Line Lender or the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Issuing Bank against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or

as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, and LC Disbursements owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to Section 2.05(j) or this Section 2.22(a)(ii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to Section 2.05(j) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(b).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Swing Line Loans pursuant to Section 2.04 and, in Letters of Credit pursuant to Section 2.05 and the payments of participation fees pursuant to Section 2.12(b), the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit and Swing Line Loans shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the sum of (A) the aggregate principal amount of the Revolving Loans of that non-Defaulting Lender plus (B) the LC Exposure of that non-Defaulting Lender plus (C) the Swing Line Obligations of that non-Defaulting Lender.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, cash collateralize the Issuing Banks' and Swing Line Lender's Defaulting Lender Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swing Line Lender and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent

may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.22(a)(iv) or the proviso to the definition thereof), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties and subject to Section 9.20, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

#### SECTION 2.23 Illegality.

If any Lender reasonably determines that any law has made it unlawful, or any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to Borrower through the Administrative Agent (i) any obligation of such Lender to make or continue Eurodollar Loans in the affected currency or currencies or to convert ABR Loans to Eurodollar Loans in the affected currency or currencies shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Adjusted LIBO Rate component of the Alternate Base Rate, the interest rate on such ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three (3) Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or convert all Eurodollar Loans of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the Alternate Base Rate either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted LIBO Rate thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 Loan Modification Offers.

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a “Loan Modification Offer”) to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an “Affected Class”) to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower (including mechanics to permit cashless rollovers and exchanges by Lenders). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “Accepting Lenders”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans and Commitments of such Affected Class as to which such Lender’s acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, Borrower, each applicable Accepting Lender and the Administrative Agent (provided that, if such amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall only be required to acknowledge such amendment). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new “Class” of loans and/or commitments hereunder. In the case of any Permitted Amendment in the form of Revolving Loans or Revolving Commitments of an Affected Class, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Revolving Commitments of the Affected Class (and related outstandings), (B) repayments required upon the maturity date of the Revolving Commitments of the Affected Class and (C) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (2) below)) of Loans with respect to Revolving Commitments of the Affected Class after the date of obtaining any Revolving Commitments of the Affected Class shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments, (2) the permanent repayment of Revolving Loans with respect to, and termination of, Revolving Commitments of the Affected Class after the date of obtaining any Revolving Commitments of the Affected Class shall be made on a pro rata basis or less than pro rata basis with all other Revolving Commitments (except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than pro rata basis as compared with any other Class with a later maturity date than such Class) and (3) assignments and participations of Revolving Commitments of the Affected Class and Other Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a “Non-Accepting Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, (i) replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) or (ii) in the case of Revolving Commitments only, prepay and terminate the Revolving Commitments of, such Lenders; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11) payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) the processing and recordation fee specified in Section 9.04(b) shall be payable by the Borrower.

(d) Notwithstanding anything to the contrary, this Section 2.24 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

(g) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with all applicable grace periods having expired and all required notices have been given) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity, provided that this paragraph (g) shall not apply to (i) secured Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement), (ii) termination events or similar events occurring under any Swap Agreement that constitutes Material Indebtedness (it being understood that paragraph (f) of this Section 7.01 will apply to any failure to make any payment required as a result of any such termination or similar event) or (iii) any Indebtedness if the sole remedy of the holder thereof following such event or condition is to elect to convert such Indebtedness into Qualified Equity Interests and cash in lieu of fractional shares, provided that this paragraph (g) shall not apply to any such failure that (x) is remedied by Holdings, the Borrower or any applicable Restricted Subsidiary or (y) waived (including in the form of amendment) by the requisite holders of the applicable item of Material Indebtedness in either case, prior to acceleration of all the Loans pursuant to this Section 7.01.

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, examination, reorganization or other relief in respect of Holdings, the Borrower or any Material Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, examinership, receivership or similar law, now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator, interim receiver, liquidator, receiver and manager, administrative receiver, administrator, insolvency practitioner or similar official for Holdings, the Borrower or any Material Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, examinership, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, examinership, receivership or similar law, now or hereafter in effect (but excluding any such proceeding or petition (other than under the Bankruptcy Code) the sole purpose of which is to effect a transaction permitted under Section 6.03(a) that is not otherwise prohibited by the Loan Documents), (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (h) of this Section 7.01, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator, interim receiver, interim examiner, liquidator, receiver and manager, administrative receiver, administrator, insolvency practitioner or similar official for Holdings, the Borrower or any Material Subsidiary or for a material part of its assets (but excluding any such application or consent (other than under the Bankruptcy Code) the sole purpose of which is to effect a transaction permitted under Section 6.03(a) that is not otherwise prohibited by the Loan Documents), (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$25,000,000 (to the extent not covered by insurance or another creditworthy (as reasonably determined by the Administrative Agent) indemnitor, and as to which such insurer or indemnitor has not denied coverage) shall be rendered against Holdings, the Borrower, any Material Subsidiary or any combination thereof and the same shall remain undischarged, unvacated, unbonded or unstayed for a period of sixty (60) consecutive days;

(k) an ERISA Event occurs that has resulted or would reasonably be expected, individually or together with any other ERISA Event(s) in the aggregate to result in a Material Adverse Effect;

(l) there shall cease to be, or shall be asserted by any Loan Party not to be (other than in an informational notice), a valid and perfected (if and to the extent required to be perfected under the Loan Documents) Lien on any material portion of the Collateral, with the priority required by the applicable Security Documents, except (i) as a result of the release of a Loan Party (including as a result of the designation of a Restricted Subsidiary as an Unrestricted Subsidiary) or the sale or other disposition of the applicable Collateral to a Person that is not a Loan Party in a transaction permitted under the Loan Documents, (ii) as a result of the Collateral Agent's failure to (A) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (B) file Uniform Commercial Code amendment or continuation financing statements or (iii) as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (iv) as a result of acts or omissions of the Collateral Agent, the Administrative Agent or any Lender;

(m) any material provision of any Loan Document or any Guarantee of the Loan Document Obligations shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party thereto other than as expressly permitted hereunder or thereunder;

(n) any material portion of the Guarantees of the Loan Document Obligations pursuant to the Guarantee Agreement, taken as a whole, shall cease to be in full force and effect (in each case, other than the occurrence of the Termination Date or otherwise in accordance with the terms of the Loan Documents including as a result of transactions permitted hereunder); or

(o) a Change in Control shall occur;

then, and in every such event (other than an event with respect to Holdings or the Borrower described in paragraph (h) or (i) of this Section 7.01), and at any time thereafter during the continuance of such event, the Administrative Agent at the request of the Required Lenders (provided that the following actions may not be taken (A) in the case of an Event of Default under Section 7.01(d)(ii), until the ability to exercise the Cure Right under Section 7.02 has expired (but may be taken as soon as the ability to exercise the Cure Right has expired and it has not been so exercised or to the extent that Holdings has confirmed in writing that it does not intend to provide the Cure Amount) and (B) in the case of an Event of Default under Section 7.01(d)(i), if the express conditions in the last proviso contained in Section 7.01(d)(i) have been satisfied) shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and (iii) demand the Borrower deposit cash collateral with the Administrative Agent as contemplated by Section 2.05(j) in the aggregate LC Exposure of all outstanding Letters of Credit and thereupon the principal of the Loans and the LC Exposure of all Letters of Credit so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to Holdings or the Borrower described in paragraph (h) or (i) of this Section 7.01, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

#### SECTION 7.02 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 7.01, in the event that Holdings and its Restricted Subsidiaries fail to comply with the requirements of the Financial Performance Covenant as of the last day of any applicable fiscal quarter of Holdings, at any time after the beginning of such fiscal quarter until the expiration of the fifteenth (15th) Business Day subsequent to the date on which the financial statements with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be

delivered pursuant to Section 5.01(a) or (b), as applicable (the “Cure Termination Date”), Holdings shall have the right to issue Qualified Equity Interests for cash or otherwise receive cash contributions to the capital of Holdings as cash common equity or other Qualified Equity Interests (collectively, the “Cure Right”), and upon the receipt by Holdings of the Net Proceeds of such issuance (the “Cure Amount”) pursuant to the exercise by Holdings of such Cure Right the Financial Performance Covenant shall be recalculated giving effect to the following pro forma adjustment:

(i) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four fiscal quarter period that contains such fiscal quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; and

(ii) if, after giving effect to the foregoing pro forma adjustment (without giving effect to (x) any repayment of any Indebtedness with any portion of the Cure Amount or (y) any portion of the Cure Amount on the balance sheet of Holdings and its Restricted Subsidiaries, in each case, with respect to such fiscal quarter only), Holdings and its Restricted Subsidiaries shall then be in compliance with the requirements of the Financial Performance Covenant, Holdings and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default or event of default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement and the other Loan Documents;

provided that the Borrower shall have notified the Administrative Agent of the exercise of such Cure Right within five (5) Business Days of the issuance of the relevant Qualified Equity Interests for cash or the receipt of the cash contributions by Holdings.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of the Borrower there shall be at least two (2) fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five (5) times, (iii) for purposes of this Section 7.02, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant and any amounts in excess thereof shall not be deemed to be a Cure Amount and (iv) neither the Administrative Agent nor any Lender or Secured Party shall exercise any remedy (including acceleration) under the Loan Documents or applicable law on the basis of an Event of Default caused by the failure to comply with Section 6.11 until either (x) after Holding’s ability to cure has lapsed and Holdings has not exercised the Cure Right or (y) Holdings has confirmed in writing that it does not intend to provide the Cure Amount, and, if the Borrower shall have delivered to the Administrative Agent a notice of its intent to cure a breach or default under Section 7.01(d)(ii) prior to the Cure Termination Date, no Event of Default under Section 7.01(d)(ii) shall then be deemed to be in existence, provided, however, that if the Cure Amount is not received by Holdings on or prior to the Cure Termination Date, such Event

of Default shall be deemed to arise). Notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to any exercise of the Cure Right shall not be included in the calculation of Consolidated EBITDA or any incurrence ratio test for purposes of determining any available basket under Article VI of this Agreement or for any other purpose under this Agreement. For the avoidance of doubt, no Cure Amounts shall be applied to reduce the Indebtedness of Holdings and its Restricted Subsidiaries on a Pro Forma Basis for purposes of determining compliance with the Financial Performance Covenant for the fiscal quarter in which such Cure Right was made and there shall not have been a breach of any covenant under Article VI of this Agreement by reason of having no longer included such Cure Amount in any basket during the relevant period.

(c) Notwithstanding the foregoing, if an Event of Default would have occurred and be continuing had Holdings not had the option to exercise the Cure Right and not exercised such Cure Right pursuant to the foregoing provisions, the Borrower shall not be permitted, until such Event of Default is cured in accordance with the terms of Section 7.02(a) or waived in accordance with Section 9.02, to make any Borrowings or request any other extensions of credit under the Revolving Commitments (including any issuance of any Letter of Credit but excluding the continuation of any outstanding Revolving Loans and amendments of any outstanding Letters of Credit (not constituting an increase or extension)).

SECTION 7.03 Application of Proceeds. Subject to the terms of the Closing Date Intercreditor Agreement and any other applicable Intercreditor Agreement, the Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all fees, indemnities and other amounts payable to the Collateral Agent in connection with the Loan Documents or any of the Secured Obligations and all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment in full of the Secured Obligations that constitute Senior Secured First Lien Indebtedness (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of such Secured Obligations owed to them on the date of any such distribution); provided that such payment shall be applied (w) first, to the portion of such Secured Obligations constituting accrued and unpaid fees, indemnities and other amounts (other than principal and interest) payable to the Lenders in respect of the Loans, (x) second, to the portion of such Secured Obligations constituting such accrued and unpaid interest in respect of the Loans, (y) third, to all other Secured Obligations;

THIRD, to any agent of any other junior secured debt, in accordance with the Closing Date Intercreditor Agreement and any other any applicable Intercreditor Agreement; and

FOURTH, to the Loan Parties, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. The Collateral Agent shall have no liability to any of the Secured Parties for actions taken in reliance on information supplied to it as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Secured Obligations. Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Subsidiary Loan Party shall not be paid with amounts received from such Subsidiary Loan Party or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth above.

## ARTICLE VIII

### ADMINISTRATIVE AGENT

#### SECTION 8.01 Appointment and Authority.

(a) Each of the Lenders, the Swing Line Lender and each of the Issuing Banks hereby irrevocably appoints Barclays Bank PLC to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article (other than Section 8.06) are solely for the benefit of the Administrative Agent and the Collateral Agent, the Lenders, the Swing Line Lender and the Issuing Banks, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, agents, employees or affiliates.

(b) The Administrative Agent shall also act as the “Collateral Agent” or, as the case may be, “Security Trustee” under the Loan Documents, and each of the Lenders and each of the Issuing Banks hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent or, as the case may be, the security trustee, of such Lender and such Issuing Bank, and acknowledges that, to the extent required in any relevant jurisdiction, the Administrative Agent may enter into such security trust or equivalent deeds as the Administrative Agent may consider necessary, in each case for purposes of acquiring, holding and enforcing any and all

Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent and Collateral Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03 as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or the “security agent” or the “security trustee” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, own securities of, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate of the Borrower as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.02 and in the last paragraph of Section 7.01) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment; provided that the Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or any Issuing Bank;

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent; and

(f) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor the Disqualified Lenders List or identities of, or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to any anti-terrorism law, including any programs involving any of the following items relating to or in connection with the Loan Parties or their respective Subsidiaries, any of their respective Affiliates or agents, the Loan Documents or the transactions hereunder: (a) any identity verification procedures, (b) any record keeping, (c) any comparisons with government lists, (d) any customer notices or (e) any other procedures required under any anti-terrorism law.

#### SECTION 8.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise

authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may rely on the Register and deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent.

#### SECTION 8.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents (which may include such of the Administrative Agent's affiliates or branches as it deems appropriate) appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub agents, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub agents.

#### SECTION 8.06 Resignation of Administrative Agent.

The Administrative Agent may resign upon fifteen (15) Business Days' notice to the Lenders (unless such notice is waived by the Required Lenders), the Issuing Banks (unless such notice is waived by the Issuing Banks) and the Borrower (unless an Event of Default exists under 7.01(h) or 7.01(i) or unless such notice is waived by the Borrower). Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Borrower's consent (such consent not to be unreasonably withheld or delayed) unless a Specified Event of Default has occurred and is continuing), to appoint a successor, which shall be a bank or trust company with an office in the United States, or an Affiliate of any such bank or trust company with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within fifteen (15) Business Days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to), with the Borrower's consent (such

consent not to be unreasonably withheld or delayed) unless a Specified Event of Default has occurred and is continuing), on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the “Resignation Effective Date”); provided that if the Administrative Agent shall notify the Borrower and the Lenders that it does not intend to appoint a successor or that no qualifying Person accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section.

If the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders and Holdings may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within fifteen (15) Business Days (the “Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date and the removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent’s resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Any resignation by Barclays Bank PLC as Administrative Agent pursuant to this Section 8.06 shall also constitute its resignation as an Issuing Bank and the Swing Line Lender, in which case such resigning Issuing Bank and Swing Line Lender (x) shall not be required to issue any further Letters of Credit or extend any further Swing Line Loans hereunder and (y) shall maintain all of its rights as Issuing Bank or Swing Line Lender with respect to any Letters of Credit issued by it or Swing Line Loans extended by it, as applicable, prior to the date of such resignation so long as such Letters of Credit, LC Exposure or Swing Line Loans remain outstanding and not otherwise cash collateralized in accordance with the terms herein. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swing Line Lender, (ii) the retiring Issuing Bank and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

**SECTION 8.07 Non-Reliance on Administrative Agent and Other Lenders.**

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment or Refinancing Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent and Collateral Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent or Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent or Collateral Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing)

shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent or Collateral Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

SECTION 8.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, neither any Joint Lead Arrangers, any Amendment No. 1 Arranger, any Amendment No. 2 Arranger nor any person named on the cover page hereof as a Joint Lead Arranger shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an Issuing Bank hereunder.

SECTION 8.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or outstanding Letter of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit outstandings and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks, the Swing Line Lender and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank or in any such proceeding.

**SECTION 8.10 No Waiver; Cumulative Remedies; Enforcement.**

No failure by any Lender, any Issuing Bank or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Article VII for the benefit of all the Lenders and the Issuing Banks; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the Issuing Banks or the Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank or the Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Article VII and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

**SECTION 8.11 Status of Administrative Agent.**

On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement, the Administrative Agent shall deliver to the Borrower (i) if the Administrative Agent is a United States person (as defined in Section 7701(a)(30) of the Code), an executed copy of Internal Revenue Service Form W-9, or (ii) if the Administrative Agent is not a United States person (as defined in Section 7701(a)(30) of the

Code), (A) an executed applicable Internal Revenue Service Form W-8ECI with respect to amounts received on its own account and (B) an executed Internal Revenue Service Form W-8IMY evidencing its agreement with the Borrower to be treated as a United States person (as defined in Section 7701(a)(30) of the Code) as set forth in U.S. Treasury Regulation Section 1.1441-1T(b)(2)(iv), for the purpose of permitting the Borrower to make payments to such Administrative Agent without deduction or withholding of any Taxes imposed by the United States. The Administrative Agent shall deliver such documentation on or before any date on which such documentation expires or becomes obsolete or invalid, after the occurrence of any change in the Administrative Agent's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower, and from time to time thereafter if reasonably requested by the Borrower, and shall promptly notify the Borrower in writing if it is no longer legally eligible to provide any documentation previously provided.

## ARTICLE IX

(a) All notices and other communications provided for herein shall be in writing and shall be delivered by overnight courier service, mailed by certified or registered mail or sent by fax or other electronic transmission (including e-mail), as follows:

(i) if to Holdings, the Borrower, the Administrative Agent, the Swing Line Lender or Barclays Bank PLC as an Issuing Bank, to the address, fax number, e-mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender or Issuing Bank, to it at its address (or fax number, telephone number or e-mail address) set forth in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain Material Non-Public Information relating to the Borrower).

Notices and other communications sent by overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent, provided that the foregoing shall not apply to

notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received when sent to the proper e-mail address as specified on Schedule 9.01 (as updated from time to time in accordance with Section 9.01(d)), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received when an e-mail is sent to the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrower, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender, any Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrower, the Administrative Agent, the Swing Line Lender and any Issuing Bank may change its address, electronic mail address, fax or telephone number for notices and other communications or website hereunder by notice to the other parties hereto. Each other Lender may change its address, fax or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the Swing Line Lender and the Issuing Banks. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, fax number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent, Issuing Bank and Lenders. The Administrative Agent, the Swing Line Lender, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent and each of the parties hereto hereby consents to such recording.

#### SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power under this Agreement or any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks, the Swing Line Lender and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle the Borrower or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.20 with respect to any Incremental Facility Amendment, Section 2.21 with respect to any Refinancing Amendment or Section 2.24 with respect to any Permitted Amendment, neither this Agreement, any Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent and the Required Lenders (provided, that if such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall only be required to acknowledge such waiver, amendment or modification) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that, to the extent not otherwise specified, the consent of the Required Lenders shall not be required with respect to the amendments set forth below; provided, further, that no such agreement shall (i) increase the Commitment of any Lender without the written consent of (x) the Required Lenders and (y) such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an

extension or increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the reimbursement obligations of the Borrower for the LC Exposure at such time (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness of principal) or reduce the rate of interest thereon, or reduce any fees or premiums payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of Total Net Leverage Ratio, Senior Secured Net Leverage Ratio or Senior Secured First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive or otherwise modify any obligation of the Borrower to pay default interest pursuant to Section 2.13(c), (iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Term Loan under Section 2.10 or the applicable Refinancing Amendment, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest, premium or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby, (iv) change Section 2.18(b), Section 2.18(c) or Section 7.03 in a manner that would alter the pro rata sharing of payments or other amounts required thereby without the consent of each Lender directly and adversely affected thereby (provided, that any such changes required in connection with any Refinancing Amendment, Incremental Facility Amendment or other transaction expressly permitted hereunder shall only require the approval (to the extent any approval is required) of the Required Lenders so long as the Administrative Agent is notified of such amendment), (v) change any of the provisions of this Section 9.02(b) without the written consent of each Lender, (vi) change the definition of “Required Lenders”, “Required Revolving Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), (vii) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender (other than a Defaulting Lender) or (viii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (other than a Defaulting Lender), except as expressly provided in the Loan Documents; provided, further, that in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans or Revolving Commitments (and the Revolving Loans in respect hereof) is refinanced with a replacement Class of term loans or revolving commitments (and the revolving loans in respect hereof) bearing (or is modified in such a manner such that the resulting term loans or revolving commitments (and the revolving loans in respect hereof) bear a lower yield, only the consent of the Lenders holding Term Loans or Revolving Commitments (and the Revolving Loans in respect hereof) subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or Revolving Commitments (and the Revolving Loans in respect hereof) or modified Term Loans or Revolving Commitments and the Revolving Loans in respect hereof shall be required); provided, further, that (A) no such agreement shall amend, modify or

otherwise affect the rights or duties of the Administrative Agent, the Swing Line Lender or any Issuing Bank without the prior written consent of the Administrative Agent, the Swing Line Lender or such Issuing Bank, as the case may be; provided, however, that this Agreement may be amended to adjust the borrowing mechanics related to Swing Line Loans with only the written consent of the Administrative Agent, the Swing Line Lender and the Borrower so long as the obligations of the Revolving Lenders are not affected thereby, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any mistake, ambiguity, omission, defect, obvious error or incorrect cross-reference, or to effect administrative changes of a technical or immaterial nature or to correct any inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion and (b) guarantees, Security Documents and related documents in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement and the other Loan Documents, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities or defects, (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents or (iv) to integrate any Incremental Facility or Credit Agreement Refinancing Indebtedness in a manner consistent with this Agreement and the other Loan Documents. Notwithstanding the foregoing, (A) no Lender or Issuing Bank consent is required to effect any amendment, modification or supplement to any Intercreditor Agreement or subordination agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Incremental Term Loan or Revolving Loan under any Incremental Revolving Commitment Increase, any Other Term Loan, Other Revolving Loan or Other Revolving Commitments, for the purpose of adding the holders of such Indebtedness (or their Senior Representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, to give effect hereto or otherwise carry out the purposes thereof, in each case as contemplated by the terms of such Intercreditor Agreement permitted under this Agreement (including any changes thereto as contemplated by Section 9.14(b)) or subordination agreement or arrangement permitted under this Agreement, as applicable and (B) no agreement shall (x) amend, waive or otherwise modify Section 6.11 hereof or the defined terms used for Section 6.11, (y) waive any Financial Performance Covenant Event of Default without the written consent of the Required

Revolving Lenders or (z) amend, waive or otherwise modify any of the conditions set forth in Section 4.02 with respect to the making of any Revolving Loan or issuance of any Letters of Credit without the written consent of the Required Revolving Lenders; provided, however, that any amendments, modifications, waivers and consents described in this clause (B) shall not require the consent of any Lenders other than the Required Revolving Lenders.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a “Non-Consenting Lender”), then the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) or (ii) prepay the Loans and, if applicable, terminate the Revolving Commitments of such Non-Consenting Lenders; provided that (a) in the case of the preceding clause (i), the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned and each Issuing Bank), which consent shall not unreasonably be withheld, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding par principal amount of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (including pursuant to Section 2.11(a)(i)) from (x) in the case of preceding clause (i), the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (y) in the case of preceding clause (ii), from the Borrower, and (c) in the case of preceding clause (i), unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b). If any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Term Loans or its Initial Term Loans are prepaid by the Borrower pursuant to this Section 9.02(c) on or prior to the six-month anniversary of the Effective Date as a result of a Repricing Transaction, the Borrower shall pay such Non-Consenting Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned or prepaid.

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, the Revolving Commitments, Term Loans and Revolving Exposure of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class), a Majority in Interest of Lenders of any Class or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, for purposes of any plan of reorganization, such Affiliated Lender will be deemed to have voted in the same proportion as non-Affiliated Lenders voting on such matter; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion in connection with any plan of reorganization to the extent (a) any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower, (b) that would deprive such Affiliated Lender of its pro rata share of any payments to which it is entitled or (c) if such plan of reorganization does not require the consent of each Lender or each affected Lender.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay, if the Effective Date occurs and the Transactions have been consummated, (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Administrative Agent, the Joint Lead Arrangers, each Issuing Bank and their respective Affiliates (without duplication), (but limited, (A) in the case of legal fees and expenses, to the reasonable, documented, out-of-pocket fees, disbursements and other charges of one counsel to the Administrative Agent, the Issuing Banks and the Joint Lead Arrangers, taken as a whole, plus, if reasonably necessary, one regulatory counsel and one local counsel to the Administrative Agent, the Issuing Banks and the Joint Lead Arrangers, taken as a whole, in any relevant material jurisdiction, in each case excluding allocated costs of in-house counsel (and in the case of an actual or potential conflict of interest, one additional counsel and local counsel to the affected Lenders, taken as a whole) and (B) in the case of other consultants and advisors, limited to the fees and expenses of such persons approved by the Borrower, such approval not to be unreasonably withheld or delayed), in each case for the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, and the preparation, execution, delivery and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof), (ii) all reasonable and documented and invoiced out-of-pocket costs and expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented and invoiced out-of-pocket expenses (but not third party costs or expenses such as legal fees or the fees of other advisors) incurred by the Administrative Agent, each Issuing Bank or any Lender and the fees, charges and disbursements of counsel to the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, in any relevant material jurisdiction (and in the case of an actual or potential conflict of interest, one additional counsel to the affected Lenders, taken as a whole) (but limited, (A) in the case of legal fees and expenses, to the fees, disbursements and other charges of one counsel to the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, and, if reasonably necessary, one local counsel and one regulatory counsel to the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, in each relevant material jurisdiction (and in the case of an actual or potential conflict of interest, one additional counsel to the affected Lenders, taken as a whole)

and (B) in the case of other consultants and advisers, limited to the fees and expenses of such persons approved by the Borrower, such approval not to be unreasonably withheld or delayed) in connection with the enforcement or protection of any rights or remedies in connection with the Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Laws or during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit).

(b) Without duplication of the expense reimbursement obligations pursuant to clause (a) above, the Borrower shall indemnify the Administrative Agent, each Issuing Bank, each Lender, the Joint Lead Arrangers and each Related Party (other than Excluded Affiliates) of any of the foregoing Persons (each such Person being called an “Indemnatee”) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and expenses (but limited, in the case of legal expenses, to the reasonable and documented and invoiced out-of-pocket fees and expenses of one counsel for all Indemnitees and to the extent reasonably determined by the Administrative Agent to be necessary, one regulatory counsel and one local counsel in each relevant jurisdiction (and, in the case of an actual or potential conflict of interest, one additional counsel) for all Indemnitees (which may include a single special counsel acting in multiple jurisdictions but excluding allocated costs of in-house counsel)), incurred by or asserted against any Indemnatee by any third party or by the Borrower, Holdings or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, the syndication of the credit facilities provided for herein, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other real property currently owned or operated by Holdings, the Borrower or any Subsidiary, or any other Environmental Liability related in any way to Holdings, the Borrower or any Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower, Holdings or any Subsidiary or their Affiliates and regardless of whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (w) resulted from the gross negligence, bad faith or willful misconduct of such Indemnatee or its controlled Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment), (x) resulted from a material breach of the Loan Documents by such Indemnatee or its Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) arise from disputes between or among Indemnitees (other than disputes involving claims against the Administrative Agent, the Collateral Agent or the Joint Lead Arrangers or any Issuing Bank, in each case, in their respective capacities) that do not involve an act or omission by the Sponsor, Holdings, the Borrower or any Restricted Subsidiary or (z) resulted from any settlement effected without the Borrower’s prior written consent (which consent shall not be unreasonably withheld or delayed); provided that, to the extent any amounts paid to an Indemnatee in respect of this

Section 9.03, such Indemnitee, by its acceptance of the benefits hereof, agrees to refund and return any and all amounts paid by the Borrower to it if, pursuant to the operation of the foregoing clauses (w) through (z), such Indemnitee was not entitled to receipt of such amount. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Lender or any Issuing Bank under paragraph (a) or (b) of this Section 9.03, each Lender severally agrees to pay to the Administrative Agent, such Lender or such Issuing Bank, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, such Lender or such Issuing Bank in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate Revolving Exposures, outstanding Term Loans and unused Commitments at such time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply *mutatis mutandis* to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, none of Holdings, the Borrower, any Agent, any Lender, any other party hereto or any Indemnitee shall assert, and each hereby waives, any claim against any other such Person on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, arising out of, as a result of, or in any way related to, this Agreement or any agreement or instrument contemplated hereby or referred to herein, the transactions contemplated hereby or thereby, or any act or omission or event occurring in connection therewith and each such Person further agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that the foregoing shall in no event limit the Borrower's indemnification obligations under clause (b) above.

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower of the commencement of any proceeding; provided, however, that the failure to do so will not relieve the Borrower from any liability that it may have to such Indemnitee hereunder, except to the extent that the Borrower is materially prejudiced by such failure. Notwithstanding the above, following such notification, the Borrower may elect in writing to assume the defense of such proceeding, and, upon such election, the Borrower will not be liable for any legal costs subsequently incurred by such Indemnitee (other than reasonable costs of investigation and providing evidence) in connection therewith, unless (i) the Borrower has failed to provide counsel reasonably satisfactory to such Indemnitee in a timely manner, (ii) counsel provided by the Borrower reasonably determines its representation of such Indemnitee would present it with a conflict of interest or (iii) the Indemnitee reasonably determines that there are actual conflicts of interest between the Borrower and the Indemnitee, including situations in which there may be legal defenses available to the Indemnitee which are different from or in addition to those available to the Borrower.

(f) Notwithstanding anything to the contrary in this Agreement, the extent permitted by applicable law, neither Holdings nor the Borrower shall assert, and each hereby waives, any claim against any Indemnatee for any direct or actual damages arising from the use by unintended recipients of information or other materials distributed to such unintended recipients by such Indemnatee through telecommunications, electronic or other information transmission systems (including the Internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; except to the extent that such direct or actual damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or a material breach of the Loan Documents by, such Indemnatee or its Related Parties.

(g) All amounts due under this Section 9.03 shall be payable not later than twenty (20) Business Days after written demand therefor; provided, however, that any Indemnatee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnatee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

#### SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder (other than to a Successor Borrower pursuant to a transaction permitted by Section 6.03(a)(iv)(B)) without the prior written consent of each Lender, each Issuing Bank and the acknowledgement of the Administrative Agent (and any attempted assignment or transfer by the Borrower without such consent (other than to a Successor Borrower pursuant to a transaction permitted by Section 6.03(a)(iv)(B)) shall be null and void), (ii) no assignment shall be made to any Defaulting Lender or any of its Affiliates, or any Persons who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (ii) and (iii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 9.04), the Indemnitees and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraphs (b)(ii) and (f) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at

the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of (A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (x) by a Term Lender to any Lender, an Affiliate of any Lender or an Approved Fund, (y) if a Specified Event of Default has occurred and is continuing or (z) by a Revolving Lender to any Lender, an Affiliate of any Lender or an Approved Fund; provided, further, that no assignee contemplated by the immediately preceding proviso shall be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable assignor would have been entitled to receive with respect to the assignment made to such assignee, unless the assignment to such assignee is made with the Borrower's prior written consent; provided, further, that the Borrower shall have the right to withhold its consent to any assignment if in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of a Term Loan subject to Section 9.04(f) and (g), an Affiliated Lender, Holdings, the Borrower or any of its Subsidiaries; provided, further, that no consent of the Administrative Agent shall be required for an assignment of Term Loans to a Lender or by a Lender to one of its controlled Affiliates or an Affiliate under common control with such Lender and (C) solely in the case of Revolving Loans and Revolving Commitments, each Issuing Bank and the Swing Line Lender (not to be unreasonably withheld or delayed); provided that, for the avoidance of doubt, no consent of any Issuing Bank shall be required for an assignment of all or any portion of a Term Loan or Term Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment of Term Loans within ten (10) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall, in the case of Revolving Loans, not be less than \$5,000,000 (and integral multiples thereof) or, in the case of a Term Loan, \$1,000,000 (and integral multiples thereof), unless the Borrower and the Administrative Agent otherwise consent (in each case, such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or, if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and

Assumption, and, in each case, together with a processing and recordation fee of \$3,500 payable by the assignee; provided that such processing and recordation fee shall not be payable in connection with an assignment by a Lender to one of its controlled Affiliates or an Affiliate under common control with such Lenders; provided, further, that the Administrative Agent, in its sole discretion, may elect to waive or reduce such processing and recordation fee; provided, further, that any such Assignment and Assumption shall include a representation by the assignee that the assignee is not a Disqualified Lender (but only if the Disqualified Lenders List is available to such assignee and Lenders upon request); provided, further, that assignments made pursuant to Section 2.19(b), 2.21(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective, (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain Material Non-Public Information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and (E) unless the Borrower otherwise consents, no assignment of all or any portion of the Revolving Commitment of a Lender that is also an Issuing Bank may be made unless (1) the assignee shall be or become an Issuing Bank, as applicable, and assume a ratable portion of the rights and obligations of such assignor in its capacity as Issuing Bank, or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to and obligations to make or issue Letters of Credit hereunder in which case the Applicable Fronting Exposure of such assignor may exceed such assignor's Fronting Exposure Cap for purposes of Section 2.05(b) by an amount not to exceed the difference between the assignor's Fronting Exposure Cap prior to such assignment and the assignor's Fronting Exposure Cap following such assignment; provided that no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section 9.04 to the extent otherwise permitted thereby or otherwise shall be void.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans or Incremental Loans held by Affiliated Lenders. The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower, the Issuing Banks and any Lender, at any reasonable time and from time to time upon reasonable prior notice. The Register is intended to cause each Loan to be in registered form for U.S. federal income tax purposes under Section 5f.103-1(c) of the U.S. Treasury Regulations and Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.04 and any written consent to such assignment required by paragraph (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words “execution”, “signed”, “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as an original executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or the Issuing Banks, sell participations to one or more banks or other Persons (other than to a Disqualified Lender (but only if the Disqualified Lenders List is available to Lenders upon request) or other Person that is not an Eligible Assignee) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such

Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to paragraph (c)(iii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19, it being understood that any tax forms required by Section 2.17(f) shall be provided to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04 provided that such Participant agrees to be subject to the provisions of Sections 2.19 as if it were an assignee under paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and the parties hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of its Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other obligations under the Loan Documents) except to the extent to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(iii) A Participant (other than a Revolving Lender pursuant to Section 2.05(e)) shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other "central" bank, and this

Section 9.04 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans and participations in Letters of Credit and Swing Line Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(f) Notwithstanding anything to the contrary herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to an Affiliated Lender subject to the following limitations:

(i) Affiliated Lenders (other than Affiliated Debt Funds) will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(e), in any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender, or that would not deprive such Affiliated Lender of its pro rata share of any payments to which it is entitled, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) "designated" pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in

determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting limitations and will be entitled to vote as any other Lender; provided that Affiliated Debt Funds may not account for more than 49.9% of the “Required Lenders” in any Required Lender vote;

(iii) Affiliated Lenders may not purchase Revolving Loans, Other Revolving Loans or Swing Line Loans, including pursuant to this Section 9.04;

(iv) the aggregate principal amount of Term Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase, after giving effect to any substantially simultaneous cancellations thereof;

(v) Affiliated Lenders shall clearly identify themselves as an Affiliated Lender in the loan assignment documentation. In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any lender is an Affiliated Lender or Affiliated Debt Fund nor shall the Administrative Agent be obligated to monitor the number of Affiliated Lenders or Affiliated Debt Funds or the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders or Affiliated Debt Funds;

(vi) Affiliated Lenders (other than Affiliated Debt Funds) will not be permitted to vote on matters requiring a Required Lender vote, and the Term Loans held by Affiliated Lenders (other than Affiliated Debt Funds) shall be disregarded in determining (x) other Lenders’ commitment percentages or (y) matters submitted to Lenders for consideration that do not require the consent of each Lender or each affected Lender; provided that the commitments of any Affiliated Lender shall not be increased, the Interest Payment Dates and the dates of any scheduled amortization payments (including at maturity) owed to any Affiliated Lender hereunder will not be extended and the amounts owing to any Affiliated Lender hereunder will not be reduced without the consent of such Affiliated Lender;

(vii) each Lender making such assignment to such Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Material Non-Public Information, (2) such Lender has independently and, without reliance on such Affiliated Lender, Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender’s lack of knowledge of the Material Non-Public Information and (3) none of Holdings, the Sponsor, its Subsidiaries, the Administrative Agent, any Affiliated Lender or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, the Sponsor, its Subsidiaries, the Administrative Agent, such Affiliated Lender and their respective

Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Material Non-Public Information. Each Lender entering into such an assignment further acknowledges that the Material Non-Public Information may not be available to the Administrative Agent or the other Lenders; and

(viii) proceeds of Revolving Loans may not be used to effect Term Loans purchased by assignment pursuant to this Section 9.04(f).

(g) Any Lender may, at any time, assign all or a portion of its Term Loans (but not Revolving Loans, Other Revolving Loans or Swing Line Loans) to Holdings or any of its Subsidiaries, through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.11(a)(iii) or other customary procedures acceptable to the Administrative Agent and/or (y) open market purchases on a non-pro rata basis, provided that (i) the Borrower shall not make any Revolving Borrowing, Other Revolving Loans or Swing Line Loans to fund such assignment, (ii) any Term Loans that are so assigned will be automatically and irrevocably cancelled and the aggregate principal amount of the tranches and installments of the relevant Term Loans then outstanding shall be reduced pro rata by an amount equal to the par principal amount of such Term Loans, (iii) no Event of Default shall have occurred and be continuing and (iv) each Lender making such assignment to Holdings or any of its Subsidiaries acknowledges and agrees that in connection with such assignment, (1) Holdings or its Subsidiaries then may have, and later may come into possession of Material Non-Public Information, (2) such Lender has independently and, without reliance on Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Material Non-Public Information and (3) none of Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Material Non-Public Information. Each Lender entering into such an assignment further acknowledges that the Material Non-Public Information may not be available to the Administrative Agent or the other Lenders.

(h) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Lender without the prior written consent of the Borrower; provided that, upon the inquiry by (i) any Lender to the Administrative Agent as to whether a specified potential assignee or prospective participant is on the Disqualified Lenders List or (ii) any potential assignee as to whether such potential assignee is on the Disqualified Lenders List the Administrative Agent shall provide such list of Disqualified Lenders to such Lender or potential assignee, as applicable; provided, further, that inclusion on the Disqualified Lenders List shall not apply retroactively to disqualify any persons that have previously acquired an assignment or participation in the Loan if such person was not included on the Disqualified Lenders List at the time of such assignment or participation. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if any Lender was a Disqualified Lender at the time of the assignment of any Loans or Commitments to such Lender,

following written notice from the Borrower to such Lender and the Administrative Agent and otherwise in accordance with Section 2.19(b), as applicable: (1) such Lender shall promptly assign all Loans and Commitments held by such Lender to an Eligible Assignee (and the signature of such Disqualified Lender shall not be required on any such assignment); provided that (A) the Administrative Agent shall not have any obligation to the Borrower, such Lender or any other Person to find such a replacement Lender, (B) the Borrower shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person subject to the Borrower's consent in accordance with Section 9.04(b)(i) and (C) the assignment of such Loans and/or Commitments, as the case may be, shall be at par plus accrued and unpaid interest and fees; (2) such Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of any Class), all affected Lenders (or all affected Lenders of any Class), a Majority in Interest of Lenders of any Class or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.02); provided that (x) the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Disqualified Lender adversely and in a manner that is disproportionate to other affected Lenders shall require the consent of such Disqualified Lender; and (3) no Disqualified Lender is entitled to receive information provided solely to Lenders by the Administrative Agent or any Lender or will be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices or Borrowings, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II. Notwithstanding anything to the contrary herein, the Borrower (on behalf of itself and the other Loan Parties) and the Lenders acknowledge and agree that the Administrative Agent shall have no responsibility or obligation to determine whether any Lender or potential Lender is a Disqualified Institution and that the Administrative Agent shall have no liability with respect to any assignment or participation made to a Disqualified Institution.

(i) Notwithstanding the foregoing, any Affiliated Lender shall be permitted, at its option, to contribute any Term Loans so assigned to such Affiliated Lender pursuant to this Section 9.04 to Holdings or any of its Subsidiaries for purposes of cancellation, which contribution may be made (including, with the Borrower's consent, to the Borrower, whether through Holdings or otherwise), in exchange for Qualified Equity Interests of Holdings or the Borrower or Indebtedness of the Borrower to the extent such Indebtedness is permitted to be incurred (including, if applicable, as a Permitted Refinancing) pursuant to Section 6.01 at such time.

#### SECTION 9.05 Survival.

All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any

investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans and all other amounts payable hereunder, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or (f).

#### SECTION 9.06 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of an original executed counterpart of this Agreement.

#### SECTION 9.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any

provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the Swing Line Lender or the Issuing Banks, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

#### SECTION 9.08 Right of Setoff.

If a Specified Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not withholding or payroll accounts, employee benefits accounts, de minimis accounts or other accounts used exclusively for taxes or fiduciary or trust purposes) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower (excluding, for the avoidance of doubt, any Settlement Assets except to effect Settlement Payments such Lender is obligated to make to a third party in respect of such Settlement Assets or as otherwise agreed in writing between the Borrower and such Lender) against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The applicable Lender and applicable Issuing Bank shall notify the Borrower and the Administrative Agent of such setoff and application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Notwithstanding the foregoing, no amount set off from any Loan Party (other than the Borrower) shall be applied to any Excluded Swap Obligation of such Loan Party (other than the Borrower).

#### SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any federal court sitting in the Borough of Manhattan in the City of New York or, if that court does not have subject matter jurisdiction, in

any state court located in the City and County of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court except to the extent required by any Security Document to be brought in another jurisdiction pursuant to the terms of such Security Document. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings or the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.01. NOTHING IN ANY LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

#### SECTION 9.10 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

#### SECTION 9.11 Headings.

## SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates (other than Excluded Affiliates) and its and their respective directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors and any numbering, administration or settlement service providers on a “need-to-know” basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and will be instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent, any Issuing Bank or the relevant Lender to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, such Issuing Bank or the relevant Lender, as applicable), (ii) to the extent requested or required by any governmental authority, regulatory authority or self-regulatory authority, required by applicable law, rule or regulation or by any subpoena or similar legal process or in connection with the exercise of remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder (including without limitation for purposes of establishing any appropriate due diligence defense) or any other pending legal, judicial or administrative proceeding or other compulsory process or upon the good faith determination by counsel that such Information should be disclosed in light of ongoing oversight or review of such Administrative Agent, Issuing Bank or Lender, as applicable, by any governmental or regulatory (including self-regulatory) authority having jurisdiction over the Administrative Agent, Issuing Bank or Lender or its Affiliates, as applicable; provided that (x) solely to the extent permitted by law and other than in connection with routine audits and reviews by regulatory and self-regulatory authorities, each Lender and the Administrative Agent shall promptly notify the Borrower of any such requested or required disclosure in connection with any legal or regulatory proceeding and (y) in the case of clause (ii) only, each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, (iii) to any other party to this Agreement, (iv) to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (B) any actual or prospective counterparty (or its advisors) to any Swap Agreement or derivative transaction relating to any Loan Party or its Subsidiaries and its obligations under the Loan Documents or (C) any pledgee referred to in Section 9.04(d), in the case of each of the preceding clauses (A) through (C), other than to a Disqualified Lender; provided that any such disclosure under this clause (iv) shall be made subject to the acknowledgment and acceptance by such assignee or Participant, prospective assignee or Participant, actual or prospective counterparty (or its advisors) or pledgee, as applicable, that such Information is being disseminated on a confidential basis (on substantially the same terms set forth in this Section 9.12 or as is reasonably acceptable to the Borrower and the Administrative Agent) in accordance with the customary market standards for dissemination of such type of Information, in the event of any electronic access through Intralinks, another website or similar electronic system or platform, which shall in any event require “click through” or other affirmative action on the part of the recipient to access such Information and acknowledge its confidentiality obligations in respect thereof, in each case on terms reasonably acceptable to the Borrower, (v) if required by any rating agency; provided that prior to any such disclosure, such rating agency shall have agreed in writing to maintain the confidentiality of such

Information, (vi) to service providers providing administrative and ministerial services solely in connection with the syndication and administration of the Loan Documents and the facilities (e.g., identities of parties, maturity dates, interest rates, etc.) on a confidential basis, or (vii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.12 or (y) becomes available to the Administrative Agent, any Issuing Bank, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary, which source is not known (after due inquiry) by the recipient of such information to be subject to a confidentiality obligation. For the purposes hereof, “Information” means all information received from or on behalf of Holdings or the Borrower relating to Holdings, the Borrower, any other Subsidiary or their business other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by Holdings, the Borrower or any Subsidiary. Notwithstanding the foregoing, provided that the Disqualified Lenders List has been shared with the Lenders, no such information shall be disclosed to a Disqualified Lender that constitutes a Disqualified Lender at the time of such disclosure without the Borrower’s prior written consent.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION (AS DEFINED IN SECTION 9.12(a)) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

#### SECTION 9.13 USA PATRIOT Act.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

(a) A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction or designation permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a permitted merger or amalgamation with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary) or becomes an Excluded Subsidiary or (2) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a Wholly Owned Subsidiary; provided that the release of any Subsidiary Loan Party from its obligations under the Loan Documents (i) if such Subsidiary Loan Party becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof and/or (ii) pursuant to preceding clause (2) of this Section 9.14(a), such release shall only be permitted if (y) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be released, the Borrower is deemed to have made a new Investment in such Person (as if such Person were then newly acquired) and such Investment is permitted at such time and (z) a Responsible Officer of the Borrower certifies to the Administrative Agent compliance with preceding clause (y); provided, further, that no such release shall occur if such Subsidiary Loan Party continues to be a guarantor in respect of the Second Lien Credit Agreement, any Incremental Equivalent Debt, any Other Term Loans, any Incremental Facility, any Permitted First Priority Refinancing Debt, any Permitted Junior Priority Refinancing Debt, any Permitted Unsecured Refinancing Debt, any Junior Financing or any Permitted Refinancing in respect of any of the foregoing; provided, further, that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise, or (3) as provided in the Closing Date Intercreditor Agreement. Upon any sale or other transfer by any Loan Party (other than to any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral or upon any Collateral becoming an Excluded Asset, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of Holdings or any Subsidiary Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by Holdings or such Subsidiary created by the Security Documents shall be automatically released. Upon the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Agreement, the security interest created by the Security Documents in the Equity Interests of such new Unrestricted Subsidiary shall automatically be released. To the extent the release of any Lien in any Collateral is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.02), the security interest in such Collateral shall be automatically released. To the extent the release of any security interest in any Collateral is required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents, the security interest in such Collateral shall be automatically

released. In addition, liens shall be released and guarantees released in accordance with the terms of the Security Documents and the Guarantee. Upon the Termination Date all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations (other than those being discharged or released) or any Liens (other than those being discharged or released) of the Loan Parties in respect of all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of Excluded Assets or otherwise released in accordance with the provisions of the Loan Documents. In connection with any termination or release pursuant to this Section 9.14, without the further consent of any Lender, Issuing Bank or other Secured Party, the Administrative Agent or the Collateral Agent, as the case may be, shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence or to file or register in any office such termination or release so long as the Borrower or applicable Loan Party shall have provided the Administrative Agent or the Collateral Agent, as the case may be, such certifications or documents as the Administrative Agent or the Collateral Agent, as the case may be, shall reasonably request in order to demonstrate compliance with this Agreement. The Administrative Agent or the Collateral Agent, as the case may be, will, at the Borrower's expense, execute and deliver to the applicable Loan Party or to file or register in any office such documents as such Loan Party may reasonably request to subordinate its Lien on any property granted to or held by the Administrative Agent or the Collateral Agent, as the case may be, under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(ii) (but only pursuant to clauses (d) and (j) of the definition of "Permitted Encumbrances), (iv), (v), (xi), (xii), (xxii) (but only with respect to any such liens securing Indebtedness permitted under Section 6.01(a)(viii)), (xxiii), (xxix) or (xxxv).

(b) Each of the Lenders and each of the Issuing Banks irrevocably authorizes the Administrative Agent or the Collateral Agent, as the case may be, to (i) provide any release or evidence of release, termination or subordination contemplated by this Section 9.14 (and upon request by the Administrative Agent or the Collateral Agent, as the case may be, at any time, the Required Lenders will confirm in writing the Administrative Agent's authority or the Collateral Agent's authority, as the case may be, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under any Loan Document, in each case in accordance with the terms of the Loan Documents and this Section 9.14), (ii) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, in each case to the extent such agreements, at the time they are first entered into, are substantially consistent with the terms set forth on Exhibit E-1, E-2 or E-3 annexed hereto, together with (A) any immaterial changes and (B) material changes thereto in light of prevailing market conditions, which material changes shall be posted to the Lenders not less than five (5) Business Days before execution thereof and, if the Required Lenders shall not have objected to such changes within five (5) Business Days after posting, then the Required Lenders shall be deemed to have agreed that the Administrative Agent's and/or Collateral Agent's entry into such intercreditor agreement (with such changes) is reasonable and to have consented to such intercreditor agreement (with such changes) and to the Administrative Agent's and/or Collateral Agent's execution thereof, in each case in form and substance

reasonably satisfactory to the Administrative Agent and/or Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Initial Term Loans); and (iii) enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents for the benefit of the Lenders and the other Secured Parties.

SECTION 9.15 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto and it is not relying on the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks or the Lenders for such advice, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings, any of their respective Affiliates or any other Person and (B) none of the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Administrative Agent, the Joint Lead Arrangers, the Issuing Banks and the Lenders has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Joint Lead Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.16 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the

Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

#### SECTION 9.17 Judgment Currency.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower or any other Loan Party in respect of any such sum due from it to the Secured Parties hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under Requirements of Law).

SECTION 9.18 Intercreditor Agreement. Each Secured Party hereby agrees that the Administrative Agent and/or Collateral Agent may enter into the Closing Date Intercreditor Agreement and any other intercreditor agreement and/or subordination agreement pursuant to, or contemplated by, the terms of this Agreement (including with respect to Indebtedness permitted pursuant to Section 6.01, any applicable Liens on Collateral permitted pursuant to Section 6.02 and, in each case, together with the defined terms referenced therein) on its behalf and agrees to be bound by the terms thereof and, in each case, consents and agrees to the appointment of Barclays Bank PLC (or its affiliated designee, representative, agent or successor) on its behalf as collateral agent, respectively, thereunder. Each Lender (a) understands, acknowledges and agrees that Liens shall be created on the Collateral pursuant to the Second Lien Loan Documents, which Liens shall be subject to the terms and conditions of the Closing Date Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Closing Date Intercreditor Agreement or any other applicable Intercreditor Agreement (if entered into) and (c) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Closing Date

Intercreditor Agreement and, if applicable, any other Intercreditor Agreement (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements (subject, if applicable, to the last sentence of Section 9.02(b)), and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof).

#### SECTION 9.19 Cashless Settlement.

Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

#### SECTION 9.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

#### SECTION 9.21 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender under the Credit Agreement and (y) covenants, from the date such Person became a Lender under the Credit Agreement to the date such Person ceases being a Lender

party to the Amended Credit Agreement, for the benefit of the Agents and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and the Amended Credit Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and the Amended Credit Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and the Amended Credit Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Facility Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender under the Credit Agreement and (y) covenants, from the date such Person became a Lender under the Credit Agreement to the date such Person ceases being a Lender under the Amended Credit Agreement, for the benefit of the Agents and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that:

(i) none of the Agents or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Agents under this Agreement, any Loan Document or any documents related to hereto or thereto),

(ii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and the Amended Credit Agreement is independent (within the meaning of 29 CFR § 2510.3-21) and is a bank, an insurance carrier, an investment adviser, a broker-dealer or other person that holds, or has under management or control, total assets of at least \$50 million, in each case as described in 29 CFR § 2510.3-21(c)(1)(i)(A)-(E),

If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to any other transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated (and tested) on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated (subject to the proviso to the definition of "Limited Condition Transaction").

#### SECTION 1.07 Currency Equivalents Generally.

For purposes of determining compliance as of any date with any covenant or incurrence test (other than the calculation of compliance with any financial ratio for purposes of taking action hereunder) under any Loan Document or for purposes of making any determination as to whether any Default or Event of Default has occurred hereunder or for any other specified purpose hereunder, amounts incurred or outstanding in currencies (other than Dollars) shall be translated into Dollars at the rate of exchange quoted by the Bloomberg Foreign Exchange Rates & World Currencies Page (or any successor page thereto, or in the event such rate does not appear on any Bloomberg Page, by reference to such other publically available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower) for such foreign currency (the "Exchange Rate"), as in effect at 11:00 a.m. (London time) on the date of such Specified Transaction; provided that, if any Indebtedness or Liens are incurred to extend, replace, refund, refinance, renew or defease other Indebtedness or Liens denominated in currencies (other than Dollars) and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, plus the amount of any premium paid, and fees and expenses incurred, in connection with such extension, replacement, refunding, refinancing, renewal or defeasance (including any fees and original issue discount incurred in respect of such resulting Indebtedness). No Default or Event of Default shall arise as a result of changes in currency exchange rates occurring after the time any Specified Transaction has been consummated so long as such Specified Transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth above. For purposes of the calculation of compliance with any financial ratio for purposes of taking any action hereunder, on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Sections 5.01(a) or (b) (or, prior to the first such delivery, the financial statements referred to in Section 4.01(h)), as applicable, for the relevant

Test Period and will, with respect to any Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of any Swap Agreement permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the Dollar Equivalent amount of such Indebtedness.

SECTION 1.08 Times of Day.

Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

SECTION 1.09 Timing of Payment or Performance.

Except as otherwise expressly provided herein, when the payment of any obligation or the performance of any covenant, duty, or obligation is stated to be due or performance required on (or before) a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

SECTION 1.10 Certifications.

All certifications to be made hereunder by an officer or representative of a Loan Party shall be made by such a Person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party's behalf and not in such Person's individual capacity.

SECTION 1.11 Compliance with Certain Sections.

Without limiting the reclassification rights described in any Section of Article VI, for purposes of determining compliance with Article VI, in the event that any Lien, Investment, Indebtedness (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof), Disposition, Affiliate transaction, restrictive agreement, or prepayment of Indebtedness meets the criteria of one, or more than one, of the "baskets" or categories of transactions of the same covenant then permitted pursuant to any clause or subsection of such Article VI (other than Sections 6.01(a)(i), 6.01(a)(xx), 6.02(i) and 6.02(xix)), such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses at the time of such transaction or any later time from time to time, in each case, as determined by the Borrower in its sole discretion at such time and thereafter may be reclassified by the Borrower in any manner not expressly prohibited by this Agreement. If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Consolidated EBITDA for the most recently completed fiscal quarter or any PIK Election, in each case, after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations or PIK Elections. Each direct or indirect Subsidiary of Holdings that is required to be joined and is joined as a Loan Party pursuant to Section 5.11 shall, until the completion of such joinder, be deemed for the purposes of Article VI of this Agreement to be a Loan Party from and after the Effective Date (or, if later, the date of formation or acquisition of such subsidiary). In the event that any "basket" contained in Article VI (or any defined term referred to therein) based on a fixed amount and/or a percentage of Consolidated

EBITDA corresponds to an equivalent “basket” in Article VI of the Existing First Lien Credit Agreement, then any utilization of such “basket” under the Existing First Lien Credit Agreement as of the Effective Date shall be deemed to have also utilized the equivalent “basket” in Article VI to the same extent.

#### SECTION 1.12 Divisions.

For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

### ARTICLE II

#### THE CREDITS

##### SECTION 2.01 Commitments.

Subject to the terms and conditions set forth herein, each Term Lender severally, and not jointly, agrees to make Term Loans to the Borrower on the Effective Date denominated in Dollars in a principal amount not exceeding such Term Lender’s Term Commitment. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

##### SECTION 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder, provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required hereby.

(b) Subject to Section 2.14, each Term Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurodollar Borrowing that results from a continuation of one or more outstanding Eurodollar Borrowings may be in an aggregate amount that is equal to such outstanding Borrowings. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of

the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of eight Eurodollar Borrowings outstanding.

SECTION 2.03 Requests for Borrowings.

To request a Term Borrowing, the Borrower shall notify the Administrative Agent of such request by email or facsimile to the Administrative Agent of a written Borrowing Request signed by the Borrower substantially in the form of Exhibit C-1 (a) in the case of a Eurodollar Borrowing, not later than 12:00 p.m., New York City time, three (3) Business Days before the date of the proposed Borrowing (or, in the case of any Eurodollar Borrowing to be made on the Effective Date, two (2) Business Days) or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., New York City time, two (2) Business Days prior to the date of the proposed Borrowing, or, in each case, such later time as is acceptable to the Administrative Agent. Each such written Borrowing Request shall specify the following information:

- (i) the Class of the applicable Term Borrowing;
- (ii) the aggregate amount of such Borrowing;
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;
- (v) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (vi) the location and number of the Borrower's account or accounts to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified as to any requested Borrowing in Dollars, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 [Reserved].

SECTION 2.05 [Reserved].

SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to an account of the Borrower designated by the Borrower.

(b) [Reserved].

(c) The obligations of the Lenders hereunder to make Term Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 9.03(c).

#### SECTION 2.07 Interest Elections.

(a) Each Term Borrowing of the applicable Class initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by facsimile or other electronic transmission of a written Interest Election Request signed by the Borrower, by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is to be a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one (1) month’s duration.

(d) Promptly following receipt of an Interest Election Request in accordance with this Section 2.07, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid, at the end of such Interest Period such Borrowing shall be continued as a Eurodollar Borrowing of one (1) month. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing in excess of one (1) month.

(f) Notwithstanding anything to the contrary herein, but subject to Section 2.13(h) and any adjustment in interest rate contemplated by Section 2.13 and by the definition of “Applicable Rate,” with respect to any PIK Interest Period for Initial Term Loans ending prior to the third anniversary of the Effective Date, the Borrower may elect (a “PIK Election”) to have all or a portion of the interest for such PIK Interest Period paid in kind; provided that any PIK Election made with respect to any period that ends prior to the second anniversary of the Effective Date must apply to the entire interest payment for such period. In order to make a PIK Election for a particular PIK Interest Period, the Borrower must deliver a PIK Election Notice to the Administrative Agent by 5:00 p.m. (New York City time) at least two (2) Business Days prior to the first day of such PIK Interest Period, in which case, on and as of each applicable Interest Payment Date for such PIK Interest Period, such portion of accrued interest so elected to be paid-in-kind shall be automatically capitalized and added to (and constitute part of) the then-outstanding principal amount of the Initial Term Loans on the applicable Interest Payment Date for all purposes of this Agreement and the other Loan Documents, and shall bear interest in accordance with this Agreement. For the avoidance of doubt, the Interest Periods and Interest Payment Dates applicable to the Initial Term Loans shall not be affected by any PIK Election (other than with respect to the payment of the applicable interest payment (or the portion thereof, as applicable) in kind rather than in cash in accordance with this Section 2.07(f) and the modification of the rate of such interest as provided herein). If the Borrower shall have failed to deliver a PIK Election Notice in respect of a PIK Interest Period prior to the deadline required under this Section 2.07(f), then no PIK Election shall apply to such PIK Interest Period and the interest payment for such Interest Period shall be paid entirely in cash.

## SECTION 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Term Commitments shall automatically terminate and be permanently reduced to zero upon funding of the Term Loans on the Effective Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments of any Class subject only to the premium described in Section 2.11(a)(i), provided that each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$500,000 unless such amount represents all of the remaining Commitments of such Class.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section 2.08 at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

## SECTION 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) [Reserved].

(c) Each Lender shall maintain in accordance with its usual practice accounts or records evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal (including, for the avoidance of doubt, the amount of interest that has been added to the outstanding principal of the Initial Term Loans pursuant to any PIK Election) and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall, in connection with the maintenance of the Register in accordance with Section 9.04(b)(iv), maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal (including, for the avoidance of doubt, the amount of interest that has been added to the outstanding principal of the Initial Term Loans pursuant to any PIK Election) or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(e) The entries made in the accounts maintained pursuant to paragraphs (c) and (d) of this Section 2.09 shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns).

#### SECTION 2.10 Repayment of Principal.

(a) To the extent not previously paid, all Term Loans shall be due and payable on the Term Maturity Date.

(b) Prior to any prepayment of any Term Borrowings of any Class hereunder pursuant to Section 2.11(a)(i), 2.11(c) or 2.11(d), the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent in writing by facsimile or other electronic transmission of such election not later than 2:00 p.m., New York City time, one (1) Business Day before the scheduled date of such repayment. In the absence of a designation by the Borrower as described in the preceding sentence, such payments shall be applied on a pro rata basis to the Term Borrowings outstanding. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Term Borrowings shall be accompanied by accrued interest on the amount repaid plus (if applicable) the Applicable Prepayment Premium with respect thereto.

#### SECTION 2.11 Prepayment of Loans.

(a) (i) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part; provided that if the Borrower makes a voluntary prepayment of Initial Term Loans pursuant to this Section 2.11(a)(i) or a mandatory prepayment of Initial Term Loans pursuant to Section 2.11(c) (other than with respect to a Prepayment Event described in clause (a)(ii) of the definition thereof), or effects any Repricing Transaction, in each case prior to the date that is three years after the Effective Date, such prepayment or Repricing Transaction shall be accompanied by a premium (the "Applicable Prepayment Premium") equal to:

(A) if the aggregate amount of the Initial Term Loans so prepaid or repriced during such period is less than or equal to \$91,000,000, 3.00% of the principal amount of the Initial Term Loans so prepaid or repriced; or

(B) if the aggregate amount of the Initial Term Loans so prepaid or repriced during such period is greater than \$91,000,000, then (x) the first \$91,000,000 of such Initial Term Loans shall be subject to the premium described in clause (A) above and (y) all amounts in excess of \$91,000,000 shall be subject to a premium equal to:

(1) if such prepayment is made prior to the date that is two years after the Effective Date, the Make-Whole Amount with respect to the principal amount of the Initial Term Loans so prepaid or repriced; or

(2) if such prepayment is made on or after the date that is two years after the Effective Date but prior to the date that is three years after the Effective Date, 6.00% of the principal amount of the Initial Term Loans so prepaid or repriced;

provided that, for the avoidance of doubt, in the case of a prepayment or repricing of Initial Term Loans to which the preceding clause (B) applies, the Applicable Prepayment Premium with respect thereto shall be allocated (x) first, in accordance with preceding clause (B) (x) on a pro rata basis among the Lenders holding the Initial Term Loans and (y) second, in accordance with preceding clause (B)(y) on a pro rata basis among the Lenders holding the Initial Term Loans.

Notwithstanding anything to the contrary contained herein, (x) the Applicable Prepayment Premium shall be due whether or not such prepayment occurred before or after an Event of Default has occurred or is continuing, whether or not there has been an acceleration of the maturity of the Initial Term Loans, before or after the commencement of any voluntary or involuntary proceeding under any Debtor Relief Law, and whether or not in connection with a Change of Control and (y) if the Initial Term Loans become due and payable prior to the third anniversary of the Effective Date as a result of the acceleration of the maturity thereof in connection with an Event of Default or in connection with a voluntary or involuntary proceeding under any Debtor Relief Law, an amount equal to the Applicable Prepayment Premium with respect to the Initial Term Loans then outstanding shall become immediately due and payable.

The Lenders and the Loan Parties agree that: (i) a prepayment or repayment of the Initial Term Loans pursuant to Section 2.11(a)(i); (ii) a prepayment or repayment of the Initial Term Loans pursuant to Section 2.11(c) (other than with respect to a Prepayment Event described in clause (a)(ii) of the definition thereof); (iii) a Repricing Transaction with respect to the Initial Term Loans or (iv) an acceleration of all or any portion of the Initial Term Loans following an Event of Default (including due to the operation of the clause in Section 7.01 appearing after the final semi-colon therein), in each case, shall cause commercial harm to the interests of the Lenders and the prepayment premium payable pursuant to this Section 2.11(a)(i) (x) constitutes reasonable and proportionate compensation for such harm, (y) is the product of an arm's length transaction between sophisticated parties having received independent legal advice and (z) is payable notwithstanding the then prevailing market conditions at the time payment of the prepayment premium is made, and the Lenders have agreed to provide the Initial Term Loans in reliance on each such acknowledgement by the Loan Parties party hereto. The parties hereto acknowledge and agree that (i) payment of the Applicable Prepayment Premium constitutes liquidated damages and is not a penalty (and is an inducement to each Lender to provide and/or maintain the Initial Term Loans), (ii) the actual amount of damages to the Lenders or profits lost by the Lenders as a result of prepayment, repayment or repricing hereunder would be impracticable and extremely difficult to ascertain; and (iii)

the amount of the Applicable Prepayment Premium is provided by mutual agreement of the Loan Parties party hereto and the Lenders, as a reasonable estimation and calculation of the damages that the Lenders would incur upon the occurrence of an applicable prepayment, repayment or repricing hereunder and the Applicable Prepayment Premium is reasonable in light of the circumstances. The Applicable Prepayment Premium shall be fully earned, and due and payable, on the date of such payment, prepayment, repayment or repricing, or on the date such payment, prepayment, repayment or repricing is required to be made, as applicable, and non-refundable when made. If all or any portion of an Initial Term Loan is accelerated for any reason pursuant to the terms herein, the Applicable Prepayment Premium shall be calculated as if the date of acceleration of such Initial Term Loan was the date of prepayment of such Initial Term Loan (or the relevant portion thereof). The parties hereto further acknowledge and agree that the Applicable Prepayment Premium is not intended to act as a penalty or to punish the Loan Parties or their respective Subsidiaries for any such prepayment, repayment or repricing, as applicable. The Loan Parties' obligation to pay the Applicable Prepayment Premium will not be subject to counterclaim or setoff for, or otherwise be affected by, any claim or dispute any Loan Party or any Subsidiary thereof may have (other than a claim of payment). Each Loan Party hereto expressly waives the provisions of any present or future law which prohibits or may prohibit the collection of the prepayment premium in any of the circumstances set forth in this Section 2.11(a)(i), and expressly acknowledges that its agreement to pay the prepayment premium hereunder has been relied upon by the Lenders in providing the Initial Term Loans and/or becoming a Lender.

(ii) If the Borrower intends to make a voluntary prepayment of Existing First Lien Loans (other than in connection with a Permitted Refinancing (as defined in the Existing First Lien Credit Agreement as in effect on the Effective Date) of such Existing First Lien Loans) (the amount of such intended voluntary prepayment, the "Proposed Voluntary Prepayment"), the Borrower must first notify the Administrative Agent in writing and, therein, offer to make a voluntary prepayment of Term Loans in an aggregate principal amount equal to the product of (x) the amount of such Proposed Voluntary Prepayment and (y) a fraction, the numerator of which is the outstanding principal amount of Term Loans and the denominator of which is the aggregate outstanding principal amount of Term Loans and Existing First Lien Loans, taken together (such notice and offer, the "Voluntary Prepayment Offer Notice"). Each Lender shall be entitled to accept or decline its pro rata share of any such offer in its sole discretion; provided, that if the Borrower has not been notified by the Administrative Agent within two (2) Business Days after the Borrower delivered the Voluntary Prepayment Offer Notice that any Lender has accepted such offer, such Lender shall be deemed to have declined the prepayment offer. If any Lender accepts such prepayment offer, the Borrower shall prepay such Lender's Term Loan in an amount equal to such Lender's pro rata share of the Proposed Voluntary Prepayment within one (1) Business Day after it makes the corresponding voluntary prepayment under the Existing First Lien Credit Agreement. For the avoidance of doubt, the Applicable Prepayment Premium shall not apply to any prepayment of Term Loans made pursuant to this Section 2.11(a)(ii).

(iii) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default has occurred and is continuing, Holdings, the Borrower or any of their respective Subsidiaries may offer to prepay all or a portion of the outstanding Class of any Term Loans on the following basis:

(A) Holdings, the Borrower or any of their respective Subsidiaries shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the “Discounted Term Loan Prepayment”) pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(iii); provided that (x) Holdings, the Borrower or any of their respective Subsidiaries shall not initiate any action under this Section 2.11(a)(iii) in order to make a Discounted Term Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by Holdings, the Borrower or any of their respective Subsidiaries on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date Holdings, the Borrower or any of their respective Subsidiaries were notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of Holdings’, the Borrower’s or any of their respective Subsidiaries’ election not to accept any Solicited Discounted Prepayment Offers and (y) each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrower then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment (“Excluded Information”), (2) such Lender has independently and, without reliance on Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender’s lack of knowledge of the Excluded Information and (3) none of Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information; provided, further, that any Term Loan that is prepaid will be automatically and irrevocably cancelled.

(B) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with

three (3) Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "Specified Discount Prepayment Amount") with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the "Specified Discount") of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Specified Discount Prepayment Response Date").

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a "Discount Prepayment Accepting Lender"), the amount and the tranches of such Lender's Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, Holdings, the Borrower or any of their respective Subsidiaries will make prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to subsection (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount

Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “Specified Discount Proration”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to Holdings, the Borrower or any of their respective Subsidiaries and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to Holdings, the Borrower or any of their respective Subsidiaries shall be due and payable by Holdings, the Borrower or any of their respective Subsidiaries on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days’ notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the “Discount Range Prepayment Amount”), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “Discount Range”) of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by Holdings, the Borrower or any of their respective Subsidiaries (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by Holdings, the

Borrower or any of their respective Subsidiaries shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Discount Range Prepayment Response Date”). Each relevant Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “Submitted Discount”) at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender’s Term Loans (the “Submitted Amount”) such Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). Holdings, the Borrower or any of their respective Subsidiaries agree to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “Participating Lender”).

(3) If there is at least one Participating Lender, Holdings, the Borrower or any of their respective Subsidiaries will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the respective Term Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to Holdings, the Borrower or any of their respective Subsidiaries and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to Holdings, the Borrower or any of their respective Subsidiaries shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, Holdings, the Borrower or any of their respective Subsidiaries may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of Holdings, the Borrower or any of their respective Subsidiaries, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "Solicited Discounted Prepayment Amount") and the tranche

or tranches of Term Loans, Holdings, the Borrower or any of their respective Subsidiaries is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by Holdings, the Borrower or any of their respective Subsidiaries shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Solicited Discounted Prepayment Response Date”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the “Offered Discount”) such Term Lender is willing to allow to be applied to the prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the “Offered Amount”) such Term Lender is willing to have prepaid subject to such Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide Holdings, the Borrower or any of their respective Subsidiaries with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Holdings, the Borrower or any of their respective Subsidiaries shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to Holdings, the Borrower or any of their respective Subsidiaries (the “Acceptable Discount”), if any. If Holdings, the Borrower or any of their respective Subsidiaries elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by Holdings, the Borrower or any of their respective Subsidiaries from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “Acceptance Date”), Holdings, the Borrower or any of their respective Subsidiaries shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from Holdings, the Borrower or any of their respective Subsidiaries by the Acceptance Date, Holdings, the Borrower or any of their respective Subsidiaries shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by Holdings, the Borrower or any of their respective Subsidiaries at the Acceptable Discount in accordance with this Section 2.11(a)(iii)(D). If Holdings, the Borrower or any of their respective Subsidiaries elects to accept any Acceptable Discount, then Holdings, the Borrower or any of their respective Subsidiaries agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “Qualifying Lender”). Holdings, the Borrower or any of their respective Subsidiaries will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro-rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with Holdings, the Borrower or any of their respective Subsidiaries and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) Holdings, the Borrower or any of their respective Subsidiaries of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be

prepaid, (II) each Term Lender who made a Solicited Discounted Prepayment Offer of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, Holdings, the Borrower or any of their respective Subsidiaries and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable and customary fees and expenses from Holdings, the Borrower or any of their respective Subsidiaries in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, Holdings, the Borrower or any of their respective Subsidiaries shall prepay such Term Loans on the Discounted Prepayment Effective Date. Holdings, the Borrower or any of their respective Subsidiaries shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 2:00 p.m. New York City time on the Discounted Prepayment Effective Date. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(iii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the tranches of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(iii), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by Holdings, the Borrower or any of their respective Subsidiaries.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(iii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of Holdings, the Borrower or any of their respective Subsidiaries and the Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(iii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and their respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(iii) as well as activities of the Auction Agent.

(J) Holdings, the Borrower or any of their respective Subsidiaries shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date, as applicable (and if such offer is revoked pursuant to the preceding clauses, any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(iii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

(b) If the Borrower intends to make a mandatory prepayment of Existing First Lien Loans pursuant to Section 2.11(c) of the Existing First Lien Credit Agreement with respect to an event described in clause (a)(i) of the definition of "Prepayment Event" as defined in the Existing First Lien Credit Agreement, as in effect on the Effective Date (the amount of such intended mandatory prepayment, the "Proposed Asset Sale Sweep Prepayment"), the Borrower must first notify the Administrative Agent in writing and, therein, offer to make a prepayment of Term Loans in an aggregate principal amount equal to the product of (x) the amount of such Proposed Asset Sale Sweep Prepayment and (y) a fraction, the numerator of which is the outstanding principal amount of Term Loans and the denominator of which is the aggregate outstanding principal amount of Term Loans and Existing First Lien Loans, taken together (such notice and offer, the "Mandatory Prepayment Offer Notice"). Each Lender shall be entitled to accept or decline its pro rata share any such offer in its sole discretion; provided, that if the Borrower has not been notified by the Administrative Agent within two (2) Business Days after the Borrower delivered the Mandatory Prepayment Offer Notice that any Lender has accepted such offer, such Lender shall be deemed to have declined the prepayment offer. If any Lender accepts

such prepayment offer, the Borrower shall prepay such Lender's Term Loans in an amount equal to such Lender's pro rata share of the Proposed Asset Sale Sweep Prepayment within one (1) Business Day after it makes the corresponding mandatory prepayment under the Existing First Lien Credit Agreement. For the avoidance of doubt, the Applicable Prepayment Premium shall not apply to any prepayment of Term Loans made pursuant to this Section 2.11(b).

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of Holdings or its Restricted Subsidiaries in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of the term "Prepayment Event", on the date of such Prepayment Event), prepay Initial Term Loans in an aggregate amount equal to (x) the Prepayment Percentage of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) of the definition of the term "Prepayment Event", if Holdings, the Borrower or any of the Restricted Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within twelve (12) months after receipt of such Net Proceeds in the business of the Borrower and the other Restricted Subsidiaries, then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be invested) by the end of such 12-month period (or if committed to be so invested within such 12-month period, have not been so invested within six months following such 12-month period), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any Other Term Loans, the Existing First Lien Loans or other Indebtedness, in each case that is secured by the Collateral on a pari passu basis with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Initial Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of Holdings, commencing with the fiscal year ending December 31, 2020, the Borrower shall prepay Initial Term Loans in an aggregate amount equal to the ECF Percentage of Excess Cash Flow for such fiscal year; provided that, at the election of the Borrower, such amount shall be reduced by the aggregate amount of voluntary prepayments and repurchases of (i) Term Loans made pursuant to Section 2.11(a) or otherwise in a manner not prohibited by Section 9.04(g) during such fiscal year or after such fiscal year and prior to the time such prepayment is due (without duplication to subsequent years) as provided below (provided that such reduction as a result of prepayments pursuant to Section 2.11(a)(iii) or repurchases pursuant to Section 9.04(g) shall be limited to the actual amount of such cash prepayment or repurchase) and (ii) other Senior Secured First Lien Indebtedness (provided that (x) in the case of the prepayment of any revolving loans, there is a corresponding reduction in commitments and (y) the reduction as a result of such prepayments and repurchases shall be limited to the actual amount of such cash prepayment or repurchase) made during such fiscal year or, at

the option of the Borrower, after such fiscal year and prior to the time such prepayment is due (without duplication to subsequent years) (excluding in the case of clauses (i) and (ii) all such prepayments and repurchases funded with the proceeds of other long term Indebtedness). The Borrower may use a portion of such Excess Cash Flow prepayment to prepay or repurchase any Other Term Loans, the Existing First Lien Loans, or other Indebtedness, in each case that is secured by the Collateral on a pari passu basis with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof based on Excess Cash Flow, in each case in an amount not to exceed the product of (x) the amount of such Excess Cash Flow prepayment and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Initial Term Loans and such other Indebtedness. Each prepayment of Initial Term Loans pursuant to this paragraph shall be made on or before the date that is ten (10) business days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated. Notwithstanding anything herein to the contrary, no prepayment under this Section 2.11(d) shall be required with respect to any fiscal year to the extent Excess Cash Flow for such fiscal year is less than or equal to \$2,500,000 (and only amounts in excess of \$2,500,000 shall be required to be prepaid).

(e) Prior to any optional prepayment of Borrowings pursuant to Section 2.11(a)(i), the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section 2.11. Except as otherwise provided in any Refinancing Amendment, Loan Modification Agreement or otherwise herein, in the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the Borrower shall select Term Borrowings to be prepaid so that the aggregate amount of such prepayment shall be allocated among the Classes of Term Borrowings (and, to the extent provided in the Refinancing Amendment for any Class of Other Term Loans, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each Class; provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Agreement for any Class of Other Term Loans, any Lender that holds Other Term Loans of such Class) may elect, by written notice to the Administrative Agent by facsimile at least two (2) Business Days prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Class pursuant to this Section 2.11 (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Class but was so declined (and not used pursuant to the immediately following sentence) shall be retained by Holdings or its Restricted Subsidiaries (such amounts, "Retained Declined Proceeds"). An amount equal to any portion of a mandatory prepayment of Term Borrowings that is declined by the Lenders under this Section 2.11(e) shall, to the extent not prohibited hereunder or under the documentation governing the Permitted First Priority Refinancing Debt or any Pari Passu Intercreditor Agreement, be applied by the Borrower to prepay, pari passu Indebtedness, Junior Financing or Permitted Junior Priority Refinancing Debt to the extent required by the documentation governing such Indebtedness or be

retained to be used for any other purposes not prohibited hereunder. Except as otherwise provided in any Refinancing Amendment, Loan Modification Agreement or otherwise herein, optional prepayments of Borrowings of Term Loans should be allocated among the Classes of Term Borrowings pro rata based on the aggregate principal amount of outstanding Borrowings of each Class. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid.

(f) The Borrower shall notify the Administrative Agent of (x) any optional prepayment pursuant to Section 2.11(a)(i) in writing (by facsimile or other electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., New York City time, one (1) Business Day before the date of prepayment and (y) any mandatory prepayment pursuant to Section 2.11(c) in writing (by facsimile or other electronic communication) of any payment hereunder no later than 12:00 p.m., New York City time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable and specified event or condition, in which case such notice of prepayment may be revoked or extended by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13, and subject to Section 2.11(a)(i) and Section 2.16, shall be without premium or penalty.

(g) Notwithstanding any other provisions of Section 2.11(b), (c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by a Subsidiary of Holdings that is organized or incorporated under the laws of a jurisdiction other than the United States, any state, commonwealth or territory thereof or the District of Columbia, giving rise to a prepayment pursuant to Section 2.11(b), (c) or (d) (a “Restricted Prepayment Event”) or Excess Cash Flow are prohibited or delayed by applicable local law (including financial assistance, corporate benefit, restrictions on repatriating or upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant subsidiaries) from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(b), (c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow would

have an adverse (other than de minimis) tax consequence to any Loan Party, Subsidiary or, to the extent pass-through entities, any direct or indirect equity holder thereof with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(b), (c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow would violate any material organizational document restrictions (as a result of minority ownership) and restrictions in other material agreements (to the extent not in violation of Section 6.09), the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(b), (c) or (d), as the case may be, and such amounts may be retained by such Subsidiary and (D) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event or Excess Cash Flow could reasonably give rise to a risk of liability for the directors of such Subsidiary under applicable local law, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(b), (c) or (d), as the case may be, and such amounts may be retained by such Subsidiary; provided that (i) Holdings, the Borrower and each Restricted Subsidiary hereby agrees to use commercially reasonable efforts (as determined in the Borrower's reasonable business judgment) to overcome or eliminate any such restrictions on repatriation even if the Borrower does not intend to actually repatriate such cash, so that an amount equal to the full amount of such Net Proceeds will otherwise be subject to repayment under this Section 2.11, and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Restricted Prepayment Event could reasonably be expected to have adverse Tax consequences (other than de minimis consequences) for Holdings, the Borrower or any Restricted Subsidiary with respect to such Net Proceeds, an amount equal to such Net Proceeds that would be so affected will not be subject to repayment under this Section 2.11 and such amounts shall be available for general corporate purposes of the Loan Parties and their Subsidiaries as long as not required to be prepaid in accordance with this Section 2.11. For the avoidance of doubt, Borrower shall be permitted to make any repayments required by Section 2.11(b), (c) or (d) from any source of funds and shall not be required to make any repayments from funds contained in any particular Loan Party. The non-application of any such prepayment amounts as a result of the foregoing provisions will not constitute a Default or Event of Default and such amounts shall be available for working capital and general corporate purposes of the Loan Parties and their Subsidiaries as long as not required to be prepaid in accordance with such provisions. Notwithstanding the foregoing, any payments actually made by the Loan Parties shall be applied net of an amount equal to the additional Taxes of Holdings, its Subsidiaries and the direct and indirect holders of Equity Interests in Holdings that would be payable or reserved against and any additional costs that would be incurred as a result of a repatriation, whether or not a repatriation actually occurs.

**SECTION 2.12 Fees.** The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times set forth in the Agent Fee Letter.

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at (x) unless the following clause (y) applies, the Alternate Base Rate plus the Applicable Rate, payable in cash and (y) if a PIK Election has been made in accordance with Section 2.07(f) with respect to any Initial Term Loans comprising an ABR Borrowing:

(i) for any date occurring prior to the second anniversary of the Effective Date, 11.50% per annum, payable in kind, and

(ii) for any date occurring on and after the second anniversary of the Effective Date but prior to the third anniversary of the Effective Date, (A) with respect to the portion of the ABR Borrowing for which the PIK Election was made, the sum of (x) 5.00% per annum, payable in kind and (y) the Alternate Base Rate plus the Applicable Rate, payable in cash and (B) with respect to the remaining portion of the ABR Borrowing, if any, the Alternate Base Rate plus the Applicable Rate, payable in cash.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at (x) unless the following clause (y) applies, the Adjusted LIBO Rate, in each case for the Interest Period in effect for such Borrowing plus the Applicable Rate, payable in cash and (y) if a PIK Election has been made in accordance with Section 2.07(f) with respect to any Initial Term Loans comprising a Eurodollar Borrowing:

(i) for any date occurring prior to the second anniversary of the Effective Date, 11.50% per annum, payable in kind, and

(ii) for any date occurring on and after the second anniversary of the Effective Date but prior to the third anniversary of the Effective Date, (A) with respect to the portion of the Eurodollar Borrowing for which the PIK Election was made, the sum of (x) 5.00% per annum, payable in kind and (y) the Adjusted LIBO Rate, in each case for the Interest Period in effect for such Borrowing plus the Applicable Rate, payable in cash and (B) with respect to the remaining portion of the Eurodollar Borrowing, if any, the Adjusted LIBO Rate plus the Applicable Rate, payable in cash.

(c) [Reserved].

(d) Notwithstanding the foregoing, if upon the occurrence and during the continuance of any payment Event of Default, any principal or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due (after giving effect to any applicable grace periods), whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.13 or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.13.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to paragraph (d) of this Section 2.13 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to clause (a) of the definition of Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(g) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a) or (b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.14 have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor (acting reasonably) to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time and that is administratively feasible for the Administrative Agent to implement, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective upon execution thereof by the Borrower and the Administrative Agent without any further action or consent of any other party to this Agreement. Notwithstanding the foregoing, if any alternate rate of interest implemented pursuant to this Section 2.13(g) shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

(h) Notwithstanding anything to the contrary in this Agreement, if any Loan would otherwise constitute an AHYDO, before the close of each accrual period ending after the fifth anniversary of the issue date of such Loan, the Borrower shall make such cash payments of accrued interest and/or principal that is the minimum amount necessary to ensure that such Loan is not treated as an AHYDO.

#### SECTION 2.14 Alternate Rate of Interest.

If at least two (2) Business Days prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (in each case with respect to the Loans impacted by this clause (b) or clause (a) above, "Impacted Loans");

(c) the Administrative Agent shall give notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, in the event any Loans are so affected, (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurodollar Borrowing, then such Borrowing shall be made as an ABR Borrowing; provided, however, that, in each case, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

(d) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a) of this Section 2.14 and/or is advised by the Required Lenders of their determination in accordance with clause (b) of this Section 2.14 and the Borrower shall so request, the Administrative Agent, the Required Lenders and the Borrower shall negotiate in good faith to amend the definition of "LIBO Rate" and other applicable provisions to preserve the original intent thereof in light of such change; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of Sections 2.13(g) and 2.14.

#### SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Excluded Taxes and Indemnified Taxes) affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest, premium or otherwise), then, from time to time upon request of such Lender, the Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender, for such increased costs actually incurred or reduction actually suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the

Loans made by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then, from time to time upon request of such Lender, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction actually suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section 2.15 delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

#### SECTION 2.16 Break Funding Payments.

In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the loss, cost and expense (excluding loss of profit) actually incurred by it as a result of such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each Eurodollar Loan made by it at the Adjusted LIBO Rate for such Loan by a matching deposit or other borrowing in the applicable interbank eurodollar market, for a comparable amount and for a comparable period, whether or not such Eurodollar Loan was in fact so funded. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 and the reasons therefor delivered to the Borrower shall be prima facie evidence of such amounts. The Borrower shall pay such Lender the amount shown as due on any such certificate within fifteen (15) days after receipt of such demand; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.16 for any loss, cost or expense more than 180 days prior to the date that such Lender delivers such certificate. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes,

as to which Section 2.17 shall govern. Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.16 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable credit facilities.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If the applicable withholding agent (including, for the avoidance of doubt, the Administrative Agent or any Loan Party) shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct any Taxes from such payments, then the applicable withholding agent shall make such deductions and shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law, and if such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that after all such required deductions have been made (including such deductions and withholdings applicable to additional amounts payable under this Section 2.17), each Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay, or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender within thirty (30) days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party under any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, that the Borrower shall not be obligated to make payment to the Administrative Agent or a Lender, as the case may be, for penalties, interest or expenses attributable to the gross negligence or willful misconduct of the Administrative Agent or such Lender, as applicable, as determined by a court of competent jurisdiction by final and non-appealable judgment. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) To the extent required by any applicable Requirements of Law (as determined in good faith by the Administrative Agent), the Administrative Agent may deduct or withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from

amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties for such Taxes pursuant to this Section 2.17 and without limiting any obligation of the Loan Parties to do so pursuant to this Section 2.17) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses, and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 2.17(d). The agreements in this Section 2.17(d) shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, any assignment of rights by a Loan Party, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

(e) As soon as practicable after any payment of any Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Each Lender shall, at such times as are reasonably requested by Borrower or the Administrative Agent, (i) complete any documentation required for the Borrower or the Administrative Agent, as applicable, to obtain clearance to make payments under the Loan Documents without, or with a reduction in, any withholding Tax and to determine whether or not such Lender is subject to backup withholding or information reporting requirements and (ii) provide the Borrower and the Administrative Agent with any properly completed and executed documentation prescribed by any Requirement of Law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation expired, obsolete or inaccurate in any respect (including any specific documentation required below in this Section 2.17(f)), deliver promptly to Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding Tax or are subject to Tax at a rate reduced by an applicable Tax treaty, the Borrower, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate. Notwithstanding anything to the contrary in the preceding three sentences, the completion, execution and

submission of such documentation (other than such documentation set forth in this Section 2.17(f)(i), (ii)(A) through (D), and (iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Lender that is a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates, substantially in the form of Exhibit N-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate a "United States Tax Compliance Certificate"), and (y) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate substantially in the form of Exhibit N-2 or Exhibit N-3, Internal Revenue Service Form W-9, Internal Revenue Service Form W-8IMY (or other successor

forms) and/or any other required information from each beneficial owner that would be required under this Section 2.17 if such beneficial owner were a Lender, as applicable (provided that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, a United States Tax Compliance Certificate substantially in the form of Exhibit N-4 may be provided by such Foreign Lender on behalf of each such direct or indirect partner), or

(E) two properly completed and duly signed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to any Lender under any Loan Document would be subject to withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Notwithstanding any other provision of this clause (f), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(g) If the Administrative Agent or a Lender receives a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.17 giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to promptly repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the

Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Notwithstanding anything to the contrary, this Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other person. Notwithstanding anything herein to the contrary, the Borrower shall not be required to compensate such Lender for any amount incurred under this Section 2.17 more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such one hundred and eighty (180) day period referred to above shall be extended to include the period of retroactive effect thereof.

(h) The agreements in this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(i) For purposes of this Section 2.17, the term “applicable Requirements of Law” includes FATCA.

**SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.**

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, premium or fees, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) at or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 3:00 p.m., New York City time, on the date when due), in immediately available funds, without condition or deduction for any counterclaim, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made in Dollars to such account as may be specified by the Administrative Agent. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Except as otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest, premium and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest, premium and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest, premium and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest, premium or on any of its Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans and accrued interest, premium and fees thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest, premium and fees on their respective Term Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement, (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Term Loans to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans of that Class or any increase in the Applicable Rate or interest rate pursuant to a PIK Election in respect of Loans of Lenders that have consented to any such extension. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower's rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(a), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any

contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

**SECTION 2.19 Mitigation Obligations; Replacement of Lenders.**

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17 or mitigate the applicability of Section 2.23, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) the Borrower is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender is a Disqualified Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consents, in each case, shall not unreasonably be withheld, conditioned or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans accrued but unpaid interest thereon, any Applicable Prepayment Premium that would be payable in the event that such Loans were prepaid on the effective date of such assignment pursuant to Section 2.11(a)(i) (unless the Lender is a Disqualified Lender in which case no Applicable Prepayment Premium shall be due notwithstanding any other provision in this Agreement to the contrary), accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of any Applicable Prepayment Premium and all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, or payments required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action

taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 [Reserved].

SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Term Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause will be deemed to include any then outstanding Other Term Loans), in the form of Other Term Loans or Other Term Commitments, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will be unsecured or will rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, and (iii) the Net Proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of any outstanding Term Loans in accordance with Section 2.11(a)(i). The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of the conditions as agreed between the lenders providing such Credit Agreement Refinancing Indebtedness and the Borrower. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$10,000,000 in the case of Other Term Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section.

(b) If, in connection with any proposed Refinancing Amendment with respect to any Class of Loans, any Lender of such Class declines to provide any portion of the Credit Agreement Refinancing Indebtedness on the terms provided by the other Lenders providing such Credit Agreement Refinancing Indebtedness (each such Lender, a "Non-Refinancing Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Refinancing Lender, cause such Lender to (and such Lender shall be obligated to (and to the extent such Non-Refinancing Lender does not execute such Refinancing Amendment, such Refinancing Amendment shall nonetheless be effective without such signature of the Non-Refinancing Lender)) assign and delegate, without recourse (in accordance with and subject to the restrictions contained

in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the applicable Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) in connection with such Refinancing Amendment; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) such Non-Refinancing Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the applicable Class assigned by it pursuant to this Section 2.21(b), accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11) payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (b) in connection with an assignment pursuant to clause (i), no processing and recordation fee specified in Section 9.04(b) shall be payable in connection therewith. If any applicable Lender shall be deemed a Non-Refinancing Lender and is required to assign all or any portion of its Initial Term Loans prior to the three year anniversary of the Effective Date, the Borrower shall pay such Non-Refinancing Lender the Applicable Prepayment Premium set forth in the proviso to Section 2.11(a)(i) as if such Non-Refinancing Lender's Initial Term Loans were being voluntarily prepaid on such date.

(c) This Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.22 [Reserved].

SECTION 2.23 Illegality.

If any Lender reasonably determines that any law has made it unlawful, or any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to Borrower through the Administrative Agent (i) any obligation of such Lender to make or continue Eurodollar Loans in the affected currency or currencies or to convert ABR Loans to Eurodollar Loans in the affected currency or currencies shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Adjusted LIBO Rate component of the Alternate Base Rate, the interest rate on such ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three (3) Business Days' notice from such Lender (with a copy to the Administrative Agent), prepay or convert all Eurodollar Loans of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the Alternate Base Rate either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Adjusted

LIBO Rate thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Adjusted LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, and any such prepayment shall be accompanied by any Applicable Prepayment Premium that would be payable on a voluntary prepayment of the applicable Loan pursuant to Section 2.11(a)(i).

SECTION 2.24 Loan Modification Offers.

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a “Loan Modification Offer”) to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an “Affected Class”) to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower (including mechanics to permit cashless rollovers and exchanges by Lenders). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “Accepting Lenders”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans and Commitments of such Affected Class as to which such Lender’s acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, Borrower, each applicable Accepting Lender and the Administrative Agent (provided that, if such amendment does not affect the rights, duties, privileges or obligations of the Administrative Agent, the Administrative Agent shall only be required to acknowledge such amendment). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new “Class” of loans and/or commitments hereunder. Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a “Non-Accepting Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the

restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment); provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts (including the Applicable Prepayment Premium that would be payable, if any, as if such assignment was a voluntary prepayment of the Loans of such Non-Accepting Lender pursuant to Section 2.11(a)(i)) payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) the processing and recordation fee specified in Section 9.04(b) shall be payable by the Borrower.

(d) Notwithstanding anything to the contrary, this Section 2.24 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

The Borrower will not use the proceeds of the Loans for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity on behalf of the government, in order to obtain, retain or direct business or obtain any improper advantage, in each case in violation in any material respect of the United States Foreign Corrupt Practices Act of 1977, as amended (the “FCPA”) or any other applicable anti-corruption law.

(b) Each of Holdings, the Borrower and the Restricted Subsidiaries is in compliance in all material respects with (i) applicable regulations and other Sanctions, (ii) Title III of the USA Patriot Act and (iii) the FCPA and any other applicable anti-corruption law.

(c) None of Holdings, the Borrower, any of the Restricted Subsidiaries, one or more individuals or entities holding 50% or more of the equity interests of Holdings, or, to the knowledge of the Borrower, any director, officer, employee or agent thereof, are individuals or entities currently on OFAC’s list of Specially Designated Nationals and Blocked Persons and/or any similar list maintained by any Sanctions Authority, or located, organized or resident in a Sanctioned Country.

(b) Notwithstanding anything herein (including this Section 3.17) or in any other Loan Document to the contrary, neither the Borrower nor any other Loan Party makes any

representation or warranty as to (A) the effects of perfection or non-perfection, the priority or the enforceability of any pledge of or security interest in any Equity Interests of any Foreign Subsidiary (other than a Foreign Subsidiary that becomes a Loan Guarantor pursuant to Section 5.13 and to the extent local law security documents are delivered pursuant to Section 5.13) or any foreign Intellectual Property, or as to the rights and remedies of the Agents or any Lender with respect thereto, under foreign law or (B) the pledge or creation of any security interest, or the effects of perfection or non-perfection, the priority or the enforceability of any pledge of or security interest to the extent such pledge, security interest, perfection or priority is not required pursuant to the Collateral and Guarantee Requirements.

(a) Each of the Lenders hereby irrevocably appoints Wilmington Trust, National Association (and any permitted successor or permitted assign thereof) to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article (other than Section 8.06) are solely for the benefit of the Administrative Agent and the Collateral Agent and the Lenders, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, agents, employees or affiliates.

(b) The Administrative Agent shall also act as the “Collateral Agent” or, as the case may be, “Security Trustee” under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent or, as the case may be, the security trustee, of such Lender, and acknowledges that, to the extent required in any relevant jurisdiction, the Administrative Agent may enter into such security trust or equivalent deeds as the Administrative Agent may consider necessary, in each case for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent and Collateral Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03 as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or the “security agent” or the “security trustee” under the Loan Documents) as if set forth in full herein with respect thereto.

## SECTION 8.02 Rights as a Lender.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, own securities of, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate of the Borrower as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

## SECTION 8.03 Exculpatory Provisions.

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(f) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor the Disqualified Lenders List or identities of, or enforce, compliance with the provisions hereof relating to Disqualified Lenders. The actions described in items (i) through (iii) shall be the sole responsibility of the Lenders;

(h) shall not be responsible or liable for any failure or delay in the performance of its obligations under this Agreement or the other Loan Documents arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; pandemics, riots; business interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action;

(j) shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Agreement and any other Loan Document to which Agent is a party, whether or not an original or a copy of such agreement has been provided to the Administrative Agent; and

(k) shall not be responsible for nor have any duty to monitor the performance or any action of the Loan Parties, the Lenders, or any of their directors, members, officers, agents, affiliates or employee, nor shall they have any liability in connection with the malfeasance or nonfeasance by such party; the Agents may assume performance by all such Persons of their respective obligations.

Nothing in this Agreement shall require the Agents to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to any anti-terrorism law, including any programs involving any of the following items relating to or in connection with the Loan Parties or their respective Subsidiaries, any of their respective Affiliates or agents, the Loan Documents or the transactions hereunder: (a) any identity verification procedures, (b) any record keeping, (c) any comparisons with government lists, (d) any customer notices or (e) any other procedures required under any anti-terrorism law.

#### SECTION 8.04 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may rely on the Register and deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent.

#### SECTION 8.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents (which may include such of the Administrative Agent's affiliates or branches as it deems appropriate) appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the credit facilities provided for

herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub agents, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub agents.

#### SECTION 8.06 Resignation of Administrative Agent.

The Administrative Agent may resign upon thirty (30) days' notice to the Lenders (unless such notice is waived by the Required Lenders) and the Borrower (unless an Event of Default exists under 7.01(h) or 7.01(i) or unless such notice is waived by the Borrower). Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Borrower's consent (such consent not to be unreasonably withheld or delayed) unless a Specified Event of Default has occurred and is continuing, to appoint a successor, which shall be a bank or trust company with an office in the United States, or an Affiliate of any such bank or trust company with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then such resignation shall nonetheless become effective in accordance with such notice and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section (the "Resignation Effective Date").

In addition, the Required Lenders and Holdings may, to the extent permitted by applicable law, by notice in writing to the Administrative Agent remove such Person as Administrative Agent and, with the consent of the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date and the removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents

as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

**SECTION 8.07 Non-Reliance on Administrative Agent and Other Lenders.**

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption or Refinancing Amendment pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent and Collateral Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent or Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent or Collateral Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent or Collateral Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

#### SECTION 8.08 No Other Duties, Etc.

The Administrative Agent may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the Loan Documents the Administrative Agent is permitted or desires to take or to grant. The Administrative Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval (including such actions or approvals with respect to which the Administrative Agent is required to act reasonably) and shall not be under any liability whatsoever to any Person for refraining from any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from the Required Lenders. Without limiting the foregoing, no Person shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders and, notwithstanding the instructions of the Required Lenders, the Administrative Agent shall have no obligation to take any action if it believes, in good faith, that such action would violate applicable law or exposes the Administrative Agent to any liability for which it is not entitled to satisfactory reimbursement and indemnification in accordance with the provisions of Section 9.03.

#### SECTION 8.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal, premium and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization,

arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

**SECTION 8.10 No Waiver; Cumulative Remedies; Enforcement.**

No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Article VII for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Article VII and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

**SECTION 8.11 Status of Administrative Agent.**

On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement, the Administrative Agent shall deliver to the Borrower (i) if the Administrative Agent is a United States person (as defined in Section 7701(a)(30) of the Code), an executed copy of Internal Revenue Service Form W-9, or (ii) if the Administrative Agent is not a United States person (as defined in Section 7701(a)(30) of the Code), (A) an executed applicable Internal Revenue Service Form W-8ECI with respect to amounts received on its own account and (B) an executed Internal Revenue Service Form W-8IMY evidencing its agreement with the Borrower to be treated as a United States person (as defined in Section 7701(a)(30) of the Code) as set forth in U.S. Treasury Regulation Section 1.1441-1(b)(2)(iv), for the purpose of permitting the Borrower to make payments to such Administrative Agent without deduction or withholding of any Taxes imposed by the United States. The Administrative Agent shall deliver such documentation on or before any date on which such documentation expires or becomes obsolete or invalid, after the occurrence of any change in the

Administrative Agent's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower, and from time to time thereafter if reasonably requested by the Borrower, and shall promptly notify the Borrower in writing if it is no longer legally eligible to provide any documentation previously provided.

SECTION 8.12 Interpretation. Any reference in a Loan Document to any Agent providing approval or consent or making a request or direction or determination, or to an item or a person being reasonably acceptable to, satisfactory to or approved by or specified by any Agent, or requiring certain steps or actions to be taken, or any Agent exercising its discretion to permit or waive any action, or any Agent disagreeing with any calculation, are to be construed, unless otherwise specified, as references to such Agent taking such action or refraining from acting on the instructions of the Required Lenders or Lenders, as applicable, and where such Agent is referred to in a Loan Document as acting "reasonably" or in a "reasonable" manner or as coming to an opinion or determination that is "reasonable" (or any similar or analogous wording is used), unless it is not required to do so, this shall mean that such Agent shall, where it has in fact sought such instructions, be acting or coming to an opinion or determination on the instructions of the Required Lenders or Lenders, as applicable, acting reasonably (and each Lender hereby agrees to act reasonably in all such instances) and such Agent shall be under no obligation to determine the reasonableness of such instructions from the Required Lenders or Lenders, as applicable, or whether in giving such instructions the Required Lenders or Lenders, as applicable are acting in a reasonable manner.

SECTION 8.13 Survival. This Article VIII shall survive the termination of this Agreement, the repayment, satisfaction or discharge of all Secured Obligations and the resignation, removal or replacement of the Administrative Agent.

All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent and each of the parties hereto hereby consents to such recording.

#### SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power under this Agreement or any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle the Borrower or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.21 with respect to any Refinancing Amendment or Section 2.24 with respect to any Permitted Amendment, neither this Agreement, any Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent and the Required Lenders (provided, that if such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall only be required to acknowledge such waiver, amendment or modification) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that, to the extent not otherwise specified, the consent of the Required Lenders shall not be required with respect to the amendments set forth

below; provided, further, that no such agreement shall (i) increase the Commitment of any Lender without the written consent of (x) the Required Lenders and (y) such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness of principal) or reduce the rate of interest thereon (or allow for the payment of interest in kind, other than pursuant to a PIK Election, as in effect on the Effective Date), or reduce any fees or premiums payable hereunder, without the written consent of each Lender directly and adversely affected thereby, provided that only the consent of the Required Lenders shall be necessary to waive or otherwise modify any obligation of the Borrower to pay default interest pursuant to Section 2.13(d), (iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or any date for the payment of any interest, premium or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby, (iv) change Section 2.18(b), Section 2.18(c) or Section 7.03 in a manner that would alter the pro rata sharing of payments or other amounts required thereby without the consent of each Lender directly and adversely affected thereby (provided, that any such changes required in connection with any Refinancing Amendment or other transaction expressly permitted hereunder shall only require the approval (to the extent any approval is required) of the Required Lenders so long as the Administrative Agent is notified of such amendment), (v) change any of the provisions of this Section 9.02(b) without the written consent of each Lender, (vi) change the definition of "Required Lenders" or any other any provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), (vii) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender or (viii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender, except as expressly provided in the Loan Documents; provided, further, that in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans is refinanced with a replacement Class of term loans bearing a lower yield and which otherwise satisfy the requirements of Credit Agreement Refinancing Indebtedness, only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans shall be required); provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any mistake, ambiguity, omission, defect, obvious error or incorrect cross-reference, or to effect administrative changes of a technical or immaterial nature or to correct any inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or

Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time. Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion and (b) guarantees, Security Documents and related documents in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement and the other Loan Documents, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local law or advice of local counsel, (ii) to cure ambiguities or defects, (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents or (iv) to integrate any Credit Agreement Refinancing Indebtedness in a manner consistent with this Agreement and the other Loan Documents. Notwithstanding the foregoing, no Lender consent is required to effect any amendment, modification or supplement to any subordination agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Other Term Loan, for the purpose of adding the holders of such Indebtedness (or their Senior Representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, to give effect hereto or otherwise carry out the purposes thereof, in each case as contemplated by the terms of such Intercreditor Agreement permitted under this Agreement (including any changes thereto as contemplated by Section 9.14(b)) or subordination agreement or arrangement permitted under this Agreement, as applicable.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a “Non-Consenting Lender”), then the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment) or (ii) prepay the Loans of such Non-Consenting Lenders; provided that (a) in the case of the preceding clause (i), the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent shall not unreasonably be withheld, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding par principal amount of its

Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (including pursuant to Section 2.11(a)(i)) from (x) in the case of preceding clause (i), the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (y) in the case of preceding clause (ii), from the Borrower, and (c) in the case of preceding clause (i), unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b). If any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Term Loans or its Initial Term Loans are prepaid by the Borrower pursuant to this Section 9.02(c) on or prior to the third anniversary of the Effective Date, the Borrower shall pay such Non-Consenting Lender of the Applicable Prepayment Premium with respect to the principal amount of the Initial Term Loans so assigned or prepaid.

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, for purposes of any plan of reorganization, such Affiliated Lender will be deemed to have voted in the same proportion as non-Affiliated Lenders voting on such matter; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion in connection with any plan of reorganization to the extent (a) any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower, (b) that would deprive such Affiliated Lender of its pro rata share of any payments to which it is entitled or (c) if such plan of reorganization does not require the consent of each Lender or each affected Lender.

#### SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay, whether or not the Effective Date occurs and the Transactions have been consummated, (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Agents, the Initial Lenders and their respective Affiliates (without duplication), (but limited, (A) in the case of legal fees and expenses, to the reasonable, documented, out-of-pocket fees, disbursements and other charges of (x) one counsel to the Initial Lenders, taken as a whole, (y) one counsel to the Agents, taken as a whole, and (z) if reasonably necessary, one regulatory counsel and one local counsel to each of (I) the Agents, taken as a whole, and (II) the Initial Lenders, taken as a whole, in any relevant material jurisdiction, in each case excluding allocated costs of in-house counsel (and in the case of an actual or potential conflict of interest, one additional counsel and local counsel to the affected Lenders, taken as a whole) and (B) in the case of other consultants and advisors, limited to the fees and expenses of such persons approved by the Borrower, such approval not to be unreasonably withheld or delayed), in each case for each of (x) the Initial Lenders, taken as a whole and (y) the Agents, taken as a whole, in connection with the preparation, execution, delivery and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof) and (ii) all reasonable and documented and invoiced out-of-pocket expenses incurred by each of (x) the Agents and (y) the Lenders (but limited, (A) in the case of legal fees and expenses, to the reasonable, documented, out-of-pocket fees, disbursements and other charges of (x) one counsel to the Agents, taken as a whole, (y) one counsel to the Lenders, taken as a whole, and, (z) if reasonably necessary, one local counsel and one regulatory counsel to each of (I) the Agents, taken as a whole, and (II) the Lenders,

taken as a whole, in any relevant material jurisdiction, in each case excluding allocated costs of in-house counsel (and in the case of an actual or potential conflict of interest, one additional counsel and local counsel to the affected Lenders, taken as a whole) and (B) in the case of other consultants and advisers, limited to the fees and expenses of such persons approved by the Borrower, such approval not to be unreasonably withheld or delayed) in connection with the enforcement or protection of any rights or remedies in connection with the Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Laws or during any workout, restructuring or negotiations in respect of such Loans).

(b) Without duplication of the expense reimbursement obligations pursuant to clause (a) above, the Borrower shall indemnify the Agents, each Lender and each Related Party (other than Excluded Affiliates) of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and expenses (but limited, in the case of legal expenses, to the reasonable and documented and invoiced out-of-pocket fees and expenses of one counsel for each of (x) the Agents and their Related Parties, taken as a whole, and (y) all other Indemnities, taken as a whole, and to the extent reasonably determined by any such Indemnities to be necessary, one regulatory counsel and one local counsel in each relevant jurisdiction (and, in the case of an actual or potential conflict of interest, one additional counsel) for each of (x) the Administrative Agent and (y) all other Indemnities, taken as a whole, (which may include a single special counsel acting in multiple jurisdictions but excluding allocated costs of in-house counsel)), incurred by or asserted against any Indemnitee by any third party or by the Borrower, Holdings or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, the credit facilities provided for herein, (ii) any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other real property currently owned or operated by Holdings, the Borrower or any Subsidiary, or any other Environmental Liability related in any way to Holdings, the Borrower or any Subsidiary, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower, Holdings or any Subsidiary or their Affiliates and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (w) resulted from the gross negligence or willful misconduct of such Indemnitee or its controlled Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment), (x) other than with respect to the Agents and their Related Parties, resulted from a material breach of the Loan Documents by such Indemnitee or its Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) arise from disputes between or among Indemnities (other than disputes involving claims against the Administrative Agent or the Collateral Agent, in each case, in their respective capacities) that do not involve an act or omission by the Sponsor, Holdings, the Borrower or any Restricted Subsidiary or (z) resulted from any settlement effected without the Borrower’s prior written consent (which consent shall not be unreasonably withheld or delayed); provided that, to the extent any amounts paid to an Indemnitee

in respect of this Section 9.03, such Indemnitee, by its acceptance of the benefits hereof, agrees to refund and return any and all amounts paid by the Borrower to it if, pursuant to the operation of the foregoing clauses (w) through (z), such Indemnitee was not entitled to receipt of such amount. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Agents or any Lender under paragraph (a) or (b) of this Section 9.03, each Lender severally agrees to pay to the Administrative Agent or such Lender, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agents or such Lender in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the outstanding Term Loans and unused Commitments at such time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply *mutatis mutandis* to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, none of Holdings, the Borrower, any Agent, any Lender, any other party hereto or any Indemnitee shall assert, and each hereby waives, any claim against any other such Person on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, arising out of, as a result of, or in any way related to, this Agreement or any agreement or instrument contemplated hereby or referred to herein, the transactions contemplated hereby or thereby, or any act or omission or event occurring in connection therewith and each such Person further agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that the foregoing shall in no event limit the Borrower's indemnification obligations under clause (b) above.

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower of the commencement of any proceeding; provided, however, that the failure to do so will not relieve the Borrower from any liability that it may have to such Indemnitee hereunder except to the extent that the Borrower is materially prejudiced by such failure. Notwithstanding the above, following such notification, the Borrower may elect in writing to assume the defense of such proceeding, and, upon such election, the Borrower will not be liable for any legal costs subsequently incurred by such Indemnitee (other than reasonable costs of investigation and providing evidence) in connection therewith, unless (i) the Borrower has failed to provide counsel reasonably satisfactory to such Indemnitee in a timely manner, (ii) counsel provided by the Borrower reasonably determines its representation of such Indemnitee would present it with a conflict of interest or (iii) the Indemnitee reasonably determines that there are actual conflicts of interest between the Borrower and the Indemnitee, including situations in which there may be legal defenses available to the Indemnitee which are different from or in addition to those available to the Borrower.

(f) Notwithstanding anything to the contrary in this Agreement, the extent permitted by applicable law, neither Holdings nor the Borrower shall assert, and each hereby waives, any claim against any Indemnatee for any direct or actual damages arising from the use by unintended recipients of information or other materials distributed to such unintended recipients by such Indemnatee through telecommunications, electronic or other information transmission systems (including the Internet) in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby; except to the extent that such direct or actual damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or, with respect to any Indemnatee other than the Agents and their Related Parties, a material breach of the Loan Documents by, such Indemnatee or its Related Parties.

(g) All amounts due under this Section 9.03 shall be payable not later than twenty (20) Business Days after written demand therefor; provided, however, that any Indemnatee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnatee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

#### SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder (other than to a Successor Borrower pursuant to a transaction permitted by Section 6.03(a)(iv)(B)) without the prior written consent of each Lender and the acknowledgement of the Administrative Agent (and any attempted assignment or transfer by the Borrower without such consent (other than to a Successor Borrower pursuant to a transaction permitted by Section 6.03(a)(iv)(B)) shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), the Indemnitees and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraphs (b)(ii) and (f) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of (A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (x) by a Term Lender to any Lender, an Affiliate of any Lender or an Approved Fund or (y) if a Specified Event of Default has occurred and is continuing; provided, further, that no assignee contemplated by the immediately preceding proviso shall be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable assignor would have been entitled to receive with respect to the assignment made to such assignee, unless the assignment to such assignee is made with the Borrower's prior written consent; provided, further, that the Borrower shall have the right to withhold its consent to any assignment if in order for such

assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority and (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of Term Loans subject to Section 9.04(f) and (g), to an Affiliated Lender, Holdings, the Borrower or any of its Subsidiaries; provided, further, that no consent of the Administrative Agent shall be required for an assignment of Term Loans to a Lender or by a Lender to an Affiliate of any Lender or an Approved Fund. Notwithstanding anything in this Section 9.04 to the contrary, if the Borrower has not given the Administrative Agent written notice of its objection to an assignment of Term Loans within ten (10) Business Days after written notice of such assignment, the Borrower shall be deemed to have consented to such assignment.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 (and integral multiples thereof), unless the Borrower and the Administrative Agent otherwise consent (in each case, such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or, if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, and, in each case, together with a processing and recordation fee of \$3,500 payable by the assignee; provided that such processing and recordation fee shall not be payable in connection with an assignment by a Lender to one of its (i) Affiliates or (ii) Approved Funds that is under common control with such Lender; provided, further, that the Administrative Agent, in its sole discretion, may elect to waive or reduce such processing and recordation fee; provided, further, that any such Assignment and Assumption shall include a representation by the assignee that the assignee is not a Disqualified Lender (but only if the Disqualified Lenders List is available to such assignee and Lenders upon request); provided, further, that assignments made pursuant to Section 2.19(b), 2.21(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain Material Non-Public Information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section 9.04 to the extent otherwise permitted thereby or otherwise shall be void.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans (including details of all PIK Elections) owing to each Lender pursuant to the terms hereof from time to time (the "Register"). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans held by Affiliated Lenders. The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. The Register is intended to cause each Loan to be in registered form for U.S. federal income tax purposes under Section 5f.103-1(c) of the U.S. Treasury Regulations and Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.04 and any written consent to such assignment required by paragraph (b) of this Section 9.04, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words “execution”, “signed”, “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as an original executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other Persons (other than to a Disqualified Lender (but only if the Disqualified Lenders List is available to Lenders upon request) or other Person that is not an Eligible Assignee) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and any other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the third proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to paragraph (c)(iii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the obligations and limitations thereof and Section 2.19, it being understood that any tax forms required by Section 2.17(f) shall be provided to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04 provided that such Participant agrees to be subject to the provisions of Sections 2.19 as if it were an assignee under paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”). The entries in the Participant Register shall be conclusive, absent manifest error, and the parties hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any

obligation to disclose all or any portion of its Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other obligations under the Loan Documents) except to the extent to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version).

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other "central" bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) [Reserved].

(f) Notwithstanding anything to the contrary herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to an Affiliated Lender subject to the following limitations:

(i) Affiliated Lenders (other than Affiliated Debt Funds) will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II;

(ii) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(d), in any plan of reorganization pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender, or that would not deprive such Affiliated Lender of its pro rata share of any payments to which it is entitled, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) "designated" pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting

limitations and will be entitled to vote as any other Lender; provided that Affiliated Debt Funds may not account for more than 49.9% of the “Required Lenders” in any Required Lender vote;

(iii) [reserved];

(iv) the aggregate principal amount of Term Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 25.0% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase, after giving effect to any substantially simultaneous cancellations thereof;

(v) Affiliated Lenders shall clearly identify themselves as an Affiliated Lender in the loan assignment documentation. In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any lender is an Affiliated Lender or Affiliated Debt Fund nor shall the Administrative Agent be obligated to monitor the number of Affiliated Lenders or Affiliated Debt Funds or the aggregate amount of Term Loans held by Affiliated Lenders or Affiliated Debt Funds;

(vi) Affiliated Lenders (other than Affiliated Debt Funds) will not be permitted to vote on matters requiring a Required Lender vote, and the Term Loans held by Affiliated Lenders (other than Affiliated Debt Funds) shall be disregarded in determining (x) other Lenders’ Commitment or Loan percentages or (y) matters submitted to Lenders for consideration that do not require the consent of each Lender or each affected Lender; provided that the commitments of any Affiliated Lender shall not be increased, the Interest Payment Dates and the dates of any scheduled amortization payments (including at maturity) owed to any Affiliated Lender hereunder will not be extended and the amounts owing to any Affiliated Lender hereunder will not be reduced without the consent of such Affiliated Lender; and

(vii) each Lender making such assignment to such Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Material Non-Public Information, (2) such Lender has independently and, without reliance on such Affiliated Lender, Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender’s lack of knowledge of the Material Non-Public Information and (3) none of Holdings, the Sponsor, its Subsidiaries, the Administrative Agent, any Affiliated Lender or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, the Sponsor, its Subsidiaries, the Administrative Agent, such Affiliated Lender and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Material Non-Public Information. Each Lender entering into such an assignment further acknowledges that the Material Non-Public Information may not be available to the Administrative Agent or the other Lenders.

(g) Any Lender may, at any time, assign all or a portion of its Term Loans to Holdings or any of its Subsidiaries, through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.11(a)(iii) or other customary procedures acceptable to the Administrative Agent and/or (y) open market purchases on a non-pro rata basis, provided that (i) any Term Loans that are so assigned will be automatically and irrevocably cancelled and the aggregate principal amount of the tranches and installments of the relevant Term Loans then outstanding shall be reduced pro rata by an amount equal to the par principal amount of such Term Loans, (ii) no Event of Default shall have occurred and be continuing and (iii) each Lender making such assignment to Holdings or any of its Subsidiaries acknowledges and agrees that in connection with such assignment, (1) Holdings or its Subsidiaries then may have, and later may come into possession of Material Non-Public Information, (2) such Lender has independently and, without reliance on Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Material Non-Public Information and (3) none of Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by Requirements of Law, any claims such Lender may have against Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Material Non-Public Information. Each Lender entering into such an assignment further acknowledges that the Material Non-Public Information may not be available to the Administrative Agent or the other Lenders.

(h) Notwithstanding the foregoing, no assignment may be made or participation sold to a Disqualified Lender without the prior written consent of the Borrower; provided that, upon the inquiry by (i) any Lender to the Administrative Agent as to whether a specified potential assignee or prospective participant is on the Disqualified Lenders List or (ii) any potential assignee as to whether such potential assignee is on the Disqualified Lenders List the Administrative Agent shall be provide such list of Disqualified Lenders to such Lender or potential assignee, as applicable; provided, further, that inclusion on the Disqualified Lenders List shall not apply retroactively to disqualify any persons that have previously acquired an assignment or participation in the Loan if such person was not included on the Disqualified Lenders List at the time of such assignment or participation. Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if any Lender was a Disqualified Lender at the time of the assignment of any Loans or Commitments to such Lender, following written notice from the Borrower to such Lender and the Administrative Agent and otherwise in accordance with Section 2.19(b), as applicable: (1) such Lender shall promptly assign all Loans and Commitments held by such Lender to an Eligible Assignee (and the signature of such Disqualified Lender shall not be required on any such assignment); provided that (A) the Administrative Agent shall not have any obligation to the Borrower, such Lender or any other Person to find such a replacement Lender, (B) the Borrower shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person subject to the Borrower's consent in accordance with Section 9.04(b)(i) and (C) the assignment of such Loans and/or Commitments, as the case may be, shall be at par plus accrued and unpaid interest and fees; (2) such Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of

any Class), all affected Lenders (or all affected Lenders of any Class), or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.02); provided that (x) the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Disqualified Lender adversely and in a manner that is disproportionate to other affected Lenders shall require the consent of such Disqualified Lender; and (3) no Disqualified Lender is entitled to receive information provided solely to Lenders by the Administrative Agent or any Lender or will be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices or Borrowings, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II. Notwithstanding anything to the contrary herein, the Borrower (on behalf of itself and the other Loan Parties) and the Lenders acknowledge and agree that the Administrative Agent shall have no responsibility or obligation to determine whether any Lender or potential Lender is a Disqualified Lender and that the Administrative Agent shall have no liability with respect to any assignment or participation made to a Disqualified Lender.

(i) Notwithstanding the foregoing, any Affiliated Lender shall be permitted, at its option, to contribute any Term Loans so assigned to such Affiliated Lender pursuant to this Section 9.04 to Holdings or any of its Subsidiaries for purposes of cancellation (in which case, such Term Loans shall be immediately and permanently cancelled upon such contribution), which contribution may be made (including, with the Borrower's consent, to the Borrower, whether through Holdings or otherwise), in exchange for Qualified Equity Interests of Holdings or the Borrower or Indebtedness of the Borrower to the extent such Indebtedness is permitted to be incurred (including, if applicable, as a Permitted Refinancing) pursuant to Section 6.01 at such time.

#### SECTION 9.05 Survival.

All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans and all other amounts payable hereunder, the termination of the Commitments or the termination of this Agreement or any provision hereof.

#### SECTION 9.06 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any

separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile, .pdf, electronic signature or other electronic means shall be effective as delivery of an original executed counterpart of this Agreement. The parties hereto agree that the signatures appearing on this Agreement are the same as handwritten signature for purposes of validity, enforceability and admissibility.

SECTION 9.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff.

If a Specified Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not withholding or payroll accounts, employee benefits accounts, de minimis accounts or other accounts used exclusively for taxes or fiduciary or trust purposes) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrower (excluding, for the avoidance of doubt, any Settlement Assets except to effect Settlement Payments such Lender is obligated to make to a third party in respect of such Settlement Assets or as otherwise agreed in writing between the Borrower and such Lender) against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender shall notify the Borrower and the Administrative Agent of such setoff and application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or related to this Agreement shall be construed in accordance with and governed by the laws of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any federal court sitting in the Borough of Manhattan in the City of New York or, if that court does not have subject matter jurisdiction, in any state court located in the City and County of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court except to the extent required by any Security Document to be brought in another jurisdiction pursuant to the terms of such Security Document. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings or the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.01. NOTHING IN ANY LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

#### SECTION 9.11 Headings.

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

(a) Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates (other than Excluded Affiliates), to its and its Affiliates' existing and prospective partners, financing sources (equity and debt), investors and investment advisors, and to its and their respective directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors and any numbering, administration or settlement service providers on a "need-to-know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and will be instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent or the relevant Lender to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent or the relevant Lender, as applicable), (ii) to the extent requested or required by any governmental authority, regulatory authority or self-regulatory authority, required by applicable law, rule or regulation or by any subpoena or similar legal process or in connection with the exercise of remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder (including without limitation for purposes of establishing any appropriate due diligence defense) or any other pending legal, judicial or administrative proceeding or other compulsory process or upon the good faith determination by counsel that such Information should be disclosed in light of ongoing oversight or review of such Administrative Agent or Lender, as applicable, by any governmental or regulatory (including self-regulatory) authority having jurisdiction over the Administrative Agent or Lender or its Affiliates, as applicable; provided that (x) solely to the extent permitted by law and other than in connection with routine audits and reviews by regulatory and self-regulatory authorities, each Lender and the Administrative Agent shall promptly notify the Borrower of any such requested or required disclosure in connection with any legal or regulatory proceeding and (y) in the case of clause (ii) only, each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, (iii) to any other party to this Agreement, (iv) to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (B) any actual or prospective counterparty (or its advisors) to any Swap Agreement or derivative transaction relating to any Loan Party or its Subsidiaries and its obligations under the Loan Documents or (C) any pledgee referred to in Section 9.04(d), in the case of each of the preceding clauses (A) through (C), other than to a Disqualified Lender; provided that any such disclosure under this clause (iv) shall be made subject to the acknowledgment and acceptance by such assignee or Participant, prospective assignee or Participant, actual or prospective counterparty (or its advisors) or pledgee, as applicable, that such Information is being disseminated on a confidential basis (on substantially the same terms set forth in this Section 9.12 or as is reasonably acceptable to the Borrower and the Administrative Agent) in accordance with the customary market standards for dissemination of such type of Information, in the event of any electronic access through Intralinks, another website or similar electronic system or platform, which shall in any event require "click through" or other affirmative action on the part of the

recipient to access such Information and acknowledge its confidentiality obligations in respect thereof, in each case on terms reasonably acceptable to the Borrower, (v) if required by any rating agency; provided that prior to any such disclosure, such rating agency shall have agreed in writing to maintain the confidentiality of such Information, (vi) to service providers providing administrative and ministerial services solely in connection with the syndication and administration of the Loan Documents and the facilities (e.g., identities of parties, maturity dates, interest rates, etc.) on a confidential basis, or (vii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.12, (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary, which source is not known (after due inquiry) by the recipient of such information to be subject to a confidentiality obligation or (z) is independently developed by it without use of any other information subject to this Section 9.12. For the purposes hereof, "Information" means all information received from or on behalf of Holdings or the Borrower relating to Holdings, the Borrower, any other Subsidiary or their business other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by Holdings, the Borrower or any Subsidiary. Notwithstanding the foregoing, provided that the Disqualified Lenders List has been shared with the Lenders, no such information shall be disclosed to a Disqualified Lender that constitutes a Disqualified Lender at the time of such disclosure without the Borrower's prior written consent.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION (AS DEFINED IN SECTION 9.12(a)) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

#### SECTION 9.13 USA PATRIOT Act.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to

the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

#### SECTION 9.14 Release of Liens and Guarantees.

(a) A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction or designation permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a permitted merger or amalgamation with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary) or becomes an Excluded Subsidiary or (2) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a Wholly Owned Subsidiary; provided that the release of any Subsidiary Loan Party from its obligations under the Loan Documents (i) if such Subsidiary Loan Party becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof and/or (ii) pursuant to preceding clause (2) of this Section 9.14(a), such release shall only be permitted if (y) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be released, the Borrower is deemed to have made a new Investment in such Person (as if such Person were then newly acquired) and such Investment is permitted at such time and (z) a Responsible Officer of the Borrower certifies to the Administrative Agent compliance with preceding clause (y); provided, further, that no such release shall occur if such Subsidiary Loan Party continues to be a guarantor in respect of Existing First Lien Loans, any Other Term Loans, any Permitted First Priority Refinancing Debt, any Permitted Junior Priority Refinancing Debt, any Permitted Unsecured Refinancing Debt, any Junior Financing or any Permitted Refinancing in respect of any of the foregoing; provided, further, that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise, or (3) as provided in any Pari Passu Intercreditor Agreement. Upon any sale or other transfer by any Loan Party (other than to any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral or upon any Collateral becoming an Excluded Asset, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of Holdings or any Subsidiary Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by Holdings or such Subsidiary created by the Security Documents shall be automatically released. Upon the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Agreement, the security interest created by the Security Documents in the Equity Interests of such new Unrestricted Subsidiary shall automatically be released. To the extent the release of any Lien in any Collateral is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.02), the security interest in such Collateral shall be automatically released. To the extent the release of any security interest in any Collateral is required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents, the security interest

in such Collateral shall be automatically released. In addition, liens shall be released and guarantees released in accordance with the terms of the Security Documents and the Guarantee Agreement. Upon the Termination Date all obligations under the Loan Documents (other than contingent indemnification obligations for which no claim has been made) and all security interests created by the Security Documents shall be automatically released. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations (other than those being discharged or released) or any Liens (other than those being discharged or released) of the Loan Parties in respect of all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of Excluded Assets or otherwise released in accordance with the provisions of the Loan Documents. In connection with any termination or release pursuant to this Section 9.14, without the further consent of any Lender or other Secured Party, the Administrative Agent or the Collateral Agent, as the case may be, shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence or to file or register in any office such termination or release so long as the Borrower or applicable Loan Party shall have provided the Administrative Agent or the Collateral Agent, as the case may be, such certifications or documents as the Administrative Agent or the Collateral Agent, as the case may be, shall reasonably request certifying that such termination or release is in compliance with and permitted under this Agreement (it being agreed and understood that the Administrative Agent or the Collateral Agent, as the case may be, may conclusively rely without further inquiry on a certificate of an officer of the Borrower or applicable Loan Party as to such termination or release being made in compliance with this Agreement. The Administrative Agent or the Collateral Agent, as the case may be, will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to subordinate its Lien on any property granted to or held by the Administrative Agent or the Collateral Agent, as the case may be, under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(ii) (but only pursuant to clauses (d) and (j) of the definition of "Permitted Encumbrances), (iv), (v), (xi), (xii), (xxiv), (xxix) or (xxxv).

(b) Each of the Lenders irrevocably authorizes the Administrative Agent or the Collateral Agent, as the case may be, to (i) provide any release or evidence of release, termination or subordination contemplated by this Section 9.14 (and upon request by the Administrative Agent or the Collateral Agent, as the case may be, at any time, the Required Lenders will confirm in writing the Administrative Agent's authority or the Collateral Agent's authority, as the case may be, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under any Loan Document, in each case in accordance with the terms of the Loan Documents and this Section 9.14), (ii) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, in each case to the extent such agreements, at the time they are first entered into, are substantially consistent with the terms set forth on Exhibit E-1 or E-2 annexed hereto, together with (A) any immaterial changes and (B) material changes thereto in light of prevailing market conditions, which material changes shall be approved by the Required Lenders (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Initial Term Loans); and (iii) enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents and the Closing Date Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties.

SECTION 9.15 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent and the Lenders on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto and it is not relying on the Administrative Agent or the Lenders for such advice, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings, any of their respective Affiliates or any other Person and (B) none of the Administrative Agent and the Lenders has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Administrative Agent and the Lenders has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.16 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

#### SECTION 9.17 Judgment Currency.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower or any other Loan Party in respect of any such sum due from it to the Secured Parties hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under Requirements of Law).

#### SECTION 9.18 Intercreditor Agreement.

Each Secured Party hereby agrees that the Administrative Agent and/or Collateral Agent may enter into the Closing Date Intercreditor Agreement and any other intercreditor agreement and/or subordination agreement pursuant to, or contemplated by, the terms of this Agreement (including with respect to Indebtedness permitted pursuant to Section 6.01, any applicable Liens on Collateral permitted pursuant to Section 6.02 and, in each case, together with the defined terms referenced therein, but subject to the final sentence of Section 9.14(a)) on its behalf and agrees to be bound by the terms thereof and, in each case, consents and agrees to the appointment of Wilmington Trust, National Association (or its affiliated designee, representative, agent or successor) on its behalf as collateral agent, respectively, thereunder. Each Lender (a) understands, acknowledges and agrees that Liens have been created on the Collateral pursuant to the Existing First Lien Loan Documents, which Liens shall be subject to the terms and conditions of the Closing Date Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Closing Date Intercreditor Agreement or any other applicable Intercreditor Agreement (if entered into) and (c) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Closing Date Intercreditor Agreement and, if applicable, any other Intercreditor Agreement (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements (subject, if applicable, to the last sentence of Section 9.02(b))), and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof).

#### SECTION 9.19 Cashless Settlement.

Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any the applicable Resolution Authority.

## OFFICE LEASE

THIS LEASE made as of the 30th day of April, 2014 between 111 N. Canal, LLC, a Delaware limited liability company (“**Landlord**”) and Vivid Seats Ltd., an Illinois corporation (“**Tenant**”).

WITNESSETH:

### ARTICLE 1 Premises and Term

#### A. Premises.

1. Landlord hereby leases to Tenant and Tenant hereby leases from Landlord certain premises in the building located at 111 North Canal Street, Chicago, Illinois, (the “**Building**”) being approximately 30,951 square feet of Rentable Area (as hereinafter defined) located on the north side of the 8th floor of the Building as shown on Exhibit A attached hereto (together with non-exclusive rights to common areas within the Building, the “**Premises**”). The land upon which the Building is located (the “**Land**”), the Building and all other improvements on the Land are hereinafter collectively referred to as the “**Property**.”

2. For purposes of this Lease, the term “**Rentable Area**” shall mean, in respect of any space, the rentable area or the sum of the rentable areas of such space determined in accordance with the methods of measuring rentable area and usable area as described in The Standard Method for Measuring Floor Area in Office Buildings ANSI Z65.1-2010, Method B, promulgated by The Building Owners and Managers Association (BOMA) International (the “**Measurement Method**”). Landlord may remeasure the Rentable Area of the Building from time to time in accordance with the Measurement Method; provided that no such re-measurement shall cause a revision or adjustment of the Rentable Area contained in the Premises.

**B. Term.** The term (“**Term**”) of this Lease shall commence on the date (the “**Commencement Date**”) that is earlier to occur of (a) the date on which Tenant commences business operations in the Premises and (b) one hundred twenty (120) days after Landlord’s Work (as defined in the Workletter attached hereto as Exhibit C (the “**Workletter**”)) in the Premises has been substantially completed, as such date is determined pursuant to the Workletter. The Term shall end on the day immediately preceding the eleventh (11th) anniversary of the Commencement Date provided that, if the Commencement Date does not occur on the first day of a month, the Term shall end on the last day of the 132nd full calendar month following the Commencement Date (such later date being hereinafter referred to as the “**Expiration Date**”), unless sooner terminated pursuant to the terms of this Lease. Promptly after the occurrence of the Commencement Date, Landlord and Tenant shall execute a certificate confirming the actual Commencement Date and all other related dates under this Lease in the form of Exhibit F attached hereto and made a part hereof. It is expressly agreed to and acknowledged by the Landlord and Tenant that the terms of the Workletter are incorporated herein and made a part hereof.

### ARTICLE 2 Base Rent

**A.** Tenant shall pay to Landlord annual fixed rent (“**Base Rent**”) with respect to the Premises according to the Base Rent schedule attached hereto as Exhibit B. Except as otherwise expressly specified herein and subject to any credits against Base Rent as set forth in this Lease or in the Workletter, Base Rent shall be payable in equal monthly installments over such year, each installment being payable in advance on the first day of each and every calendar month

during the Term, except that if Tenant's obligation to pay Base Rent commences on a day other than the first day of a calendar month, or ends on a day other than the last day of a calendar month, Base Rent for such month shall be prorated by multiplying same by a fraction, the numerator of which is the number of days with respect to which Base Rent is payable during such calendar month and the denominator of which is the total number of days within such calendar month. Any amounts paid in advance on account of the Base Rent for a particular month which are in excess of the actual Base Rent payable for such month shall be credited against the monthly installment of Base Rent next due hereunder or, if no further Base Rent is then due hereunder, shall be repaid to Tenant within thirty (30) days thereafter.

**B.** For purposes of this Lease, the term "**Additional Rent**" shall mean Tenant's Pro Rata Share of Taxes in excess of Taxes which became due and were paid during the Base Year (as defined in Section 3(C)) ("**Tenant's Tax Payment**"), Tenant's Pro Rata Share of Operating Expenses in excess of Operating Expenses paid during the Base Year ("**Tenant's Operating Expense Payment**"), and any other amounts which Tenant is or becomes obligated to pay Landlord under this Lease. Base Rent and Additional Rent are sometimes hereinafter referred to collectively as "**Rent**," and all remedies applicable to the non-payment of Base Rent shall be applicable thereto. Rent shall be paid in good funds by check (including Tenant's uncertified personal check) or ACH or wire transfer in currency which at the time or times of payment represents legal tender for public and private debts in the United States of America, at any office maintained by Landlord or its agent at the Property, or at such other place in the United States of America as Landlord may reasonably designate by notice to Tenant, including without limitation any "lock box" or other address established for payment of rent in connection with any financing secured by the Building. Except to the extent otherwise expressly provided in this Lease, Rent shall be paid without any prior demand or notice therefor and without any deduction, set-off or counterclaim, or relief from any valuation or appraisal laws. Any Rent which is not paid within ten (10) days of being due shall bear interest from the date due until the date paid at the Default Rate (as defined below); and, in addition, Tenant shall pay Landlord a late charge for any Rent payment which is paid more than ten (10) days after its due date equal to five percent (5%) of such payment.

**C.** Payments of Base Rent, Tenant's Tax Payments and Tenant's Operating Expense Payment shall be abated from and after the Commencement Date through the day immediately preceding the day that is thirteen (13) months after the Commencement Date, provided that a continuing Event of Default by Tenant does not exist on the due date of any such payment.

### **ARTICLE 3**

#### **Additional Rent**

##### **A. Taxes.**

1. Subject to Section 2(C), commencing on the Commencement Date, Tenant shall pay Landlord in the manner described below an amount equal to Tenant's Tax Payments. Taxes shall be calculated on a cash basis, reflecting the amount actually due and payable in each calendar year which includes any portion of the Term (subject to prorations in accordance with Section 3(E) hereof), without regard to any different fiscal year used by any government or municipal authority and notwithstanding that any of such items may be assessed or imposed in a different calendar year.

2. For purposes of this Lease, "**Taxes**" shall mean all federal (if any), state, county or local governmental or municipal real estate taxes, fees, assessments, governmental charges, or other governmental impositions of every kind and nature, whether general, special, ordinary or extraordinary which are assessed, levied, or imposed upon all or any part of the

Property and/or the fixtures, machinery, equipment or apparatus located on or affixed to the Property and owned or leased and used by Landlord exclusively in connection with the Property and all tenants of the Property generally and not exclusively provided to or available to any particular tenant or group of tenants (collectively, the “**Taxable Equipment**”) and/or the sidewalks, plazas or streets in front of or adjacent to the Property (provided that all assessments shall be treated as being payable over the longest permitted period).

3. Notwithstanding the foregoing, there shall be excluded from Taxes: (i) all excess profits, revenue, excise, transfer, gain, transfer gain, foreign ownership or control, mortgage, intangible, franchise, gift, capital stock, inheritance and succession, estate and income taxes not specifically included in Taxes pursuant to Section 3(A)(4) hereof; (ii) any amounts attributable to fees or assessments for public improvements located outside of the Property (other than sidewalks, curbs and other similar improvements to public areas adjacent to or abutting the Property) imposed upon Landlord in connection with the development or construction of the Building or the Property; and (iii) any fines, penalties, costs or interest on account of late payment or non-payment of any Taxes; and (iv) any sales taxes on Taxable Equipment. All such items due and payable by Landlord and excluded from Taxes shall be the sole responsibility of Landlord.

4. If, due to a future change in the method of taxation, the State of Illinois, or any political subdivision of that state or any other governmental authority having jurisdiction over the Property shall, in substitution for, in whole or in part, any tax which would constitute Taxes, or any increase in any such tax, (a) impose a new tax on real estate or Taxable Equipment (including, without limitation, any transit tax, water or sewer rent, assessment, charge or fee on real estate or generally and not based on the consumption or actual usage of any service or utility or the number of occupants of the Property), (b) impose a new tax based upon (or interpret any existing tax to apply to) the creation of leasehold interests or the receipt of rent including gross receipts or sales taxes applicable to the receipt of rent but only if such taxes are not based on business income or receipts generally and only to the extent rent from tenants in the Building is treated as the only rent and/or other income from the Building received by Landlord, and/or (c) levy against Landlord as an owner of real property any income, excess profit, revenue, excise, franchise or capital stock tax not levied against business owners generally; such new tax, assessment, charge, fee or income, excess profit, rent, revenue, excise, franchise or capital stock tax (computed as if the Property were the only asset or business of Landlord) shall be deemed to be included within the definition of “**Taxes**” under this Lease. With respect to each tax year during the Term, Landlord shall initiate and pursue strategies to protest, reduce, limit any increase in or otherwise minimize Taxes and, if Landlord, in its good faith judgment, deems it cost-effective to do so, initiate and pursue in good faith an application or proceeding seeking a reduction in or abatement of Taxes or the assessed valuation of the Building and the Land, in each case using an experienced real estate tax attorney or other tax consultant. Landlord’s actual, reasonable costs and expenses paid to third parties (including, without limitation, all reasonable fees for consultants and attorneys) paid by Landlord in seeking a reduction or abatement of Taxes or the assessed valuation of the Building and Land shall also be included in Taxes in the calendar year such expenses are paid.

5. If Taxes attributable to any portion of the Term shall increase after payment thereof by Landlord for any reason (except as provided in Section 3(A)(3) hereof) including, without limitation, error or reassessment by applicable governmental or municipal authorities and such increase is not reflected in Tenant’s payments pursuant to the foregoing provisions of this Section, Landlord shall promptly furnish a statement thereof to Tenant and Tenant shall pay Landlord within thirty (30) days after receipt of such statement, Tenant’s Pro Rata Share (as of the date Tenant made the applicable payment) of such increased Taxes. If Landlord receives a refund of any Taxes or receives notification of the approval of a refund of any Taxes, for any calendar year with respect to which Tenant has paid its Pro Rata Share and (i) the calendar year in which Landlord receives such refund or notification is not more than two (2) calendar years after the calendar year

in which the Term of this Lease ended and (ii) an Event of Default by Tenant is not then continuing, Landlord shall remit to Tenant its allocable share of such refund within thirty (30) days after Landlord's receipt thereof of such refund, or, if an Event of Default by Tenant is then continuing, within thirty (30) days after both Landlord's receipt of such refund and Tenant's cure of such Event of Default.

## **B. Operating Expenses.**

1. Subject to Section 2(C), commencing on the Commencement Date Tenant shall pay Landlord in the manner described below an amount equal to Tenant's Operating Expense Payments.

2. For purposes of this Lease, "**Operating Expenses**" shall mean all expenses, costs and amounts (other than Taxes and exclusions therefrom) of every kind and nature which are due and payable in accordance with generally accepted accounting principles, as consistently applied (collectively, "**GAAP**") in respect of any calendar year any portion of which occurs during the Term, because of or in connection with the management, repair, maintenance and operation of the Building and the Property (which for purposes of this Section 3(B) shall be deemed to include any adjoining public areas which Landlord is obligated to maintain), including without limitation, any amounts paid for (except to the extent excluded below): (a) utilities for the Property, including, but not limited to, electricity, gas, steam, oil or other fuel, water, sewer, lighting, heating, air conditioning, ventilating, and chilled water, including both consumption and capacity charges; (b) permits, licenses and certificates necessary to operate, manage and lease the Property other than those related to the development of the Property or construction of the Building or which are required as a condition to initial occupancy of the Building; (c) insurance applicable to the Property, not limited to the amount of coverage Landlord is required to provide under this Lease; (d) supplies, tools, equipment and materials used in the operation, repair, cleaning and maintenance of the Property; (e) accounting, legal, inspection, consulting, concierge and other services for the Building; (f) the rental of equipment not affixed to the Building which is used in providing repair, maintenance or janitorial services; (g) fees for management services (not to exceed three percent of annual gross revenue for the Building); (h) the fair rental value of any space devoted to management or operation of the Building, including without limitation the Building's fitness room and conference rooms; (i) wages, salaries and other compensation and benefits for all persons (up to the level of building manager) employed by Landlord or whose wages are chargeable to Landlord (but only to the extent Landlord pays or reimburses its manager for such wages) directly engaged in the operation, maintenance or security of the Property, including any employer's Social Security taxes, unemployment taxes or insurance, and any other taxes in respect of such wages, salaries, compensation and benefits; and (j) operation, repair, and maintenance of all systems and equipment and components thereof (including replacement of components), including without limitation, janitorial service, alarm and security service, window cleaning, trash removal, elevator maintenance, cleaning of walks, plazas and building walls, removal of ice and snow, replacement of wall and floor coverings, ceiling tiles and fixtures in lobbies, corridors, restrooms and other common or public areas or facilities of the Building, maintenance and non-capital replacement of shrubs, trees, grass, sod and other landscaped items, irrigation systems, drainage facilities, fences, curbs and walkways, and roof repairs.

3. If Landlord has leased less than one hundred percent (100%) of the Rentable Area of the Building for all or a portion of any calendar year (including the Base Year), Landlord may reasonably determine the amount of Operating Expenses that vary with occupancy of the Building ("**Variable Operating Expenses**") that would have been incurred had 100% of the Rentable Area of the Building been leased for such calendar year and the amount so determined shall be deemed to be the amount of such Variable Operating Expenses for such calendar year, provided, however, that in no event shall Landlord be entitled to recover in any calendar year, in

total or in the aggregate within any category, more than the total Operating Expenses actually incurred by Landlord during any calendar year. The categories of Operating Expenses that will be considered Variable Operating Expenses shall include, but not be limited to the following:

- a) Cleaning, janitorial and trash removal expenses and supplies;
- b) Contract elevator maintenance services;
- c) Security services;
- d) Engineer expenses, except if incurred in connection with capital improvements;
- e) Management fees (not to exceed three percent of the annual gross revenue of the Building); and
- f) Utilities, including electricity, water and chilled water consumption and capacity charges, provided that the portion of such utilities which is fixed and does not vary with occupancy shall not be so increased.

4. Notwithstanding the foregoing, Operating Expenses shall not include:

- a) Interest and principal payments on mortgage debt;
- b) Loan fees and participation payments;
- c) Ground rental payments;
- d) Costs of "capital improvements," as that term is defined under GAAP, including any capital expenditures made for improvements required to comply with any Law enacted on or before the Commencement Date, provided however that Operating Expenses shall include any capital expenditures made during the Term (as amortized by Landlord over the useful life of the applicable improvements, as reasonably determined by Landlord in accordance with customary methods employed by owners of office buildings from time to time, with interest on the unamortized amount at a rate per annum equal to the prime rate of interest announced from time to time by JPMorgan Chase Bank, N.A. or any successor thereto (the "**Prime Rate**"), such rate to change when and as such announced prime rate changes) (i) for any improvement commenced after the Commencement Date, which is primarily intended to reduce any component of Operating Expenses, or (ii) to comply with any Law first enacted after the Commencement Date, provided that the annual amortized amount included in Operating Expenses for any year on account of such capital expenditures for improvements primarily intended to reduce Operating Expenses shall not exceed Landlord's reasonable projection of annual savings in Operating Expenses to be achieved by such capital improvements;
- e) Costs of alterations to the Premises of Tenant or the premises of other tenants of the Building including, without limitation, permit, license and inspection costs, or the cost of any work furnished by the Landlord without charge as an inducement for a tenant to lease space (*i.e.*, free rent, improvement allowances);
- f) Depreciation of the Building or its equipment;

- g) The wages of any employee who does not devote substantially all of his or her time to the Building (allocation of the time of pooled employees is permitted);
- h) Salaries and other compensation of executive officers of the Landlord or its managing agent senior to the individual building manager;
- i) Taxes or any other amounts excluded from Taxes under Section 3(A)(3);
- j) Costs associated with utilities, services or amenities not available to all tenants or provided to any tenant to a materially greater extent or more favorable manner than generally provided to other tenants;
- k) Costs of correcting latent defects in the construction of the Building or its systems;
- l) Costs (including fines and penalties), to comply with ADA and environmental laws enacted on or before the Commencement Date including without limitation, laws relating to the phase out of so-called "Freon" as a coolant and changes in the building codes;
- m) Costs of work performed or service provided for which fees are charged or other compensation received;
- n) Legal expenses incurred in connection with tenant leases including, without limitation, negotiations with prospective tenants and enforcing provisions of this Lease or other leases in the Building;
- o) Costs for purchases of sculptures, paintings and other objects of art located in the interior or the exterior of the Building or immediately adjacent thereto;
- p) Other than management fees which are expressly limited above, any cost representing an amount paid to any entity related to Landlord which is in excess of the amount which would have been paid in the absence of such relationship;
- q) Expenditures for repairs or maintenance which are covered by warranties, guarantees or service contracts;
- r) Expenditures for which the Landlord has been or is entitled to be reimbursed by third parties such as insurance companies;
- s) Any costs incurred in installing any specialty facility in the Building which is operated by Landlord or an affiliate of Landlord and generally made available to the Building's occupants including, but not limited to, an observatory, luncheon or cafeteria, fitness room, conference facility or day care center; provided, however, Operating Expenses shall include the operating and maintenance costs thereof; provided further, however, if Landlord or an affiliate of Landlord collects user fees in connection with the use of such specialty facility, then Operating Expenses shall only include any amounts by which the operating and maintenance costs of such specialty facility exceed the user fees collected by Landlord or its affiliates from the operation thereof.
- t) Advertising, promotional, marketing, and leasing expenses including any space planner's fees, lease takeover costs, and all other ancillary expenses;

- u) Real estate brokerage and leasing commissions;
- v) Expenses in connection with repairs or other work occasioned by the exercise of the right of eminent domain;

- x) Debt costs or the costs of financing or refinancing;
- y) Any bad debt loss, rent loss, or reserves for bad debt or rent loss;

- cc) Costs associated with the operation of the business of the entity which constitutes Landlord as the same are distinguished from the costs of operation of the Building, including accounting and legal matters, costs of defending any lawsuits with any mortgagee (except as the actions of Tenant may be in issue), costs of selling, syndicating, financing, mortgaging or hypothecating any of Landlord's interest in the Building, costs of any disputes between Landlord and its employees (if any) not engaged in Building operation, disputes of Landlord with building management, or fees or costs paid in connection with disputes with other tenants;
- dd) Charitable contributions; and
- ee) Any customer free rent periods or credits, tenant improvement allowances and other customary economic incentives required to enter into leases with tenants.

Operating Expenses for the Building are to be "net" only and for that purpose shall be deemed reduced by the amounts of any insurance reimbursement or recovery, other reimbursement, recoupment, payment discount, credit, reduction, allowance or the like received by or credited to Landlord.

**C. Tenant's Pro Rata Share.** For purposes of this Lease, "Tenant's Pro Rata Share" for any calendar year shall mean the percentage determined by dividing the Rentable Area of the Premises by an amount equal to the Rentable Area of the Building as adjusted pursuant to Section 1(A)(2). As of the Commencement Date Tenant's Pro Rata Share is 3.63%. Appropriate adjustments shall be made in calculating Tenant's Pro Rata Share on a per diem basis if the Rentable Area of the Building changes during any calendar year. The "**Base Year**" shall mean calendar year 2015.

**D. Manner of Payment of Taxes and Operating Expenses.**

1. On or before the Commencement Date and annually thereafter, Landlord shall deliver to Tenant a notice setting forth Landlord's good faith estimate of the required Tenant's Tax Payments and Tenant's Operating Expense Payments for the applicable full or partial calendar

year (“**Landlord’s Estimate**”). Commencing on the Commencement Date and continuing thereafter on the first day of each month throughout the Term, Tenant shall pay one twelfth (1/12th) of the amount Landlord’s Estimate, subject to the abatement of such amounts as set forth under Section 2(C). Landlord’s Estimate may be adjusted in good faith from time to time by Landlord by written notice to Tenant not more than twice within a calendar year. Any such adjustments of Landlord’s Estimate within a calendar year shall be based on Landlord’s reasonable expectations. Any revision to any Landlord’s Estimate shall become effective commencing on the first day of the calendar month that is at least thirty (30) days after Tenant’s receipt of the revised Landlord’s Estimate. If Landlord fails to timely deliver Landlord’s Estimate, Tenant shall pay one-twelfth (1/12th) of the actual Tenant’s Tax Payments and Tenant’s Operating Expense Payments paid for the previous calendar year, and commencing on the first day of the calendar month following thirty (30) days after Tenant’s receipt of Landlord’s Estimate for the current calendar year, the monthly payment on account of estimated monthly installments of Tenant’s Tax Payments and Tenant’s Operating Expense Payments shall be increased or decreased to reflect the estimate set forth therein.

2. Within one hundred fifty (150) days after the end of each calendar year containing a portion of the Term, or as soon thereafter as practicable, Landlord shall send Tenant a statement setting forth the actual Operating Expenses and Taxes for such calendar year, and the resulting actual Tenant’s Tax Payments and Tenant’s Operating Expense Payments owed by Tenant for such calendar year (“**Landlord’s Statement**”). Tenant may, upon reasonable prior written notice to Landlord given not later than one hundred twenty (120) days after Tenant’s receipt of a Landlord’s Statement, audit Landlord’s books and records with respect to such Landlord’s Statement for the prior calendar year. If Tenant elects to audit, then the cost of such audit shall be borne by Tenant unless it is determined by the audit that the amount of Tenant’s Tax. Payments and Tenant’s Operating Expense Payments set forth in a Landlord’s Statement for a particular year exceeds the actual Tenant’s Tax Payments and Tenant’s Operating Expenses Payments for such by five percent (5%) or more, in which event Landlord shall pay the reasonable costs of such audit.

3. If the aggregate amount paid by Tenant pursuant to Landlord’s Estimate with respect to any calendar year is less than the actual amount due from Tenant set forth in Landlord’s Statement for such calendar year, Tenant shall pay to Landlord the amount of such underpayment within thirty (30) days after receipt of the Landlord’s Statement showing such underpayment.

4. If Landlord’s Estimate with respect to any calendar year is more than the actual amount set forth in Landlord’s Statement for such calendar year, Landlord shall credit the amount of any corresponding overpayment by Tenant against the next installment(s) of Base Rent and Additional Rent, provided that if no further installments of Base Rent or Additional Rent shall be due, Landlord shall refund to Tenant the amount of such overpayment at the same time that Landlord delivers Landlord’s Statement to Tenant.

5. If the Term shall have expired or been terminated, the obligation of Tenant to pay Tenant’s Tax Payments and Tenant’s Operating Expense Payments for the final calendar year through the date on which this Lease expired or was terminated, and Landlord’s obligation to reimburse Tenant for any overpayment on account thereof, shall each survive for a two (2) year period following such expiration or termination.

6. In no event shall a decrease in the Taxes or Operating Expenses decrease the monthly Base Rent payable hereunder (except to the extent a credit against Base Rent for overpayment by Tenant is provided for in Section 3(D)(4) above).

**E. Proration.** If Tenant’s obligation to pay Tenant’s Tax Payments and Tenant’s Operating Expense Payments commences on any date other than January 1 or ends on any date

other than December 31, the amount of Taxes and Operating Expenses for such first or final calendar year shall be prorated to reflect the portion of such years after the Commencement Date, and before the Expiration Date or earlier date that this Lease may be terminated, as the case may be. Such proration shall be made by multiplying the Taxes or Operating Expenses, as applicable, in respect of any such calendar year by a fraction, the numerator of which shall be the number of days in such calendar year for which Tenant is required to pay Tenant's Tax Payments and Tenant's Operating Expense Payments, as applicable, and the denominator of which shall be 365.

#### **ARTICLE 4**

##### **Delivery and Condition of Premises**

**A.** Subject to and upon the terms herein set forth, Landlord leases to Tenant and Tenant leases from Landlord the Premises on an "as is" basis (except as otherwise expressly set forth herein, including Landlord's obligation to perform Landlord's Base Building Work described on Exhibit C-1 hereto). Landlord represents and warrants that the Landlord's Work shall comply with the Americans With Disabilities Act, and to Landlord's knowledge the Premises are in compliance with all environmental laws. Landlord shall indemnify, defend, protect and hold harmless Tenant against any loss, cost or damage suffered by Tenant caused by a breach of the foregoing representation or the presence of any hazardous materials contained in the Premises in violation of any environmental law present at the time the Premises are first turned over to Tenant for performance of the Initial Tenant Work. By taking possession of the Premises, Tenant is deemed to have accepted the Premises and agreed that, except for latent defects or conditions of which Tenant notifies Landlord in writing within one hundred twenty (120) days after Tenant commences Initial Tenant Work, the Premises are in good order and satisfactory condition for Tenant's construction of the Initial Tenant Work (as defined in the Workletter), with no representation or warranty by Landlord as to the condition of the Premises or the Building or suitability thereof for Tenant's use.

**B.** If Tenant, with Landlord's prior written approval, takes possession of the Premises prior to the Commencement Date for the sole purpose of performing any improvements therein or installing furniture, equipment or other personal property of Tenant, such possession shall be subject to all of the terms and conditions of this Lease, except that Tenant shall not be required to pay Rent with respect to the period of time prior to the Commencement Date during which Tenant performs such work. Tenant shall, however, be liable for the cost of any utilities and after hours freight elevator services that are provided to Tenant during the period of Tenant's possession prior to the Commencement Date. Nothing herein shall be construed as granting Tenant the right to take possession of the Premises prior to the Commencement Date, whether for construction, fixturing or any other purpose, without the prior written consent of Landlord, which shall not be unreasonably withheld.

#### **ARTICLE 5**

##### **Use; Compliance with Laws and Rules**

**A. Uses.** Tenant may use the Premises for general, administrative and executive office purposes and any lawful ancillary purposes in compliance with Laws in effect from time to time during the Term, but for no other purpose whatsoever.

**B. Compliance with Laws.** Tenant shall comply with all statutes, laws, orders, ordinances, codes, regulations, rules, rulings, orders, decrees, directives, policies and requirements of all local, municipal, state and federal governments, departments, agencies, commissions, boards or political subdivisions having jurisdiction over the Building or the Land (collectively, "**Laws**") and with all applicable Board of Fire Insurance Underwriters' regulations and requirements, in each instance if and to the extent that same relate to Tenant's particular manner

of use of the Premises or any Alteration Work (as hereinafter defined) that Tenant proposes to perform therein (whether directed to Tenant or Landlord). Landlord shall be responsible for effecting (and Landlord shall promptly effect) any repairs, additions, alterations or changes to the Premises and the Building that are necessitated by the acts or omissions of Landlord, its agents, contractors, subcontractors or employees or that are required to comply with Laws (except to the extent the Building is exempted from compliance with any Law) that affect office buildings generally or the Building specifically and are not required solely because of the particular manner of use of the Premises by Tenant. Landlord may include the costs of performing its obligations under the preceding sentence in Operating Expenses solely to the extent permitted pursuant to Article 3 hereof. Tenant shall not knowingly or negligently: (i) make or permit any use of the Premises or the Property; or (ii) do or permit to be done anything in or on the Premises or the Property, or bring on or keep anything in the Premises or the Property, in each case that is in violation of any Laws in effect. Tenant shall not, and shall not allow its employees, agents, contractors or invitees, to bring into the Building or the Premises any dangerous or hazardous materials, except for customary office and cleaning supplies, provided Tenant uses, stores and disposes of the same in compliance with all applicable Laws. Tenant shall procure and maintain all licenses and permits legally necessary for Tenant's use of the Premises and any Alteration Work and shall allow Landlord to inspect them upon reasonable prior request at no cost to Tenant.

**C. Building Rules.** Tenant shall comply with all rules set forth on Exhibit D (the "**Rules**"). To the extent of any conflict between the Rules and the provisions of this Lease, the provisions of this Lease shall control. Landlord shall have the right to reasonably amend the Rules and supplement the same with other reasonable rules (not inconsistent with this Lease) as may be necessary or appropriate for the promotion of the safety, care or cleanliness of the Property or good order therein, and all such amendments or new rules shall be binding upon Tenant after five (5) business days' notice thereof to Tenant, provided that such amendments to the Rules do not material amend the terms of this Lease or Tenant's obligations hereunder. All of the Rules shall be applied on a non-discriminatory basis to all of the tenants of the Building, in a reasonable manner, and in a manner which shall not unreasonably interfere with Tenant's use or occupancy of the Premises for the purposes permitted under this Lease. Nothing herein shall be construed to give Tenant or any other person any claim, demand or cause of action against Landlord arising out of a violation of the Rules by any other tenant or occupant of, or visitor to, the Property unless a violation results in a Landlord Event of Default (as hereinafter defined).

**D. Entry and Exit from Building.** All persons entering or leaving the Building at any time may be required to identify themselves to a watchman by registering or otherwise to establish a right to enter or leave the Building. Landlord reserves the right to change the location of entrances to the Building, to make reasonable changes to the times specified above and the right to designate which entrances shall be used by Tenant.

## **ARTICLE 6**

### **Services and Utilities**

**A. Utilities and Services.** Landlord shall operate and maintain the Building and provide the following services and utilities in a manner comparable to the management and operation of other comparable office buildings in downtown Chicago (the "**Comparable Buildings**"). The cost of providing such utilities and services required to be provided by Landlord shall be included in Operating Expenses unless, to the extent expressly provided herein, all or a portion of such cost is to be paid by Tenant or borne by Landlord without reimbursement.

1. **HVAC.** Landlord shall provide heating, ventilation and air conditioning ("**HVAC**") to the Premises during the period from 8:00 a.m. to 6:00 p.m. Monday through Friday and 8:00 a.m. to 1:00 p.m. on Saturday, excluding holidays (the "**Normal Hours**") to provide the

temperature condition required by the International Energy Conservation Code, adopted by the State of Illinois effective January 1, 2013, as the same may be amended or replaced. Upon not less than one business day's prior written notice to Landlord, Landlord shall provide Tenant HVAC outside of Normal Hours in accordance with Landlord's normal charges for such after-hours services. With twenty-four (24) hours prior written notice to the Building's manager, after hours HVAC is available at a present rate of \$200.00 per hour for a partial or full floor up to one full floor, with additional floors added at a cost of \$25 per additional floor per hour. Charges are calculated based upon electricity usage of equipment and costs for labor to run and monitor systems and are subject to future increase.

2. **Electricity.** Landlord shall provide electricity to the Premises with capacity for 5 watts per square foot of power at 208/120 volts, 3-phase/4-wire, 60 hertz, A.C. Tenant's use of electricity provided by Landlord shall not exceed in voltage and rated capacity set forth above or the overall load that which is standard for the Building. Landlord shall have the right at any time and from time to time during the Term to contract for electricity service from such providers of such services as Landlord shall elect (each being an "**Electric Service Provider**"). Tenant shall cooperate with Landlord, and the Electric Service Provider, at all times and, as reasonably necessary, shall allow Landlord and such Electric Service Provider reasonable access to the Building's electric lines, feeders, risers, wiring, and any other machinery within the Premises. All electricity used by Tenant in the Premises shall, at Landlord's option, be paid for by Tenant as a separate charge as Additional Rent or billed by the Electric Service Provider and payable by Tenant directly to such Electric Service Provider. In the event Tenant shall request that it be allowed to consume electrical services in excess of Building standard, Landlord may refuse to consent to such usage or may consent upon such conditions as Landlord reasonably elects, and all such additional usage shall be paid for by Tenant as Additional Rent. Landlord, at any time during the Term, shall have the right to separately meter or sub-meter electrical usage for the Premises or to measure electrical usage by survey or any other method that Landlord, in its reasonable judgment, deems appropriate. Installation of any such meter or related mechanisms will be at Landlord's cost.

3. **Water.** Landlord shall provide water for drinking to the Premises, water for restrooms in the common areas of the Building, and, subject to Landlord's approval, water at Tenant's expense for any private restrooms and office kitchen in the Premises.

4. **Elevator Service.** Landlord shall provide (a) passenger elevator service, in common with other tenants or occupants of the Building at all times, and (b) upon request of Tenant, freight elevator service only during Normal Hours and subject to scheduling and Landlord's standard charge therefor. Landlord reserves the right to modify or terminate the use of any elevators in the Building or to designate specific elevators for the use of specific other tenants or occupants of the Building at any time and from time to time provided there remains reasonable passenger elevator service and freight elevator service to the Premises. Landlord's current standard freight elevator charge is \$120 per hour.

5. **Cleaning.** Landlord shall provide cleaning services to the Premises in accordance with the specifications attached hereto as Exhibit E.

**B. Additional Services.** Landlord may perform such additional services on such terms and conditions as may be mutually agreed upon in writing by Landlord and Tenant. All charges for such additional services shall be due and payable if stated on a Rent bill at the same time as the installment of Rent billed or, if billed separately, shall be due and payable within ten (10) days after such billing. In case Tenant shall fail to make payment for any such additional services, Landlord may, without notice to Tenant, discontinue any or all such additional services. If Tenant uses any services of Building after the Normal Hours, except as specifically otherwise provided herein, Tenant shall pay Landlord's normal and reasonable charges for such after hour services.

## C. No Warranty; Failure of Services.

### 1. Stoppage of Services.

a) Landlord does not warrant that any services or utilities (including without limitation, electrical service) will be free from Unavoidable Delays (as defined below) and Landlord reserves the right to stop any of the foregoing services or utilities when necessary by reason of: (i) an emergency; or (ii) repairs or alterations to the architectural, structural or mechanical systems of the Building, provided that Landlord notifies Tenant in writing of any such repairs or alterations which are not emergent in nature or are scheduled more than twenty-four (24) hours prior to the commencement of such work. Landlord shall not, however, except in an emergency, voluntarily effect any stoppage or reduction of any service without giving prior written notice to Tenant of the time and duration thereof. In case of any service stoppage or reduction arising out of, or the ending of which requires, any work by Landlord or any other person other than a utility company or governmental agency, Landlord shall prosecute such work (or cause such work to be prosecuted) diligently and continuously so as to minimize the duration of such service stoppage or reduction.

b) Except as herein expressly specified, no stoppage or interruption of services pursuant to the preceding paragraph shall be deemed an eviction or disturbance of Tenant's use and possession of the Premises or any part thereof, or relieve Tenant from performance of Tenant's obligations under this Lease or entitle Tenant to any abatement of Rent. In no event shall Landlord be liable for damages by reason of loss of profits, business interruption or other consequential damages on account of such interruption in services or utilities.

c) "**Unavoidable Delays**" shall mean delays or interruptions to the extent caused by strikes or lockouts (except to the extent any such strike or lockout is attributable to the acts or omissions of the party claiming such delay, including the failure of such party to promptly initiate and diligently pursue all commercially reasonable steps to avoid such strike or lockout), failure of power (except to the extent such failure has been caused by the acts or omissions of the party claiming the delay), failure of any utility provider to timely complete service connections (but only with respect to delays relating to that particular utility and provided that such delays do not arise out of the failure of the party claiming the delay to timely schedule such service connections or delinquency with respect to any payment to such utility company or other cause within such party's reasonable control), conditions of supply or demand which are affected by war or other national, state or municipal emergency, restrictive governmental laws or regulations not in effect as of the date of execution of this Lease, condemnations, riots, insurrections, war, fire or other casualty, unforeseen weather conditions, or acts of God, or other unforeseeable reasons not within the reasonable control of the party. Notwithstanding the foregoing, reasons such as and including lack of money, financial inability, failure to perform of any contractor, agent, vendor or consultant of the party (except as expressly provided in this Section) claiming such delay, delays in applying for or obtaining permits for construction or occupancy, reasonably foreseeable governmental action or inaction or failure to order long-lead items sufficiently in advance of the time needed shall not be Unavoidable Delays. Each party agrees to notify the other party within ten (10) days after it has actual knowledge of the existence of the Unavoidable Delay(s) specifying the nature and estimated length thereof. If any party shall fail to give notice within the time period set forth above, such party shall not be entitled to claim any such delay as an Unavoidable Delay.

**2. Failure of Services.** Notwithstanding anything herein to the contrary:

a) If any failure or interruption of any service or utility to be provided to Tenant hereunder by Landlord shall result in any portion of the Premises being unusable (as hereinafter defined) (such failure or interruption, a **“Critical Failure”**), and if such Critical Failure continues for more than five (5) calendar days (irrespective of whether such Critical Failure is caused by Unavoidable Delay), commencing on the sixth (6<sup>th</sup>) calendar day after Tenant ceases to use such portion of the Premises for the normal conduct of its business due to such Critical Failure, all Rent payable hereunder with respect to such portion of the Premises shall abate until the next calendar day following restoration of the applicable service or utility.

b) Notwithstanding any of the foregoing provisions of this Section, if any failure or interruption of service is due to a fire or other casualty, is caused by Tenant or involves a service not being provided to Tenant by Landlord hereunder, the remedies provided for in this Section shall not apply.

c) The remedies expressly set forth in this Lease shall constitute Tenant’s sole and exclusive remedies with respect to any failure or interruption of any service that Landlord is obligated hereunder to provide, and Tenant hereby waives any and all other rights or remedies it may have at law or in equity in connection with the same.

**ARTICLE 7**  
**Alterations and Liens**

**A. Alterations.**

1. Except to the extent expressly set forth herein, Tenant shall have no right to make additions, changes, alterations or improvements (**“Alteration Work”**) to the Premises. Upon twenty (20) days prior written notice to Landlord, Tenant may perform Alteration Work, which does not constitute a Major Alteration (defined below) and is strictly cosmetic and non-structural, such as painting, wall coverings and floor coverings (collectively, **“Decorative Alterations”**). As used herein, a **“Major Alteration”** is any Alteration Work that either (a) requires the issuance of a building permit from the City of Chicago; (b) affects the structure, exterior or exterior appearance of the Premises or the Building; (c) affects the views of the interior of the Building from any common area of the Building or the exterior of the Building; (d) affects the Building’s electrical, HVAC, communication risers, mechanical and plumbing systems and equipment (collectively **“Building Systems”**); (e) affects other tenants or occupants of the Building in any material way, as reasonably determined by Landlord; or (f) affects space outside of the Premises.

2. Prior to the commencement of its performance of any Alteration Work, Tenant shall submit to Landlord in writing: (a) complete architectural and engineering working drawings and specifications (the **“plans and specifications”**) therefor (unless such Alteration Work is only Decorative Alterations), (b) a statement from an engineer reasonably approved by Landlord (acting reasonably) stating that the Alteration Work will not adversely affect any Building Systems or the structure of the Property (unless such Alteration Work is only Decorative Alterations); and (c) a detailed description of the proposed Alteration Work. When required, Landlord shall give or withhold its consent within ten (10) days after Tenant’s submission of all materials required under this Section. To the extent any aspect of an Alteration Work affects only the appearance or configuration of the Premises, Landlord’s consent to such aspect shall not be unreasonably

withheld or conditioned. Prior to the commencement of its performance of any Alteration Work (including but not limited to Major Alterations), Tenant shall submit to Landlord copies of all permits required by applicable Laws (if any), certificates of insurance from all contractors and subcontractors naming the Landlord Protected Parties (as hereinafter defined) as additional insureds, and the identities of all architects, engineers, contractors, subcontractors and suppliers to be utilized with respect to such Alteration Work to the extent such contracts or subcontracts have been executed and/or such architects, engineers, contractors, subcontractors and suppliers have been identified.

3. Upon the completion of any Alteration Work, Tenant shall deliver to Landlord unconditional final lien waivers for all work, services and materials incorporated into such Alteration Work, affidavits listing all contractors, subcontractors and suppliers involved in such Alteration Work, "as built" or marked record set drawings for all Major Alterations, a certificate of substantial completion from Tenant's architect or engineer (if applicable), and, to the extent applicable and required, all certificates or other evidence issued by applicable governmental authorities indicating final approval of such Major Alterations or other Alteration Work.

4. All Alteration Work shall be designed by engineers and architects selected by Tenant and shall be performed by contractors, subcontractors and suppliers selected by Tenant (other than that portion of any Alteration Work involving connections to the Building Systems, which shall be performed at Tenant's expense by a contractor designated by Landlord in its sole but reasonable discretion provided that the rates charged to Tenant are the same rates charged to Landlord for similar services). Landlord shall have the right to approve such engineers, architects, contractors, subcontractors and suppliers but such approval shall not be unreasonably withheld, conditioned or delayed. All engineers, architects, contractors, subcontractors and suppliers retained in connection with the Alteration Work shall be duly licensed if and to the extent required and shall perform the tasks for which they are retained in a good, worker like manner so as to maintain harmonious labor relations in the Building and not create any work stoppage, picketing or labor dispute. All materials used in connection with the Alteration Work shall be of a quality comparable to or better than those materials used in the initial construction of the Premises and, in the case of a Major Alteration, shall comport, in all material respects, with the plans and specifications approved by Landlord. During Tenant's performance of any Alteration Work and upon at least forty-eight (48) hours prior notice to Tenant, Landlord shall have the right to inspect same to confirm compliance with the terms and conditions of this Article and, except with respect to Decorative Alterations, with the plans and specifications delivered to and approved by Landlord pursuant to this Article 7.

5. All Alteration Work shall comply with all applicable Laws, the Rules and all of Landlord's reasonable requirements relating to work at the Building regarding insurance, access to the Premises and Building, life safety and protection of property.

6. Tenant shall not be required to pay a supervision fee to Landlord in connection with any Alteration Work, but Tenant shall reimburse Landlord for the actual, reasonable out-of-pocket costs and expenses paid by Landlord to third parties to review any plans and specifications for, or inspection of, any Alteration Work pursuant to Section 7(A)(4) hereof.

7. If Landlord consents to any Alteration Work, the same shall not be deemed a warranty as to the adequacy of the design, workmanship or quality of materials to be used therein, and Landlord hereby expressly disclaims any responsibility or liability for same. Landlord shall under no circumstances have any obligation to repair, maintain, or replace any portion of the Alteration Work unless the need for such repair, replacement or maintenance is due to or arises from the negligence or willful misconduct of Landlord, its agents, employees, contractors or subcontractors.

8. If at any time Tenant proposes to make any Major Alteration or to run cabling, wires or other associated equipment within any risers, conduits, shafts, pipes or ducts in the Building, whether as part of Initial Tenant Work or thereafter during the Term, Landlord shall advise Tenant in writing, at the time that Landlord consents thereto if it is being done as part of a Major Alteration or, within ten (10) business days after Tenant's request, if it is not being done as part of a Major Alteration, whether or not Tenant will be required, at Tenant's expense, to remove such Major Alteration and/or cabling, wires and associated equipment upon expiration of the Term or earlier termination of this Lease. If Landlord fails to expressly consent to such removal or respond to Tenant's request in a timely fashion, Landlord will be deemed to have elected that Tenant will not be required to remove such Major Alteration, and/or any cabling, wires and associated equipment upon the expiration of the Term or earlier termination of this Lease. Any Major Alteration and/or cabling, wires, and associated equipment that Landlord requires (or deemed to have required) Tenant to remove in accordance with this Section shall be removed by Tenant, at Tenant's cost, at or prior to the expiration of the Term or earlier termination of this Lease and Tenant shall repair any damage to the Premises or the Building caused by such removal. Without limiting the foregoing, Tenant shall be required, at Tenant's cost, at or prior to the expiration of the Term to remove any cabling, wires and associated equipment to the extent such removal is required by applicable building codes and other Laws, even if the right to request such removal has not been reserved by Landlord.

9. Except to the extent expressly specified in this Article, Initial Tenant Work shall not be deemed Alteration Work.

**B. Liens.** Tenant shall keep the Property and Premises free from any mechanic's, materialman's or similar liens or encumbrances filed in connection with any Alteration Work performed by Tenant or by anyone (other than Landlord or any affiliate thereof) performing such Alteration Work on behalf or at the request of Tenant and, if any such lien or encumbrance shall be filed, Tenant shall remove any such lien or encumbrance or provide title insurance or bond covering such lien or encumbrance in a form reasonably satisfactory to Landlord within ten (10) business days after Tenant's receipt of notice from Landlord with respect to the existence of such lien or encumbrance. If Tenant shall fail to timely remove, or provide such insurance against or bond over, any such lien or encumbrance, after prior written notice to Tenant that Landlord is intending to do so, Landlord may pay the amount necessary to remove such lien or encumbrance, without being responsible for investigating the validity thereof, and Tenant shall indemnify and hold Landlord harmless from and against any claims, liabilities, judgments and costs (including reasonable attorneys' fees) arising out of Tenant's failure to so remove, insure against or bond over any such liens or encumbrances. The amount paid by Landlord to remove any such lien or encumbrance or otherwise due pursuant to the foregoing indemnity shall be deemed Additional Rent and shall be payable within thirty (30) days after demand.

## **ARTICLE 8**

### **Repairs**

#### **A. Tenant's Obligations.**

1. Except for: (i) the cleaning and trash removal provided by Landlord pursuant to Article 6 hereof; (ii) Landlord's obligation to repair and maintain certain portions and elements of the Building as set forth in Section 8(B) hereof; (iii) Landlord's obligation to repair any damage due to or arising from any acts, omissions or negligence of Landlord or its agents, employees, contractors or subcontractors; (iv) Landlord's obligations with respect to repairs necessitated by fire or other casualty or condemnation pursuant to Articles 9 and 11 hereof; and (v) Landlord's obligation to comply with Laws as set forth in Section 5(B) hereof, Tenant shall keep the Premises in good and sanitary condition, working order and repair, ordinary wear and tear excepted,

(including, without limitation, carpet, wall-coverings, doors, plumbing and other utility systems or equipment (including private restrooms)), installed for Tenant's exclusive use as part of Initial Tenant Work or any Alteration Work. In the event that any repairs, maintenance or replacements in the Premises are required, Tenant shall promptly arrange for the same either through (at Tenant's election): (a) Landlord for such reasonable charges as Landlord may from time to time establish; (b) such contractors as Landlord generally uses at the Property; or (c) such other contractors as Landlord shall first approve in writing (acting reasonably). All repairs, maintenance and replacements shall be performed in a first class, worker like manner. Tenant, with its employees or contractors of its choosing, subject to maintaining labor harmony, may perform all work within the Premises related to painting, furniture moving, light bulb replacement, millwork maintenance, picture hanging and similar minor decorating work without obtaining Landlord's prior consent and without prior notice to Landlord.

2. Subject to the provisions of Section 10(C) hereof, if any damage to the Building outside of the Premises or to any equipment or appurtenance thereto or any part thereof results from any negligent act or omission, willful misconduct or breach of Tenant's obligations under this Lease of or by Tenant or its contractors, subcontractors, agents or employees, Landlord may, at Landlord's option and subject to the provisions of Section 22(F) hereof, make such repairs and replacements or undertake such maintenance at Tenant's cost and expense.

**B. Landlord's Obligations.** Landlord shall keep: (i) the common areas of the Building; (ii) elevators serving the Premises; (iii) the roof of the Building; (iv) exterior plate glass; (v) public restrooms and restrooms used by Tenant in common with other tenants of the Building; (vi) structural elements; (vii) those mechanical, electrical and communications systems, equipment and risers serving the Premises except those systems, equipment and risers installed as part of Initial Tenant Work or Alteration Work for Tenant's exclusive use; (viii) those heating, ventilating and air conditioning systems or equipment serving the Premises except those systems and equipment installed as part of Initial Tenant Work or Alteration Work for Tenant's exclusive use; and (ix) those plumbing and other utility systems or equipment serving the Premises except those systems and equipment installed as part of Initial Tenant Work or Alteration Work for Tenant's exclusive use, in good and sanitary working order, condition and repair, in compliance with all Laws (the cost of which shall be included in Operating Expenses to the extent permitted by Article 3 hereof). Subject to the provisions of Section 10(C) hereof, if any damage to the Premises or to any equipment therein or appurtenance thereto or any part thereof results from any negligent act or omission or willful misconduct by Landlord or its contractors, subcontractors, agents or employees or from the breach of Landlord's obligations under this Lease, Landlord shall undertake at its sole cost and expense all repairs and replacements that are required to address such damage. No promises of Landlord to alter, remodel, improve, repair, decorate or clean the Property or any part thereof have been made, and no representation respecting the condition of the Property or any part thereof has been made to Tenant by or on behalf of Landlord except to the extent expressly set forth in this Lease.

**C. Minimization of Interference.** Whenever Landlord or any person authorized by Landlord shall perform any work required under Section 8(B) hereof, Landlord shall do so, or shall cause such person to do so, diligently and in such a manner as shall minimize interference with Tenant's conduct of its business, provided that this sentence shall not require Landlord to incur additional costs for labor at overtime or premium rates unless such work is necessitated by any negligent act, omission or willful misconduct by Landlord or its contractors, subcontractors, agents or employees or by the breach of Landlord's obligations under this Lease.

**D. Casualty or Condemnation Events.** The provisions of this Article shall not apply in the case of fire or other casualty or condemnation, in which case Article 9 or Article 11 hereof, as the case may be, shall control.

**ARTICLE 9**  
**Casualty Damage**

**A. Casualty.**

1. If the Building or any part of the Property providing access thereto shall be damaged by fire or other occurrence, Landlord shall repair and restore the same unless this Lease is terminated by Landlord or Tenant pursuant to the provisions of this Article. Such restoration of the Building or the Property shall be to substantially the condition existing immediately prior to the fire or other occurrence, except for modifications required by zoning and building codes and other Laws, and except that Landlord shall not be required to repair or replace any of Tenant's furniture, furnishings, movable fixtures, equipment, or personal property or any special installations in the Premises (collectively, "**Tenant's Property**") or any portion of Initial Tenant Work or any Alteration Work. Landlord shall not be liable for any inconvenience or annoyance to Tenant or its visitors, or injury to Tenant's business resulting in any way from such damage or the repair thereof; provided that Landlord shall make such repairs and restoration diligently, promptly (given the nature of the damage to be repaired) and in such a manner as to not, to the extent practicable, unreasonably interfere with Tenant's conduct of its business elsewhere in the Premises. Landlord shall not be required to do such repair or restoration work on an overtime or premium time basis.

2. Landlord shall, within sixty (60) days after the occurrence of any damage to the Building and/or the Property or destruction thereof or thereto resulting from a fire or other occurrence, deliver to Tenant a notice (an "**Anticipated Completion Date Notice**") accompanied by the written opinion of a qualified, experienced and reputable architect not affiliated with Landlord (hereinafter referred to as the "**Casualty Consultant**"), of: (a) the date by which Landlord anticipates being able to substantially complete the repair and restoration of the Building and/or the Property, as applicable, based on good construction practices and without employing labor at overtime or other premium rates, and including reasonably anticipated periods for insurance claim processing and adjustments (the "**Anticipated Completion Date**"); and (b) the period of time required for Tenant to commence and diligently prosecute to completion the repair and restoration of Initial Tenant Work and any other Alteration Work and/or Tenant's Property to substantially the condition existing immediately prior to the fire or other occurrence based on good construction practices and without employing labor at overtime or other premium rates ("**Tenant's Completion Period**").

3. If the Building shall be so damaged or destroyed by fire or other occurrence (whether or not the Premises are damaged or destroyed) such that: (a) it will require a reasonably estimated expenditure of more than twenty percent (20%) of the full insurable value of the Building immediately prior to the fire or other occurrence; or (b) it will take more than nine (9) months to repair or rebuild the portion of the Building so damaged or destroyed, then in either such case Landlord may terminate this Lease by giving Tenant notice to such effect at the same time that Landlord delivers the Anticipated Completion Date Notice.

4. If: (a) more than twenty percent (20%) of the Rentable Area of the Premises is rendered unusable by such fire or other occurrence and (b) either (i) the Anticipated Completion Date set forth in the Anticipated Completion Date Notice is later than nine (9) months after the date of such fire or other occurrence; or (ii) the fire or other occurrence occurs during the last twelve (12) months of the Term and the Anticipated Completion Date set forth in the Anticipated Completion Date Notice is later than the earlier of the Expiration Date or sixty (60) days after the date of such fire or other occurrence, Tenant may elect to terminate this Lease by delivering to Landlord a notice within forty-five (45) days after Tenant receives the Anticipated Completion Date Notice (or within ninety (90) days after the date of such damage or destruction if Landlord shall fail timely to give the Anticipated Completion Date Notice), specifying the date for the termination of this Lease.

5. As used herein, any portion of the Premises shall be deemed “**unusable**” if: (a) such portion of the applicable space is unusable for the normal conduct of Tenant’s business, including, without limitation, any elevator service or inability to use such portion of the Premises as a result of any interruption of electricity, water, HVAC or any other service to be provided by Landlord under this Lease, or any interruption in Tenant’s telecommunications services (including, without limitation, data line, servers, telephone lines or other central or critical components of Tenant’s telecommunications systems), in each case serving such portion of the Premises; or (b) there is no reasonably safe method of ingress to or egress from such space. Any portion of the Premises that is unusable is sometimes hereinafter referred to as the “**Untenantable Space**”.

**B. Repair and Restoration.** Unless this Lease is terminated as provided in Section 9(A) hereof, Landlord shall proceed with reasonable diligence and promptness, given the nature of the damage to be repaired, to repair such damage and restore the Building, all subject to Unavoidable Delays. Notwithstanding any provision in this Lease to the contrary, Landlord shall not be liable for any loss of business, inconvenience or annoyance arising from any repair, restoration or rehabilitation of any portion of the Premises or the Building as a result of any damage from fire or other occurrence.

**C. Rent Abatement.** If the damage or destruction resulting from any fire or other occurrence renders all or any portion of the Premises unusable and if this Lease shall not be terminated pursuant to the foregoing provisions of this Article, Base Rent and all other Rent (including without limitation Tenant’s Tax Payment and Tenant’s Operating Expense Payment) allocable to the Untenantable Space shall abate for the period commencing on the date the Premises or such portion thereof becomes unusable and Tenant ceases to use such space for the normal conduct of its business and continuing until the earlier of: (i) the date on which Tenant shall reoccupy such space for the normal conduct of its business, and (ii) the period of time equal to Tenant’s Completion Period as the same may be extended pursuant to periods of Unavoidable Delays. Notwithstanding the foregoing, if Tenant reoccupies any portion of the Untenantable Space for the continuous, normal conduct of its business, such abatement shall end with respect to such portion of the Untenantable Space.

**D. Rent Adjustments.** If this Lease is terminated pursuant to this Article: (i) Rent shall be apportioned on a per diem basis and be paid to the date of the fire or other occurrence with appropriate adjustment for any portion of the Premises that Tenant continuously occupied for the normal conduct of Tenant’s business from the date of the fire or other occurrence until said termination, and any payments of Rent made by Tenant which were on account of any period subsequent to such date shall be returned to Tenant within thirty (30) days after the termination of this Lease; and (ii) upon the date specified in any notice terminating this Lease, this Lease shall expire and terminate as fully and completely as if such date were the date set forth for the expiration of this Lease.

**E. Restoration of Tenant’s Work.** If this Lease is not terminated pursuant to this Article as a result of such a fire or casualty, Tenant, at its expense, and whether or not its insurance proceeds will be sufficient for such purpose, shall proceed with reasonable diligence to repair, reconstruct or replace the Initial Tenant Work and any Alteration Work.

**F. Sole Remedies.** Landlord and Tenant agree that Landlord’s obligation to restore the Building, Tenant’s obligation to restore the Initial Tenant Work and Alteration Work, the abatement of Rent provided herein and Landlord’s and Tenant’s rights to terminate this Lease, all as set forth in this Article, shall be each party’s sole recourse in the event of damage to or

destruction of the Premises, the Building and/or the Property by fire or other occurrence, and each of Landlord and Tenant waive any other rights either party may have under any applicable Law to terminate this Lease by reason of damage to the Premises or the Property.

## ARTICLE 10

### Insurance, Subrogation, and Waiver of Claims

#### A. Tenant's Insurance.

1. Tenant, at its sole cost and expense, shall maintain in force and effect: (a) commercial property insurance covering, at a minimum, the perils insured under the ISO special cause of loss form, which provides "all risk" coverage, with respect to: (i) Initial Tenant Work and any Alteration Work, together with any other fixtures installed by or on behalf of Tenant in the Building, including, but not limited to, special wall and floor coverings, special lighting fixtures, built-in cabinets and bookshelves; and (ii) Tenant's inventory, contents, furniture, equipment and other personal property of Tenant located in the Premises, in each case for not less than the full replacement cost of such property; (b) commercial general liability insurance covering liability arising in respect of the Premises and the conduct or operation of Tenant's business therein for bodily injury, property damage, advertising injury and personal injury, including products/completed operations and liability assumed under an insured contract (including tort liability of another assumed in a business contract) on an occurrence basis and, to the extent applicable, host liquor liability insurance, with limits of not less than \$5,000,000 combined single limit for bodily injury (including death), or damage or injury to or destruction of property (including the loss of use thereof) for any one occurrence, and in the aggregate, with the aggregate applicable on a per location basis, provided that a portion of such commercial general liability insurance may be provided through an umbrella or excess liability policy so long as at least \$2,000,000 of primary coverage is carried by Tenant; (c) workers' compensation insurance to the extent required by Laws, together with Employers Liability limits of not less than \$1,000,000 per accident and per illness; (d) automobile liability insurance insuring all owned and non-owned and hired automobiles with limits of liability of not less than \$1,000,000 for bodily injury and property damage; and (e) business interruption and/or extra coverage as part of its commercial property insurance (provided that in no event shall Landlord be liable for any business interruption or other consequential loss sustained by Tenant, whether or not it is insured by Tenant, even if such loss is caused by the negligence of Landlord, its employees, officers, directors or agents). Landlord may periodically require that Tenant reasonably increase the aforementioned coverages and limits of liability on a basis consistent with the insurance required to be maintained by comparable tenants in the Comparable Buildings.

2. Tenant's commercial general liability policy shall include Landlord, those of its members of whose identity Tenant has received notice, from time to time, their respective directors, officers, employees and agents (including the Building's managing agent) and any mortgagees of the Building whose names and addresses shall have been previously provided to Tenant (the "**Landlord Protected Parties**") as additional insureds and the insurance shall be primary to and non-contributory with any insurance maintained by such additional insureds.

3. Tenant shall deliver to Landlord certificates of insurance evidencing such coverage (and showing the Landlord Protected Parties as additional insureds) prior to taking possession of the Premises (including any possession to perform any Initial Tenant Work). Thereafter, Tenant shall endeavor to deliver to Landlord certificates of insurance evidencing Tenant's insurance coverage (and showing Landlord Protected Parties as additional insureds) at least thirty (30) days prior to the expiration date of any such policy and shall deliver such certificate, in any event, at least ten (10) days prior to such expiration date. All such insurance policies shall contain a provision that the insurer will endeavor to provide at least thirty (30) days prior written notification to Landlord prior to cancellation of such policies.

**B. Landlord's Insurance.** Landlord agrees to purchase and keep in force and effect: (i) policies of insurance covering loss or damage to the Building and that portion of the tenant improvements therein paid for by Landlord (specifically excluding, however, the cost of any Initial Tenant Work and any other tenant improvement work or Alteration Work in the Premises) in an amount and in form and substance (including applicable deductibles) reasonably acceptable to Landlord and its mortgagee, and (ii) commercial general liability insurance applicable to the Building and the common areas in amounts and coverages and deductibles as reasonably determined by Landlord and any mortgagee of Landlord.

**C. General Provisions of Insurance.**

1. Except as provided herein to the contrary, any insurance carried by Landlord or Tenant shall be for the sole benefit of the party carrying such insurance (or its assignee). Any insurance policies required hereunder may be "blanket policies" and/or umbrella policies issued to, as applicable: (x) Tenant and covering the Premises and other properties owned or leased by Tenant or its Affiliates; or (y) Landlord and covering the Building and/or the Property and other properties owned or leased by Landlord or its Affiliates, provided that such policies otherwise; (a) comply with the provisions of this Lease; (b) expressly allocate to the Premises, the Building and/or the Property, as applicable, the specified coverage, without possibility of reduction of the amounts payable with respect to the Premises, the Building or the Property, as applicable, below the levels required by this Article, except that, with respect to Landlord's commercial property insurance, such policies may contain a per occurrence loss limit that is less than the aggregate full replacement cost of all properties insured thereunder so long as such per occurrence loss limit is not less than the coverage required hereunder with respect to the Building. If the insurance required by this Lease shall be effected by any such blanket or umbrella policies, the party maintaining such blanket or umbrella policy shall furnish to the other from time to time upon request reasonable evidence of valid current coverage; provided that any person or persons receiving or reviewing such evidence of insurance on behalf of the requesting party shall by so doing be deemed to have agreed to hold same in confidence, provided that such person may disclose such information to Tenant or Landlord, any persons within such person's organization, and such other parties as may be reasonably necessary to determine whether such blanket or umbrella policy satisfies the terms and conditions of this Lease.

2. All insurance required hereunder shall be provided by insurers that are licensed and approved to conduct business in Illinois or authorized to write insurance in Illinois with a minimum Best rating of "A-VII" or "Excellent" or the equivalent.

3. Landlord and Tenant hereby agree to look solely to, and seek recovery only from, their respective insurance carriers in the event of a property loss to the extent that such coverage is agreed to be provided hereunder. For this purpose, any applicable deductible or self-insured amount shall be treated as though it were recoverable under such policies.

4. Landlord agrees that, if obtainable, it will include in its commercial property insurance and commercial general liability insurance policy or policies appropriate clauses pursuant to which the insurance companies: (a) waive all right of subrogation against Tenant and its subtenants and assigns with respect to losses payable under such policies, notwithstanding that such losses may result from the negligence or fault of Tenant, its servants, agents, employees, subtenants or assigns; and (b) agree that such policies shall not be invalidated should the insured waive in writing prior to a loss any or all right of recovery against any party for losses covered by such policies. Landlord further waives any claims it may have against Tenant to recover from

Tenant (except to the extent a portion thereof is includable in Operating Expenses under Article 3) any deductible or self-insured amounts required to be paid by Landlord under such policy or policies notwithstanding that such amounts may have been payable as a result of the negligence or fault of Tenant, its servants, agents or employees.

5. Tenant agrees that, if obtainable, it will include in its commercial property insurance and commercial general liability insurance policy or policies appropriate clauses pursuant to which the insurance companies: (a) waive the right of subrogation against Landlord and any other tenant of space in the Building with respect to losses payable under such policy or policies notwithstanding that such loss or damage may result from the negligence or fault of Landlord, its servants, agents or employees, or such other tenant and/or the servants, agents or employees thereof; and (b) agree that such policy or policies shall not be invalidated should the insured waive in writing prior to a loss any or all right of recovery against any party for losses covered by such policy or policies. Tenant further waives any claims it may have against Landlord to recover from Landlord any deductible or self-insured amounts required to be paid by Tenant under such policy or policies notwithstanding that such amounts may have been payable as a result of the negligence or fault of Landlord, its servants, agents or employees.

6. Landlord and Tenant hereby agree to advise the other promptly if the clauses to be included in their respective insurance policies pursuant to this Section cannot be obtained. Landlord and Tenant hereby also agree to notify each other promptly of any cancellation or change of the terms of any such policy which would affect such clauses.

7. Upon request from the other party from time to time, Landlord and Tenant shall provide the requesting party with a certificate of insurance or other reasonable evidence that Landlord or Tenant, as applicable, has in place the insurance required of it hereunder.

## **ARTICLE 11**

### **Condemnation**

**A. Total Taking.** If the whole of the Premises shall be lawfully taken or condemned by any governmental authority for any public or quasi public use or purpose, upon the date of title vesting in such proceeding, the Term shall terminate as fully and completely as if such date were the date set forth herein for the expiration of this Lease and Tenant shall forthwith quit, surrender and vacate the Premises without prejudice however to each of Landlord's and Tenant's rights and remedies against each other for any obligations under the provisions of this Lease which accrued prior to such termination, and any Rent owing shall be paid up to such date and any payments of Rent made by Tenant which were on account of any period subsequent to such date shall be returned to Tenant within thirty (30) days after the termination of this Lease.

**B. Partial Taking.** If only a part of the Premises shall be so taken or condemned (such part being hereinafter the "Partial Taking Premises"): (1) upon the date of title vesting in such proceeding, the Term shall terminate with respect to the Partial Taking Premises and Tenant shall forthwith quit, surrender and vacate the Partial Taking Premises without prejudice, however, to each of Landlord's and Tenant's rights and remedies against the other for any obligations under the provisions of this Lease in effect with respect to the Partial Taking Premises which accrued prior to such termination, and any Rent owing in respect of the Partial Taking Premises shall be paid up to such date and any payments of Rent in respect of the Partial Taking Premises made by Tenant which were on account of any period subsequent to such date shall within thirty (30) days after the termination of this Lease with respect to the Partial Taking Premises be returned to Tenant; and (2) except as provided in Section 11(C) below, this Lease shall continue in full force and effect with respect to the balance of the Premises and from and after the date of such taking the Rent shall be reduced by the amount attributable to the Partial Taking Premises.

**C. Termination Rights.** If the Partial Taking Premises shall be more than twenty percent (20%) of the Premises, or if any other portion of the Building or the Land shall be taken or condemned which causes more than twenty percent (20%) of the Premises to be untenable, Tenant shall have the right to terminate this Lease by giving to Landlord, within sixty (60) days following the date on which Tenant shall have received notice of the vesting of title, notice specifying a date for the termination thereof. Upon the date specified in such notice the Term shall terminate as fully and completely as if such date were the date set forth herein for the expiration of this Lease, and Tenant shall forthwith quit, surrender and vacate the Premises without prejudice, however, to each of Landlord's and Tenant's rights and remedies against the other under the provisions of this Lease in effect prior to such termination. Any Rent owing shall be paid up to such date and any payments of Rent made by Tenant which were on account of any period subsequent to such date shall be returned to Tenant within thirty (30) days after the termination of this Lease.

**D. Interest in Awards.** Notwithstanding any termination of the Lease, in the case of either a partial or complete taking or condemnation of the Premises, Tenant shall have the right to make an independent claim to the condemning authority for (i) Tenant's moving expenses (if available under applicable Law), and (ii) Tenant's personal property, trade fixtures and equipment, provided that Tenant is entitled pursuant to the terms of this Lease to remove such property, trade fixtures and equipment at the end of the Term. Tenant shall have no right to make any such claim with respect to the value of the unexpired portion of the Term of this Lease or the Initial Tenant Work or the Alteration Work, all of which shall be deemed to be Landlord's property

**E. Temporary Taking.** If the temporary use or occupancy of all or any part of the Premises shall be lawfully taken or condemned by any governmental authority for any public or quasi-public use or purpose during the Term (any such taking being herein called a "**temporary taking**"), then (i) this Lease shall be and remain unaffected by such taking, except that Base Rent and Additional Rent shall be proportionately abated with respect to the period for which all or any portion of the Premises is so taken, (ii) Tenant shall be entitled, except as hereinafter set forth, to receive that portion of the award for such temporary taking which represents compensation for the use and occupancy of the Premises (except to the extent that Base Rent and Additional Rent shall have been abated), for the temporary taking of any improvements to the Premises made by or at the direction of Tenant, Tenant's personal property, trade fixtures and equipment and for moving expenses and (iii) Landlord shall be entitled to receive that portion of the award, if any, for such temporary taking which represents reimbursement for the rental abatement given Tenant as a result of such temporary taking and for the cost of restoring the Premises, but only to the extent Landlord is obligated to pay such cost, pursuant to Section 11(F) hereof. If the period of temporary use or occupancy shall extend beyond the Expiration Date, that part of the award which represents compensation for the use and occupancy of the Premises (or a part thereof) shall be divided between Landlord and Tenant so that Tenant shall receive so much thereof as represents the period up to and including such Expiration Date and Landlord shall receive so much thereof as represents the period after such Expiration Date.

**F. Restoration.** If any part of the Building or the Premises shall be acquired or condemned by eminent domain for any public or quasi-public use or purpose (including, without limitation, any temporary taking) and this Lease is not terminated as a result thereof, (i) Landlord, at its expense shall proceed with reasonable diligence to repair any damage to any portion of the Building not so taken and restore such portion of the Building to substantially its former condition, to the extent that the same may be feasible and so as to constitute an architecturally complete Building and cause the Premises to be ready for the installation of tenant improvements, and to enable Tenant to occupy the Premises, subject to completion therein of any required restoration of Initial Tenant Work and any other tenant improvement work or Alteration Work in the Premises by Tenant, and (ii) Tenant, at its expense, and whether or not any award or awards will be sufficient

for the purpose, shall proceed with reasonable diligence to repair any damage to any portion of the Initial Tenant Work not so taken and restore such portion of the Initial Tenant Work to substantially its former condition, to the extent that the same may be feasible.

## **ARTICLE 12**

### **Return of Possession**

At the expiration or earlier termination of this Lease or Tenant's right of possession, Tenant shall surrender possession of the Premises in good condition, ordinary wear and tear and damage by fire, other occurrence or condemnation which Tenant is not obligated to repair excepted, and shall surrender all keys and any key cards, to Landlord, and advise Landlord as to the combination of any locks or vaults then remaining in the Premises, and shall remove all of Tenant's trade fixtures and personal property. All improvements and fixtures in or upon the Premises (except trade fixtures and personal property belonging to Tenant and except Alteration Work that is so removed by Tenant prior to the termination or expiration of this Lease) that are not removed by Tenant prior to the termination or expiration of this Lease, whether installed by Tenant or Landlord, shall be Landlord's property and shall remain upon the Premises, all without compensation, allowance or credit to Tenant. Any trade fixtures and personal property of Tenant not removed from the Premises on or before the expiration or earlier termination of the Term shall be conclusively presumed to have been abandoned and conveyed by Tenant to Landlord without payment by Landlord or warranty of representation by Tenant unless Tenant removes such items within ten (10) days after demand therefor by Landlord. Notwithstanding anything to the contrary contained herein, any and all leasehold improvements which are a part of Initial Tenant Work or any Alteration Work shall be the property of Landlord and shall not be removed by Tenant upon surrender of possession of the Premises, except to the extent removal of any portion of Initial Tenant Work or Alteration Work is required as provided in Article 7. Except as expressly provided to the contrary in this Article 12 or in Article 7 Tenant shall have no obligation to pay any amounts to Landlord for the demolition, removal or restoration of the leasehold improvements in the Premises following the expiration or termination of this Lease.

## **ARTICLE 13**

### **Holding Over**

Unless Landlord expressly agrees otherwise in writing, if Tenant shall retain possession of the Premises or any part thereof after the expiration or earlier termination of this Lease, Tenant shall pay Landlord (i) for the first sixty (60) days of such holding over, one hundred fifty percent (150%) of the Base Rent and Additional Rent applicable immediately prior thereto and (ii) for the period from and after the sixty-first (61<sup>st</sup>) day of such holding over, two hundred percent (200%) of such Base Rent and Additional Rent, in each case prorated on a per diem basis for each day of such holding over. In addition, if such holding over exceeds sixty (60) days, Tenant shall also be liable to Landlord for all direct and/or consequential damages, costs and expenses incurred as a result of such holdover, including without limitation any losses from Landlord's inability to timely fulfill its obligations to any subsequent tenants of the Premises or portions thereof. The foregoing provisions shall not serve as permission for Tenant to holdover, nor serve to extend the Term (although after commencement of said holdover Tenant shall remain bound to comply with all provisions of this Lease until Tenant vacates the Premises, and shall be subject to the provisions of Article 12 hereof). Tenant shall not be entitled to any renewal, right of first offer or expansion rights contained in this Lease or in any amendments hereto during any such holdover period. The provisions of this Section shall not operate as a waiver by Landlord of any right of re-entry herein provided.

---

## **ARTICLE 14**

### **No Waiver**

No provision of this Lease will be deemed waived by either Landlord or Tenant unless such waiver is express and is set forth in a written document signed by Landlord or Tenant, as the case may be. No waiver shall be implied by delay or any other act or omission of either Landlord or Tenant. No waiver by either Landlord or Tenant of any provision of this Lease shall be deemed a waiver of such provision with respect to any subsequent matter relating to such provision, and the consent or approval of Landlord or Tenant, as applicable, respecting any action by Tenant or Landlord, as applicable, shall not constitute a waiver of any requirement for obtaining the consent or approval respecting any subsequent action. Payment of Rent by Tenant or acceptance thereof by Landlord shall not constitute a waiver of any breach by Landlord or Tenant, as applicable, of any term or provision of this Lease. No acceptance of a lesser amount than the Rent herein stipulated shall be deemed a waiver of Landlord's right to receive the full amount due, nor shall any endorsement or statement on any check or payment or any letter accompanying such check or payment be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the full amount due. The acceptance of Rent or of the performance of any other term or provision from any person or entity other than Tenant, including any Transferee (as hereinafter defined), shall not constitute a waiver of any right that Landlord may have hereunder to approve any Transfer (as hereinafter defined).

## **ARTICLE 15**

### **Attorneys' Fees and Jury Trial**

In the event of any litigation between Landlord and Tenant, the prevailing party shall be entitled to obtain, as part of the judgment, all reasonable attorneys' fees, costs and expenses incurred in connection with such litigation, except as may be limited by applicable Law. In the interest of obtaining a speedier and less costly hearing of any dispute, Landlord and Tenant hereby each irrevocably waive the right to trial by jury in any action, proceeding or counterclaim brought by either of them against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, or Tenant's use or occupancy of the Premises.

## **ARTICLE 16**

### **Personal Property Taxes, Rent Taxes and Other Taxes**

Tenant shall pay prior to delinquency all taxes, charges or other governmental impositions assessed against or levied upon Tenant's fixtures, furnishings, equipment and personal property located in the Premises. Whenever possible, Tenant shall cause all such items to be assessed and billed separately from the property of Landlord. In the event any such items shall be assessed and billed with the property of Landlord, Tenant shall pay Landlord its share of such taxes, charges or other governmental impositions within thirty (30) days after Landlord delivers to Tenant a statement and a copy of the assessment or other documentation showing the amount of such impositions applicable to Tenant's property. Tenant shall pay any sales tax, service tax, transfer tax, value added tax, or any other applicable tax on the services herein or otherwise respecting this Lease, to the extent such taxes are not included in Taxes or Operating Expenses pursuant to Article 3 hereof, provided that in no event will Tenant pay any taxes attributable to any income received by Landlord or any other taxes or impositions on Landlord or the Building to the extent such taxes or impositions are expressly excluded from Taxes and Operating Expenses pursuant to Article 3 hereof.

**ARTICLE 17**  
**Entry by Landlord**

Landlord may enter the Premises at all reasonable times (and Tenant shall have the right to have its representative present) as long as Landlord provides Tenant with reasonable prior notice thereof of at least one business day (except in the case of an emergency in which case Landlord shall attempt to notify Tenant as promptly as practicable but no notice shall be required) and coordinates such entry with Tenant so as not to unreasonably disrupt Tenant's business to: (A) inspect the same; (B) exhibit the same to prospective purchasers, mortgagees or tenants; (C) supply janitorial and other services to be provided by Landlord to Tenant under this Lease; (D) perform such maintenance or make such repairs in or to the Building or the Premises as Landlord is required to perform or make pursuant to the terms hereof; and (E) make such improvements to any portion of the Building other than the Premises as Landlord desires to make, and for such purposes enter upon the Premises, provided that same do not violate any provision of this Lease. All such work shall be done by Landlord as expeditiously as reasonably possible and so as to cause as little interference to Tenant as is reasonably practicable. Tenant waives any claim for special or consequential damages of whatever kind for any injury to, or unreasonable inconvenience or unreasonable interference with, Tenant's business, occupancy or quiet enjoyment of the Premises. Landlord shall at all times have and retain a key with which to unlock all of the doors in, on or about the Premises (excluding Tenant's vaults, safes and similar areas designated from time to time by Tenant in writing to Landlord), and Landlord shall have the right to use reasonable means to open such doors to obtain entry to the Premises, and any entry to the Premises obtained by Landlord by any such means shall not under any circumstances be deemed or construed to be a forcible or unlawful entry into or a detainer of the Premises or an eviction, actual or constructive, of Tenant from any part of the Premises. Such entry by Landlord shall not act as a termination of Tenant's obligations under this Lease.

**ARTICLE 18**  
**Subordination and Attornment**

**A. Subordination.** Tenant agrees that this Lease and the rights of Tenant hereunder are and shall be subject and subordinate to: (i) all existing or future mortgages, deeds of trust, ground leases or master leases encumbering all or any part of the Property; (ii) all past and future advances made thereunder; and (iii) all renewals, modifications, replacements and extensions of any such mortgages, deeds of trust, ground leases or master leases ("**Superior Mortgage**" or "**Superior Lease**"), with each mortgagee or lessor thereunder being referred to as a "**Superior Mortgagee**" or "**Superior Lessor**", as the case may be). Any Superior Mortgagee and any Superior Lessor shall have the right to elect, by written notice given to Tenant, to have this Lease made superior in whole or in part to its own Superior Mortgage or Superior Lease. If more than one Superior Mortgagee or Superior Lessor sends conflicting notices, those of the more senior Superior Mortgagee or Superior Lessor will control. Tenant has on the date hereof executed and delivered to Landlord a subordination, non-disturbance and attornment agreement ("**SNDA**") in the form required by Landlord's existing Superior Mortgagee and Landlord shall cause such SNDA to be executed and delivered back to Tenant by such Superior Mortgagee promptly after the date hereof. With respect to any Superior Mortgage or Superior Lease entered into after the date hereof, Landlord shall, as a condition to Tenant's subordination to any such Superior Mortgage or Superior Lease, obtain a subordination, non-disturbance and attornment agreement from the applicable Superior Mortgagee or Superior Lessor on such party's standard form.

**B. Attornment.** If the interest of Landlord under this Lease shall be transferred to any Superior Mortgagee under a Superior Mortgage or Superior Lessor under a Superior Lease, or other purchaser or person taking title to the Property by reason of the foreclosure of any Superior Mortgage or deed in lieu of foreclosure or termination of any Superior Lease (any such person

being sometimes referred to as “**Successor Landlord**”), Tenant shall be bound to such Successor Landlord under all of the terms, covenants and conditions of this Lease for the balance of the Term remaining and any extensions or renewals thereof which may be effected in accordance with any option therefor in this Lease, with the same force and effect as if the Successor Landlord were the landlord under this Lease. If requested to do so, Tenant shall enter into a new Lease for the balance of the Term upon the same terms and conditions of this Lease. Tenant shall attorn to and recognize as Tenant’s landlord under this Lease such Successor Landlord, said attornment to be effective and self-operative without the execution of any further instruments upon the Successor Landlord’s succeeding to the interest of Landlord under this Lease and assuming the obligations of Landlord hereunder.

## **ARTICLE 19**

### **Estoppel Certificate**

Tenant agrees that, from time to time within ten (10) business days’ upon written request by Landlord, Tenant shall execute and deliver to Landlord a written certificate certifying: (i) that this Lease is unmodified and in full force and effect (or if there have been modifications, a description of such modifications and that this Lease as modified is in full force and effect); (ii) the dates to which Rent has been paid; (iii) that Tenant is in possession of the Premises, if that is the case; (iv) that Landlord is not in default under this Lease, or, if Tenant believes Landlord is in default, the nature thereof in detail; (v) that Tenant has no off-sets or defenses to the performance of its obligations under this Lease (or if Tenant believes there are any off-sets or defenses, a full and complete explanation thereof); and (vi) such additional matters as may be requested by Landlord, it being agreed that such certificate may be relied upon by any prospective purchaser, mortgagee or other person having or acquiring an interest in the Building.

## **ARTICLE 20**

### **Assignment and Subletting**

#### **A. Transfers.**

1. Except as otherwise provided in this Article, Tenant shall not have the right, without the prior written consent of Landlord, to: (a) mortgage, pledge, hypothecate, encumber, permit any lien to attach to, or otherwise transfer, directly or indirectly, this Lease or any interest hereunder, by operation of law or otherwise; (b) assign this Lease or sublet the Premises or any part thereof; or (c) otherwise permit the use of the Premises by any persons other than Tenant (each of the foregoing is herein sometimes referred to as a “**Transfer**” and any person to whom any Transfer is made or sought to be made is herein sometimes referred to as a “**Transferee**”).

2. If Tenant desires to consummate any Transfer (other than a Permitted Transfer) with respect to which Landlord’s consent is required pursuant to the terms hereof, Tenant shall notify Landlord in writing of the material terms and conditions of such Transfer (each a “**Transfer Request**”) including, without limitation: (a) the proposed effective date of such Transfer (which shall not be less than fifteen (15) business days after the date of the Transfer Request); (b) in the case of a sublease, the portion of the Premises proposed to be Transferred (the “**Subject Space**”); (c) the proposed rent or other consideration therefor; and (d) the name and address of the proposed Transferee. The Transfer Request shall be accompanied by a copy of the proposed document or documents effecting the proposed Transfer and, in the case of an assignment, the most recent financial statements of the proposed Transferee. Such financial statements shall be certified by an officer, partner, owner or independent auditor of the proposed Transferee, to the extent certified statements are available to Tenant. Tenant shall also submit to Landlord such other information regarding the proposed Transfer and the proposed Transferee as Landlord may reasonably request. Any Transfer made in violation of this Article shall, at Landlord’s option, be deemed null, void and of no effect, and/or shall constitute a Default (as hereinafter defined).

## B. Approval.

1. Subject to Landlord's right to recapture under Section 20(E), if applicable, Landlord shall not unreasonably withhold or condition or delay its consent to any proposed Transfer. Within ten (10) business days after delivery of any Transfer Request, Landlord shall: (a) grant consent to the proposed Transfer; or (b) notify Tenant that Landlord withholds its consent to the proposed Transfer, which notice shall specify Landlord's reasons for withholding such consent.

2. Tenant agrees that Landlord shall be acting reasonably in withholding its consent, when such consent is required hereunder, if any one or more of the following applies: (a) the Transferee is of a character or reputation or engaged in a business which will damage the reputation of the Building or is inconsistent with the type of tenants found in Comparable Buildings; (b) the Transferee intends to use the Premises or any portion thereof for purposes which are not permitted under this Lease; (c) the Transferee is a governmental or quasi-governmental agency or instrumentality; (d) there exists an Event of Default at the time Tenant requests consent to the proposed Transfer; or (e) the Transferee is not a party of reasonable financial worth and/or financial stability in light of the responsibilities to be undertaken in connection with the Transfer on the date consent is requested.

3. Tenant agrees to pay to Landlord, within thirty (30) days after demand therefor, the actual, reasonable, out-of-pocket legal, architectural and engineering costs incurred by Landlord in connection with any Transfer (other than a Permitted Transfer) requested by Tenant, not to exceed \$1,500 per request, whether or not Landlord consents thereto.

**C. Transfer Premium.** If Landlord consents to any Transfer (other than a Permitted Transfer), Tenant, contemporaneously with Tenant's delivery of a fully executed duplicate original of the document or documents effecting such Transfer, shall deliver to Landlord a certification (the "**Transfer Premium Certificate**") of the amount of any consideration to be received by Tenant that is attributable to such Transfer. Except in the case of a Permitted Transfer, Tenant shall pay to Landlord fifty percent (50%) of any Net Transfer Premium (as hereinafter defined) within thirty (30) days after same is received and collected by Tenant from time to time. As used herein, "**Net Transfer Premium**" shall mean, with respect to any Transfer, the amount of any consideration received from any Transferee in consideration for such Transfer less: (i) in the case of a subletting, all Rent payable under this Lease in respect of the Subject Space during the term of such sublease; and (ii) Transfer Costs (as hereinafter defined). As used herein, "**Transfer Costs**" with respect to any Transfer shall mean: (a) any allowances or other economic concessions (including free rent periods); (b) costs of alterations made to the Premises (including without limitation costs of dividing the Premises and creating common corridors); (c) brokerage commissions; (d) advertising and marketing costs; and (e) reasonable legal, architectural, and engineering costs paid or incurred by Tenant (whether incurred directly by Tenant or reimbursed by Tenant to Landlord or other parties). If part of the consideration for such Transfer shall be payable other than in cash, Landlord's share of such non-cash consideration shall be in such form as is reasonably satisfactory to Landlord and to Tenant.

**D. Subordination of Subleases.** Any sublease hereunder shall be subject and subordinate to the provisions of this Lease, and if this Lease shall be terminated during the term of any sublease, Landlord shall have the right to: (i) treat such sublease as having been canceled effective as of the date this Lease shall terminate and if such subtenant shall fail to vacate the Subject Space on or before such date, to repossess the Subject Space by any lawful means; or

(ii) require that such subtenant attorn to and recognize Landlord as its landlord under any such sublease. If there exists an Event of Default, Landlord is hereby irrevocably authorized, as Tenant's agent, to deliver a notice to any Transferee (with a copy to Tenant), directing such Transferee to make all payments under or in connection with the Transfer directly to Landlord (which payment or payments Landlord shall apply first to any Rent then due and payable to Landlord, then to any arrears under this Lease, and any excess in such payment over Tenant's then current obligations or arrears shall be promptly delivered to Tenant) until such time as such Transferee receives notice from either Landlord or Tenant that such Event of Default has been cured (and Landlord and Tenant each agree that a copy of such notice shall be simultaneously delivered to the other party).

**E. Landlord's Recapture Right.** Except with respect to Permitted Transfers, in the event Tenant at any time desires to assign this Lease or to sublet any portion of the Premises and if such sublease would cause more than fifty percent (50%) of the Premises to be subject to subleases for all or substantially all of the remainder of the Term, Landlord shall have the right, to be exercised by giving written notice to Tenant within thirty (30) days after receipt of Tenant's notice requesting Landlord's exercise or waiver of such right, to recapture the space then proposed to be assigned or sublet as described in Tenant's notice and such recapture notice shall, if given, cancel and terminate this Lease with respect to the space therein described as of the effective date of such assignment or sublease as stated in Tenant's notice, provided that Tenant may rescind its request within five (5) business days of receipt of Landlord's notice in which event Landlord's option to recapture the space shall not be operative. Tenant's notice may be given prior to Tenant locating an assignee or subtenant. If Landlord fails to so notify Tenant with such 30-day period, Landlord shall be deemed to have elected not to exercise such recapture right and Tenant may, after obtaining Landlord's approval thereof to the extent required in Section 20(B), enter into an assignment or sublease as specified in Tenant's notice not later than nine (9) months after the giving of Tenant's notice or, if Tenant fails to do so, such recapture right shall be reinstated. If Tenant's notice shall cover all of the Premises, and Landlord shall have exercised its foregoing recapture right, the Term of this Lease shall expire and end on the date stated in Tenant's notice as fully and completely as if the date had been herein definitely fixed for the expiration of the Term. If, however, this Lease shall be cancelled with respect to less than the entire Premises, Base Rent and Tenant's Pro Rata Share shall be adjusted to reflect only those portions of the Premises retained by Tenant as described in this Lease, and this Lease as so amended shall continue thereafter in full force and effect.

**F. Non-Waiver.** The consent by Landlord to any Transfer shall not relieve Tenant, or any person claiming through or by Tenant, of the obligation to obtain the consent of Landlord, pursuant to this Article, to any further Transfer (other than a Permitted Transfer). Landlord's collection of Rent from any Transferee during the continuance of an Event of Default in accordance with the provisions of Section 20(D) hereof shall not be deemed a waiver of any of Landlord's rights under this Article, an acceptance of such Transferee as Tenant, or a release of Tenant from the performance of Tenant's obligations under this Lease. No Transfer (including without limitation any Permitted Transfer) shall release or discharge Tenant of or from any liability, whether past, present or future, under this Lease, and Tenant shall continue to be fully liable hereunder (but Tenant shall not be liable for any additional obligations under any amendment to or modifications of this Lease by any Transferee unless consented to in writing by Tenant).

**G. Permitted Transfers.**

1. Notwithstanding anything contained in this Lease to the contrary, Tenant shall have the right, without Landlord's prior consent, to assign this Lease or any interest herein to, sublease all or any portion of the Premises to or permit the use of all or any portion of the Premises by: (i) any successor to Tenant or any Permitted Transferee resulting from a merger,

reorganization, consolidation, sale of assets or other transaction with Tenant; or (ii) any Affiliate of Tenant or any Permitted Transferee (each of the foregoing is herein sometimes referred to as a “**Permitted Transfer**” and any person or entity to whom any Permitted Transfer is made is herein sometimes referred to as a “**Permitted Transferee**”). As used herein, an “**Affiliate**” shall mean a person or entity that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with Tenant (“**control**” being interpreted as the ownership of more than ten percent (10%) of the interests in such entity or the possession of the power to direct the management and policies of such entity or the distribution of its profits).

2. Tenant shall notify Landlord of a Permitted Transfer as soon as reasonably possible (and in no event later than the effective date thereof), and such notice shall include information establishing the relationship between Tenant and the Permitted Transferee. Notwithstanding anything contained in this Section to the contrary: (a) no Permitted Transfer shall violate any of the conditions set forth in Sections 20(B)(2)(b) and (c) hereof; (b) any assignee of this Lease shall expressly assume all of Tenant’s obligations and liabilities hereunder to thereafter be performed without releasing Tenant; (c) any sublease shall by its terms be expressly subordinate to all of the terms, covenants and conditions of this Lease; and (d) Tenant shall deliver to Landlord on or prior to the effective date an original executed copy of all documentation effecting such Transfer.

## **ARTICLE 21**

### **Certain Rights Reserved By Landlord**

Landlord shall have the following rights, exercisable without notice (except as herein expressly provided) and without effecting an eviction, constructive or actual, of Tenant’s possession of the Premises, giving rise to any claim for set-off or abatement of Rent and without being liable to Tenant (except insofar as same constitutes a breach of an express provision of this Lease or, subject to Section 10(C) hereof, involves the negligence or willful misconduct of Landlord):

**A.** To change the name of the Building or the Building’s street address.

**B.** To install, affix and maintain any and all signs on the exterior and interior of the Building.

**C.** To reasonably approve, prior to installation, all types of window shades, blinds, drapes and similar window coverings, which approval shall not be unreasonably withheld, conditioned or delayed.

**D.** To reasonably approve, prior to installation, all internal lighting that may be visible from the exterior of the Building, which approval shall not be unreasonably withheld, conditioned or delayed.

**E.** To decorate or to make alterations, additions or improvements, structural or otherwise, in or to the Property or any part thereof, provided that access to the Premises or the Building is not materially and permanently adversely affected thereby. In connection with such matters, Landlord may, subject to the provisions of Article 17 hereof, enter upon the Premises and take into and upon or through the Premises all materials required to make such repairs, maintenance, alterations or improvements (provided that there shall be no staging of materials in or from the Premises), and may close public entry ways, other public areas, restrooms, stairways or corridors. Landlord shall take all reasonable steps to minimize any interference with Tenant’s operations resulting from any actions taken by Landlord under this Section. Landlord agrees to promptly repair any damage and restore the Premises to their condition prior to the actions taken pursuant to this Section.

**F.** To have and retain paramount title to the Premises and the Property free and clear of any act of Tenant purporting to burden or encumber it.

**G.** Subject to Tenant's Right of First Refusal set forth in this Lease, to lease space in the Property to any person or entity.

**H.** To grant to anyone the exclusive right to use any portion of the Property for any specified purpose, provided that any such exclusive right shall not operate to exclude Tenant from the office uses and related uses expressly permitted in Article 5 hereof and to reserve to Landlord the exclusive right to reasonably control and reasonably regulate any business and any service being rendered within the Building to its tenants.

**I.** To approve (which approval shall not be unreasonably withheld) the weight, size and location of safes and other heavy equipment and bulky articles in and about the Premises and the Building (so as not to overload the floors of the Premises), and to require all such items to be moved into and out of the Building and Premises only at such times and in such manner as Landlord shall reasonably direct in writing. Subject to the waiver of subrogation set forth in Section 10(C) hereof, any damages done to the Building, the Premises or to other tenants in the Building by Tenant in the course of moving safes, furniture and other items, or from overloading floors in any way, shall be paid by Tenant. Furniture, boxes, merchandise or other bulky articles shall be transported within the Building only upon or by vehicles equipped with rubber tires and shall be carried only in the freight elevators and in the case of bulk deliveries at such times as the management of the Building shall require pursuant to reasonable rules promulgated and consistently applied to all tenants of the Building. Movements of Tenant's property into or out of the Building and within the Property are entirely at the risk and responsibility of Tenant, and Landlord reserves the right to require a permit before allowing any such property to be moved out of the Building, which permit shall be in a form prepared by Landlord and reasonably acceptable to Tenant, executed by Tenant's representative, and used for the sole purpose of preventing the unauthorized removal from the Building of Landlord's property or the property of any tenant of the Building.

**J.** To close the Building after normal working hours and on Saturdays, Sundays and holidays subject, however, to Tenant's right to admittance as set forth herein under such reasonable regulations as Landlord may prescribe from time to time, which may include by way of example but not of limitation, that persons entering or leaving the Building identify themselves to Building personnel by registration or otherwise and that said persons establish their right to enter or leave the Building. Notwithstanding the foregoing, Tenant, subject to the other terms and conditions hereof (and subject to any emergency, fire or other occurrence, or other situation beyond the reasonable control of Landlord), shall have access to the Building and the Premises twenty-four (24) hours per day, seven days per week, fifty-two weeks per year, and services shall be delivered to the Premises at all times and to the extent described in Article 6 hereof.

**K.** To limit or prevent access to the Property, shut down elevator service, activate elevator emergency controls, or otherwise take such action or preventative measures deemed necessary by Landlord for the safety of tenants or other occupants of the Property or the protection of the Property and other property located thereon or therein, in case of fire, invasion, insurrection, riot, war or other condition that poses a material threat to the health or safety of the tenants or the other occupants of the Property, or the material threat thereof.

L. To install and maintain pipes, ducts, conduits, wires and structural elements in the Premises which serve other parts of the Building provided that: (i) such installations and maintenance shall not unreasonably interfere with the ability of Tenant to conduct its business during normal working hours; (ii) any damage caused thereby to the Premises or Tenant's property is promptly repaired and the Premises restored to the condition existing prior to such installation or maintenance, all at Landlord's expense; and (iii) all installations shall be made behind walls or above hung ceilings.

Landlord may exercise any or all of the foregoing rights hereby reserved, subject at all times to the provisions of Article 6 hereof (to the extent applicable).

## **ARTICLE 22**

### **Landlord's Remedies**

**A. Default.** The occurrence of any one or more of the following events shall constitute a "**Default**" by Tenant, which if not cured within any applicable time permitted for cure herein, shall constitute an "**Event of Default**" by Tenant which shall give rise to Landlord's remedies set forth in Section 22(B) hereof: (i) failure by Tenant to make when due any payment of Rent, unless such failure is cured within ten (10) days after Landlord shall have delivered to Tenant a notice specifying such default; (ii) failure by Tenant to observe or perform any of the terms or conditions of this Lease or the Rules to be observed or performed by tenant other than as specified in clauses (i) or (viii) of this paragraph, unless such failure is cured within thirty (30) days after Landlord shall have delivered to Tenant a notice specifying such failure (provided that, if the nature of Tenant's failure is such that more time is reasonably required to cure same or Tenant is delayed in or prevented from effecting such cure due to Unavoidable Delay, an Event of Default shall not exist if Tenant commences such cure within said thirty (30) day period and thereafter diligently pursues such cure to completion and in fact effects said cure within an additional period of ninety (90) days); (iii) the making by Tenant of any general assignment for the benefit of creditors; (iv) the filing by or against Tenant of a petition to have Tenant adjudged a bankrupt under any bankruptcy or insolvency law, or the filing by or against Tenant under the arrangement or insolvency provisions of the United States Bankruptcy Code or under the provisions of any Law of like import (unless, in the case of an involuntary petition filed against Tenant, the same is dismissed within ninety (90) days); (v) appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located on the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within ninety (90) days; (vi) attachment, execution or other judicial seizure of substantially all of Tenant's assets located on the Premises or of Tenant's interest in this Lease; (vii) Tenant's insolvency or admission of an inability to pay its debts as they mature; or (viii) there occurs a Transfer of this Lease, or the Premises or any part thereof, in violation of Article 20 hereof.

The notice and cure periods provided herein are in lieu of, and not in addition to, any notice and cure periods provided by Law. To the extent that any of the foregoing notice periods provided for in this Article are greater than the notice periods required under any Law, such greater notice periods provided for herein shall substitute for such shorter notice periods required under such Law, and, to the extent not prohibited by such Law, any notices given pursuant to the terms hereof shall be deemed the notice required by any such Law.

### **B. Remedies.**

1. If an Event of Default occurs, Landlord shall have, in addition to those rights and remedies described in Section 22(C) hereof, the rights and remedies hereinafter set forth, any and all of which may be, except as otherwise expressly provided herein, exercised with or without further notice and with or without demand whatsoever, concurrently or successively, and at such time or times and in such order as Landlord may from time to time determine:

a) Landlord may terminate this Lease and Tenant's right to possession of the Premises and repossess the Premises by detainer suit, summary proceedings or other lawful means, and recover from Tenant as damages an amount of money equal to the sum of:

(i) any accrued and unpaid Rent as of the date this Lease is terminated including interest at the Default Rate (as hereinafter defined) on any accrued and unpaid amount from the time due until the time paid, and

(ii) as liquidated damages for Tenant's obligations under the Lease for unpaid Rent which would have accrued after the date this Lease is terminated, the net present value of any unpaid Rent which would have accrued after the date this Lease terminated during the balance of this Term, less the net present value of the current market rate for the Premises for such period, after deducting from the current market rate for the Premises the Costs of Re-letting (as hereinafter defined) for such balance of the Term (such net amount not to be less than zero in any event, it being the intention of the parties that Landlord shall have no obligation to pay to Tenant or to offset against other sums Tenant owes to Landlord the excess, if any, of the net present value of current market rate over the net present value of said unpaid Rent).

For purposes of computing the amount of Rent herein that would have accrued after the date this Lease is terminated, Tenant's Tax Payments and Tenant's Operating Expense Payments, shall be projected, based upon the average rate of increase, if any, in such items from the Commencement Date through the date this Lease is terminated. Net present value shall be computed on the basis of a discount rate equal to the then-current yield on United States Treasury obligations having a maturity approximately equal to the residue of the Term as reasonably determined by Landlord.

b) Landlord may terminate Tenant's right of possession and repossess the Premises by detainer suit, summary proceedings or other lawful means, without terminating this Lease (and if applicable Law permits, and Landlord shall not have expressly terminated this Lease in writing, any termination shall be deemed a termination of Tenant's right of possession only), and recover from Tenant as damages an amount of money equal to the sum of:

(i) any accrued and unpaid Rent as of the date possession is terminated, including interest at the Default Rate on any accrued and unpaid amount from the time due until the time paid, and

(ii) sums equal to unpaid Rent reserved hereunder, payable on the due dates specified herein commencing on the date possession is terminated and ending on the then current Expiration Date, less any Base Re-Letting Proceeds (as hereinafter defined) received by Landlord during such period.

2. Landlord may bring suit or suits for the recovery of Landlord's damages, or any installments thereof, from time to time as the same accrue or after the same have accrued, and no suit or recovery of any portion due hereunder shall be deemed a waiver of Landlord's right to collect all amounts to which Landlord is entitled hereunder, nor shall the same serve as any defense to any subsequent suit brought for any amount not theretofore reduced to judgment.

3. Without limiting the generality of Section 22(B)(1) hereof, an election by Landlord to terminate Tenant's right to possession with respect to the Premises or exercise any one or more of its other rights and remedies, without terminating this Lease, shall not preclude a subsequent election by Landlord to terminate this Lease.

**C. Cumulative Remedies.** Except as otherwise expressly specified herein, Landlord shall have all of the rights and remedies available at law and in equity in addition to those rights and remedies specified herein, including without limitation the right to seek any declaratory, injunctive or other equitable relief.

**D. Interest.** Any damages payable pursuant to this Article that are not paid when due shall accrue interest from the due date at the Default Rate, until payment is received by Landlord. Such interest payments shall not be deemed consent by Landlord to late payments, nor a waiver of Landlord's right to insist upon timely payments at any time, nor a waiver of any remedies to which Landlord is entitled as a result of the late payment of such damages.

**E. Certain Definitions.** For purposes hereof:

1. The term "**Base Re-Letting Proceeds**" shall mean the total amount of rent and other consideration paid by any Replacement Tenants, less all Costs of Re-Letting. If the Premises shall be re-let in combination with other space, then Base Re-Letting Proceeds shall be apportioned on a square foot of Rentable Area basis.

2. The term "**Costs of Re-Letting**" shall include without limitation, all reasonable costs and expenses incurred by Landlord for any repairs, maintenance, changes, alterations and improvements to the Premises, brokerage commissions and reasonable attorneys' fees required to enter into leases with Replacement Tenants, amortized over the terms of such leases to such Replacement Tenants with interest at the Default Rate (as defined below). Such Costs of Re-Letting shall be apportioned between costs and expenses allocable to the remaining balance of the Term (or, in the event of a subsequent termination of this Lease, what would have been the balance of the Term but for such termination) and the costs and expenses allocable to such portion of the term of the Replacement Tenant's lease that extends beyond the remaining balance of the Term (or what would have been the remaining balance of the Term).

3. The term "**Replacement Tenants**" shall mean any person or entity to whom Landlord re-lets the Premises or any portion thereof pursuant to this Article provided that if such person is an affiliate of Landlord or such re-letting is not an arm's-length transaction, rent with respect to such lease shall be deemed the greater of: (a) the rent actually paid by such person; or (b) the current market rate for the applicable space.

4. The term "**Default Rate**" shall mean the lower of: (a) the sum of: (i) the rate per annum equal to the prime rate of interest announced from time to time by JPMorgan Chase Bank, N.A. in Chicago, Illinois, or any successor as its corporate prime or base rate of interest (such rate to change from time to time as and when such corporate prime or base rate changes); plus (ii) two percent (2%); or (b) the highest rate permitted by applicable Law.

**F. Landlord Action.** If Tenant at any time fails to make any payment or perform any other act on its part to be paid or performed under this Lease following notice and the expiration of any applicable grace or cure period (or in the case of an emergency immediately), Landlord may, but shall not be obligated to, make such payment or perform such other act to the extent Landlord may deem desirable after delivering to Tenant an additional notice (except in the event of an emergency, in which case no additional notice shall be required) stating in **BOLD PRINT** that if Tenant shall fail to make such payment or perform such act within seven (7) days after Landlord delivers such notice, Landlord shall make such payment or perform such act, which notice shall identify with reasonable specificity the nature of the payments or acts to be made or performed by

Landlord, if applicable, any contractors to be engaged by Landlord (including a copy of the cost or bid proposal submitted to Landlord by such contractor (which proposal shall be the lowest of at least two bids obtained by Landlord from reputable union contractors capable of performing first-class work)). Tenant shall promptly reimburse Landlord within twenty (20) business days after demand for all reasonable actual, out-of-pocket expenses (including, without limitation, reasonable counsel's fees and expenses) incurred in connection with Landlord's payment or performance of Tenant's obligations, and all such sums shall be deemed Additional Rent hereunder.

**G. Other Matters.** No re-entry or repossession, repairs, changes, alterations and additions, re-letting, acceptance of keys from Tenant, or any other action or omission by Landlord shall be construed as an election by Landlord to terminate this Lease or Tenant's right to possession, or accept a surrender of the Premises, nor shall the same operate to release Tenant in whole or in part from any of Tenant's obligations hereunder, unless express notice of such intention is sent by Landlord or its agent to Tenant. To the fullest extent permitted by Law, all rent and other consideration paid by any Replacement Tenant shall be applied: first, to the Costs of Re-Letting apportionable to the Premises and allocable to the remaining balance of the Term (or what would have been the balance of the Term but for termination of this Lease pursuant to this Article), second, to the payment of any Rent payable prior to the date Landlord recovers possession of the Premises from Tenant; third, to the damages payable by Tenant to Landlord pursuant to this Article, as the same become due, and any remaining sums shall be retained by Landlord. Landlord may apply payments received from Tenant to any obligations of Tenant then accrued, without regard to such obligations as may be designated by Tenant. The times set forth herein for the curing of Events of Default by Tenant are of the essence of this Lease. Tenant hereby irrevocably waives any right otherwise available under any Law to redeem or reinstate this Lease.

**H. Duty to Mitigate.** Landlord shall use commercially reasonable efforts to mitigate its damages by attempting to re-let all or any part of the Premises to a Replacement Tenant, for such rent and upon such terms as shall be satisfactory to Landlord (including the right to re-let the Premises or a portion thereof for a term greater or lesser than that remaining under the Term of this Lease, the right to re-let the Premises as a part of a larger area and the right to change the character or use made of the Premises). For the purpose of such re-letting, Landlord shall have the right to decorate or to make any repairs, changes, alterations or additions in or to the Premises that may be necessary in connection with any re-letting or proposed re-letting to any Replacement Tenant.

## **ARTICLE 23**

### **Landlord Default**

#### **A. Landlord Default.**

1. The occurrence of any one or more of the following events shall constitute a default by Landlord (a "**Landlord Default**"), which if not cured within any applicable time permitted for cure below, shall constitute a "**Landlord Event of Default**" and shall give rise to Tenant's remedies set forth in Section 23(B) hereof: (i) failure by Landlord to make when due any payment to Tenant, unless such failure is cured within ten (10) days after Tenant shall have delivered to Landlord a notice specifying such Landlord Default; or (ii) failure by Landlord to observe or perform any of the terms or conditions of this Lease to be observed or performed by Landlord other than the payment of money, unless such failure is cured within thirty (30) days after Tenant shall have delivered to Landlord a notice specifying such failure (provided that, if the nature of Landlord's failure is such that more time is reasonably required to cure same or Landlord is delayed in or prevented from effecting such cure due to Unavoidable Delay, a Landlord Event of Default shall not be deemed to have occurred if Landlord commences such cure within said thirty (30) day period and thereafter diligently pursues such cure to completion and in fact effects said cure within such time as shall reasonably be necessary).

2. The notice and cure periods provided herein are in lieu of, and not in addition to, any notice and cure periods provided by Law. To the extent that any of the foregoing notice periods provided for in this Article are greater than the notice periods required under any Law, such greater notice periods provided for herein shall substitute for such shorter notice periods required under such Law, and, to the extent not prohibited by such Law, any notices given pursuant to the terms hereof shall be deemed the notice required by any such Law.

**B. Remedies.** If a Landlord Event of Default occurs, except as otherwise expressly specified herein, Tenant shall have all of the rights and remedies available at law and in equity including without limitation the right to seek any declaratory, injunctive or other equitable relief, any and all of which may be exercised, except as otherwise expressly provided herein, with or without further notice and with or without demand whatsoever, concurrently or successively, and at such time or times and in such order as Tenant may from time to time determine.

**C. Interest.** Any amounts payable to Tenant under this Lease that are not paid prior to the expiration of any applicable notice and grace period shall accrue interest from the due date at the Default Rate until payment is received by Tenant. Such interest payments shall not be deemed consent by Tenant to late payments, nor a waiver of Tenant's right to insist upon timely payments at any time, nor a waiver of any remedies to which Tenant is entitled as a result of the late payment of such damages.

**D. Notice to Superior Mortgagees and Superior Lessors.** Tenant agrees to deliver to any Superior Mortgagee or Superior Lessor a copy of any notice of Landlord Default concurrently with and in the same manner that such notice is delivered to Landlord, provided that prior to the time that Tenant intends to give such notice Tenant has been notified of the name and address of such Superior Mortgagee or Superior Lessor (such party with respect to which Tenant has been so notified, a "**Notified Party**"). Tenant further agrees that the Notified Party shall have until the expiration of any cure period granted to Landlord hereunder with respect to such Landlord Default to cure same plus any additional period provided for in any SNDA or other agreement between Tenant and such Notified Party. Until the time allowed, as aforesaid, for the Notified Party to cure the Landlord Default has expired without cure, Tenant shall have no right to, and shall not, exercise remedies otherwise available to it in respect thereof, provided that nothing herein shall diminish Tenant's right to any rent abatements described in this Lease, or the rights of Tenant provided in this Article.

## ARTICLE 24

### Conveyance by Landlord; Liability of Landlord and Tenant

**A.** If Landlord ("**Existing Landlord**") shall convey or otherwise transfer the Building or the Property to a bona-fide, independent third-party, person or entity ("**Landlord's Transferee**"), effective upon the date of such conveyance or transfer: (i) Landlord's Transferee shall become landlord hereunder and shall be deemed to have fully assumed and be liable for all obligations of this Lease to be performed by Existing Landlord which first arise after such date, except that Landlord's Transferee shall be obligated to cure any default of Existing Landlord under this Lease that is continuing after such date; (ii) Tenant shall attorn to Landlord's Transferee; and (iii) Existing Landlord shall, thereafter, be free of all liabilities and obligations hereunder which first arise after such date. Nothing herein shall be construed to restrict or prevent any conveyance or transfer by Existing Landlord.

**B.** It is expressly understood and agreed by Tenant that any liability of Landlord for damages for breach or nonperformance by Landlord of Landlord's covenants, undertakings or agreements or otherwise arising under this Lease or in connection with the relationship of Landlord and Tenant hereunder, shall be collectible only out of Landlord's interest in the Property, proceeds from the conveyance or other transfer of the Land and/or the Building or proceeds of insurance or a condemnation (or if Landlord is the beneficiary of a land trust, Landlord's right, title and interest in such land trust), in each case as the same may then be encumbered (as long as any loan is from a lender that is not an affiliate of Landlord), and no personal liability is assumed by, nor at any time may be asserted against, Landlord's members or its other owners, direct or remote, all such liability, if any, being expressly waived and released by Tenant. Similarly, none of the members or other owners of the Landlord Protected Parties shall have any personal liability herein. Tenant further expressly understands and agrees that if any instrument involving the Building is executed by an agent, member or representative of Landlord or its agent ("**Landlord's Agent**") on behalf of Landlord, Landlord's Agent will be executing such instrument, not in its own right but solely as Landlord's agent and that nothing in this Lease shall be construed as creating any liability whatsoever against such Landlord's Agent, its owners, direct and remote, and their respective directors, officers or employees and in particular, without limiting the generality of the foregoing, there shall be no liability of Landlord's Agent to pay any indebtedness or sum accruing thereunder, or to perform any covenant or agreement whether express or implied therein contained, it being agreed that Landlord shall have sole responsibility therefor. Nothing contained herein shall constitute a waiver or release of any of Landlord's obligations under this Lease or limit the right of Tenant to name any current, former, or future partner, principal, officer, director, member or employee of Landlord as a party in any action or suit by Tenant against Landlord to the extent that applicable state Law or court rules or procedures require Tenant to name such partner, principal, officer, director, member or employee (rather than the Landlord entity) as parties to obtain a judgment against, or proceed against, Landlord or Landlord's assets; provided, however, that no judgment resulting from any such suit or action shall be enforced against Landlord or any such partner, principal, officer, director, member or employee personally or against any of its assets (other than Landlord's interest in the Property, proceeds from the conveyance or other transfer of the Land and/or the Building or proceeds of insurance or a condemnation (or if Landlord is the beneficiary of a land trust, Landlord's right, title and interest in such land trust), in each case as the same may then be encumbered, as long as any loan is from a lender that is not an affiliate of Landlord).

## **ARTICLE 25**

### **Waiver; Indemnification**

#### **A. Mutual Waivers.**

1. To the extent permitted by Law, Tenant waives and releases the Landlord Protected Parties, Landlord's Agent, and Landlord's contractors, subcontractors and servants from all claims for damage to property and injuries to persons sustained by Tenant or any occupant of the Building or Premises relating to: (a) the Building or Premises or any part of either or any equipment or appurtenance becoming out of repair; (b) any accident in or about the Building; or (c) directly or indirectly, any act or neglect of any tenant or occupant of the Building or of any other person but the foregoing shall not be deemed to release any Landlord Protected Parties, Landlord's Agent or Landlord's contractors, subcontractors or servants from their own negligence or willful misconduct (except as waived under Section 10(C) hereof) or from any breach of the provisions of this Lease.

2. To the extent permitted by Law, Landlord waives and releases Tenant and Tenant's agents, contractors, subcontractors, servants, subtenants and assignees from all claims for damage to property and injuries to persons sustained by Landlord or any occupant of the

Building or Premises relating to: (a) the Premises or any equipment therein or appurtenance thereto becoming out of repair; (b) any accident in or about the Building; or (c) directly or indirectly, any act or neglect of any tenant or occupant of the Building or of any other person but the foregoing shall not be deemed to release any of Tenant and Tenant's agents, contractors, subcontractors, servants, subtenants or assignees from their own negligence or willful misconduct (except as waived under Section 10(C) hereof) or from any breach of the provisions of this Lease.

3. This Section shall apply especially, but not exclusively, to damage caused by the flooding of basements or other subsurface areas, refrigerators, sprinkling devices, air-conditioning apparatus, water, snow, frost, steam, excessive heat or cold, falling plaster, broken glass, sewage, gas, odors or noise, or the bursting or leaking of pipes or plumbing fixtures, and shall apply equally whether the damage results from the act or neglect of other tenants of the Building or of any other person and whether that damage caused or resulted from any thing or circumstance above mentioned or referred to, or any other thing or circumstance, whether of a like or of a wholly different nature.

**B. Tenant's Property.** All property situated in the Building or the Premises and belonging to Tenant, its agents, contractors, subcontractors, employees or invitees or any occupant of the Premises shall be situated there at the risk of Tenant or such other person only, and Landlord shall not be liable for damage, theft, misappropriation or loss of that property, unless such damage, theft, misappropriation or loss is due to any negligent act or omission, willful misconduct or breach of Landlord's obligations under this Lease subject to the provisions of Section 10(C) hereof.

**C. Tenant Indemnity.** Subject to the provisions of Section 10(C) hereof, Tenant shall protect, defend, indemnify and hold harmless the Landlord Protected Parties from and against any and all claims, demands, liabilities, damages, judgments, orders, decrees, actions, proceedings, fines, penalties, losses, costs and expenses (including, without limitation, court costs and reasonable attorneys' fees and expenses) (collectively, "**Damages**") suffered by a Landlord Protected Party directly or by reason of any claim, suit or judgment brought against such Landlord Protected Party to the extent arising out of or attributable to any negligent act or omission or willful misconduct of Tenant, its agents, employees, contractors or subcontractors or any breach of Tenant's obligations under this Lease with respect to Tenant's leasing of or operations in the Premises, including, but not limited to, bodily injury (including death) or property damage. If any claim for Damages is asserted or any such action is brought, Landlord shall give Tenant prompt notice thereof and Tenant shall resist and defend such claim, action or proceeding by counsel approved by Landlord or the applicable Landlord Protected Party (such approval not to be unreasonably withheld, conditioned or delayed); however, Tenant shall not be liable for the costs of any separate counsel employed by any Landlord Protected Party. Landlord hereby approves any counsel designated by Tenant's insurance carrier. If it shall be finally determined by a court of competent jurisdiction that, pursuant to the foregoing provisions of this Section, Tenant is or was not required to indemnify or hold harmless any Landlord Protected Party from any such claim, action or judgment for Damages, Landlord shall (or shall cause the applicable Landlord Protected Party to) reimburse Tenant for all or such portion of the costs and expenses incurred by Tenant (or its insurance carrier) under this Section on account thereof plus interest at the Default Rate on such costs and expenses. Without limiting the generality of the foregoing, Tenant specifically acknowledges that the indemnity herein shall apply to claims in connection with or arising out of any Alteration Work and the installation, maintenance, use or removal of any cabling. Notwithstanding the foregoing, Tenant shall not be obligated to indemnify a Landlord Protected Party against such party's own negligence or willful misconduct or breach of such party's obligations under this Lease. Tenant's obligations and liabilities pursuant to this Section shall survive the expiration or earlier termination of this Lease.

**D. Landlord Indemnity.** Subject to Section 10(C) hereof, Landlord shall protect, defend, indemnify and hold harmless Tenant, its partners, Affiliates and subsidiaries and their respective principals, officers, directors, members, employees, agents, contractors, subcontractors, and invitees (each, an “**Indemnified Tenant Party**”) from and against any and all Damages suffered by the Indemnified Tenant Party directly or by reason of any Landlord Default claim, suit, or judgment brought against such Indemnified Tenant Party and arising out of or attributable to any negligent act or omission or willful misconduct of Landlord, its agents, employees, contractors or subcontractors or any breach of Landlord’s obligations under this Lease with respect to the ownership, construction, equipping, installation or management of the Building, the Land and any common areas or parking facilities located thereon, including, but not limited to, bodily injury (including death) or property damage. If any claim for Damages is asserted or any such action is brought, Tenant shall give Landlord prompt notice thereof and Landlord shall resist and defend such claim, action or proceeding by counsel approved by Tenant or the applicable Indemnified Tenant Party (such approval not to be unreasonably withheld, conditioned or delayed); however, Landlord shall not be liable for the costs of any separate counsel employed by any Indemnified Tenant Party. Tenant hereby approves any counsel designated by Landlord’s insurance carrier. If it shall be finally determined by a court of competent jurisdiction that pursuant to the foregoing provisions of this Section, Landlord is or was not required to indemnify or hold harmless any Indemnified Tenant Party from any such claim, action or judgment for Damages, Tenant shall (or shall cause the applicable Indemnified Tenant Party) to reimburse Landlord for all or such portion of the costs and expenses incurred by Landlord (or its insurance carrier) under this Section on account thereof plus interest at the Default Rate on such costs and expenses. Notwithstanding the foregoing, Landlord shall not be obligated to indemnify any Indemnified Tenant Party for any Damages caused by such party’s negligence or willful misconduct or breach of such party’s obligations under this Lease. Landlord’s obligations and liabilities pursuant to this Section shall survive the expiration or earlier termination of this Lease.

## **ARTICLE 26**

### **Security Deposit**

Tenant shall deposit a security deposit (the “**Security Deposit**”) with Landlord as security for the prompt, full and faithful performance by Tenant of each and every provision of the Lease and of all obligations of Tenant hereunder in the Security Deposit Amount (as defined below). The Security Deposit shall be delivered not later than the date of execution of this Lease in the initial Security Deposit Amount. Unless an Event of Default has occurred and is then continuing, the Security Deposit shall be decreased to the lower Security Deposit Amounts on the dates described below.

1. The term “**Security Deposit Amount**” as used herein shall mean Four Hundred Eighty-Seven Thousand Five Hundred Dollars (\$487,500) on the date of this Lease, with such Security Deposit Amounts being reduced to the following amounts on the following dates so long as no Event of Default exists on the date of any such scheduled reduction: (i) Three Hundred Ninety Thousand Dollars (\$390,000) on the first anniversary of the Commencement Date, (ii) Two Hundred Ninety-Two Thousand Five Hundred Dollars (\$292,500) on the second anniversary of the Commencement Date, (iii) One Hundred Ninety-Five Thousand Dollars (\$195,000) on the third anniversary of the Commencement Date, and (iv) Ninety-Seven Thousand Five Hundred Dollars (\$97,500) on the fourth anniversary of the Commencement Date.

2. If an Event of Default by Tenant then exists under the Lease, Landlord may use, apply or retain the whole or any part of the Security Deposit which is necessary for the payment of: (i) any Rent or other sums of money which Tenant may not have paid when due after any applicable cure period; (ii) any sum expended by Landlord on behalf of Tenant in accordance with the provisions of the Lease; or (iii) any sum which Landlord may expend or be required to

expend by reason of any Event of Default under the Lease by Tenant, including, without limitation, any damage or deficiency in or from the reletting of the Premises as provided in Article 22 of the Lease. The use, application or retention of the Security Deposit, or any portion thereof, by Landlord shall not prevent Landlord from exercising any other right or remedy provided by the Lease or by law (it being intended that Landlord shall not first be required to proceed against the Security Deposit) and shall not operate as a limitation on any recovery to which Landlord may otherwise be entitled. If any portion of the Security Deposit is used, applied or retained by Landlord for the purposes set forth above, Tenant agrees, within ten (10) days after the written demand therefor is made by Landlord, deposit cash security with Landlord in an amount sufficient to restore the then-current required Security Deposit Amount.

3. If Tenant shall fully and faithfully comply with all of the provisions of the Lease, the Security Deposit shall be promptly returned to Tenant without interest after the expiration or termination of the Term, whether pursuant to Articles 9 or 11 or otherwise, or upon any later date after which Tenant has vacated the Premises. In the absence of evidence satisfactory to Landlord of any permitted assignment of the right to receive the Security Deposit, Landlord may return the same to the original Tenant, regardless of one or more assignments of Tenant's interest in the Lease or the Security Deposit. In such event, upon the return of the Security Deposit to the original Tenant, Landlord shall be completely relieved of liability under this Article 26 or otherwise with respect to the Security Deposit.

4. Tenant acknowledges that Landlord has the right to transfer its interest in the Building and in the Lease as to the extent set forth herein and Tenant agrees that if such a transfer occurs, Landlord shall have the right to transfer or assign the Security Deposit to the transferee. Upon such transfer or assignment and delivery of the Security Deposit to the transferee and such transferee's written assumption of responsibility for the return of the Security Deposit to Tenant, Landlord shall thereby be released by Tenant from all liability or obligation for the return of such Security Deposit and Tenant shall look solely to such transferee for the return of the Security Deposit.

5. The Security Deposit may be in the form of a Letter of Credit (as defined below). If Tenant initially deposits a cash security deposit, Tenant may later replace such cash security deposit with a Letter of Credit. The term "**Letter of Credit**" as used herein shall mean an irrevocable, unconditional standby letter of credit in a form reasonably satisfactory to Landlord, with either an initial expiration date no earlier than ninety (90) days after the Expiration Date or an automatic renewal provision as described below, issued by a national banking association reasonably acceptable to Landlord having an office in Chicago (the "**Issuing Bank**"), which Letter of Credit shall be payable to Landlord upon demand made in the City of Chicago pursuant to presentation of an unconditional sight draft with a statement by Landlord that Landlord is entitled to draw thereunder pursuant to the terms of this Lease. With respect to any scheduled decreases in the Security Deposit Amount, Landlord shall accept an amendment to or replacement of the Letter of Credit reflecting such decrease within ten (10) business days after the applicable date, provided all conditions to such decrease have been satisfied. Unless the stated expiration date of the Letter of Credit is at least ninety (90) days after the Expiration Date, the Letter of Credit shall be automatically renewed unless the Issuing Bank shall deliver to Landlord a notice of non-renewal no later than thirty (30) days prior to the expiration of the Letter of Credit. In the event that the Issuing Bank has not timely renewed the Letter of Credit, Landlord shall be entitled to draw the full amount of the Letter of Credit and hold the same as a cash security deposit, subject to the same terms and conditions of this Article 26.

**ARTICLE 27**

**ARTICLE 28**  
**Real Estate Brokers**

Landlord and Tenant each represents that it has dealt only with CBRE, Inc. (“**Landlord’s Broker**”) and with Advocate Commercial Real Estate Advisors, LLC (“**Tenant’s Broker**”) as broker, agent, consultant or finder in connection with this Lease. Landlord agrees to pay to Landlord’s Broker and Tenant’s Broker all amounts owing to Landlord’s Broker and Tenant’s Broker in respect of the consummation of this Lease pursuant to separate commission agreements between Landlord and Landlord’s Broker and Tenant’s Broker. Landlord agrees to indemnify and hold Tenant harmless from all damages, judgments, liabilities and expenses (including, without limitation, reasonable attorneys’ fees) arising from any claims or demands of any broker, agent, consultant or finder with whom Landlord has dealt for any commission or fee alleged to be due in connection with its participation in the procurement of Tenant or the negotiation of this Lease. Tenant agrees to indemnify and hold Landlord harmless from all damages, judgments, liabilities and expenses (including, without limitation, reasonable attorneys’ fees) arising from any claims or demands of any broker, agent, consultant or finder, other than Landlord’s Broker and Tenant’s Broker, with whom Tenant has dealt for any commission or fee alleged to be due in connection with its participation in the procurement of Tenant or the negotiation of this Lease.

**ARTICLE 29**  
**Covenant of Quiet Enjoyment**

Landlord covenants and agrees that Tenant, on paying the Rent and on keeping, observing and performing all of the other terms, covenants, conditions, provisions and agreements herein contained on the part of Tenant to be kept, observed and performed, shall, during the Term, peaceably and quietly have, hold and enjoy the Premises subject to the terms, covenants, conditions, provisions and agreements hereof, free from hindrance by Landlord or any person claiming by, through or under Landlord.

**ARTICLE 30**  
**Miscellaneous**

**A. Binding.** Each of the terms and provisions of this Lease shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, executors, administrators, guardians, custodians, successors and assigns, subject to the provisions of Articles 20 and 24 hereof.

**B. No Recording.** Landlord and Tenant agree that this Lease shall not be recorded with the Recorder of Deeds of Cook County, Illinois.

**C. Laws.** This Lease shall be construed in accordance with the Laws of the State of Illinois. Landlord and Tenant hereby submit to the jurisdiction of the courts in and for the County of Cook, State of Illinois and each agrees that any action by Tenant against Landlord or Landlord against Tenant, as the case may be, shall be instituted in the County of Cook, State of Illinois and that Landlord shall have personal jurisdiction over Tenant for any action brought by Landlord against Tenant, and Tenant shall have personal jurisdiction over Landlord for any action brought by Tenant against Landlord in the County of Cook, State of Illinois.

**D. Air.** This Lease does not grant any legal rights to “light and air” outside of the Premises nor to any particular view or cityscape visible from the Premises.

**E. Amendments.** This Lease and the Exhibits hereto shall not be amended, changed or modified in any way except in writing executed by Landlord and Tenant.

**F. Survival of Obligations.** Any obligations of Landlord and Tenant accruing prior to the expiration of this Lease shall survive the expiration or earlier termination of this Lease, and Landlord and Tenant shall promptly perform all such obligations whether or not this Lease has expired or been terminated.

**G. No Joint Venture.** Nothing contained in this Lease shall be deemed or construed by the parties to this Lease, or by any third party, to create the relationship of principal and agent, partnership, joint venture, or any association between Landlord and Tenant, it being expressly understood and agreed that neither the method of computation of rent nor any other provisions contained in this Lease nor any acts of the parties to this Lease shall be deemed to create any relationship between Landlord and Tenant other than the relationship of landlord and tenant.

**H. Interpretation.** Landlord and Tenant each acknowledge that it has read and reviewed this Lease and that it has had the opportunity to confer with counsel in the negotiation of this Lease. Accordingly, this Lease shall be construed neither for nor against Landlord or Tenant notwithstanding the party which drafted same, but shall be given a fair and reasonable interpretation in accordance with the meaning of its terms and the intent of the parties.

**I. Independent Covenants.** Except as expressly provided herein with respect to offset and abatement, each covenant, agreement, obligation or other provision of this Lease to be performed by Tenant, including without limitation the obligation to pay Base Rent and the obligation to pay Taxes and Operating Expenses, is a separate and independent covenant of Tenant, and is not dependent on any other provision of the Lease.

**J. Time of Essence.** Time is of the essence of this Lease and each of its provisions.

**K. Exhibits.** The Exhibits set forth in the Table of Contents or otherwise attached hereto are incorporated into this Lease by reference and made a part hereof.

**L. Full Agreement.** This Lease and the Exhibits contain all of the terms and agreements between Landlord and Tenant relating to the matters set forth herein and no prior or contemporaneous agreement or understanding pertaining to the same shall be of any force or effect, except any such contemporaneous agreement specifically referring to and modifying this Lease which is signed by Landlord and Tenant. Without limitation as to the generality of the foregoing, Tenant hereby acknowledges and agrees that Landlord's leasing agents and field personnel are only authorized to show the Premises and negotiate terms and conditions for leases subject to Landlord's final approval, and are not authorized to make any agreements or representations or create any binding understandings or obligations, respecting the condition of the Premises or Property, the suitability of the same for Tenant's business, or any other matter, and no agreements, representations, understandings or obligations not expressly contained herein or in such contemporaneous agreement shall be of any force or effect.

**M. Financial Statements.** From time to time upon written request from Landlord, but no more than twice per each calendar year, Tenant agrees to provide its most recent annual consolidated financial statements, including a consolidated balance sheet, income statement and statement of cash flows, of Tenant for any fiscal year of Tenant. Such financial statements may, at Tenant's option, be prepared in accordance with generally accepted accounting principles, consistently applied, and shall be certified by the chief financial officer or chief accounting officer of Tenant. Landlord shall execute a customary confidentiality letter in connection with the delivery of such financial statements, which shall permit Landlord to share such statements with its partners and lenders.

**N. Captions and Severability.** The captions of the Articles and Sections of this Lease are for convenience of reference only and shall not be considered or referred to in resolving questions of interpretation. If any term or provision of this Lease shall be found invalid, void, illegal or unenforceable with respect to any party hereto by a court of competent jurisdiction, it shall not affect, impair or invalidate any other terms or provisions hereof, or its enforceability with respect to the other party, the parties hereto agreeing that they would have entered into the remaining portion of this Lease notwithstanding the omission of the portion or portions adjudged invalid, void, illegal or unenforceable.

**O. Tenant and Landlord Authority.** Tenant represents and warrants that this Lease has been duly authorized, executed and delivered by and on behalf of Tenant and constitutes the valid and binding agreement of Tenant in accordance with its terms. Landlord represents and warrants that this Lease has been duly authorized, executed and delivered by and on behalf of Landlord and constitutes the valid and binding agreement of Landlord in accordance with its terms.

**P. Intentionally Omitted.**

**Q. OFAC.** Landlord advises Tenant hereby that the purpose of this Section is to provide to the Landlord information and assurances to enable Landlord to comply with the law relating to OFAC.

Tenant hereby represents, warrants and covenants to Landlord, either that (i) Tenant is regulated by the SEC, FINRA or the Federal Reserve (a “**Regulated Entity**”) or (ii) neither Tenant nor any person or entity that directly or indirectly (a) controls Tenant or (b) has an ownership interest in Tenant of twenty-five percent (25%) or more, appears on the list of Specially Designated Nationals and Blocked Persons (“**OFAC List**”) published by the Office of Foreign Assets Control (“**OFAC**”) of the U.S. Department of the Treasury.

If, in connection with this Lease, there is one or more guarantors of Tenant’s obligations under this Lease, then Tenant further represents, warrants and covenants either that (i) any such guarantor is a Regulated Entity or (ii) neither guarantor nor any person or entity that directly or indirectly (a) controls such guarantor or (b) has an ownership interest in such guarantor of twenty-five percent (25%) or more, appears on the OFAC List.

Tenant covenants that during the term of this Lease to provide to Landlord information reasonably requested by Landlord including without limitation, organizational structural charts and organizational documents which Landlord may deem to be necessary (“**Tenant OFAC Information**”) in order for Landlord to confirm Tenant’s continuing compliance with the provisions of this Section. Tenant represents and warrants that the Tenant OFAC Information it has provided or to be provided to Landlord in connection with the execution of this Lease is true and complete.

**R. Construction of Certain Terms.** For all purposes of this Lease: (1) all accounting terms shall have the meanings assigned to them in accordance with GAAP; (2) the words “herein”, “hereof”, and “hereunder” and other words of similar import shall refer to this Lease as a whole and not to any particular Article, Section, or subdivisions; and (3) the term “including” shall mean “including, without limitation”.

## **ARTICLE 31**

### **Termination Option**

**A.** Provided no Event of Default exists on the date of delivery of the Early Termination Notice or on the Early Termination Date (each as defined below), at the option of Tenant, and subject to the restrictions hereafter, Tenant may elect to terminate this Lease as of the eighth (8th)

anniversary of the Commencement Date (the “**Early Termination Date**”). Tenant may exercise such right by delivering to Landlord, not later than twelve (12) months prior to the Early Termination Date, written notice of Tenant’s election to terminate the Lease (an “**Early Termination Notice**”) as of the Early Termination Date. Tenant shall pay to Landlord a termination payment (the “**Termination Payment**”) in the amount of \$1,300,794.63, representing Landlord Contribution, brokerage commissions and rent abatement, each amortized on a straight line basis over the initial term of the Lease, at an annual interest rate of eight percent (8%). One half of the Termination Payment shall be due concurrently with the delivery of the Early Termination Notice, and the other half shall be due on the Early Termination Date.

**B.** If Tenant gives the Early Termination Notice and the required Termination Payment as provided herein, this Lease shall terminate as of the Early Termination Date. If Tenant does not give the Early Termination Notice and make the required Termination Payment as provided herein, at Landlord’s election the Lease shall continue in full force and effect. Such Termination Payment shall be deemed earned by Landlord upon receipt of Tenant’s Early Termination Notice. After giving the Early Termination Notice, Tenant shall continue to pay all Rent under the Lease for periods prior to the Early Termination Date, in addition to such Termination Payment. After the Early Termination Date, the terms of the Lease intended to survive the end of the Term shall continue in full force and effect.

## **ARTICLE 32**

### **Renewal Option**

**A.** Subject to the terms of this Article, Tenant shall have the option (“**Renewal Option**”) to extend the Term of the Lease for one additional five (5) year period (the “**Renewal Period**”). If Tenant desires to exercise the Renewal Option, Tenant shall deliver written notice (“**Renewal Notice**”) to Landlord at least twelve (12) months prior to the then current expiration of the Term. The Renewal Option shall be on the same terms and conditions as contained in this Lease, except Rent for the Renewal Period shall be the Fair Market Rental Value (as defined below). Notwithstanding any of the foregoing, any attempt by Tenant to exercise the Renewal Option by any method, or at any time, or in any circumstance, except as specifically set forth above, shall, at the sole option and discretion of Landlord, be null and void and of no force or effect. Furthermore, if an Event of Default is continuing on (i) the date Tenant delivers to Landlord the Renewal Notice or (ii) the date the Renewal Period would commence, Landlord shall have the option, on written notice to Tenant, to declare Tenant’s election to extend the Term to be void and of no effect. At such time as Rent is determined for the Renewal Period, Tenant agrees to execute any reasonable documents to evidence the Term, as extended, and Rent to be paid during the Renewal Period. At such time as Tenant notifies Landlord of its desire to renew the Lease, Landlord shall, within thirty (30) days of receipt of Tenant’s Renewal Notice, notify Tenant of Landlord’s determination of the Fair Market Rental Value (“**Landlord Renewal Rental Notice**”). Tenant shall, within thirty (30) days of its receipt of the Landlord Renewal Rental Notice, advise Landlord in writing of its election to (i) affirm its exercise of its Renewal Option based upon Landlord’s determination of the Fair Market Rental Value, (ii) elect arbitration pursuant to the arbitration procedure set forth below to determine the Fair Market Rental Value (“**Arbitration**”) or (iii) withdraw its Renewal Notice if Tenant has not elected Arbitration. If Tenant elects to renew this Lease, Tenant shall accept such renewal of the Premises in then as-is condition.

**B.** For purposes of this Article, “**Fair Market Rental Value**” shall mean an annual amount per rentable square foot that a creditworthy tenant would have to pay at comparable building located in a comparable location the Chicago Business District office market (the “**Market**”) giving appropriate consideration to annual rental rate per rentable square foot, rental escalations (including type, base year and stops), length of lease term, size and location of the premises being leased, allowances, concessions, rent abatement and other generally applicable terms and

conditions prevailing for comparable renewal space in comparable buildings located in the Market and whether such allowances and other concessions are given to Tenant under this Renewal Option. If the parties do not agree on the Fair Market Rental Value and Tenant has elected Arbitration, the same shall be determined as follows.

**C. Baseball Arbitration.** If Landlord and Tenant are unable to reach agreement on Fair Market Rental Value within thirty (30) days, then prior to submitting their dispute to arbitrators, Landlord and Tenant shall each simultaneously submit to the other, within ten (10) days thereafter, its good faith estimate of Fair Market Rental Value in such situation. If the higher estimate is not more than one hundred five percent (105%) of the lower, then the Fair Market Rental Value shall be the average of the two estimates. If the higher estimate is more than one hundred five percent (105%) of the lower, then each party shall, within ten (10) days thereafter, appoint an arbitrator who shall have had at least 10 years' experience evaluating and/or appraising rental office space in the Chicago office submarket. The arbitrators shall, within fifteen (15) days thereafter, select from the two estimates of Fair Market Rental Value submitted by Landlord and Tenant the one that is closer to the Fair Market Rental Value as determined by the arbitrators. If the arbitrators do not agree, then the arbitrators shall, within ten (10) days thereafter, appoint an umpire meeting the same qualifications required of the arbitrators, and who shall, within fifteen (15) days thereafter, make the final determination and select the estimate closest to the umpire's determination of Fair Market Rental Value. The fees and costs of the umpire shall be borne by the party whose estimate is not chosen by the umpire. Landlord and Tenant shall each pay for the cost of its own appointed arbitrator.

### **ARTICLE 33**

#### **Right of First Refusal**

Subject to the pre-existing rights of existing tenants, Landlord agrees that if at any time during the term of this Lease Landlord receives a letter of intent ("**LOI**") that Landlord is prepared to accept for the lease of any space on the eighth (8th) floor of the Building (the "**Refusal Space**"), Tenant shall have the right and option ("**Right of First Refusal**") to lease the Refusal Space on the following terms and conditions:

Landlord shall provide Tenant with a notice specifying the terms of the LOI, including the size and location of the applicable space and the length of the lease term and the other economic terms of the LOI ("**RFR Notice**"), and Tenant shall have the right, within ten (10) business days after receipt of the RFR Notice, to notify Landlord of Tenant's election to lease the Refusal Space for (subject to the pre-existing rights of existing tenants) the longer of the balance of the remaining Term of this Lease or the length of the term in the RFR Notice. If Tenant does not give Landlord notice in writing within said ten (10) business day period that Tenant intends to exercise its rights hereunder, then Landlord shall be free to lease the offered Refusal Space pursuant to the LOI, and in such event Tenant's rights hereunder with respect to such LOI (but not with respect to any other Refusal Space or other LOI) shall terminate; provided, however, that in the event a lease shall not be consummated within six (6) months of the RFR Notice, then Tenant's rights hereunder shall be reinstated as to subsequent offers. Tenant's Right of First Refusal must be exercised as to one hundred percent (100%) of the Refusal Space that is the subject of the RFR Notice. If Tenant elects to exercise its Right of First Refusal and so notifies Landlord of same within the aforesaid time period, then, in such case, Tenant shall lease the offered Refusal Space as of the availability date set forth in Landlord's RFR Notice for a term equal to the longer of the balance of the remaining Term of this Lease or the length of the term in the RFR Notice and otherwise on the economic terms set forth in the RFR Notice, and Landlord and Tenant shall enter into an amendment to this Lease accomplishing the foregoing. If after the date that Tenant notifies Landlord of its election to expand into any Refusal Space and prior to possession of the Refusal

Space there shall be an Event of Default by Tenant under the Lease, Landlord shall have the option, on written notice to Tenant, to declare Tenant's election to expand to be void and of no effect.

Notwithstanding the foregoing, the foregoing Right of First Refusal shall not apply to any short term (one year or less) lease to any tenant that has signed a lease for other space in the Building but is being accommodated on the eighth floor pending its occupation under such other lease.

#### **ARTICLE 34**

##### **Rooftop Deck**

As part of Landlord's renovation of the Building and subject to obtaining all necessary approvals, Landlord expects to construct at the Building a common area roof deck (the "**Rooftop Deck**"). Tenant shall have the right, in common with other tenants, to utilize the Rooftop Deck, subject to such reasonable rules, regulations and restrictions as Landlord may from time to time impose upon such use. Notwithstanding the foregoing, Landlord reserves the right to prohibit access to the Rooftop Deck by Tenant or any other tenants for periods when the Rooftop Deck may be reserved for private functions. Upon completion of the Rooftop Deck, Tenant shall have the right to exclusive access and use of the Rooftop Deck for any two (2) days during a given calendar year at no cost to Tenant. Tenant shall submit its proposed date of use to the Landlord not later than three (3) months prior to the proposed date of use.
